NEXT GENERATION HOUSING WITH HEART & HOMESTEAD - PARTRIDGE HOLLOW

Washington County's Community Development Department provides two innovative housing initiatives that make achieving the American Dream a reality. The two initiatives can be combined and it is important to understand their unique differences.

$20,000 NGH Fund Incentive & $6,000 Permit Fee Incentive

- The NGH Initiative provided $20,000 per owner-occupied unit to the builder/developer of Partridge Hollow. These funds acted as a direct incentive to the builder/developer for infrastructure, land acquisition, or other eligible uses outlined in the NGH Framework 2.0.
- The Permit Fee Initiative provided $6,000 per owner-occupied unit to the builder/developer of Partridge Hollow. These funds acted as a direct incentive to the builder/developer for eligible local building permit fees as outlined in the NGH Framework 2.0.
- A $26,000 Deed Restriction was recorded on each lot/unit participating in NGH that stipulates a repayment obligation of $26,000 that the first home owner earns by living in the home for 10 years.

Up to $20,000 Incentive for down payments, closing costs, or escrow reserves.

- There is no guarantee of being awarded a Heart & Homestead Down Payment Incentive when purchasing a home in an NGH development. Interested homebuyers are required to complete a formal application at: Heartandhomewashco.com
- The Incentive can be earned during the 5 years following home closure through:
  - Volunteering time with a Participating Agency
    - $25 of Incentive Earnings for every 1 hour volunteered
  - Financially donating to a Participating Agency
    - 70¢ of Incentive Earnings for every $1 donated
- Funds are secured by a subordinate mortgage on the home. If not fully earned within the 5 years, unearned funds must be repaid when the home is sold, the deed is transferred, or it is no longer the Recipient's primary residence.
- Funding is awarded on a first-come-first served basis.

NEXT GENERATION HOUSING WITH HEART & HOMESTEAD - PARTRIDGE HOLLOW

As part of Washington County's Next Generation Housing Initiative, some homes may have a Deed Restriction recorded on the properties. Details about the 10 year Deed Restriction are below.

Deed Restriction to Prevent Flip for Profit

NGH
NEXT GENERATION HOUSING

- The NGH deed restriction is placed on properties where the sale price is lower than the fair market value of the home.
- Single family lots in Partridge Hollow may be discounted due to the reduction in costs by the builder. Each lot has a unique deed restriction amount that is calculated with the sale price and an appraisal that is completed prior to close.
- The deed restriction amount is equal to County's incentive to the builder ($26,000) . By living in the home for 10 years, homeowners earn the full value of the deed restriction at which time it will be satisfied and released.
- Homes can be sold at fair market value within the first 10 years, but the owner will owe a portion of the deed restriction amount back to the County.
- The builder received a $20,000 NGH Fund Incentive and a $6,000 Permit Fee Incentive for each single family home in Partridge Hollow. Funds provided for the NGH Fund Incentive and 100% of Core Construction Permit Fee Incentive will be part of a deed restriction placed on the home and earned by the first homebuyer at a rate of 20% per year after the completion of year 6. There is no earnings in years 1 through 5. If the home is sold within the first 10 years, a portion of the deed restriction is paid back to the County and funds are returned to the Next Generation Housing Fund.
- In the event of a foreclosure, the restrictions will terminate.
- Repayment percentages paid back if homeowner sells within the first 10 years:
  - Year 1: 100% of Deed Restriction Amount
  - Year 2: 100% of Deed Restriction Amount
  - Year 3: 100% of Deed Restriction Amount
  - Year 4: 100% of Deed Restriction Amount
  - Year 5: 100% of Deed Restriction Amount
  - Year 6: 100% of Deed Restriction Amount
  - Year 7: 80% of Deed Restriction Amount
  - Year 8: 60% of Deed Restriction Amount
  - Year 9: 40% of Deed Restriction Amount
  - Year 10: 20% of Deed Restriction Amount
- The deed restriction is attached. There are two documents related to it in the Offer Instructions:
  - Occupancy Agreement NGH Document #1
  - Deed Restriction Disclosure NGH Document #2

NEXT GENERATION HOUSING
OCCUPANCY AGREEMENT
LOTS 91, 103, 104, 105, 106, 107, 108, 110, 111, AND 112 ONLY

This Occupancy Agreement (this "Agreement") is granted as of _____ ____, 202__, by the undersigned (whether one or more, the "Homeowner") in favor of Washington County (the "County").

