BYLAWS OF
HARBOR PARK PARCEL B CONDOMINIUM
ASSOCIATION, INC.

ARTICLE I.
Plan of Unit Ownership

Section 1. Condominium Unit Ownership. Certain property located in the City of Kenosha, Kenosha County, State of Wisconsin ("Property"), known as Harbor Park Parcel B Condominium has been submitted to the provisions of the Wisconsin Condominium Ownership Act ("Act") by a Declaration of Condominium ("Declaration") recorded in the office of the Register of Deeds for Kenosha County, Wisconsin.

Section 2. Adoption of Bylaws and Applicability of Definitions. These Bylaws are adopted as the Bylaws of Harbor Park Parcel B Condominium Association, Inc. ("Association"), a Wisconsin corporation organized under the Wisconsin nonstock Corporation Law to serve as an association of unit owners under the Act. The provisions of these Bylaws apply to the Property and to the use and occupancy of the Property. The terms used in these Bylaws shall, unless the context or the Declaration requires otherwise, have the same meaning as the definitions contained in section 703.02 of the Act.

Section 3. Office and Mailing Address. The initial office and mailing address of the Association and of the Board of Directors of the Association ("Board of Directors") shall be located at 7855 Greendale, Burlington, Wisconsin 53105, until otherwise designated by the Board of Directors of the Association.

ARTICLE II.
Board of Directors

Section 1. Number and Qualification. Until election of a new Board of Directors by unit owners, pursuant to Section 1C, Article III of these Bylaws, the Board of Directors shall consist of those persons named in the Articles of Incorporation, or such other persons as Harbor Park, LLC (referred to as the "Declarant") shall name to replace them, or those persons elected as provided in Section 1B, Article III of these Bylaws. Thereafter, the Board of Directors shall be composed of five persons, at least one of whom shall be from each building, and who shall be owners of units, members of limited liability company owners, fiduciary owners, members, or employees of partnership owners, or officers, stockholders, or employees of corporate owners, and one of whom may be the spouse of a unit owner or a mortgagee of a unit, a fiduciary mortgagee, a member or employee of a partnership mortgagee, or an officer, stockholder or employee of a corporate mortgagee.

Section 2. Powers and Duties. The affairs of the Association and of the Property shall be governed by the Board of Directors. The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Association and of the Property, except those powers and duties as by law or by the Declaration or by these Bylaws may not be delegated to the Board of Directors by the unit owners or have been specifically reserved by or to the unit owners. The Board of Directors shall have full power and authority necessary for or desirable for the complete enforcement and administration of the Property and the provisions of the Act, the Declaration, these Bylaws, and the rules and regulations.

Section 3. Managing Agent and Manager. As a common expense of the Association, the Board of Directors may employ for the Property a managing agent or manager at a compensation established by the Board of Directors to perform the duties and services as the Board of Directors shall authorize.

Section 4. Election and Term of Office. At the first annual meeting of the unit owners, the term of office of one member of the Board of Directors shall be fixed at three years, the term of office of two members of the Board of Directors shall be fixed at two years, and the term of office of two members of the Board of Directors shall be fixed at one year. At the expiration of the initial term of office of each respective member of the Board of Directors, his successor shall be elected to serve a term of three years. The members of the Board of Directors shall hold office until their respective successors shall have been elected by the unit owners.

Section 5. Removal of Members of the Board of Directors. At any regular or special meeting of unit owners, any one or more of the members of the Board of Directors previously elected by the unit owners may be removed with or without cause by a majority of the authorized votes of all unit owners, and a successor may be elected to fill the vacancy created. Any member of the Board of Directors whose removal has been proposed by the unit owners shall be given an opportunity to be heard at the meeting.

Section 6. Vacancies. Vacancies in the Board of Directors caused by any reason, other than the removal of a member by a vote of the unit owners, shall be filled by a vote of a majority of the remaining members of the Board of Directors at a special meeting of the Board of Directors held for that purpose promptly after the occurrence of the vacancy even though the members present at the meeting may be less than a quorum, and each person so elected shall be a member of the Board of Directors for the remainder of the term of the member so removed and until a successor is elected at the next annual meeting of the unit owners.

