2.4 NAME.

The Property, including all Units and Improvements, shall be known as "Twelve Bridges Condominiums."

DESCRIPTION OF BUILDINGS AND UNITS

3.1 DESCRIPTION OF BUILDINGS.

There are four (4) three-story split level buildings constructed on the real estate, each of which contains 24 Units, such that there are a total of 96 Units comprising the Twelve Bridges Condominiums, with a total of 60 one bedroom Units and 36 two-bedroom Units.

Each building is a 3 story split level multi-family residential building containing 24 separate Units and a partial basement, with one storage locker for each Unit and a total of 18 sheltered parking stalls for each 24-unit building. Each building is similar in design and construction, being constructed principally of wood, brick, veneer, concrete block and poured concrete, with asphalt shingle roofs. Each 24-unit building, for purposes of this Declaration, is divided into three 8-unit "Buildings," each with a separate Building number as reflected on the Site Plan attached as Exhibit A-2.

3.2 DESIGNATION, LOCATION AND LAYOUT OF UNITS.

The unit number of each Unit and its location, floor plan and approximate area are set forth in the "Schedule of Units" attached as Exhibit B and in the floor plans attached as Exhibits A-2 through A-14. The Common Elements to which each Unit has immediate access are the hallways adjoining the Unit within the Building, all as further depicted on the Plat attached as Exhibit A-1 and on the floor plans attached as Exhibits A-2 through A-14.

3.3 UNIT FACILITIES.

The following items, areas and facilities (hereafter referred to as "facilities of a Unit") shall not be considered Common Elements but shall be considered a part of the Unit owned by the Unit Owner to the extent that such items, areas or facilities are within the exterior boundaries of the Unit or are used by or service that Unit alone: (a) equipment, appliances, fixtures, ducts, lines, pipes and laterals for services such as sewer, electrical power, gas, water, heat, air conditioning and incineration; and (b) all other apparatus, equipment, fixtures and materials used in conjunction with, or servicing, only that Unit.

Each Unit is served by an individual air-conditioning unit which shall be considered one of the facilities of the Unit to be maintained and repaired by the Unit Owner. Each Unit Owner shall be responsible for all costs of air-conditioning his/her Unit.

3.4 USE.

a) Each Unit shall be used by the Unit Owner and/or any other occupants solely as a single-family residential dwelling and shall not be occupied at any time by more than five (5) persons, regardless of whether unrelated or related by blood, marriage, or adoption. No Unit may be used at any time for conducting any business or commercial activity of any kind, except that any Unit may be leased by a Unit Owner to tenants for terms of not less than one (1) year and any Unit Owner or tenant may conduct business from the Unit by telephone, but only to that extent; provided that Declarant may use any Unit(s) which it owns as a sales office and/or model unit in conjunction with its sales activities and Declarant and any mortgagee who has or acquires possession of or title to a Unit may also lease any such Unit(s) for terms of not less than 30 days.

There shall be a perpetual easement for the Association and its officers, directors, employees, agents, servants and independent contractors to enter the Unit at all reasonable times upon advance notice to the Unit Owner (and in emergencies without notice) to perform such maintenance or repairs which the Board determines necessary or reasonable and which it elects to perform.

OWNERSHIP OF UNITS

4.1 EXCLUSIVE OWNERSHIP OF UNITS.

Each Unit Owner shall be entitled to exclusive use, ownership and possession of his, her or their Unit, subject to the limitations, restrictions and other provisions of the Act, this Declaration, and the other Condominium Documents.

4.2 PERCENTAGE OF OWNERSHIP INTEREST.

a) Each Unit Owner shall own an undivided interest in all Common and Limited Common Elements equal to the percentage of ownership interest as specified for that Unit in Exhibit B, plus a 1/96th undivided interest in all assets and liabilities of the Association.

b) A Unit Owner's ownership interest in all Common Elements and in all hazard insurance proceeds, condemnation awards and other assets and liabilities of the Association may not be modified in any respect or for any reason without the prior written consent of such Unit Owner and the holder(s) of any mortgage interest(s) in such Unit, together with the prior written consent (in the form of a recorded amendment to this Declaration) of the Owners of at least 75% all other Units and their mortgagees.

4.3 EASEMENTS FOR ACCESS.

Each Unit Owner and all tenants or other occupants of a Unit (except as otherwise provided under any leases) shall have the following non-exclusive rights and easements which shall be appurtenant to and shall pass with title to every Unit and may be exercised in accordance with the Act, this Declaration and the other Condominium Documents: a right of ingress and egress over and across driveways, walks, hallways, stairs and other Common Elements necessary for pedestrian access to the Unit and to all Limited Common Elements reserved for that Unit, provided such access is not on or over Limited Common Elements reserved for any other Unit(s); and a right of ingress and egress over and across driveways and parking areas necessary for vehicular access to parking stalls reserved for the exclusive use of such Unit, provided such access is not on or over Limited Common Elements reserved for any other Unit(s).

4.4 NO PARTITION OF UNITS.

If any Unit shall be owned by two or more joint Owners, nothing contained in this Declaration shall prohibit a judicial partition of such Unit as between such joint Owners so long as the such partition does not involve a physical partition, separation or division of the Unit into two or more residential dwelling units. No Unit shall be physically partitioned, separated or divided into two or more residential dwelling units without the prior written consent of holder of any first mortgage on the Unit and the Owners of or holders of first mortgages on at least 75% of all Units. Boundaries between adjoining Units may be relocated in accordance with Section 703.13(6) of the Act.

