RESOLUTION NUMBER ONE
AMENDING THE DECLARATION OF CONDOMINIUM AND THE BYLAWS OF DAKOTA HILL CONDOMINIUM ASSOCIATION, INC. TO RESTRICT THE LEASING OF UNITS

WHEREAS, it is the objective of the Association to insure its members the benefits derived from owner-occupied homes; and

WHEREAS, these benefits include an increased quality of life and a stable and increased market value for units as a result of high standards of maintenance and repair, continuity of residence, and increased cooperation and compliance with Association governance; and

WHEREAS, owner-occupied homes will enhance the ability of unit owners to finance and refinance their homes; and

WHEREAS, in furtherance of these objectives, it is the policy of the Association to discourage absentee investment ownership,

THE ASSOCIATION HEREBY RESOLVES AS FOLLOWS:

Article IX, section 2 of the Declaration is amended by deleting the ~~crossed out~~ language and inserting the underlined language.

2. **Leases of Units.** ~~The Declarant may lease a Unit on such terms and conditions as it desires in its sole discretion.~~ Any ~~other~~ owner may lease a Unit for a term of not less than one (1) year provided that no owner shall lease the Unit more than one time during his or her ownership. Such lease shall not exceed two years. Any lease or rental agreement must be in writing and specify that any person occupying a Unit with the authority of an owner shall comply with all of the provisions hereof and the By-Laws imposed on an owner and a breach of such provisions shall be deemed a breach of such lease. Each such lease shall contain a provision making a breach of any of the provisions of this Declaration or of the By-Laws of the Association a breach under the lease. No rooms in any Unit may be rented and transient tenants are not permitted. A copy of each lease shall be submitted to the Association. The one-time-only restriction of this paragraph shall not apply in the following situations:

(1) To mortgage lenders.

(2) To trustees or other fiduciaries where the beneficial owner lives in the Unit.

(3) To the Association.

(4) To owners who leased their Units as of January 1, 2005.

(5) To a lease where the owner of the Unit continues to live in the Unit during the period of the lease.

(6) To hardship situations.

If the Board determines that enforcing the one-time-only rental restriction will create an unreasonable hardship upon the Unit owner and that the exception in that case would not jeopardize the interest of the Association in promoting owner-occupancy of Units, it may grant a hardship exception, but in no event shall such exception have a duration of more than two years.

Article VII, section 5 of the By-Laws is amended by deleting the ~~strike out~~ language and inserting the underlined language.

Section 5. **Rental**. Unit owners may rent their units by written lease subject to the restrictions of Article IX, section 2 of the Declaration ~~to whomever and on whatever terms and conditions as they so desire, provided, however, no Unit may be leased or rented for a period of less than one year,~~ and further provided that the Association is given notice of the names and permanent address of the tenants of any Unit at least seven days prior to the commencement of their tenancy. All leases shall specifically obligate the tenants to abide by the Declaration, these By-Laws and rules and regulations promulgated thereunder.

ARTICLE III

Unit Owners

Section 1. Annual Meetings.

Upon the earlier of thirty days after 75 percent of the undivided percentage interest in the common elements shall have been sold and conveyed by the Declarant or five years after the date of the first conveyance of a unit by the Declarant, or at such earlier time as determined by the Declarant, the Declarant shall call the first annual meeting of the unit owners. The calculation of the percentage of common element interest sold and conveyed by Declarant shall be based upon the percentage of undivided interest appertaining to each unit which has been conveyed. At such meeting the designees of the Declarant and any other members of the Board of Directors elected by the unit owners shall resign as members of the Board of Directors, and all the unit owners, including the Declarant, shall elect a new Board of Directors. Thereafter the annual meetings of the unit owners shall be held within the first week of May of each succeeding year. At such meetings the Board of Directors shall be elected by ballot of the unit owners in accordance with the requirements of Section 4 of Article II of these By-Laws. The unit owners may transact such other business at such meetings as may properly come before them.

Section 2. Place of Meeting. Any meetings of the unit owners shall be held at the principal office of the Association if there is one or at such other suitable place convenient to the unit owners as may be designated by the Board of Directors.

Section 3. Special Meetings. It shall be the duty of the President to call a special meeting of the unit owners if so directed by resolution of the Board of Directors or upon a petition signed and presented to the Secretary by unit owners having 75 percent of the total authorized votes of all unit owners. The notice of any special meeting shall state the time, place and purpose of the meeting. No business shall be transacted at a special meeting except as stated in the notice.

Section 4. Notice of Meetings. The Secretary shall mail to each unit owner of record or cause to be delivered to each unit owner a notice of each annual or special meeting of the unit owners, at least ten but not more than 20 days prior to such meeting, stating the purpose thereof as well as the time and place where it is to be held, at the address of his unit or at such other address as such unit owner shall have designated by notice in writing to the Secretary.

Any meeting of unit owners at which a quorum has or has not attended may be adjourned at the option of the unit owners by vote of a majority of the authorized votes of the unit owners who are present, either in person or by proxy, at such meeting. Any meeting which has been

adjourned by the unit owners because of the lack of a quorum may be reconvened at such time as a quorum is obtained, without further notice. At such reconvened meeting at which a quorum is present, either in person or by proxy, any business may be transacted which might have been transacted at the meeting as originally notified.