Section 7. Organizational Meeting. The first meeting of the members of the Board of Directors following the first annual meeting of the unit owners shall be held within twenty days after the annual meeting, at a time and place fixed by the unit owners at the meeting at which the Board of Directors has been elected, and no notice shall be necessary to the newly elected members of the Board of Directors in order legally to constitute the meeting, providing a majority of the whole Board of Directors shall be present at the meeting.

Section 8. Regular Meetings. Regular meetings of the Board of Directors may be held at the time and place as determined from time to time by a majority of the members of the Board of Directors. Notice of regular meetings of the Board of Directors shall be given to each member of the Board of Directors, by mail, E-Mail, or facsimile, at least 48 hours prior to the time of the meeting.

Section 9. Special Meetings. Special meetings of the Board of Directors may be called by the President on 48 hours' notice to each member of the Board of Directors, given by mail, E-Mail, or facsimile, and the notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary in like manner and on like notice on the written request of at least one member of the Board of Directors.

Section 10. Waiver of Notice. Any member of the Board of Directors may, at any time, waive notice of any meeting of the Board of Directors in writing, and the waiver shall be deemed equivalent to the giving of the notice. Attendance by a member of the Board of Directors at any meeting of the Board shall be a waiver of notice of the time and place of the meeting. If all members of the Board of Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at the meeting.

Section 11. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the members shall constitute a quorum for the transaction of business, and the votes of a majority of the members of the Board of Directors present at a meeting at which a quorum is present shall constitute a decision of the Board of Directors. If, at any meeting of the Board of Directors, there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time. At any adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 12. Fidelity Bonds. The Board of Directors shall obtain fidelity bonds for all officers and employees of the Association handling or responsible for funds. The bonds shall be in amounts not less than one and one-half times the anticipated annual common expenses and reserves for the Property, as reflected on the budget adopted by the Board of Directors. The premiums on the bonds shall constitute a common expense.

Section 13. Compensation. No member of the Board of Directors shall receive any compensation from the Association for acting as a Director.

Section 14. Liability of the Board of Directors. The members of the Board of Directors shall not be liable to the unit owners for any mistake of judgment, failure to adhere to the provisions of the Declaration or these Bylaws, negligence or otherwise, except for their own individual, willful misconduct or bad faith. The unit owners shall indemnify and hold harmless each member of the Board of Directors against all contractual liability to others arising out of contracts made by the Board of Directors on behalf of the Association unless any contract shall

have been made in bad faith. It is intended that the members of the Board of Directors shall have no personal liability with respect to any contracts made by them on behalf of the Association. It is also intended that the liability of the unit owners arising out of any contract made by the Board of Directors or out of the indemnity in favor of the members of the Board of Directors shall be shared equally by all of the unit owners, and the liability of any single unit owner shall be limited to an equal proportionate share of the total liability. At the option of the Board of Directors, Directors' liability insurance may be obtained and shall be paid for as a common expense.

Section 15. Informal Action. Any action which is required to be taken at a meeting of the Board of Directors or which may be taken at a meeting, may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all of the Directors entitled to vote with respect to the subject matter. The consent shall have the same force and effect as a unanimous vote.

ARTICLE III.
Unit Owners

Section 1. Annual Meetings.

A. Until the first annual meeting of the unit owners as described below, until the Declarant designates otherwise, or until the unit owners elect a member of the Board of Directors pursuant to this Section prior to the first annual meeting of the unit owners, the initial Board of Directors named in the Articles of Incorporation of the Association shall serve as the Board of Directors.

B. No sooner than thirty (30) days after the Declarant shall have consummated the sale of units aggregating fifty-one percent (51%) of all unit ownerships, the Declarant may call a meeting of the unit owners. At such meeting, all of the designees of the Declarant on the Board of Directors shall resign and the unit owners in attendance shall elect successors by vote of a majority of those unit owners. Any successor shall serve until the first annual meeting of the unit owners. If the successor shall resign prior to the first annual meeting of the unit owners, a successor shall be elected in the same manner.