COMMON ELEMENTS

5.1 USE OF COMMON ELEMENTS.

a) Each Unit Owner and his, her or their tenants (except as otherwise provided under any leases) shall have a non-exclusive right and easement to use and enjoy all Common Elements (other than Limited Common Elements reserved for the exclusive use of any Unit), all subject to the Act, this Declaration, the Bylaws and any Rules or Regulations adopted by the Board from time to time.

b) Except for damages covered by insurance maintained by the Association, each Unit Owner shall be responsible and liable to the Association for any damage (except ordinary wear and tear) to the Common

Elements caused by or at the direction of such Unit Owner or any tenant, guest or occupant of the Unit or caused by improvements or repairs to, or by a lack of maintenance of, the Unit or the Limited Common Elements appurtenant to the Unit.

c) There shall be no obstruction of any Common Elements other than for temporary parking of motor vehicles in designated Parking Areas or as necessary for repairs to the Property or for excavation or construction of Improvements to the Common Areas. Nothing shall be kept or stored in or upon any part of the Common or Limited Common Elements (other than as otherwise expressly authorized under this Declaration or the other Condominium Documents) without the prior written consent of the Board.

d) Nothing shall be removed from nor erected, emplaced, altered, or constructed in or about the Common or Limited Common Elements without the Board's prior written consent, unless specifically authorized under the Condominium Documents.

5.2 CONSTRUCTION OF IMPROVEMENTS, MAINTENANCE, AND REPAIRS.

a) The Association shall be responsible for maintenance and repair of all existing Improvements and for construction, maintenance and repair of all other Improvements which the Association may wish to install, except as otherwise provided in any of the Condominium Documents. All such costs and expenses for maintenance, repair, construction or installation of any Improvements (other than for construction of existing Improvements) shall be considered common expenses to be shared equally by the Owners of all Units (that is, an equal 1/96th per Unit). All costs and expenses for maintenance and repair of roads, drives, walks, sanitary sewers, storm sewers, water lines, and other utilities or services within or comprising the Common Elements and available for use by more than one Unit shall also be common expenses and shall likewise be shared equally by all Unit Owners. Declarant shall not be responsible or liable for any costs or expenses for construction or installation of Improvements beyond the existing Improvements reflected in the Plat and floor plans.

b) No Unit Owner may exempt himself or herself from liability for common expenses, regardless of the form of ownership of the Unit or the extent of use of the Common Elements by such Owner or other occupants of the Unit.

5.3 NO PARTITION, ENCUMBRANCE OR TRANSFER OF COMMON ELEMENTS.

a) There shall be no partition of the Common Elements through judicial proceedings or otherwise without the prior written consent of all Unit Owners and their mortgagees unless this Declaration is terminated and the Property is withdrawn from the terms of any statutes applicable to condominium ownership.

b) Neither the Declarant nor the Association may abandon, subdivide, encumber, sell or transfer any of the Common Elements, apart from an encumbrance, sale or transfer of a Unit, without the prior written consent of

all Unit Owners (other than Declarant) and their mortgagees, except for easements or right-of-ways which may be granted under Subsection 10.3(c) and lien rights as may granted or as may arise against the percentage of ownership interest in Common Elements appurtenant to a Unit.

5.4 GUEST PARKING AREAS.

The outside parking areas reflected on the Site Plan (Exhibit A-2) as 4 parking stalls between Buildings 3 and 4 and 12 parking stalls between Buildings 6 and 7 are reserved for temporary use by guests or invitees of any Unit Owner or lessee of the Unit on a "first-come first-serve" basis during such times as those guests or invitees may be visiting the Unit. Such parking areas may not be used by any Unit Owner, lessee of a Unit, or any family member or other person residing in a Unit other than for temporary parking incident to moving furniture, equipment or personal property to or from a Unit; however, these parking areas may be used by contractors or employees of either Declarant or the Association at any time and may also be used by any sales representatives or prospective purchasers of any Unit while on the Property.

LIMITED COMMON ELEMENTS

6.1 DESIGNATION OF LIMITED COMMON ELEMENTS.

a) The Limited Common Elements appurtenant to each respective Unit, which are to be assigned to the Unit in the deed from Declarant and will thereby be reserved for the exclusive use of the Unit Owner, shall consist of: (a) one basement storage area to be designated in such deed to the Unit by reference to a locker number set forth on the floor plan for Levels 1, 1-1/2 for the Building containing such Unit (Exhibits A-5 and A-8); and (b) one sheltered or unsheltered parking stall to be designated in such deed to the Unit by reference to a parking stall number set forth on the Site Plan (Exhibit A-2).

b) There are a total of 44 "Additional Parking Stalls" in addition to the parking stalls to be assigned to each Unit in accordance with Section 6.1(a) above. The Additional Parking Stalls include: 6 of stalls 1-1 through 1-14; 3 of stalls 2-1 through 2-11; 2 of stalls 3-1 through 3-10; 2 of stalls 4-1 through 4-10; 3 of stalls 5-1 through 5-11; 6 of stalls 6-1 through 6-14; 6 of stalls 7-1 through 7-14; 3 of stalls 8-1 through 8-11; 2 of stalls 9-1 through 9-10; 2 of stalls 10-1 through 10-10; 3 of stalls 11-1 through 11-11; and 6 of stalls 12-1 through 12-14. Each Additional Parking Stall shall constitute an additional Limited Common Element that may be separately sold and conveyed by Declarant to any Unit Owner(s) and, thereafter, may be used by such Unit Owner as an additional Limited Common Element appurtenant to such Owner's Unit. Notwithstanding any other provision of the Condominium Documents or the Act to the contrary, any Additional Parking Stall may be separately sold, conveyed or leased to the Owner of any other Unit by the Owner of the Unit to which such Additional Parking Stall is then appurtenant and Declarant, prior to its initial sale of all Units, may lease any Additional Parking Stall(s) to tenants of any Unit(s) owned by Declarant. The

ownership of such Additional Parking Stall(s) by a Unit Owner shall not result in any increase in such Owner's percentage of ownership interest in the Common Elements nor in the amount of General Assessments payable by such Owner.