Section 6. Title to Units. Title to units may be taken in the name of an individual or in the names of two or more persons, as tenants in common or as joint tenants, in the name of a corporation or partnership, or in the name of a fiduciary.

Section 7. Voting. Each unit shall have the number of votes in the Association appurtenant to such unit as described in the Declaration. Each unit owner shall furnish the Association with his name and current mailing address. No unit owner may vote at meetings of the Association until this information is furnished. The owner or owners of each unit, or some person designated by such owner or owners to act as proxy on his or their behalf and who need not be an owner, shall be entitled to cast the vote appurtenant to such unit at all meetings of unit owners. The designation of any such proxy shall be made in writing to the Secretary, and shall be revocable at any time by written notice to the Secretary by the owner or owners so designating. Any such proxy shall be effective only for a maximum period of 180 days following its issuance unless granted to a mortgagee, land contract vendor or lessee of a unit. Each unit owner (including the Declarant and the Board of Directors, if the Declarant or the Board of Directors or its designee shall then hold title to one or more units) shall be entitled to cast at all meetings of the unit owners the vote appurtenant to each unit owned. Where ownership is in the name of two persons, the vote appurtenant to their unit may be cast by any one joint owner; provided, however, that if any joint owner protests promptly the casting of such vote to the person presiding over the meeting or files a written statement with the Secretary stating that thereafter the vote must be cast pro rata in accordance with each joint owner's interest in the unit, and such vote shall thereafter be cast pro rata by the joint owners in accordance with their interests in the unit. Where a unit is leased, the lessor shall be entitled to vote the vote appurtenant to said unit (where there are two lessors, they shall be considered joint owners).. Where the unit is sold under a land contract, the land contract vendee shall be entitled to vote the vote appurtenant to said unit (where there are two vendees, they shall be considered joint owners). Notwithstanding the provisions of this section, if the Association has recorded a statement of condominium lien on a unit and the amount necessary to release the lien has not been paid at the time of the meeting, the owner(s) of such unit may not vote at any meeting of the Association.

Section 8. Majority of Unit Owners. As used in these By-Laws, the term "majority of unit owners" shall mean those unit owners having more than 50 percent of the authorized votes of all

unit owners present in person or by proxy and voting at any meeting of the unit owners, determined in accordance with the provisions of Section 7 of this Article III.

Section 10. Majority Vote. The vote of a majority of unit owners at a meeting at which a quorum shall be present shall be binding upon all unit owners for all purposes except where a higher percentage vote is required by law, by the Declaration or by these By-Laws.

Section 11. Action by Unanimous Consent. Any action required to be taken or which may be taken at a meeting of unit owners may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all unit owners entitled to vote thereon. The signature required in each instance shall be that person who is then entitled to cast the vote for a unit. Any such consent action shall have the same force and effect as a unanimous vote.

Section 12. Membership.

a. All unit owners shall be members of the Association. The foregoing is not intended to include person who hold an interest in a unit merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any unit.

b. Initial membership in the Association shall be established by the recording of the Declaration in the office of the Register of Deeds for Waukesha County, Wisconsin. Transfer of membership in the Association shall be established by the recording in the office of the Register of Deeds for Waukesha County a deed or other instrument establishing a change of record title to a unit or the recording in said office of a land contract. A certified copy of such instrument or land contract shall be delivered to the Association by the transferee or vendee. The transferee designated by such instrument or the vendee shall thereby become a member of the Association and the membership of the prior owner or vendor shall thereby be terminated. Until such delivery the transferee or vendee shall not be entitled to vote as a member of the Association and shall not be entitled to notice of meetings of unit owners. The Association shall maintain a current roster of names and addresses of every unit owner to whom notice of meetings of the Association must be sent.

ARTICLE IV

Section 1. Designation. The principal officers of the Association shall be the President, the Vice President, the Secretary and the Treasurer, all of whom shall be elected by the Board of Directors. The Board of Directors may appoint an Assistant Treasurer, an Assistant Secretary and such other officers as in its judgment may be necessary. The President and Vice President may be members of the Board of Directors.

Section 2. Election of Officers. Officers shall be elected annually by the Board of Directors at the organization meeting of each new Board of Directors and shall hold office at the pleasure of the Board of Directors.

Section 3. Removal of Officers. Section 4. President. The President shall be the chief executive officer of the Association. He or she shall preside at all meetings of the unit owners and of the Board of Directors. He or she shall have all of the general powers and duties which are incident to the office of President of a stock corporation organized under the Wisconsin Business Corporation Law, including, but not limited to, the power to appoint from among the unit owners any committee which he decides is appropriate to assist in the conduct of the affairs of the Association.

Section 5. Vice President. The Vice President shall take the place of the President and perform his or her duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board of Directors to act in the place of the President on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors or by the President.

Section 6. Secretary. The Secretary shall keep the minutes of all meetings of the unit owners and of the Board of Directors; he or she shall have charge of such books and papers as the Board of Directors may direct; and he or she shall, in general, perform all the duties incident to the office of Secretary of a stock corporation organized under the Wisconsin Business Corporation Law. Section 9. Compensation of Officers. No officer shall receive any compensation from the Association for acting as such.