RECITALS:

A. The Homeowner is purchasing the real property described on Exhibit A (the "Next Gen Home").

B. The seller selling the Next Gen Home to Homeowner developed the Next Gen Home as part of Washington County's Next Generation Housing program to ensure the development of attainable housing (the "Program") and subject to the Program's terms and conditions.

C. As a term and condition of the seller being part of the Program and the Next Gen Home receiving specific Program incentives, the Program includes a requirement that the Homeowner as the initial buyer of the Next Gen Home must agree to occupy the Next Gen Home for a period of ten (10) years after a final occupancy permit is issued for the Next Gen Home or incur the Repayment Obligation (defined below) to the County to help reimburse the County for the costs of the Program.

D. The Homeowner and the County desire to enter into this Agreement to set forth that Repayment Obligation.

AGREEMENT:

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Homeowner agrees to the following Repayment Obligation:

1. Recitals Incorporated by Reference. The recitals are incorporated by reference herein and made a part hereof.

2. Occupancy Requirement.

A. Term. This Agreement will be effective as of the date above and the occupancy period shall begin on the date that a final occupancy permit is issued for the Next Gen Home and continue in effect for ten (10) years thereafter (the "Occupancy Period") unless earlier terminated per Section 2.E hereof (the "Termination Date"). On and after the Termination Date, this Agreement shall be of no further force or effect.

B. Sale or Lease of Next Gen Home During Occupancy Period. If the Homeowner sells, conveys, leases, or otherwise transfers the Homeowner's Next Gen Home, or any interest therein, to a third party during the Occupancy Period, whether voluntarily or involuntarily, other than a transfer described in Section 2.E or otherwise approved in writing by the County, such transaction shall constitute a "Third-party

Conveyance." Upon a Third-party Conveyance, the Homeowner shall pay to the County the applicable percentage of the Deed Restriction Amount determined under Section 2.C below, which amount is referred to herein as the "Repayment Obligation."

No portion of the Deed Restriction Amount shall be deemed earned during the first six (6) years of the Occupancy Period. Upon completion of the sixth (6th) year of the Occupancy Period, and upon completion of each year thereafter through the tenth (10th) year of the Occupancy Period, the Homeowner shall earn credit against the Deed Restriction Amount at the rate of twenty percent (20%) per completed year, provided the Homeowner has continuously owned and occupied the Next Gen Home as the Homeowner's primary residence. The entire Deed Restriction Amount shall be deemed earned upon completion of the tenth (10th) year of the Occupancy Period.

C. Repayment Percentages. The Repayment Obligation shall equal the Deed Restriction Amount applicable to the Next Gen Home, as set forth on Exhibit A, multiplied by the applicable percentage below, based on when the Third-party Conveyance occurs during the Occupancy Period:

Year 1 = 100%	Year 6 = 100%
Year 2 = 100%	Year 7 = 80%
Year 3 = 100%	Year 8 = 60%
Year 4 = 100%	Year 9 = 40%
Year 5 = 100%	Year 10 = 20%
After completion of Year 10 = 0%	

For example, if the Homeowner sold the Next Gen Home during the eighth year of the Occupancy Period, the Repayment Obligation would be 60% of the Deed Restriction Amount. Assuming, for example only, that the Deed Restriction Amount is $26,000.00, the Repayment Obligation would be $15,600.00.

D. Exception to Repayment Obligation. If the Homeowner sells the Next Gen Home to a third party in a bona fide, arms-length transaction for less than the Purchase Price that the Homeowner paid for the Next Gen Home, then the Homeowner will not be required to satisfy the Repayment Obligation. "Purchase Price" means the total purchase price paid by the Homeowner for the Next Gen Home at the time the Homeowner acquired title, excluding closing costs, financing costs, prepaid items, prorations, and later improvements unless otherwise approved in writing by the County.

If the Homeowner sells the Next Gen Home for an amount greater than the Purchase Price, but the amount by which the sale price exceeds the Purchase Price is less than the otherwise applicable Repayment Obligation, then the Repayment Obligation shall be satisfied by payment to the County of the amount by which the sale price exceeds the Purchase Price.