6.2 USE OF LIMITED COMMON ELEMENTS.

a) Except as may be authorized by the Rules and Regulations, no Limited Common Elements may be used for temporary or permanent storage of articles, equipment, vehicles or materials of any kind, except for parking of light trucks and automobiles in parking stall(s) and the storage of articles in the basement storage area for the Unit. No flammable, explosive or other dangerous substances, liquids or materials shall be stored or kept by any Unit Owner in his/her basement storage area.

b) The rights to exclusive use and enjoyment of the Limited Common Elements appurtenant to a Unit shall not be subject to transfer or conveyance apart from a transfer or conveyance of the Unit to which they are appurtenant, except for Additional Parking Stalls which may be transferred and conveyed separately from the Unit to an Owner of another Unit. Such rights to use and enjoy all Limited Common Elements then appurtenant to a Unit shall automatically pass with the transfer or conveyance of fee simple title to the Unit.

c) The use of parking stalls and the basement storage area appurtenant to the a Unit shall be subject to such Rules and Regulations as the Board may adopt from time to time.

DAMAGE OR DESTRUCTION

7.1 UNIT DAMAGE.

a) This Section shall apply in the event of any damage or destruction to all or part of any Unit from one or more occurrences.

b) The Owner(s) of a Unit shall be solely responsible for all repairs, reconstruction and rebuilding of such Unit and all its facilities and contents in the event of any damage of any kind resulting from any cause(s) whatsoever, except that this provision shall not preclude or otherwise affect the Unit Owner's right to recover any such costs and expenses from any person(s) responsible for such loss. The Association shall be responsible, and shall reimburse the Unit Owner, for the cost of repairs or replacements required by reason of physical damage to a Unit or its contents or the contents of the basement storage area if (and only if) such damage is caused by the clogging, breakage, lack of repair or defective or damaged condition of any Common Elements or by any insured fire or other casualty or occurrence for which the Association has insurance coverage, but only to the extent of such coverage.

c) Any Unit damaged by fire or other casualty or occurrence of any kind shall be promptly repaired, reconstructed or rebuilt by the Unit Owner, at his, her or their expense, (following completion of repairs or rebuilding

by the Association of the Common Elements necessary therefor) if the cost of such repairs is reasonably estimated to be less than 50% of the fair market value of the Unit prior to the date of initial damage or destruction, as determined on a cost approach basis.

d) The proceeds of collectible insurance maintained by the Association under Sec. 9.4(a)(5) shall be made available for the purpose of repairing and rebuilding those damaged portions of a Unit so insured, upon submission of contractor's invoices and lien waivers for work performed, unless the Owner or mortgagee of such damaged Unit and the Owners or mortgagees of at least two-thirds of all other Units agree in writing that such insurance proceeds need not be so applied, in which event the insurance proceeds attributable to such insured portions of a damaged Unit shall be paid to the Unit Owner and the mortgagee as their interests may appear.

e) If the cost of repair, reconstruction or rebuilding of such a damaged Unit is reasonably estimated to be 50% or more of the Unit's fair market value prior to the date of initial damage, as determined on a cost approach basis, the Owner shall serve a written notice to the Board within thirty (30) days after the completion of repairs to Common Elements necessary for commencement of repairs to the Unit stating whether or not such Unit will be repaired, reconstructed or rebuilt.

f) In the event a Unit Owner fails to promptly perform any repairs, reconstruction or rebuilding, or serves written notice of an intent not to repair, reconstruct or rebuild, or fails to serve a written notice as required under subsection 7.1(e) within the time provided, the Association shall have the option to purchase such Unit (upon the vote of a majority of the Board) for 80% of the fair market value of the Unit (assuming such Unit was repaired to the extent of any proceeds of available insurance maintained under Sec. 9.4(a)(5) unless previously paid to the Unit Owner or mortgagee, in which case such value shall be determined on the basis of the then existing condition) which shall be determined on a market approach basis by a qualified appraiser selected by the Board prior to the exercise of such option; provided, however, such purchase price shall not be less than the total indebtedness due on any first mortgage on such Unit. Such option shall be exercised by the Association, if at all, within 90 days following the receipt of written notice from the Unit Owner of an intent not to repair or rebuild or within 90 days following completion of repairs to the Common Elements necessary for such Owner to commence repairs to the Unit and the failure of the Unit Owner to so commence such repairs within 45 days following completion of repairs to the Common Elements. The Association shall not be entitled to exercise this option to purchase without either fully satisfying any outstanding first mortgage on the Unit or attaining the prior written consent of the holder of any such first mortgage and, upon exercise of such option, all available proceeds of insurance maintained under Sec. 9.4(a)(5) shall be paid to the Association for repair of the Unit to the extent of the proceeds recovered for damage to the Unit.

g) In the event the cost of repair, reconstruction or rebuilding of damage to a Unit is reasonably estimated to be less than 50% of the Unit's fair market value prior to the date of such damage or destruction (determined on a cost basis), it shall be conclusively presumed that each Unit Owner voted

and the Association determined (on the 30th day following the completion of repairs to Common Elements necessary for commencement of repairs to the Unit) that the Unit shall be repaired, reconstructed or rebuilt by the Unit Owner. If the cost of repair, reconstruction or rebuilding of damage to a Unit is reasonably estimated to be 50% or more of such fair market value, it shall be conclusively presumed that each Unit Owner voted and the Association determined (on the 30th day following completion of repairs to Common Elements necessary for commencement of repairs to the Unit) that such Unit shall be repaired, reconstructed or rebuilt within 90 days thereafter to the extent such repairs would be covered by insurance proceeds available to the Unit Owner or the Association for such purpose (and additional repairs, reconstruction and rebuilding need not be undertaken by the Unit Owner in absence of any obligation to a first mortgagee to do so) unless the Unit Owner, the holder of any first mortgage on the Unit and at least two-thirds of the Owners of or mortgagees on all other Units determine otherwise in writing prior to such a presumed determination by the Association. However, nothing contained in this subsection shall preclude the Association from exercising its option to purchase such Unit under subsection 7.1(f) or preclude the Association or the Unit Owner (if the Association does not exercise such option to purchase) from thereafter repairing, reconstructing or rebuilding the Unit at any time.