ARTICLE V

Operation of the Property (Budget, Assessments, Insurance, Repair and Maintenance)

Section 1. Determination of Common Expenses. The Board of Directors of the Association shall from time to time, and at least annually, prepare a budget for the Property, determine the amount of the common expenses for the forthcoming year and allocate and assess such common expenses against the unit owners as provided in the Declaration. The assessment for common expenses for the entire year shall be effective as of January 1 of each year but shall be payable in monthly installments. The common expenses shall also include such amounts as the Board of Directors may deem proper for the operation and maintenance of the Property, including, without limitation, an amount for working capital, for a reserve fund for the periodic maintenance, repair and replacement of common elements and limited common elements based upon the estimated remaining useful life of such elements, for a reserve for contingencies, and for making up any deficit in the common expenses for any prior year. The common expenses may also include such amounts as may be required for the purchase or lease by the Board of Directors of the Association or its designee, corporate or otherwise, on behalf of all unit owners, of any unit whose owner has elected to sell or lease such unit or of any unit which is to be sold at a foreclosure or other judicial sale.

Each unit owner shall be responsible for the payment of their fractional share of common expenses which pertain solely to the Condominium as a whole. The common expenses which pertain to the

Condominium as a whole shall be assessed against each unit owner in proportion to such unit owner's undivided percentage interest in the common elements, as set forth in the Declaration.

The Board of Directors of the Association shall advise each unit owner in writing of the amount of common expenses payable by such unit owner, and shall furnish copies to all unit owners of each budget on which such common expenses are based. If the actual common expenses exceed the amount budgeted by the Board of Directors of the Association, or in the event of special circumstances requiring additional funds, the Board of Directors of the Association shall be empowered to meet whenever necessary and to assess additional common expenses or special assessments against one or more of the unit owners which shall be payable as the Board of Directors of the Association directs.

An initial working capital funding shall be established for the first months of operation of the Property. Each unit owner shall contribute to such fund upon the closing of the purchase of his or her unit in an amount equal to two months assessment for common expense.

Section 2. Insurance. A reserve fund shall be established for the Association and shall be required to obtain and maintain, to the extent obtainable, fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring all buildings (including all of the Units and the bathroom and kitchen fixtures initially installed therein by the Declarant, but not including furniture, furnishings or other personal property supplied or installed by Unit owners), together with all heating equipment and other service machinery contained therein, and all limited common elements; such insurance shall cover the Property and shall name as insureds the Association, and all Unit owners and their mortgagees and land contract vendors, as their interest may appear, in an amount equal to not less than the replacement value of the buildings, without deduction for depreciation, with inflation guard endorsement, if available. Each policy shall provide that proceeds shall be payable to the Association for all Unit owners and their mortgagees or land contract vendors as their interests may appear. All such policies shall provide that adjustment of loss shall be made by the Association.

All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based on coinsurance or of invalidity arising from any acts of the insured, and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days' prior written notice to the Association and to each first mortgagee and land contract vendor named as an insured in such policies. Prior to obtain any policy of fire insurance or any renewal thereof, the Association shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the buildings

including all of the Units and all of the common and limited common elements without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this section.

The Association shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Association may from time to time determine (provided that such limits shall at all times equal or exceed the limit established by Declarant set forth below), covering each member of the Board of Directors of the Association, and each Unit owner. Such public liability coverage shall also cover cross liability claims of one insured against another. The Board of Directors shall review such limits once each year. Until the first meeting of the Board of Directors following the first annual meeting of the Unit Owners, such public liability insurance shall be in a single limit of at least $1,000,000 covering all claims for bodily injury or property damage arising out of one occurrence. Such liability insurance shall provide that the policy may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each other holder of a first mortgage or land contract vendor listed as a scheduled holder of a first lien in the policy. The Association shall obtain and maintain workmen's compensation insurance to the extent necessary to comply with any applicable laws.

By acceptance of the deed to his or her Unit, each Unit owner shall be deemed to have appointed the Association as his or her attorney-in-fact for the purpose of purchasing and maintaining the above-described policies of insurance, including, where applicable, the collection and appropriate disposition of the proceeds thereof, the negotiation of losses and execution of releases of liability, the execution of all documents and the performance of all other acts necessary to accomplish such purpose.

Unit owners or their mortgagees or land contract vendors shall not be prohibited from carrying other insurance for their own benefit provided that all policies shall contain waivers of subrogation, that the liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished by reason of any such additional insurance, and that all reasonable efforts shall be made to place such additional insurance with the carrier issuing insurance obtained by the Association. The insurance obtained by the Association will not cover the contents of Units or public liability claims arising out of occurrences happening within the boundaries of the Units.

Section 3. Repair and Reconstruction After Damage.

(a) In the event of any damage to or destruction of the Property in an amount equal to or less than 20 percent of the replacement cost of the entire Condominium, whether or not the

insurance proceeds, if any, are sufficient to complete repair or reconstruction, the Board of Directors is authorized to and shall arrange for the prompt repair and reconstruction of such damaged portion of the Property substantially in accordance with the original plans and specifications of such portion (including any damages Units, and any kitchen or bathroom fixtures initially installed therein by the Declarant, but not including any wall, ceiling or floor decorations, painting or coverings or other furniture, furnishings, fixtures or equipment installed by Unit owners in the Units), and the Board of Directors shall disburse any insurance proceeds to the contractors engaged in such repair and reconstruction in appropriate progress payments. Any cost of such repair and reconstruction in excess of the insurance proceeds shall be a common expense and the Board of Directors may assess the appropriate Unit owners for such deficit as part of the common expenses.