The Homeowner may invoke this Section 2.D only if, at least fifteen (15) days before closing of the Third-party Conveyance, the Homeowner provides the County an appraisal by an appraiser licensed or certified in the State of Wisconsin, dated no more than sixty (60) days before closing, showing that the appraised fair market value of the Next Gen Home does not exceed the Purchase Price by more than the amount proposed to be paid to the County under this Section 2.D. The exception to the Repayment Obligation set forth in this Section 2.D shall not apply to any lease of the Next Gen Home or any transfer other than a bona fide, arms-length sale of the Next Gen Home.

E. Foreclosure/Conveyance In Lieu of Foreclosure. Notwithstanding anything herein to the contrary, if the holder of any mortgage on the Next Gen Home (each, a "Mortgagee") shall acquire the Next Gen Home because of foreclosure or similar remedial action under the provisions of such mortgage or upon conveyance of the Next Gen Home in lieu of foreclosure, the rights and restrictions contained herein shall terminate and not apply to such Mortgagee upon acquisition of the Next Gen Home, or to any purchaser of the Next Gen Home at a foreclosure sale conducted by such Mortgagee, or any purchaser of the Next Gen Home from such Mortgagee. The Next Gen Home shall then be free from all such rights and restrictions.

F. Subordination. This Agreement shall always be inferior and subordinate to the security interest of a Mortgagee. The County shall execute such documents and take other actions as may be reasonably required by Mortgagee to evidence Mortgagee's first and prior security interest in the Next Gen Home.

3. Miscellaneous Provisions.

A. Amendments. This Agreement may not be rescinded, modified, or amended, in whole or in part, without the written consent of the current owner of the Next Gen Home and the County.

B. Further Assurances. Homeowner agrees from time to time, as may be reasonably required by the County, to furnish the County, upon its request, with a written statement, signed and, if requested, acknowledged, setting forth the condition and occupancy of the Next Gen Home, information concerning the resale of the Next Gen Home and all other material information about the Next Gen Home or Homeowner's conformance with the terms of this Agreement.

C. Severability. If any provisions hereof or the application thereof to any person or circumstance shall come, to any extent, to be invalid or unenforceable, the remainder hereof, or the application of such provision to the persons or events other than those as to which it is held invalid or unenforceable, shall not be affected thereby. Each provision hereof shall be valid and enforced to the fullest extent permitted by law.

D. Gender; Captions. The use of the plural in this Agreement shall include the singular, the use of the singular shall include the plural, and the use of any gender shall be deemed to include all genders. The captions used in this

Agreement are inserted only as a matter of convenience and for reference and in no way define, limit, or describe the scope of the intent of this Agreement.

E. Binding Successors. This Agreement shall bind, and the benefits shall inure to, the respective parties, their legal representatives, executors, administrators, successors, and assigns.

F. Governing Law. This Agreement is being executed and delivered in the State of Wisconsin. It shall be governed by, construed, and enforced in accordance with the laws of Wisconsin without giving effect to any conflict of law provision or rule. The venue for any action relating to this Agreement shall be the Washington County Circuit Court or the United States District Court, Eastern District of Wisconsin.

G. Attorney's Fees. In the event of any legal actions or proceedings to enforce any rights under this Agreement, the County shall be entitled to recover from the Homeowner all reasonable costs and expenses incurred in connection with such action or proceeding, including, but not limited to, reasonable attorney's fees, court costs, and any other expenses related to the enforcement or defense of its rights under this Agreement.

IN WITNESS WHEREOF, the parties hereto each caused this Agreement to be duly executed and delivered by themselves or their respective duly authorized representatives as of the day and year set forth above.

Legal Description of the "Next Gen Home"

Lot Ninety (91) of Partridge Hollow – Phase 4 subdivision, in the City of Hartford, Washington County, Wisconsin.

Parcel Identification Number: [36_1701001057]

Purchase Price: Under $340,000.00

Base Incentive Amount: $26,000.00

Deed Restriction Amount: $26,000.00

NEXT GENERATION HOUSING DEED RESTRICTION DISCLOSURE
LOTS 91, 103, 104, 105, 106, 107, 108, 110, 111, AND 112 ONLY

The home you are buying is a "Next Gen Home" developed as part of the Washington County Next Generation Housing program to create attainable quality housing opportunities. If you sell, convey, lease, or otherwise transfer your Next Gen Home during the ten-year occupancy period, you may be required to pay Washington County (the "County") the amount set forth in the attached Deed Restriction and Next Generation Housing Occupancy Agreement to offset the incentive used to make the Next Gen Home attainable for you.