7.2 DAMAGE TO COMMON ELEMENTS.

a) This Section and Article VI, Sec. 6.5 of the Bylaws shall apply in the event of any damage or destruction to all or part of any Common or Limited Common Elements resulting from one or more occurrences.

b) Each Unit Owner shall promptly repair any damage to the Limited Common Elements appurtenant to his/her Unit caused by such Unit Owner or any tenant or occupant of the Unit resulting from ordinary wear and tear or otherwise, except that the repair of damage to paving for a parking stall resulting from ordinary wear and tear shall be an obligation and common expense of the Association. The occurrence of damage to any Limited Common Elements so caused shall constitute a vote by each Unit Owner and a decision by the Association on the 30th day following such damage that the same shall be repaired by the Unit Owner as provided above.

c) Proceeds of insurance maintained by the Association under Sec. 9.4 shall be used to repair, reconstruct or replace any damage to Common Elements to the extent available, unless all Owners of Units within a damaged building and their mortgagees (or two-thirds of all Unit Owners, or their mortgagees, with respect to damaged portions of other Common Elements) agree in writing that such repairs or replacements should not be performed, in which event such insurance proceeds shall first be used to raze and remove or to permanently seal or cover the damaged items and to preserve the functional utility and aesthetic appearance of the Property.

d) The Association shall repair, reconstruct or replace any damaged portions of Common Elements (other than storage lockers if damaged by the Owner or other occupant of the Unit to which it is appurtenant) to substantially the same condition as existed immediately prior to such damage if the costs of repair of such damage resulting from any single occurrence or

series of occurrences are reasonably estimated to be covered by or less than $40,000 above the amount of available insurance proceeds (based upon 1980 value), unless the Owners of all Units within a damaged Building and their mortgages (or two-thirds of all Unit Owners, or their mortgagees, with respect to damaged portions of other Common Elements) agree in writing that such repairs should not be performed. The performance of repairs by the Association shall constitute consent by each Unit Owner and mortgagee that such repairs should be performed, and any vote or written agreement by the Unit Owners or mortgagees not to have such repairs performed shall be effective only for repair work not already performed by the Association.

e) If the cost of repairs for damage to Common Elements is estimated to be $40,000 or more in excess of the amount of available insurance proceeds (based upon 1980 value), such repairs shall be performed upon the vote or written agreement to do so by a majority of the Owners of Units within a damaged Building or their mortgagees, or by a majority of all Unit Owners or their mortgagees in the event of damage to other Common Elements.

7.3 WAIVER OF PARTITION; VOTE FOR REPAIRS.

By acceptance of a deed or other transfer or acquisition of any legal or equitable interest in the Property or in any Unit, each Unit Owner, joint Owner, mortgagee, and other transferee:

a) irrevocably waives all rights, and agrees not to prosecute any claim, for partition of the Property or any part thereof (including any Unit) as may otherwise be available under the Act or under Section 812.02, Wis. Stats. (as may be amended), or under any other laws of the State of Wisconsin, unless prior written consent to partition is obtained from each Unit Owner and their mortgagees;

b) agrees that (regardless of any other provision of this Declaration or the other Condominium Documents) the completion of repairs, reconstruction or rebuilding of damage to all or part of the Property in accordance with Section 7.2 shall constitute consent by each Unit Owner and mortgagee and a determination by the Association that such repair, reconstruction or rebuilding should be performed and further agrees that the provisions of Section 7.2 shall constitute a vote by each Unit Owner and a decision by the Association that repairs, reconstruction or replacement of Common Elements shall or shall not be performed as provided under Section 7.2;

c) agrees that in the event of damage or destruction of any part of a Unit, the provisions of Section 7.1 shall constitute a vote by each Unit Owner and a decision by the Association that the same shall be repaired by the Unit Owner as required under Section 7.1, provided that such a vote and decision shall in no way obligate the Association or any Unit Owner (other than the Owner of the damaged Unit) to perform or pay for any costs incident to repair, reconstruction, rebuilding or razing and removal of the damaged Unit beyond the extent of available insurance proceeds.

7.4 VOTE FOR SALE OF PROPERTY IN THE EVENT OF DAMAGE.

The unanimous vote of all Unit Owners and consent of their mortgagees shall be required for any sale of the entire Property or a portion thereof or

for partition of the Property in the event of damage or destruction of all or part of the Property and the failure of any Unit Owner or mortgagee to vote in favor of such a sale shall constitute a decision by the Association not to sell.

CONVEYANCE OF UNIT

8.1 INTERESTS INCLUDED IN CONVEYANCE.

No Unit Owner may sell, convey or transfer any legal or equitable interest in his, her or their Unit without including the ownership interest in the Common Elements and in all assets and liabilites of the Association appurtenant to the Unit; and any deed, mortgage or other instrument purporting to affect one or more of such interests, without including them all, shall be deemed to include all such rights, title, interests and obligations of the Unit Owner.

8.2 NOTIFICATION OF CONVEYANCE.

Within 5 days after a sale, transfer or conveyance (by land contract or otherwise) of any legal or equitable interest in a Unit, the purchaser or mortgagee shall deliver notice to the Association stating: a) the date of the conveyance; b) the Unit; c) the purchaser's or mortgagee's name and mailing address; and d) the name and address of the Designee of such purchaser, if any; and e) any other information as may be required under the Condominium Documents or as may be reasonably requested by the Board.

