Proposal

We propose to correct the drainage problem in the west side yard. We will first trench the existing downspouts underground into 4 inch PVC pipe. We will then construct a "rain garden" to collect the drainage water, located in the northwest corner of the backyard. The rain garden will be constructed by excavating a large hole and filling it with a mixture of sand, gravel, and topsoil. We will then route water to each gutter and backwards. The rain garden will be approximately 10 feet by 10 feet in size. The PVC pipes will be discharged into the rain garden. The area along the west side of the house will be backfilled with topsoil. All damaged lawn areas will be repaired with topsoil, grass seed and straw matting.

- Price including labor, materials, and tax: $2,650.00

Please contact us at (262) 271 8765 with any questions. If the scope and budget for this project meets your needs, please sign and return one copy of this agreement, keeping a copy for your records. Thank you for your business.

CHILD SAFETY
CHILD SAFETY IS VERY IMPORTANT! Whenever possible, please order cordless or motorized shades to avoid these dangers. All corded shades must be installed with approved safety devices. No exceptions will be made.

MANUFACTURERS WARRANTIES
The Budget Blinds No Questions Asked Warranty
Budget Blinds manufacturers offer a unique warranty to our customers called the No Questions Asked Warranty. This warranty varies by product type and manufacturer. Please ask your design consultant for the manufacturer warranty information.

Budget Blinds reserves the right to charge for labor on any warranty claim beyond 1 year of purchase. To avoid labor charges, we can ship a replacement product directly to the customer. Batteries are not included in any warranty.

The Limited Lifetime Warranty Against Manufacturer Defects
In addition to our No Questions Asked warranty, all our blinds come with a limited lifetime warranty. This warranty provided by the manufacturer warrants that your products will be from original defects in materials or workmanship for as long as the original purchaser owns the product. Under the limited lifetime warranty, the obligations of the manufacturer are limited to repair or replacement of parts of the product found to be defective.

CORDS AND WEAR PARTS
Budget Blinds manufacturers offer a 5-year replacement warranty on all working mechanisms. Customers who have cord issues may ship the blind to the manufacturer to have blinds restrung or fixed by the manufacturer. (Customer may be responsible for the shipping charge).

In some cases, the local Budget Blinds office can assist with cord issues. There may be labor and additional charges associated with having the blind fixed locally. The customer should work with the local Budget Blinds office to determine the best course of action for their situation.

BUDGET BLINDS ONE YEAR LABOR WARRANTY
WHAT IS COVERED BY THE WARRANTY
In addition to the product warranty offered by the Manufacturer, Budget Blinds offers a one-year labor warranty. We will separately warrant that all of our work substantially conforms to the manufacturer's recommendations and follows industry standards and quality guidelines and that, upon notice from the customer, we will correct any faults related to defective workmanship or miss-application of the product at no additional cost to the customer. The warranty only applies to work performed by Budget Blinds.

WHAT IS NOT COVERED
If the product is damaged due to acts of nature, abuse, physical damage, or accident, this labor warranty will be null and void.
Any labor calls not covered by the warranty or after the one-year period will be subject to a charge at the current labor rate.

JOB SITE IMAGES, PHOTOGRAPHY, AND VIDEO
Budget Blinds employees may, during any point during the term of this contract, take still photographs or video of the site for training, documentation, education, or promotional purposes. Budget Blinds will not release any personal information or personally identifiable images or video without written