C. On the earlier of 30 days after 75 percent of the undivided percentage interest in the common elements shall have been sold and conveyed by the Declarant, or 3 years after the recording of the Declaration, or such earlier time as determined by the Declarant, the Declarant shall call the first annual meeting of the unit owners. At this meeting, the designees of the Declarant and any other members of the Board of Directors elected by the unit owners shall resign as members of the Board of Directors, and all the unit owners, including the Declarant, shall elect a new Board of Directors. Thereafter, the annual meetings of the unit owners shall be held on the second Monday of August of each succeeding year at 7:00 p.m. At such meetings, the Board of Directors shall be elected

by ballot of the unit owners in accordance with the requirements of Section 4 of Article II of these Bylaws. The unit owners may transact other business at the meetings as may properly come before them.

Section 2. Place of Meetings. Meetings of the unit owners shall be held at the principal office of the Association or at any other suitable place convenient to the unit owners as may be designated by the Board of Directors.

Section 3. Special Meetings. It shall be the duty of the President to call a special meeting of the unit owners if so directed by resolution of the Board of Directors or upon a petition signed and presented to the Secretary by unit owners having 25 percent of the total authorized votes of all unit owners. The notice of any special meeting shall state the time, place and purpose of the meeting. No business shall be transacted at a special meeting except as stated in the notice.

Section 4. Notice of Meetings. The Secretary shall mail to each unit owner of record or cause to be delivered to each unit owner a notice of each annual or special meeting of the unit owners, at least 15 but not more than 30 days prior to the meeting, stating the purpose of the meeting as well as the time and place where it is to be held.

Section 5. Adjournment of Meetings. Any meeting of unit owners at which a quorum has or has not attended may be adjourned at the option of the unit owners by vote of a majority of the authorized votes of the unit owners who are present, either in person or by proxy, at the meeting.

Section 6. Title to Units. Title to units may be taken in the name of an individual or in the names of two or more persons as marital property, as survivorship marital property, as tenants in common or as joint tenants, in the name of a corporation, limited liability company, or partnership, or in the name of a fiduciary.

Section 7. Voting. Each unit shall have one vote on matters submitted by the Association for decision. Each unit owner shall furnish the Association with the owner's name and current mailing address. No unit owner may vote at meetings of the Association until this information is furnished. The owner or owners of each unit, or some person designated by the owner or owners to act as proxy and who need not be an owner, shall be entitled to cast the vote belonging to the unit at all meetings of unit owners. The designation of any proxy shall be made in writing to the Secretary, and shall be revocable at any time by written notice to the Secretary by the owner or owners so designating. Any proxy shall be effective only for a maximum period of 180 days following its issuance unless granted to a mortgagee, land contract vendor or lessee of a unit. Each unit owner (including the Declarant and the Board of Directors, if the Declarant, or the Board of Directors or its designee, shall then hold title to one or more units) shall be entitled to cast at all meetings of the unit owners the vote belonging to each unit owned. Where ownership is in the name of two or more persons, the vote may be cast by any one joint owner; provided, however, that if any joint owner protests promptly the casting of the vote to the person presiding over the meeting or files a written statement with the Secretary stating that thereafter the vote must be cast

pro rata in accordance with each joint owner's interest in the unit, then the vote shall thereafter be cast pro rata by all joint owners in accordance with their interests in the unit. Where a unit is leased, the lessor shall be entitled to vote the vote belonging to the unit (where there are two or more lessors, they shall be considered joint owners). Where the unit is sold under a land contract, the land contract purchaser shall be entitled to vote the vote for that unit (where there are two or more purchasers, they shall be considered joint owners). Notwithstanding the provisions of this section, if the Association has recorded a statement of condominium lien on a unit and the amount necessary to release the lien has not been paid at the time of the meeting, such unit owner shall not be entitled to a vote at the meeting.

Section 8. Majority of Unit Owners. As used in these Bylaws, the term "majority of unit owners" shall mean those unit owners having more than 50 percent of the authorized votes of all unit owners present in person or by proxy and voting at any meeting of the unit owners, determined in accordance with the provisions of Section 7 of this Article III.