EXPENSES, ASSESSMENTS, LIENS AND COLLECTION

9.1 COMMON EXPENSES AND ASSESSMENTS AGAINST UNITS AND UNIT OWNERS.

a) The Board shall pay or arrange for payment for all costs, expenses and liabilities incurred by the Association out of the proceeds of assessments which shall be made against the Unit Owners and their Units.

b) "Special Assessments" may be made by the Board against a particular Unit Owner and his, her or their Unit for:

1) costs and expenses (anticipated or incurred) for damage to Common Elements caused by or at the direction of that Unit Owner or guests or tenants of the Unit Owner or other occupants of the Unit;

2) costs, expenses and actual attorneys fees incurred in, or in anticipation of, any suit, action or other proceeding to enforce the Act, the Declaration, the Bylaws, or any Rules or Regulations, against the Unit Owner or other occupant of the Unit;

3) costs and expenses (anticipated or incurred) for emergency repairs to the Unit;

4) liabilities, costs and expenses incurred by the Association as a result of any temporary or permanent condition or defect of the Unit or the storage area appurtenant to the Unit;

5) interest due on General and Special Assessments;

6) forfeitures and other penalties levied by the Board for violations of the Condominium Documents by a Unit Owner or the tenants or guests of the Unit Owner or occupants of a Unit;

7) all other costs and expenses anticipated or incurred by the Association which are subject to Special Assessments as provided under this Declaration or the Bylaws.

c) "General Assessments" shall be made and levied by the Board against each Unit Owner and his, her or their Unit for the following "common expenses" which may be anticipated, incurred or paid by the Association for:

1) maintenance, security, repairs, upkeep or operation of Common Elements and any additional Common Elements acquired by the Association, such as any continuous real estate acquired pursuant to Sec. 10.3(1);

2) insurance maintained by the Association;

3) taxes, assessments and charges of any kind made or levied by any governmental authority against the Association or upon any property of the Association;

4) all costs and expenses for the operation and administration of the Association, including legal, accounting and management fees and other costs incident to the exercise of any of its powers or obligations;

5) costs and expenses for additional Improvements of any kind beyond the existing Improvements reflected in the Plat and floor plans;

6) all items subject to Special Assessment which have not been collected from a Unit Owner at the time payment of such item is due, provided that upon collection of the Special Assessment from that Unit Owner, all other Unit Owners shall receive an adjustment, reimbursement or other appropriate credit on future General Assessments, as the Board determines appropriate, for payments made under this paragraph;

7) all damages, costs, expenses and attorney fees incurred in, or in anticipation of, any suit or proceeding (whether administrative, legislative or judicial) which are not otherwise collected by Special Assessment;

8) costs and expenses of sanitary sewer, water and other utility services available to all Units to the extent not separately metered to the Units and/or for the Common Elements;

9) all other costs and expenses covered by the annual operating budget or declared to be common expenses under the Act, this Declaration or the Bylaws.

The General Assessments shall be levied equally (that is, 1/96th) against each Unit and the Owner of such Unit for all common expenses other than: (i) premiums for insurance maintained under Section 9.4(a); (ii) sewer, water and heating expenses; and (iii) electrical costs for common areas. General Assessments for common expenses involving premiums for insurance under Section 9.4(a), sewer and water and heating expenses, and electrical costs for Common Areas shall be levied against each Unit and the Owner of such Unit based upon the percentage of ownership interest appurtenant to the Unit as set forth in Exhibit B.

d) The Association shall maintain separate books and records for General and Special Assessment accounts of the Unit Owners, as necessary, provided that all funds received by the Board from either assessment may be commingled and thereafter disbursed to pay any costs or expenses incurred by the Association which would be subject to General or Special Assessment.

e) Declarant shall be responsible for all assessments levied against any completed Unit prior to a sale of such Unit by Declarant. However, Declarant shall not be responsible for any General or Special Assessments for improvements, capital expenditures, reserves, or replacement funds of any kind which may be levied by the Board. The Board may at any time levy assessments for such purposes against the Unit Owners (other than Declarant) and against all Units, including those owned by Declarant, except that such assessments against any Unit(s) owned by Declarant shall not be due or otherwise collectible until Declarant conveys legal title to such Unit and then only from the Declarant's successors-in-interest, with the lien therefor to be effective as of the date of transfer of legal title.

f) The percentages of ownership interest as set forth in Exhibit B may not be modified for purposes of levying General Assessments without the prior written consent of all Unit Owners and their mortgagees.

9.2 PAYMENT OF ASSESSMENTS.

a) Each Unit Owner shall promptly pay, when due, all General and Special Assessments made by the Board against such Owner and his, her or their Unit, together with all costs, expenses and attorney fees incurred by the Board in collection of any delinquent assessment(s). All assessments shall become due as the Board may determine appropriate (in a lump sum or in installments with or without interest), except that all assessments for the reserve fund to be maintained under Bylaw Section 6.4(a)(2) shall be payable in regular installments, without interest if paid when due. Time is of the essence with respect to all payments.

5) Fire and broad form extended coverage insurance for the basic shell of each Unit (including doors, windows, cabinets, closets, subflooring, insulation, drywall for walls and ceilings, and standard plumbing and electrical fixtures; but excluding floor and wall coverings, appliances such as ranges, refrigerators, dishwashers, disposals, washers and dryers, custom plumbing and electrical fixtures, drapes and window treatments, fire and security systems, and other contents or components of the Unit) in the amount of the full insurable replacement value thereof, as determined periodically by the Board, with loss payable to the Board as trustee for the Association, the Unit Owners and their mortgagees (as their interests may appear) and with a waiver by such insurer of any subrogation rights against other Unit Owners and the Association and their respective agents, servants and employees acting in good faith. The premiums for such insurance coverage shall be paid in advance by each respective Unit Owner in the form of General Assessments to be levied by the Board. Each initial purchaser of a Unit, upon request of the Board or Declarant, shall deposit the estimated cost of one (1) year's premium for such insurance at the time of purchasing such Unit and such deposit shall be used to pay such premium or to reimburse Declarant for the costs of such premiums pre-paid by Declarant.

Each Unit Owner shall be solely responsible for payment of the deductible portion of any claim under such policy of insurance for damage to his, her or their Unit.