By acceptance of the deed to his or her Unit, each Unit owner shall be deemed to have consented to the foregoing authorization and direction for repair and reconstruction. Such authorization and direction shall be deemed continuous action by the Association by unanimous consent pursuant to these Declarations and shall constitute the determination by the Unit owners and the Association to repair or reconstruct as required by the Wisconsin Condominium Ownership Act. If, notwithstanding the foregoing provisions, such a determination is submitted to the vote of the Unit owners, then the affirmative vote of one Unit owner shall be sufficient to determine to repair or reconstruct.

(b) In the event the Property is destroyed or damaged in an amount in excess of 20% of the replacement cost of the entire Condominium, and insurance proceeds, if any, constitute less than 80 percent of the cost of completing repair or reconstruction, the Association by vote of at least 75 percent of all Unit owners may determine within 90 days after such damage or destruction not to proceed with repair or reconstruction. If the Association determines to repair or reconstruct, or if the Association fails to vote within 90 days after such damage or destruction as to whether or repair or reconstruct, the Board of Directors shall arrange for such repair or reconstruction in accordance with the preceding paragraph of this section. If the Association determines not to repair or reconstruct, the Property which is destroyed or damaged shall be deemed to be owned in common by the Unit owners in proportion to their respective undivided percentage interests in the common elements and such damages or destroyed property shall be subject to an action for partition at the suit of any Unit owner, in which event the net proceeds of sale, together with the net insurance proceeds, shall be divided by the Board of Directors, among all the Unit owners whose units are destroyed or damaged, a percentage equal to one divided by the number of affected owners, after first paying out of the share of each affected Unit owner, to the extent sufficient for the purpose, all liens on the undivided

interest in the property owned by each affected Unit owner. Upon receipt of his or her share of the proceeds, each unit owner shall execute a release, in form satisfactory to the Association, of his or her undivided percentage interest in the common elements and shall thereafter no longer be considered a unit owner. The interests of the remaining unit owners in the common elements shall be recomputed by the Board of Directors, whose decision shall be final, to reflect said releases.

(c) In the event the Property is destroyed or damaged in an amount in excess of 20 percent of the replacement cost of the entire Condominium, and insurance proceeds are equal to or greater than 90 percent of the cost of completing repair or reconstruction, the Board of Directors is authorized and shall arrange for such repair or reconstruction in accordance with Article X, Section 3(a).

By acceptance of the deed to his Unit, each Unit owner shall be deemed to have consented to the foregoing authorization and direction for repair and reconstruction. Such authorization and direction shall be deemed continuous action by the Association by unanimous consent pursuant to these Declarations and shall constitute the determination by the Unit owners and the Association to repair or reconstruct as required by the Wisconsin Condominium Ownership Act. If, notwithstanding the foregoing provisions, such a determination is submitted to the vote of the Unit owners, then the affirmative vote of one Unit owner shall be sufficient to determine to repair or reconstruct.

Section 4. Payment of Common Expenses. All unit owners shall be obligated to pay the common expenses assessed by the Board of Directors pursuant to the provisions of Section 1 of this Article at such time or times and in such manner as the Board of Directors shall determine. A late charge of up to $20.00 may be imposed by the Board of Directors against a unit owner if any balance in common expenses remains unpaid more than five days after payment is due.

No unit owner shall be liable for the payment of any part of the common expenses assessed against his unit subsequent to a sale, transfer or other conveyance by him thereof (made in accordance with the provisions of Article VII, Section 1 of these By-Laws). A purchaser of a unit shall not be liable for the payment of common expenses assessed against such unit prior to the acquisition by him of such unit except that if the Association or Board of Directors furnishes a statement pursuant to section 703.16 of the Wisconsin Condominium Ownership Act, such liability shall be limited to the amount set forth therein.

Each unit owner shall be obligated to pay common expenses hereunder notwithstanding the fact that he may have a pending dispute with the Association.

Section 5. Collection of Assessments. The Board of Directors shall take prompt action to collect from a unit owner any assessment due which remains unpaid by him for more than 60 days from the due date for its payment.

Section 6. Default in Payment of Common Expenses. In the event of default by any unit owner in paying to the Board of Directors the assessed common expenses, such unit owner shall be obligated to pay interest at the highest annual rate permitted by law or at 18 percent per annum, whichever is less, on such common expenses from the due date thereof, together with all expenses, including attorneys' fees and court costs, incurred by the Board of Directors in any proceeding brought to collect such unpaid common expenses. The Board of Directors shall have the right and duty to attempt to recover such common expenses, together with interest thereon, and the expenses of the proceedings, including attorneys' fees, in an action brought against such unit owner, or by foreclosure of the lien on such unit granted by section 703.16 of the Wisconsin Condominium Ownership Act. The Board of Directors shall also have the right to prohibit such unit owner from voting at a meeting of the Association if the Association has recorded a statement of condominium lien on such unit and the amount necessary to release the lien has not been paid at the time of the meeting.