Section 9. Quorum. Except as otherwise provided in these Bylaws, the presence in person or by proxy of unit owners having 33 1/3 percent of the total authorized votes of all unit owners shall constitute a quorum at all meetings of the unit owners.

Section 10. Majority Vote. The vote of a majority of unit owners at a meeting at which a quorum shall be present shall be binding upon all unit owners for all purposes except where a higher percentage vote is required by law, by the Declaration, or by these Bylaws.

Section 11. Action by Unanimous Consent. Any action required to be taken or which may be taken at a meeting of unit owners may be taken without a meeting of unit owners by execution of a consent in writing setting forth the action taken signed by all unit owners entitled to vote. The signature required in each instance shall be that person who is then entitled to cast the vote for a unit. All such consent action shall have the same force and effect as a unanimous vote.

Section 12. Association Membership.

A. All unit owners shall be members of the Association. This is not intended to include persons who hold an interest in the unit merely as security for the performance of an obligation. Land contract vendors shall not be members; land contract purchasers shall be members. Membership shall belong to and may not be separated from ownership of any unit.

B. Initial membership in the Association shall be established by the recording of the Declaration in the office of the Register of Deeds for Kenosha County, Wisconsin. Transfer of membership in the Association shall be established by the recording in the office of the Register of Deeds for Kenosha County of a deed or other instrument establishing a change of record title to a unit or the recording in that office of a land contract. A certified copy of the instrument or land contract or such other documentation

acceptable to the Board of Directors shall be delivered to the Association by the transferee or purchaser. The transferee designated by the instrument or the purchaser shall then become a member of the Association, and the membership of the prior owner or vendor shall then be terminated. Until the delivery, the transferee or purchaser shall not be entitled to vote as a member of the Association and shall not be entitled to notice of meetings of unit owners. The Association shall maintain a current roster of names and addresses of every unit owner to whom notice of meetings of the Association must be sent.

ARTICLE IV.
Officers

Section 1. Designation, Election and Removal. The principal officers of the Association shall be the President, the Vice President, the Secretary and the Treasurer, all of whom shall be elected annually by and from the Board of Directors. The Board of Directors may appoint such other officers as in its judgment may be necessary. Any two or more offices may be held by the same person, except the offices of President and Secretary and President and Vice President. Any officer may with or without cause, be removed by the Board of Directors, and a successor selected, by majority vote of the members of the Board of Directors, at any regular meeting of the Board of Directors, or at any special meeting called for that purpose.

Section 2. President. The President shall be the chief executive officer of the Association and shall preside at all meetings of the unit owners and of the Board of Directors. The President shall have all of the general powers and duties of the President of a stock corporation organized under the Wisconsin Business Corporation Law, including, but not limited to, the power to appoint unit owners to any committee which is established under these Bylaws or by the Board of Directors.

Section 3. Vice President. The Vice President shall take the place of and perform the duties of the President whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board of Directors to act in the place of the President on an interim basis. The Vice President shall also perform such other duties as shall from time to time be requested by the Board of Directors or by the President.

Section 4. Secretary. The Secretary shall keep the minutes of all meetings of the unit owners and of the Board of Directors, have charge of such books and papers as the Board of Directors may direct, and shall, in general, perform all the duties of Secretary of a stock corporation organized under the Wisconsin Business Corporation Law. The Secretary shall count the votes at the meetings of the Association.

Section 5. Treasurer. The Treasurer shall be responsible for Association funds and securities and for keeping full and accurate financial records and books of account showing all

receipts and disbursements and for the preparation of all required financial statements. The Treasurer shall be responsible for the deposit of all monies and other valuable effects in the name of the Association in such depositories as may from time to time be designated by the Board of Directors and shall, in general, perform all the duties of Treasurer of a stock corporation organized under the Wisconsin Business Corporation Law.