1. Deed Restriction. A deed restriction is a limitation on your use of the property. Attached to this Disclosure is a copy of the Next Generation Housing Deed Restriction recorded against the Next Gen Home. Per the Deed Restriction, by purchasing this Next Gen Home, you agree to pay the County the applicable repayment amount if you sell, convey, lease, or otherwise transfer the Next Gen Home during the ten-year occupancy period. The payment requirement is set forth in the Deed Restriction and explained in Section 4 below. If there is a conflict between this Disclosure and the Deed Restriction, the Deed Restriction shall govern.

2. Occupancy Agreement. In addition, you will be required to sign an Occupancy Agreement with the County. The Occupancy Agreement sets forth substantially the same terms as the Deed Restriction, except that you are making the agreement directly with the County. Per the Occupancy Agreement, by purchasing this Next Gen Home, you agree to pay the County the applicable repayment amount if you sell, convey, lease, or otherwise transfer the Next Gen Home during the ten-year occupancy period. The payment requirement is set forth in the Occupancy Agreement and explained in Section 4 below. If there is a conflict between this Disclosure and the Occupancy Agreement, the Occupancy Agreement shall govern.

3. Duration of Payment Obligation. The repayment obligation will apply to your Next Gen Home for a period of ten years from the date the final occupancy permit is issued for the home.

4. Payback Requirement. The deed restriction amount for the Next Gen Home will include a base incentive amount of $26,000.00, consisting of a $20,000.00 Next Generation Housing incentive and a $6,000.00 permit fee incentive. Before the first sale of the Next Gen Home, the County will obtain, at the County's cost, an appraisal to determine the fair market value of the Next Gen Home. If the appraised fair market value of the Next Gen Home exceeds the purchase price paid by you plus the $26,000.00 base incentive amount, then the amount of that excess will be added to the $26,000.00 base incentive amount. The resulting total is the "Deed Restriction Amount."

If you sell, convey, lease, or otherwise transfer your Next Gen Home during the ten-year occupancy period, the amount you must pay to the County will be calculated by multiplying the Deed Restriction Amount by the applicable percentage below:

Year 1 = 100%	Year 6 = 100%
Year 2 = 100%	Year 7 = 80%
Year 3 = 100%	Year 8 = 60%
Year 4 = 100%	Year 9 = 40%
Year 5 = 100%	Year 10 = 20%
After completion of Year 10 = 0%	

For example, if you sell the Next Gen Home during the eighth year of the occupancy period, the repayment obligation would be 60% of the Deed Restriction Amount. Assuming, for example only, that the Deed Restriction Amount is $26,000.00, the repayment obligation would be $15,600.00. **This is only provided as an example.**

YOU ARE ENCOURAGED TO OBTAIN THE ADVICE OF AN ATTORNEY PRIOR TO ENTERING INTO AN OFFER TO PURCHASE THE PROPERTY. YOU HEREBY ACKNOWLEDGE RECEIPT OF AND HAVE READ THIS DISCLOSURE, THE NEXT GENERATION HOUSING DEED RESTRICTION, AND NEXT GENERATION OCCUPANCY AGREEMENT.

DECLARATION OF RESTRICTION DISCLOSURE
LOTS 91, 103, 104, 105, 106, 107, 108, 110, 111, AND 112 ONLY

The home you are buying is a "Next Gen Home" developed as part of the Washington County Next Generation Housing program to create attainable quality housing opportunities. As such, certain investments have been made by Washington County. The purpose of this disclosure is to highlight the following matters related to the investments made by Washington County:

1. **NGH Mortgage**. One of the Washington County investments involved contributing funds to assist with infrastructure development, land acquisition or other eligible development expenses. As part of that process, a mortgage or lien was put into place between the builder and Washington County. You may notice this mortgage or lien when reviewing your title work for your home purchase. For Lots 91, 103, 104, 105, 106, 107, 108, 110, 111, and 112, Washington County and the builder have agreed that the existing NGH mortgage or lien will be satisfied or released in connection with an amendment to the development agreement for the property. This disclosure is provided for your information only. There is nothing further you need to do with respect to the existing NGH mortgage or lien.