6) Any other insurance coverage or additional protection which the Board may deem necessary or advisable, including without limitation comprehensive liability insurance.

b) Each Unit Owner shall be responsible for maintaining adequate insurance coverages for his, her or their Unit (beyond the coverage to be maintained by the Association under Sec. 9.4(a)(5)) and for the Limited Common Elements appurtenant to the Unit and for all contents of the Unit (including, without limitation, floor and wall coverings, appliances -- such as any range, refrigerator, dishwasher, -- custom plumbing and electrical fixtures, drapes and window treatments and fire and security systems) and for all personal property of the Owner.

c) Except as specifically provided in Sections 7.1 and 7.2 for application of proceeds of insurance maintained by the Association under this Section to repair damage to any Unit or Common Elements, no Unit Owner or other party shall have priority over any rights of a first mortgagee of a Unit pursuant to its mortgage or mortgage note with respect to distribution of insurance proceeds for loss or damage to a Unit and/or any Common Elements.

ASSOCIATION OF UNIT OWNERS

10.1 ASSOCIATION RESPONSIBILITIES.

The Association shall be responsible for the operation and administration of the Property in accordance with the Act, this Declaration and the other Condominium Documents.

10.2 MEMBERSHIP: VOTING.

a) Each Unit Owner shall be a member of the Association and shall be entitled to one membership and one vote for each Unit owned, with ownership being the sole qualification for membership, except that Declarant shall have 2 votes for each Unit owned by Declarant until such time as Units aggregating a percentage of ownership interest in the Common Elements equal to 75% have been sold and fee simple title transferred by Declarant or until the third year anniversary date of Declarant's transfer of fee simple title to the first Unit, whichever first occurs.

b) Association membership and voting rights shall be appurtenant to each Unit and shall not be assigned, conveyed or transferred in any way other than to a purchaser or transferree of fee simple title to the Unit or to the holder of an outstanding mortgage on the Unit; nor shall membership or voting rights be retained, except upon retention of an ownership or purchaser's interest in fee simple title to the Unit. Joint Owners of a Unit shall share the one membership appurtenant to the Unit in the same manner as their tenancy or interest in the Unit. Any attempt to make a prohibited transfer or retention of such rights shall be null and void.

c) The vote for each Unit shall be cast as a whole, in person or by proxy, by the Unit Owner or by one of the joint Owners or their Designee who may be appointed in accordance with Section 2.3(c) of the Bylaws. Fractional votes will not be allowed and if joint Owners do not agree on how the vote shall be cast or if a fractional vote is attempted, the right to vote on the matter in question shall be forfeited by such joint Owners of the Unit.

d) Prior to Declarant's conveyance of Units aggregating a percentage of ownership interest in the Common Elements equal to 25%, the Unit Owners (other than Declarant) shall elect 25% of the Directors on the Board, or more at the option of Declarant. Such Director(s), or his or her successor(s) elected by such Unit Owners, shall serve until the Unit Owners (other than Declarant) elect one-third of the Directors on the Board at a meeting of the Association to be held after the conveyance of Units aggregating a percentage of ownership interest in the Common Elements equal to 40% but prior to the conveyance of Units aggregating a percentage of ownership interest in the Common Elements equal to 50%. The election of Directors by the Unit Owners (other than Declarant) during such times shall be governed by Section 4.1 of the Bylaws.

e) In any election of members of the Board after the conveyance by Declarant of Units aggregating a precentage of ownership interest in the Common Elements equal to 50%, each Unit Owner shall be entitled to cumulate his, her or their votes and give one candidate, or divide among candidates, a number of votes equal to the number of directors to be elected multiplied by the number of Units owned by such Unit Owner (except that prior to Declarant's sale and transfer of fee simple title to Units aggregating a percentage of ownership interest in the Common Elements equal to 75%, Declarant may cumulate its votes based on two times the number of Units owned by Declarant times the number of directors to be elected).

f) In no event shall a Unit Owner be entitled to cast the vote appurtenant to a Unit against which any General or Special Assessment is then delinquent.

g) Solely for purposes of determining when the Unit Owners (other than Declarant), are entitled to elect Directors, the aggregate percentages of ownership interest shall be based on a 1/96th interest for each Unit.

10.3 POWERS OF THE ASSOCIATION.

The Association shall have the following powers, in addition to any others which may be authorized or required under the Act, this Declaration or the other Condominium Documents:

a) to levy and enforce payment of General and Special Assessments against a Unit Owner and his, her or their Unit;

b) to enforce the Act, this Declaration and the other Condominium Documents;

g) to commence, prosecute, defend or otherwise be a party to any suit, hearing, or proceeding (whether administrative, legislative or judicial) involving the enforcement of the Act, this Declaration or the other Condominum Documents or the exercise of any powers, duties or obligations of the Association;

h) to employ the services of any person, firm or corporation to manage the Association, levy and collect assessments, and/or to manage, inspect, maintain, operate, improve, repair, rebuild, reconstruct, replace or remove any Common Elements (provided, however, that any agreement for professional management of the Association by the Declarant or any other contract for services of Declarant or any person affiliated with Declarant shall provide for termination by either party without cause and without termination fee or penalty upon 90 days prior written notice and may not exceed three years);

i) to acquire, sell, transfer or exchange goods, equipment and other personal property or fixtures in the name of the Association for the operation, use, maintenance or enjoyment of the Common Elements or for the operation of the Association;

j) to construct Improvements to the Common Elements, except that any construction with an estimated cost of $30,000 or more (based on 1980 values) must first be approved by a majority of the Unit Owners in writing or by vote at a meeting called for such purpose;

l) to acquire (upon majority vote of the Board of Directors) real estate and related improvements contiguous, or otherwise located in close proximity, to the Property to be used and maintained as additional Common Elements, provided that any such acquisition with a net cost of over $10,000 (based on 1980 value) must first be approved by a majority of the Unit Owners in writing or by vote at a meeting called for such purpose and to sell or otherwise dispose of any such acquired real estate or improvements upon majority vote of the Board of Directors;

m) to exercise all other necessary or incidental powers to administer the Property.