Section 6. Agreements, Contracts, Deeds, Checks, Etc. All agreements, contracts, deeds, leases, checks and other instruments of the Association may be executed by any two officers or by such other person or persons as may be designated by the Board of Directors.

Section 7. Compensation of Officers. No officer shall receive any compensation from the Association for acting as an officer unless approved in advance by the unit owners.

ARTICLE V.
Operation of the Property

Section 1. Determination of Common Expenses. The Board of Directors shall, at least annually, prepare budgets for the Property, determine the amount of the common expenses for the forthcoming year and allocate and assess the common expenses against the unit owners as described in the Declaration; provided that no assessment shall be made against the Declarant or units owned by the Declarant. The assessment for common expenses for the entire year shall be effective as of January 1 of each year but shall be payable at such time or times as the Board of Directors shall determine. The common expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Directors pursuant to the provisions of Section 2 of this Article V. The common expenses may also include such amounts as the Board of Directors may deem proper for the operation and maintenance of the Property, including without limitation an amount for working capital (which for the initial months of operation shall be equal to a one-time assessment equal to two months of the monthly condominium assessment then in effect to be collected upon the first sale of each unit), for a general operating reserve, for a reserve fund for replacement, and for making up any deficit in the common expenses for any prior year, and sewer service, and water consumed or used in or in connection with the Property (if not separately billed to the unit owner). The initial contribution to the working capital fund is not refundable to, or assignable by, the unit owner. The common expenses may also include such amounts as may be required for the purchase or lease by the Board of Directors or its designee, corporate or otherwise, on behalf of all unit owners of any unit which is to be sold at a foreclosure or other judicial sale. The Board of Directors shall advise each unit owner in writing of the amount of common expenses payable by the unit owner, and shall furnish copies to all unit owners of the budget on which the common expenses are based.

Section 2. Insurance. The Board of Directors shall obtain and maintain, to the extent obtainable, fire insurance with extended coverage, vandalism and malicious mischief

endorsements, insuring all buildings (including all of the units and the bathroom and kitchen fixtures initially installed by the Declarant, but not including furniture, furnishings, or other personal property supplied or installed by unit owners), together with all air conditioning equipment and other service machinery contained in the units, and all limited common elements. The insurance shall cover the Property and shall name as insureds the Association, and all unit owners and their mortgagees, as their interest may appear, in an amount equal to not less than the replacement value of the buildings, without deduction for depreciation. Each policy shall provide that proceeds shall be payable to the Association or the insurance trustee as provided in these Bylaws as trustee for all unit owners and their mortgagees or land contract vendors as their interest may appear. All such policies shall provide that adjustment of loss shall be made by the Association, and that the net insurance proceeds, if $10,000 or less, shall be payable to the Association, and if more than $10,000, shall be payable to the insurance trustee.

All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based on co-insurance or of invalidity arising from any acts of the insured, and shall provide that the policies may not be cancelled or substantially modified without at least 10 days' prior written notice to all of the insureds. Prior to obtaining any policy of fire insurance or any renewal of the policy, the Association shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the buildings including all of the units and all of the common and limited common elements without deduction for depreciation, for the purpose of determining the amounts of fire insurance to be purchased.

The Board of Directors shall also obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Association may from time to time determine, covering each member of the Board of Directors, the managing agent, the manager, and each unit owner and appropriate fidelity bond coverage for any person handling Association funds. The public liability coverage shall also cover cross liability claims of one insured against another. The Board of Directors shall review the insurance limits once each year. Until the first meeting of the Board of Directors following the first annual meeting of the unit owners, the public liability insurance shall be in a single limit of at least $1,000,000 covering all claims for bodily injury or property damage arising out of one occurrence. The Association may obtain and maintain worker's compensation insurance to the extent necessary to comply with any applicable laws.

Unit owners or their mortgagees or land contract vendors shall not be prohibited from carrying other insurance for their own benefit provided that all policies shall contain waivers of subrogation, and that the liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished by reason of any additional insurance. The insurance obtained by the Association will not cover the contents of units or public liability claims arising out of occurrences happening within the boundaries of the units.

Section 3. Repair and Reconstruction after Damage.