Section 7. Foreclosure of Liens for Unpaid Common Expenses. In any action brought by the Board of Directors to foreclose a lien on a unit because of unpaid common expenses, the unit owner shall be required to pay a reasonable rental for the use of his unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect such rental. The Association or the Board of Directors, acting on behalf of all unit owners, shall have power to purchase such unit at the foreclosure sale and to acquire, hold, lease, mortgage, vote the votes appurtenant to, convey or otherwise deal with the same after such purchase. A suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the same.

Section 8. Statement of Common Expenses. The Board of Directors shall promptly provide any unit owner, who makes a request in writing, with a written statement of his unpaid common expenses.

Section 9. Abatement and Enjoining of Violations. The violation of the Wisconsin Condominium Ownership Act, the Declaration, these By-Laws or any rules and regulations promulgated hereunder by the Board of Directors of the Association shall give the Board of Directors the right, in addition to any other rights set forth in these By-Laws: (a) to enter the unit in which, or as to which, such violation exists and to summarily abate and remove, at the expense of the defaulting unit owner, any thing or condition that may exist therein contrary to the intent and meaning of the

provisions hereof (provided, however, that the Board of Directors shall not have the right to alter or demolish items of construction), and the Board of Directors shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy such thing or condition by appropriate legal proceedings.

Section 10. Grievance Procedure.

a. The Board of Directors of the Association or any unit owner may file a written complaint with the Secretary of the Association against another unit owner for violation of the Wisconsin Condominium Ownership Act, the Declaration, these By-Laws and any rules and regulations promulgated hereunder. Upon receipt of a complaint, the Secretary shall furnish a written notice of the alleged violation, the penalties therefor and the hearing procedure of the unit owner complained of by personal delivery or by certified mail, return receipt requested. The unit owner complained of may within fifteen days of delivery or mailing of the notice file a written answer with the Secretary admitting or denying the allegations in the notice. If, within the time period allowed, the unit owner complained of fails to file an answer or admits the allegations of the notice, a violation will be conclusively deemed to have occurred. If, within the time period allowed, the unit owner complained of denies the allegations of the notice, the Secretary shall schedule a hearing before the Grievance Committee to be held not less than 14 or more than 30 days after delivery or mailing of a notice of hearing to the parties.

b. Upon the delivery or mailing of the notice of hearing, the President of the Association shall appoint the Grievance Committee. The Grievance Committee shall consist of three unit owners who are not members of the Board of Directors of the Association, relatives of the unit owner complaining or complained of, witnesses at the hearing or persons otherwise interested in the hearing.

c. The hearing shall be conducted by the Grievance Committee. The Board of Directors shall represent the complaining unit owner. The parties and the Grievance Committee shall be entitled to representation at the hearing by counsel and shall be entitled to examine and cross-examine witnesses. When summoned by the Grievance Committee to do so, it shall be the obligation of each unit owner to appear and testify at the hearing and to produce records and data relevant to the subject matter of the hearing. The hearing shall be informal and conformity to the legal rules of evidence shall not be required. Within seven days after the conclusion of the hearing, the Grievance Committee shall file a written decision with the Secretary which shall be binding upon the unit owners.

d. Upon a determination by the Grievance Committee that a violation has occurred, the Board of Directors may, without

limiting any other rights set forth in the By-Laws, restrict the right of the defaulting unit to the use of portions of the common elements and/or impose a liquidated damages assessment (L.D.A.) against the defaulting unit owner in the amount of $50.00 for the first violation and $250.00 for subsequent violations of the same offense, which if not paid within three days shall bear interest at the rate of 18 percent per annum. When imposed, such L.D.A. shall constitute a special assessment against the unit owner and if unpaid may be foreclosed against the owner's unit in accordance with Article V, Section 7 of these By-Laws.

Section 11. Maintenance and Repair.

a. All maintenance of and repairs to any unit and to any limited common area appertaining solely to such unit, structural or nonstructural, ordinary or extraordinary shall be made by the owner of such unit. Each unit owner shall be responsible for the cleaning, maintenance and repair of all doors and windows appurtenant to his unit. Each unit owner shall be responsible for all damages to any other unit or common or limited common area resulting from his negligence, misuse, misconduct or neglect, except to the extent such damages may be caused during a period for which insurance coverage is available and maintained by the Association.

If a unit owner fails to maintain his unit or the limited common area appertaining solely to his or her unit in a manner consistent with the standards of maintenance of the Condominium, as determined by the Board of Directors of the Association with respect to any unit, the Association may, upon 30 days' written notice to such unit owner, proceed to arrange for the necessary maintenance or repair of the unit or limited common areas. All costs incurred by the Association shall constitute a common expense which shall be specially assessed solely against the affected unit and the Association shall take such steps as are permitted or required by these By-Laws to enforce payment of such special assessment.

b. All maintenance, repairs and replacements to the common elements (except as provided in Section 11(a) and unless necessitated by the negligence, misuse, misconduct or neglect of a unit owner, in which case such expense shall be charged to such unit owner) shall be made by the Board of Directors of the Association, and be charged to all the unit owners, as a common expense.