10.4 BOARD: EXERCISE OF ASSOCIATION POWERS.

The Board shall exercise and perform all powers, duties and obligations of the Association specified in the Act, this Declaration or the Bylaws and not otherwise expressly requiring the prior vote or written consent of the Association members.

10.5 PERSONAL LIABILITY.

No Director or Officer of the Association shall be personally liable to any Unit Owner or to any other party, including the Association, for any

loss or damage suffered or claimed on account of any act, omission, error or negligence of such Officer or Director acting in such capacity, provided such person acted in good faith, without willful or intentional misconduct.

10.6 UNIT OWNER'S LACK OF AUTHORITY TO BIND ASSOCIATION.

No Unit Owner (other than Officers and members of the Board) shall have any authority to act for the Association or the other Unit Owners, as agent or otherwise, nor shall a Unit Owner (in such capacity as a Unit Owner) have any authority to bind the Association or the other Unit Owners to contracts, negotiable instruments or other obligations or undertakings of any kind.

10.7 EXECUTION OF DOCUMENTS.

All contracts, deeds, notes and other instruments and documents of any kind shall be executed on behalf of the Association by the President (or any Vice-President) and the Secretary or Treasurer and, when so executed, shall be deemed to be the act of, and shall be binding upon, the Association for all purposes, regardless of whether specifically authorized by resolution or other direction of the Board, provided the other party to such instrument or document does not procure the same by fraud or misrepresentation or with actual knowledge that such officers are not duly authorized to execute the same.

MISCELLANEOUS

11.1 AMENDMENTS TO DECLARATION.

This Declaration may be amended at a meeting duly held for such purpose by an affirmative vote of the Owners of at least 75% of all the Units; provided, however, that any amendment to change or otherwise alter the percentage of ownership interest of any Unit Owner shall require unanimous consent of all Unit Owners and their mortgagees.

Copies of each Amendment shall be certified by the President and Secretary of the Association or such other officers as the Board may designate and shall not become effective until duly recorded in the Office of the Register of Deeds for Milwaukee County, Wisconsin, together with a certified copy of a resolution of the Board authorizing officers other than the President and Secretary to certify such Amendment, if not certified by the President and Secretary.

11.2 SERVICE OF PROCESS

Service of process upon the Association for all matters provided for in the Act or in this Declaration shall be made upon K. Terrence Wakefield at 825 North Jefferson Street, Milwaukee, Wisconsin, until such time as the Association shall designate a successor to receive service of process by recording such designation with the Register of Deeds for Milwaukee County, Wisconsin and by filing a copy of the same with the Secretary of State of the State of Wisconsin.

11.3 UNIT OWNER LIABILITY: REAL PARTY IN INTEREST.

a) The Owner of a Unit shall be liable to third parties up to 1/96th of all costs, damages, debts, obligations and other liabilities of the Association. By acceptance of a deed or other conveyance or transfer of any legal or equitable interest in a Unit, the Owner, joint Owner, and all other transferees consent to personal liability to the extent of 1/96th of any judgment entered against the Association without being made a party to the action in which such judgment is obtained, provided such liability shall be limited as provided under subsections 11.3(a) and (b).

b) A Unit Owner shall not be liable (directly or indirectly) to any person, firm, corporation or organization for any debt or other obligation of the Association or of the other Unit Owners beyond such Owner's 1/96th ownership interest in the assets and liabilities of the Association. A Unit Owner shall not be liable for any personal injuries or damages arising out of any temporary or permanent condition or defect of any Common Elements beyond such Owner's 1/96th ownership interest in the assets and liabilites of the Association. A Unit Owner shall also not be liable for other damages or liabilities of any kind arising out of the operation or management of the Association beyond his or her equal ownership interest in the assets and liabilities of the Association.

c) The Association shall represent and defend the Unit Owners and shall be the real party in interest to represent and defend or prosecute any claim on behalf of or against all the Unit Owners in any suit, action or other proceeding: (1) for enforcement of any debt or other contractual obligation to or from the Association or all the Unit Owners; or (2) involving personal injuries or other damages of any kind arising out of any temporary or permanent condition or defect of any Common Elements; or (3) for damages of any kind arising out of the operation or management of the Association; or (4) for enforcement of the Act, this Declaration or the other Condominium Documents.

d) The Association shall indemnify and hold each Unit Owner harmless for all liabilities, costs, expenses and damages which are determined to be enforceable obligations of the Association; provided that such Unit Owner shall be liable to the Association for his or her equal share of such common expenses.

11.4 SIGNS & WINDOW TREATMENTS.

a) No Unit Owner (other than Declarant) shall erect any temporary or permanent sign, banner, flag or other similar item of any kind upon the Unit or upon any Common or Limited Common Elements, except with the prior written consent of the Board or as specifically authorized under this Declaration or the other Condominium Documents.

b) Each Unit Owner shall have the right to attach to his, her or their Unit building and construction permits and licenses, when necessary. No Unit Owner (other than Declarant) shall permit any sign of any kind to be placed in or about the Unit or any Common Elements so as to be visible from outside the Unit, including (without limitation) any sign indicating the availability of the Unit "for rent" or "for sale." Declarant shall have the right to maintain "model" units and on-site offices and to install signs and sales materials and facilities on or about any Units and/or the Common Elements as it determines appropriate for its initial sale of all the Units.

c) No Unit Owner shall install, maintain or allow to be maintained any drapes, blinds or other window treatments of any kind which, when viewed from outside the Unit, are of a color other than white or off-white, except as may otherwise be authorized in writing by the Board.

d) Any sign, banner, window treatment or other items erected in violation of this Section may be removed by the Association, its agents or employees, without prior notice to or consent from the Unit Owner; and each Unit Owner grants an easement to the Association to enter his, her or their Unit to effect such removal.

e) The Association and any member, employee or agent of the Association shall not be liable to any Unit Owner for any damages occasioned by an act, omission, error or negligence involved in the removal of any sign, banner or other items maintained in violation of this Section, provided such person acted in good faith, without willful or intentional misconduct.