A. In the event of any damage to or destruction of the Property in the amount of $10,000 or less whether or not the insurance proceeds, if any, are sufficient to complete repair or reconstruction, the Board of Directors is authorized to and shall arrange for the prompt repair and reconstruction (including any damaged units, and any kitchen or bathroom fixtures initially installed by the Declarant, but not including any wall, ceiling or floor decorations or coverings or other furniture, furnishings, fixtures or equipment installed by unit owners in the units), and the Board of Directors shall disburse any insurance proceeds to the contractors engaged in the repair and reconstruction in appropriate progress payments. Any cost of repair and reconstruction in excess of the insurance proceeds shall be a common expense, and the Board of Directors may assess all the unit owners for the deficit as part of the common expenses.

By acceptance of the deed to a unit, each unit owner shall be deemed to have consented to this authorization and direction for repair and reconstruction. The authorization and direction shall be deemed continuous action by the Association by unanimous consent pursuant to Section 11, Article III of these Bylaws and shall constitute the determination by the unit owners and the Association to repair or reconstruct as required by the Act. If, notwithstanding the foregoing provisions, a determination to repair and reconstruct is submitted to the vote of the unit owners, then the affirmative vote of one unit owner shall be sufficient to determine to repair or reconstruct.

B. In the event the Property is destroyed or damaged in an amount in excess of $10,000 and insurance proceeds, if any, less an amount not exceeding $10,000 are insufficient to complete repair or reconstruction, the Association by vote of a majority of unit owners shall determine within 90 days after the damage or destruction whether to proceed with repair, reconstruction or sale. If the Association determines to repair or reconstruct, the Board of Directors shall arrange for the repair or reconstruction in accordance with the preceding paragraph of this section. If the Association, within 90 days after such damage or destruction in excess of $10,000 fails to make a determination to repair, reconstruct or sell, the Property shall be deemed to be owned in common by the unit owners in the same percentages as previously owned by each unit owner in the common elements and be subject to an action for partition at the suit of any unit owner. In the event of a partition action, the net proceeds of sale, together with the net insurance proceeds, shall be divided by the Board of Directors, or the insurance trustee, as the case may be, among all the unit owners in proportion to their respective interests in common elements, after first paying out of the share of each unit owner, to the extent sufficient for the purpose, all liens on the undivided interest in the property owned by each unit owner.

C. In the event the Property is destroyed or damaged in an amount in excess of $10,000 and insurance proceeds less an amount not exceeding $10,000 are sufficient to

complete repair or reconstruction, the Board of Directors is authorized and shall arrange for the repair or reconstruction in accordance with paragraph 1 of Section 3, Article V.

By acceptance of the deed to a unit, each unit owner shall be deemed to have consented to this authorization and direction for repair and reconstruction. The authorization and direction shall be deemed continuous action by the Association by unanimous consent pursuant to Section 11, Article III of these Bylaws and shall constitute the determination by the unit owners and the Association to repair or reconstruct as required by the Act. If, notwithstanding the foregoing provisions, a determination is submitted to the vote of the unit owners, then the affirmative vote of one unit owner shall be sufficient to determine to repair or reconstruct.

Section 4. Payment of Common Expenses. All unit owners shall pay the common expenses assessed by the Board of Directors pursuant to the provisions of Section 1 of this Article, at such time or times as the Board of Directors shall determine. A late charge of up to $25 may be imposed by the Board of Directors against a unit owner if any balance in common expense remains unpaid by the 10th day of the month when due.

No unit owner shall be liable for the payment of any part of the common expenses assessed against the unit after the date of a sale, transfer or other conveyance of the unit by the owner (made in accordance with the provisions of Section 1, Article VII of these Bylaws). A purchaser of a unit shall be liable for the payment of common expenses assessed against the unit before the acquisition by the purchaser of the unit, except that if the Association or Board of Directors furnishes a statement of common expenses due and unpaid pursuant to the Act, the liability shall be limited to the amount set forth in the statement.

Each unit owner shall be obligated to pay common expenses under these Bylaws, notwithstanding the fact that the unit owner may have a pending dispute with the Association or the Board of Directors on any matter.