Section 12. Use of Property. In order to provide for congenial occupancy of the Property and for the protection of the values of the units, the guarantee of which is not made by the declarant hereby, the use of the Property shall be subject to the following limitations:

a. The units shall be restricted to residential use.

b. The common and limited areas shall be used only for the purposes for which they are reasonably suited and which are incidental to the use and occupancy of units.

c. No nuisances or noxious odors shall be allowed on the Property nor shall any use or practice be allowed which is an unreasonable cause of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.

d. No unlawful use shall be made of the Property or any part thereof, and all laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be complied with. Such compliance shall be accomplished at the sole expense of the unit owner(s) concerned or the Association, whichever shall have the obligation to maintain or repair such portion of the Property.

e. No tree or bush or other vegetation (whether planted by Declarant or naturally located) shall be removed from a common or limited common area without the prior written approval of the Board of Directors of the Association. The removal of logs or wood from any portion of the Property is prohibited.

f. Trash, garbage or other waste shall be placed in receptacles furnished by the City or the unit owner, stored in the unit, and all of such items shall be timely placed in receptacles in designated areas for collection.

g. No trailer, tent, shack, garage, barn or other outbuilding or living quarters of a temporary character, shall be permitted on any part of the Property at any time. There shall be no camping on the Property at any time.

h. Except with the prior permission of the Board of Directors, no trucks, buses, trailers, campers, snowmobiles, boats or vehicles (other than private passenger cars, station wagons or similar private vehicles) shall be parked on the Property (other than inside garages) for purposes other than in the normal course of construction or for serviced rendered to a unit. "The Association may issue a permit to the occupant of a unit to keep two cats or two dogs, or one cat and one dog and other small household pets (such as fish, canaries and parakeets) provided they are not kept, bred or maintained for any commercial purposes. No dog trained as an attack dog shall be permitted."

j. Patio furniture, umbrellas or plants shall not obstruct the view of any other unit owner. Patios shall not be used for storage of any items nor for the drying of laundry.

k. The overhead light above the front door of each unit shall remain operational at all times. Each unit owner shall promptly replace burned-out light bulbs. A unit owner may not install any additional outside lights, wherever located, without the consent of the Board of Directors.

l. Garage doors shall be kept closed at all times. Garages and driveways shall not be used for vehicle repairs, painting or similar activities.

m. The Association is responsible for all major snow removal on the Property. Owners may need to take reasonable measures from time to time to control snow and ice on the limited common area.

Section 13. Additions, Alterations or Improvements by Board of Directors. Whenever in the judgment of the Board of Directors of the Association, the common and/or limited common elements shall require additions, alterations or improvements costing in excess of 10 percent of the annual operating budget, and the making of such additions, alterations or improvements shall have been approved by a majority of the unit owners that will be assessed for the cost of such additions, alterations or improvements, the Board of Directors of the Association shall proceed with such additions, alterations or improvements and shall assess the applicable unit owners for the cost thereof as a common expense. Any additions, alterations or improvements costing 10 percent of the annual operating budget or less may be made by the Board of Directors of the Association without approval of the unit owners and the cost thereof shall constitute a common expense of all unit owners.

Section 14. Structural Additions, Alterations or Improvements by Unit Owners. A unit owner may make additions, improvements or alterations within his unit which does not impair the structural integrity or lessen the support of any portion of the Property, provided, however, that a unit owner shall notify the Association, in writing, in advance of (i) the work such unit owner intends to carry out within the unit, and (ii) the name of the person or contractor who will perform such work. No unit owner shall make any change in, nor affix anything to, the exterior of his unit or of any portion of the Property (including the planting of trees and shrubs in any portion of the common areas) without the prior written approval of the Board of Directors. The above provisions of this section shall not apply to units owned by the Declarant until such units have been conveyed by the Declarant. The Board of Directors and the Association shall not be liable to any contractor, subcontractor or materialman or to any person sustaining personal injury or property damage, for any claim

arising in connection with such additions, alterations or improvements.

Section 15. Architectural and Design Control.

a. Except as otherwise specifically provided in the Declaration or these By-Laws, no building, fence, wall, antenna, exterior lighting, structure or projection from a structure (whether of a temporary or permanent nature, or whether or not affixed to a unit or to any other structure or to the ground) shall be commenced, erected, maintained, improved or altered, nor shall any grading, excavation, tree removal or planting be done in the common or limited common areas, nor shall any change of exterior color or other work which in any way alters the exterior appearance of any unit, common area or limited common area be done, without the prior written approval of the majority of the Board of Directors regarding (i) the harmony of its exterior design and location in relation to, and its effects upon, surrounding structures, vegetation, topography, and the overall community design of the Property, (ii) the character of the exterior materials and (iii) quality of the exterior workmanship.

b. The Board of Directors shall develop and promulgate policy guidelines for the application of the design review provisions set forth herein. The Board may also appoint a committee of not less than three (3) unit holders to effect architectural and design control. The policy guidelines shall include review procedures, aspects and objectives of review, and principles and criteria used as standards in determining the achievement of the required objectives. The policy guidelines may also include specific design practices that, though optional, are generally acceptable methods for achieving the required objectives in particular design problems frequently encountered in the Property. The policy guidelines are intended to assist the Board of Directors and the unit owners in the ongoing process of community design. They may be modified and supplemented from time to time on due notice to the unit owners.

c. In the event the Board of Directors fails to approve or disapprove in writing an application within 60 days after the plans and specifications in writing have been submitted to it by a unit owner, in accordance with adopted procedures, approval will be deemed granted.