11.5 ANIMALS, PLANTS AND INSECTS.

a) The Board may, by Rules and Regulations, prohibit or limit the raising, breeding or keeping of household pets or other animals of any kind in any Unit or in or about Limited Common Elements appurtenant to the Unit.

b) No Unit Owner shall permit any thing or condition to exist in or upon any portion of the Unit which may induce, breed or harbor infectious plant diseases, insects or rodents.

11.6 PROHIBITED ACTIVITY: QUIET ENJOYMENT OF PROPERTY.

No use or activity is permitted within any Unit or Common or Limited Common Elements which constitutes a visual, audio or physical annoyance or nuisance to any other Unit Owners or which otherwise interferes with the privacy and quiet enjoyment of other Unit Owners or their tenants or which would violate any health or safety statutes, codes, ordinances or other applicable laws, rules or regulations.

11.7 EXCAVATIONS.

No excavations, drilling or digging shall be performed in or upon any Common Elements without the prior written consent of the Board, except as necessary for the construction, repair or rebuilding of a Unit or Common

Elements; provided that in such cases of authorized excavation, drilling or digging by a Unit Owner, the Unit Owner shall restore the Common Elements to an equal or better condition than that which existed immediately prior to such activity, at such Owner's sole cost and expense.

11.8 TRASH AND REFUSE.

a) Each Unit Owner shall be responsible for the temporary storage and regular removal of all rubbish, trash, papers, garbage and refuse from his, her or their Unit, and from the parking and basement storage areas reserved for that Unit, to temporary storage facilities to be maintained by the Association.

b) The Association shall be responsible for the removal of all garbage, trash, papers and refuse from the Common Elements (other than from the parking areas and basement storage areas appurtenant to a Unit) and for its removal from the temporary storage facilities, all costs of which shall be common expenses.

11.9 DISCRIMINATION: RESTRICTIVE COVENANTS.

No Unit Owner shall unlawfully discriminate against any actual or prospective tenant or purchaser nor shall any Unit Owner execute or file for record any instrument which attempts to impose a restriction upon the sale, lease, or occupancy of a Unit on the basis of sex, race, color, creed or any other unlawful discrimination.

11.10 ENCROACHMENTS: "AS-BUILT" CONTROLS.

Each Unit shall have an easement over Common Elements to accommodate any minor encroachments due to or resulting from original construction, from settling or shifting of the Unit or of the building containing the Unit, or from other similar casues beyond the direct control of the Unit Owner. In the event of reconstruction or rebuilding of a Unit or any part thereof as a result of damage or destruction, there shall be an easement for encroachments over the Common Elements to the same extent that existed prior to such damage and there shall also be an easement for any other minimal encroachments which may result therefrom.

Regardless of the restrictions and limitations on easements for encroachments under this Section, each Unit shall have an easement over Common Elements to accommodate any encroachment by any portion of a Unit caused for whatever reason if, within 6 months after such encroachment arises, no action is commenced to restrain or enjoin such encroachment or to compel the correction or removal thereof. If no action is commenced to restrain, enjoin or compel a correction of any as-built variance within 6 months after completion of any construction, reconstruction, remodeling, repairs or other work on the Property, the as-built layout, location and condition shall control over the Plat and floor plans and this Declaration shall be deemed to have been amended accordingly.

11.11 INDEMNIFICATIONS.

In the event the Association is, for any reason, found liable for damages, fines or penalties resulting, in whole or in part, from any unauthorized act of a Unit Owner or from any other act or omission of an Owner in the management, operation, use or maintenance of his, her or their Unit which violates the Act, this Declaration or the other Condominium Documents, or any applicable laws, ordinances or regulations, such Unit Owner shall indemnify and hold the Association harmless from all loss, liabilities, costs and expenses, including reasonable attorneys fees incurred by the Association, except to the extent that such loss, liability, costs or expenses are covered by insurance maintained by the Association or arise from good faith acts or omissions of such Unit Owner as an Officer or Director of the Association.

11.12 ENFORCEMENT: CUMULATIVE REMEDIES: NON-WAIVER.

The Association (through the Board) shall have the exclusive right to enforce, by proceedings at law or in equity, all the terms, conditions, and provisions of the Act, this Declaration and the other Condominium Documents, except that any Unit Owner may proceed to enforce any such terms, conditions or provisions, at such Owner's expense, if the Association fails to do so within 60 days following a written request by such Unit Owner for such action. Any Unit Owner violating any of the terms, conditions or provisions of the Act, this Declaration or the other Condominium Documents, shall pay all costs, expenses and actual attorneys fees incurred by the Association or by a prosecuting Owner in the successful enforcement thereof.

Each remedy set forth in the Act, this Declaration and/or the other Condominium Documents shall be in addition to all other rights and remedies available at law or in equity. All such remedies shall be cumulative and the election of one shall not constitute a waiver of any other. Any forbearance or failure of the Association to exercise any such right or remedy for any violation shall not be a waiver of such right or remedy under any circumstances unless a written waiver is obtained from the Board.

11.13 SEVERABILITY.

The invalidity or unenforceability of any term, condition or provision of this Declaration or of any of the other Condominium Documents shall in no way affect the validity or enforceability of any other term, condition, or provision of this Declaration or of the other Condominium Documents, all of which shall remain in full force and effect.

11.14 COVENANTS RUN WITH LAND: TERM.

All terms, conditions and provisions of this Declaration (as may be amended) shall constitute covenants running with the land and shall continue in full force and effect until the Property is withdrawn from the provisions of the Act by unanimous consent of the Owners of all Units and their mortgagees or until the Declaration is amended in accordance with Sec. 11.1.

11.15 NO SURCHARGE OF ESTATES.

11.16 MORTGAGE HOLDERS.

a) The holder of any first mortgage or other equivalent encumbrance on a Unit may deliver written notice to the Association specifying their name and business address together with a request that the Association furnish any notices provided for under this Section.