2. **Declaration of Restrictions**. A Declaration of Restrictions has been recorded against your property, a copy of which is attached hereto. This document requires you as a property owner to limit use so that property is occupied and used only for single family, owner-occupied residential purposes. The term "residential purposes" includes only those activities necessary for or normally associated with the use and enjoyment of a home site as a place of residence and limited recreation.

YOU ARE ENCOURAGED TO OBTAIN THE ADVICE OF AN ATTORNEY PRIOR TO ENTERING INTO AN OFFER TO PURCHASE THE PROPERTY. YOU HEREBY ACKNOWLEDGE RECEIPT OF AND HAVE READ THIS DISCLOSURE AND THE DOCUMENTS REFERENCED HEREIN.

NEXT GENERATION HOUSING DEED RESTRICTION

Return to:
Washington County
Community Development Department
Attn: Community Development Director
333 E. Washington Street, Suite 2300
West Bend, WI 53095-2003

Parcel Identification Number(s): 36_1701001057 (Lot 91) and 36_1701001059(Lots 103, 104, 105, 106, 107, 108, 110, 111, 112)

NEXT GENERATION HOUSING DEED RESTRICTION

This Next Generation Housing Deed Restriction (this "Deed Restriction") is granted as of the 7 day of October, 2026, by Partridge Hollow A&N, LLC, a Wisconsin limited liability company ("Grantor").

RECITALS:

A. Grantor holds legal title to the following real property, which is the subject of this Deed Restriction:

Lots 91, 103, 104, 105, 106, 107, 108, 110, 111, and 112 of Partridge Hollow – Phase 4 subdivision, in the City of Hartford, Washington County, Wisconsin (the "Property");

B. Grantor intends to construct one (1) residential dwelling unit on each of Lots 91, 103, 104, 105, 106, 107, 108, 110, 111, and 112, each of which shall be subject to the Program defined below (each, a "Unit" and collectively, the "Units");

C. Grantor is developing the Units as part of the Washington County Next Generation Housing Initiative (the "Program"), which addresses the need for high-quality, attainable housing within Washington County (the "County");

D. As part of the Program, and as an incentive to develop attainable housing, the County has provided or will provide an incentive package in the amount of Twenty-Six Thousand Dollars ($26,000.00) with respect to each Unit, consisting of a Twenty Thousand Dollar ($20,000.00) Next Generation Housing incentive and a Six Thousand Dollar ($6,000.00)

permit fee incentive with respect to each Unit (together, the "NGH Incentive Amount"), the benefit of which is intended to be reflected in the purchase terms for the applicable Unit;

E. As a condition of receiving incentives through the Program, Grantor has agreed that this Deed Restriction will be imposed upon the Property and each Unit as a covenant running with the land, binding upon Grantor and Grantor's successors and assigns, and benefiting and enforceable by the County; and

F. The rights and restrictions granted herein serve the public's interest in creating safe, sanitary and affordable housing for residents of the County.

RESTRICTIONS:

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Grantor agrees that the Property and each Unit shall be subject to the following restrictions:

1. **Recitals Incorporated by Reference.** The recitals are incorporated by reference herein and made a part hereof.

2. **Occupancy Requirement.**

A. Occupancy Period. This Deed Restriction shall apply independently to each Unit. With respect to each Unit, the "Occupancy Period" shall commence on the date the Unit is issued a final occupancy permit allowing the Unit to be occupied by the first purchaser(s) of the Unit (the "Homeowner") and shall expire on the date that is ten (10) years after such final occupancy permit date, unless earlier terminated pursuant to Section 3. This Deed Restriction shall remain in effect with respect to each Unit until the expiration of the applicable Occupancy Period or the date terminated pursuant to Section 3, whichever is earlier (the "Termination Date"). On and after the Termination Date, this Deed Restriction shall be of no further force or effect with respect to that Unit.

B. Sale or Lease of Unit During Occupancy Period. If, during the Occupancy Period applicable to a Unit, the Homeowner sells, conveys, leases, or otherwise transfers the Unit, or any interest therein, to a third party, whether voluntarily or involuntarily, other than a transfer described in Section 3 or otherwise approved in writing by the County, such transaction shall constitute a "Third-party Conveyance." Upon a Third-party Conveyance, the Homeowner shall pay to the County the applicable percentage of the Deed Restriction Amount determined under Section 2.C below, which amount is referred to herein as the "Repayment Obligation."