Section 16. Water and Sewer Charges. Water and sewer required to service the units and the common elements shall be supplied by the City of Waukesha and shall be a common expense for each unit.

Section 17. Electricity and Gas. Electricity and gas required to service the units and the common elements shall be supplied by the public utility companies serving the area, and

shall be separately metered for each unit. Each unit owner shall be responsible for electricity and gas consumed or used in or in connection with his unit. Expenses for electricity and gas consumed or used in or in connection with the common elements shall be paid as a common expense.

Section 18. Rules of Conduct. Rules and regulations concerning the use of all units and the common elements may be promulgated and amended by the Board of Directors of the Association. Copies of such rules and regulations shall be furnished by the Board of Directors to each affected unit owner prior to their effective date.

Section 19. Right of Access. A unit owner shall grant a right of access to his unit to the manager, the managing agent, and any other person authorized by the Board of Directors to make inspections, to correct any condition originating in his unit and threatening another unit or the common or limited common elements, to install, alter or repair mechanical or electrical services or other common or limited common elements in his unit or elsewhere in the building, and to correct any condition which violates the provisions of any mortgage covering another unit. Requests for such entry shall be made in advance and such entry shall be scheduled for a time reasonably convenient to the unit owner. However, in case of an emergency, such right of entry shall be immediate, whether the unit owner is present at the time or not.

ARTICLE VI

Mortgages

Section 1. Mortgage of Units. Each unit may be separately mortgaged.

Section 2. Notice to Board of Directors. A unit owner who mortgages his unit shall immediately notify the Board of Directors of the name and address of his mortgagee. The Board of Directors shall maintain such information in a book entitled "Mortgages of Units".

Section 3. Rights of Mortgagees. As to any mortgagee of a unit or insurer or guarantor of any unit mortgagee (referred to below, collectively, as the "mortgagee") which has notified the Association in writing delivered or mailed by certified mail to the place of service of process stated in Article XVI of the Declaration that it desires to receive notice of the following matters:

a. The Board of Directors shall give the mortgagee written notice by mail of the call of any meeting of the membership or the Board of Directors of the Association to be held for the

purpose of considering any proposed amendment to the Declaration, the Articles or the By-Laws.

b. The Board of Directors shall give the mortgagee by mail a copy of the notice of default which is given to any unit owner on any failure to comply with or violation of any of the provisions of this Declaration, the Articles, the By-Laws and rules and regulations promulgated hereunder, and any amendments thereto, simultaneously with the giving of required notice to any unit owner which shall be not later than 30 days after such failure.

c. The Board of Directors shall notify the mortgagee of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

d. The Board of Directors shall notify the mortgagee of physical damage to structure, fixtures or equipment of a unit in an amount exceeding $10,000.00 when such damage is known to the Board of Directors and shall notify all mortgagees if common elements of the Condominium are damaged in an amount exceeding $20,000.00. The Board shall also notify the mortgagee in writing of any condemnation proceedings concerning the Property.

e. The Board of Directors shall permit the mortgagee to examine during normal business hours books and records of the Association (including current copies of the Declaration, these By-Laws and all rules and regulations promulgated thereunder) and upon request shall furnish the mortgagee annual reports and such other financial data (including audited financial statements) as it sends to unit owners.

Section 4. Land Contracts. For purposes of this Article VI and elsewhere in these By-Laws, land contract vendors and vendees shall have the same rights as mortgagees and mortgagors, respectively.

ARTICLE VII

Sales and Leases of Units

Section 1. Sales and Leases. Unit owners may sell or lease their units or any interest therein provided the provisions of this Article and Article IX of the Declaration are complied with. A unit owner shall notify the Association of the pending sale of such owner's unit at least 21 days prior to the date of the closing of such sale or commencement of such lease, and shall supply the Association with the names of the prospective purchasers or lessees. A unit owner's sale of his unit shall include the sale of (a) the undivided percentage interest in the common and limited common elements appurtenant thereof; (b) the interest of such unit owner in any units theretofore acquired by the Association, or its

designee, on behalf of all unit owners, or the proceeds of the sale or lease thereof, if any; and (c) the interests of such unit owner in any other assets of the Association ((a), (b) and (c) hereinafter collectively called the "appurtenant interests").

Section 2. No Severance of Ownership. No unit owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to his unit without including therein the appurtenant interests, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage or other instrument purporting to affect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the appurtenant interests of any unit may be sold, transferred, or otherwise disposed of, except as a part of a sale, transfer or other disposition of the unit to which such interests are appurtenant, or as part of a sale, transfer or other disposition of such part of the appurtenant interests of all units.

