Re: Rent Increase - Effective 5/1/26

Dear Wendy:

Due to increasing expenses, including property taxes, insurance, and utility costs, we find it necessary to increase your rent.

*Effective **5/1/26** your monthly rent will be **$ 1470.00.** All other charges remain the same.*

You may continue to reside on a month-to-month tenancy requiring a 60-day written notice by either tenant or landlord to terminate or modify this lease at the end of any month. Not withstanding this the Landlord will accept a written 28 day notice which ends at the end of a month as acceptable notice to terminate the lease.

We appreciate your tenancy with us and we will continue to do our best to provide you with a living environment which you can enjoy. We are looking forward to a continued fine business relationship with you.

Very truly yours,

Evan Schell
Property Manager

A copy of the rules will have been given to the Tenant at the time of application and at the time of signing of the Lease.