No portion of the Deed Restriction Amount shall be deemed earned during the first six (6) years of the Occupancy Period. Upon completion of the sixth (6th) year of the Occupancy Period, and upon completion of each year thereafter through the tenth (10th)

year of the Occupancy Period, the Homeowner shall earn credit against the Deed Restriction Amount at the rate of twenty percent (20%) per completed year, provided the Homeowner has continuously owned and occupied the Unit as the Homeowner's primary residence. The entire Deed Restriction Amount shall be deemed earned upon completion of the tenth (10th) year of the Occupancy Period.

C. Repayment Percentage. The Repayment Obligation shall be determined independently for each Unit and shall equal the Deed Restriction Amount applicable to that Unit, as determined under Section 2.D, multiplied by the applicable percentage below:

- During Year 1 of the Occupancy Period = 100%
- During Year 2 of the Occupancy Period = 100%
- During Year 3 of the Occupancy Period = 100%
- During Year 4 of the Occupancy Period = 100%
- During Year 5 of the Occupancy Period = 100%
- During Year 6 of the Occupancy Period = 100%
- During Year 7 of the Occupancy Period = 80%
- During Year 8 of the Occupancy Period = 60%
- During Year 9 of the Occupancy Period = 40%
- During Year 10 of the Occupancy Period = 20%
- After completion of Year 10 of the Occupancy Period = 0%

For example, if the Homeowner of a Unit completed a Third-party Conveyance of the Unit during the eighth year of the Unit's Occupancy Period, the Repayment Obligation would be 60% of the Deed Restriction Amount applicable to that Unit. Assuming, for example only, that the Deed Restriction Amount applicable to the Unit is $26,000.00, the Repayment Obligation would be $15,600.00.

D. County Appraisal; Deed Restriction Amount. Before the first conveyance of each Unit to a Homeowner, the County shall obtain, at the County's cost, an appraisal of the Unit by an appraiser licensed or certified in the State of Wisconsin to determine the fair market value of the Unit as of the time of sale to the Homeowner.

For each Unit, the "Base Incentive Amount" is Twenty-Six Thousand Dollars ($26,000.00), consisting of the Twenty Thousand Dollar ($20,000.00) Next Generation Housing incentive and the Six Thousand Dollar ($6,000.00) permit fee incentive applicable to such Unit.

If the appraised fair market value of a Unit exceeds the sum of (i) the Purchase Price paid by the Homeowner for the Unit, plus (ii) the Base Incentive Amount, then the amount of such excess shall be added to the Base Incentive Amount and included in the deed restriction amount applicable to that Unit. The total amount resulting from the Base

Incentive Amount plus any such excess amount is referred to herein as the "Deed Restriction Amount."

If the appraised fair market value of a Unit does not exceed the sum of the Purchase Price paid by the Homeowner for the Unit plus the Base Incentive Amount, then the Deed Restriction Amount for that Unit shall be the Base Incentive Amount. "Purchase Price" means the total purchase price paid by the Homeowner for the Unit at the time the Homeowner acquired title, excluding closing costs, financing costs, prepaid items, prorations, and later improvements unless otherwise approved in writing by the County.

If required by the County, Grantor shall execute and record, before or at the time of conveyance of the applicable Unit to the Homeowner, an amendment, supplement, memorandum, or other instrument confirming the Deed Restriction Amount applicable to that Unit, together with any related repayment obligation agreement required by the County.

E. Exception to Repayment Obligation. If the Homeowner sells the Unit to a third party in a bona fide, arms-length transaction for less than the Purchase Price (as defined in Section 2.D. above) paid by the Homeowner for the Unit, then the Homeowner shall not be required to satisfy the Repayment Obligation.

If the Homeowner sells the Unit for an amount greater than the Purchase Price, but the amount by which the sale price exceeds the Purchase Price is less than the otherwise applicable Repayment Obligation, then the Repayment Obligation shall be satisfied by payment to the County of the amount by which the sale price exceeds the Purchase Price.

The Homeowner may invoke this Section 2.E only if, at least fifteen (15) days before closing of the Third-party Conveyance, the Homeowner provides the County an appraisal by an appraiser licensed or certified in the State of Wisconsin, dated no more than sixty (60) days before closing, showing that the appraised fair market value of the Unit does not exceed the Purchase Price by more than the amount proposed to be paid to the County under this Section 2.E. The exception to the Repayment Obligation set forth in this Section 2.E shall not apply to any lease of the Unit or any transfer other than a bona fide, arms-length sale of the Unit.