Section 5. Collection of Assessments. The Board of Directors shall assess common expenses against the unit owners from time to time at least annually and shall take prompt action to collect from a unit owner any assessment due which remains unpaid by the unit owner for more than 30 days from the due date for its payment.

Section 6. A unit owner may make additions, improvements, or alterations within the unit which do not impair the structural integrity or lessen the support of any portion of the Property. No unit owner shall make any change in, nor affix anything to, the exterior of the building containing the unit or of any portion of the Property. The Board of Directors shall not be liable to any contractor, subcontractor, or materialman, or to any person sustaining personal injury or property damage, for any claim arising in connection with the additions, alterations, or improvements. A unit owner's sale of the unit shall include the sale of (a) the undivided percentage interest in the common and limited common elements belonging to the unit; (b) the interest of the unit owner in any units previously acquired by the Association, or its designee, on behalf of all unit owners, or the proceeds of the sale or lease of those units, if any; and (c) the interest of the unit owner in any other assets of the Association.

Section 2. No Severance of Ownership. No unit owner shall execute any deed, mortgage, or other instrument conveying or mortgaging title to a unit without including the interests described in Section 1 of this Article VII, it being the intention to prevent any severance of the combined ownership. Any deed, mortgage, or other instrument purporting to affect one or more of these interests, without including all interests, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described. No part of these interests of any unit may be sold, transferred, or otherwise disposed of, except as a part of a sale, transfer, or other disposition of the unit to which the interests belong, or as part of a sale, transfer or other disposition of that part of these interests belonging to all units.

Section 3. Financing of Purchase of Units by Association. Acquisition of units by the Association or its designee, on behalf of all unit owners, may be made from the working capital and assessments for common expenses possessed by the Board of Directors, or if these funds are insufficient, the Association may borrow money to finance the acquisition of the unit; provided, however, that no financing may be secured by an encumbrance or hypothecation of any property other than the unit so to be acquired by the Association. Title to any real or personal property acquired by the Association shall be taken in the name of the Association. The Association shall act to borrow money, and acquire and convey property in the same manner as corporations formed under Chapter 181, Wisconsin Statutes.

Section 4. Waiver of Right of Partition with Respect to Units Acquired by Association. Section 5. Rental. If more than eighty percent (80%) of the total condominium units are occupied by unit owners or by persons related by blood or marriage to any such unit owner, a unit owner may lease or rent his unit. No owner shall lease or rent his unit for a term of less than six months. Any owner who wishes to lease or rent his unit to any person not related by blood or marriage to the unit owner shall give to the Association Board of Directors no less than twenty (20) days prior, written notice of the name of the proposed lessee/tenant and the intention of the unit owner to lease to the lessee/tenant. The Board of Directors shall thereafter inform the unit owner

Section 6. Payment of Assessments. No unit owner shall be permitted to convey, mortgage, pledge, hypothecate, will, or lease a unit unless and until the unit owner shall have paid in full to the Association all unpaid common expenses previously assessed by the Board of Directors against the unit.

If the Association determines to repair or reconstruct, the Board of Directors shall effect the repair or reconstruction in accordance with paragraph A of Section 3, Article V of these Bylaws. Any cost of repair or reconstruction in excess of the award shall be a common expense. If the Association determines not to repair or reconstruct or fails to vote within the 90-day period, the entire net proceeds shall be disbursed to those unit owners whose units have been taken in proportion to the percentage of interest in the common elements belonging to their respective units. If any unit owner is in default in paying common expenses, the amount of the common expenses shall be deducted from that owner's share of the proceeds. Upon receipt of the share of the proceeds, each unit owner shall execute a release, in form satisfactory to the Association, of that owner's undivided percentage interest in the common elements and shall thereafter no longer be considered a unit owner. The interests of the remaining unit owners in the common elements shall be recomputed by the Board of Directors, whose decision shall be final, to reflect the releases. The unit owner's rights to a share of the proceeds shall be subject to rights of all holders of liens on the unit.