Section 3. Financing of Purchase of Units by Association. Acquisition of units by the Association or its designee, on behalf of all unit owners, may be made from the working capital and assessments for common expenses in the hands of the Board of Directors, or if such funds are insufficient, the Association may borrow money to finance the acquisition of such unit; provided, however, that no financing may be secured by an encumbrance or hypothecation of any property other than the unit so to be acquired by the Association. Title to any real or personal property acquired by the Association shall be taken in the name of the Association. The Association shall act to borrow money, and acquire and convey property in the same manner as a corporation organized under the Wisconsin Nonstock Corporation Law.

Section 4. Waiver of Right of Partition With Respect to Units Acquired by Association. In the event that a unit shall be acquired by the Association or its designee, on behalf of all unit owners as tenants in common, all such unit owners shall be deemed to have waived all rights of partition with respect to such unit.

Section 5. Rental. Unit owners may rent their units by written lease to whomever and on whatever terms and conditions as they so desire; provided, however, no Unit may be leased or rented for a period of less than one year, and further provided that the Association is given notice of the names and permanent address of the tenants of any Unit at least seven days prior to the commencement of their tenancy. All leases shall specifically obligate the tenants to abide by the Declaration, these By-Laws and rules and regulations promulgated thereunder.

Section 6. Payment of Assessments. No unit owner shall be permitted to convey, mortgage, pledge, hypothecate, sell or lease

his unit unless and until he shall have paid in full to the Association all unpaid common expenses theretofore assessed by the Board of Directors against his unit.

ARTICLE VIII

Condemnation

Section 1. Common Elements. In the event of a taking in condemnation or by eminent domain of part or all of the common elements of the Property exclusive of any of the units, the award made for such taking shall be payable to the Association. The Association shall promptly undertake to restore the common elements. The proceeds of the award shall be disbursed to effect such restoration and any costs in excess of the award shall be a common expense. The applicable Board of Directors shall effect such restoration in accordance with Article V, Section 3(a) of these By-Laws. If restoration is not undertaken, the proceeds of the award shall be disbursed to the unit owners in proportion to their respective undivided percentage interests in the common elements.

Section 2. Units. In the event of a taking in condemnation or by eminent domain of any of the units exclusive of the common elements, or of any of the units and a portion of the common elements, the Association by vote of a majority of the unit owners of the Condominium within 90 days of payment of the award (or other payment if conveyed in lieu of such taking) shall determine whether to permit repair or reconstruction of the units and common elements effected. If the Association determines to permit repair or reconstruction and the unit owners effected unanimously elect to undertake repair or reconstruction of their units, the Board of Directors shall effect such repair or reconstruction in accordance with Article V, Section 3(a) of these By-Laws, except that any cost of repair or reconstruction of units in excess of the award shall be the sole expense of the owners of such units. If the Association determines not to repair or reconstruction or fails to vote within said 90-day period or the unit owners effected to not unanimously elect to repair or reconstruct, the entire net proceeds shall be disbursed to those unit owners whose units have been taken in proportion to their respective undivided percentage interests in the common elements. If any such unit owner is in default in paying common expenses, the amount of said common expenses shall be deducted from his share of the proceeds. Upon receipt of his or her share of the proceeds, each unit owner shall execute a release, in form satisfactory to the Association, of his or her undivided percentage interest in the common elements and shall thereafter no longer be considered a unit owner. The interests of the remaining unit owners in the common elements shall be recomputed by the Board of Directors, whose decision shall be final, to reflect said releases.

ARTICLE IX

Records

Section 1. Records and Reports. The Board of Directors of the Association shall keep detailed records of the actions of the Association, minutes of the meetings of the Board of Directors, minutes of the meetings of the unit owners, and financial records and books of account of the Association, including a chronological listing of receipts and expenditures, as well as a separate account of each unit which, among other things, shall contain the amount of each assessment of common expenses against such unit, the date when due, the amounts paid thereon, and the balance remaining unpaid. A written report summarizing all receipts and expenditures of the Association shall be rendered by the Board of Directors to all unit owners at least annually.

ARTICLE X

Miscellaneous

Section 1. Notices. All notices to the Board of Directors of the Association shall be sent by registered or certified mail, c/o the managing agent, or if there is no managing agent, to the office of the Association or to such other address as the Board of Directors may hereafter designate from time to time. Except when delivered in person, all notices to any unit owner shall be mailed or hand delivered to his unit or to such other address as may have been designated by him from time to time, in writing, to the Board of Directors. All notices to mortgagees of units shall be mailed or hand delivered to their respective addresses, as designated by the unit owners to the Board of Directors. All notices shall be deemed to have been given when mailed, except notices of change of address which shall be deemed to have been given when received. Notices to the unit owners or their mortgagees need not be mailed by registered or certified mail, except as otherwise provided in these By-Laws.

Section 2. Invalidity. The invalidity of any part of these By-Laws shall not impair or affect in any manner the validity, enforceability or effect of the balance of these By-Laws.

Section 3. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of these By-Laws or the intent of any provision thereof.

Section 4. Gender. The use of the masculine gender in these By-Laws shall be deemed to include the feminine gender and the use of the singular shall be deemed to include the plural, whenever the context so requires.

Section 5. Waiver. No restriction, condition, obligation or provision contained in these By-Laws shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.

Section 6. Conflicts. These By-Laws are set forth to comply with the requirements of the Wisconsin Condominium Ownership Act. In case any of these By-Laws conflict with the provisions of such Act, the provisions of such Act shall control.