3. **Rights of Mortgagees.**

A. Foreclosure / Conveyance In Lieu Of Foreclosure. Notwithstanding anything herein to the contrary, if the holder of any mortgage on a Unit (a "Mortgagee") shall acquire a Unit because of foreclosure or similar remedial action under the provisions of such mortgage or upon conveyance of a Unit in lieu of foreclosure, the rights and restrictions contained herein shall terminate with respect to that Unit and shall not apply to such Mortgagee upon acquisition of the Unit, or to any purchaser of the Unit at a foreclosure

sale conducted by such Mortgagee, or any purchaser of the Unit from such Mortgagee. The Unit shall then be free from all such rights and restrictions.

B. Subordination. This Deed Restriction shall be inferior and subordinate to the lien and security interest of any Mortgagee holding a mortgage encumbering the applicable Unit. Grantor shall execute such documents and take other actions as may be reasonably required by Mortgagee to evidence Mortgagee's first and prior security interest in a Unit.

4. **Joint and Several Liability.** Without limitation of any other rights or remedies of the County or its successors and assigns, in the event of Third-party Conveyance of a Unit in violation of the provisions of this Deed Restriction, the County shall be entitled to recover the Repayment Obligation from the Homeowner, the third party that received the conveyance of the Unit from the Homeowner, or both, jointly and severally.

5. **Covenants to Run with Property.** Grantor acknowledges, declares, and covenants, on behalf of Grantor and Grantor's successors and assigns, that: (i) this Deed Restriction constitutes covenants running with the land, encumbering the Property and each Unit for the applicable Occupancy Period; (ii) this Deed Restriction is binding upon Grantor and Grantor's successors and assigns and is not merely a personal covenant of Grantor; and (iii) this Deed Restriction shall inure to the benefit of, and be enforceable by, the County and its successors and assigns for the applicable Occupancy Period of each Unit.

6. **Miscellaneous Provisions.**

A. Amendments. This Deed Restriction may not be rescinded, modified, amended, released, or waived, in whole or in part, with respect to any Unit without the written consent of the County and the then-current owner(s) of the affected Unit, and any such rescission, modification, amendment, release, or waiver shall be recorded against the affected Unit.

B. Further Assurances. Grantor and each Homeowner, by acceptance of title to a Unit, agree from time to time, as may be reasonably required by the County, to furnish the County, upon its request, with a written statement, signed and, if requested, acknowledged, setting forth the condition and occupancy of each Unit, information concerning the resale of the Unit and all other material information about the Unit or Homeowners' conformance with the terms of this Deed Restriction. This provision shall bind Grantor, each Homeowner, and their respective successors and assigns for the duration of the applicable Occupancy Period.

C. Severability. If any provisions hereof or the application thereof to any person or circumstance shall come, to any extent, to be invalid or unenforceable, the remainder hereof, or the application of such provision to the persons or events other than those as to which it is held invalid or unenforceable, shall not be affected thereby. Each provision hereof shall be valid and enforced to the fullest extent permitted by law.

D. Gender; Captions. The use of the plural in this Deed Restriction shall include the singular, the use of the singular shall include the plural, and the use of any gender shall be deemed to include all genders. The captions used in this Deed Restriction are inserted only as a matter of convenience and for reference and in no way define, limit, or describe the scope of the intent of this Deed Restriction.

E. Binding Successors. This Deed Restriction shall bind, and the benefits shall inure to, the respective parties, their legal representatives, executors, administrators, successors, and assigns.

F. Governing Law. This Deed Restriction is being executed and delivered in the State of Wisconsin. It shall be governed by, construed, and enforced in accordance with the laws of Wisconsin without giving effect to any conflict of law provision or rule. The venue for any action relating to this Deed Restriction shall be the Washington County Circuit Court or the United States District Court, Eastern District of Wisconsin.

G. Attorney's Fees. In the event of any legal actions or proceedings to enforce any rights under this Deed Restriction, the County shall be entitled to recover from the other party all reasonable costs and expenses incurred in connection with such action or proceeding, including, but not limited to, reasonable attorney's fees, court costs, and any other expenses related to the enforcement or defense of its rights under this Deed Restriction.
