So long as Declarant has title to any Lot subject to this Declaration, including the Expansion Area, the ACC shall consist of three (3) members appointed in writing by Declarant. The Declarant appointed members are not required to be Lot Owners in the Subdivision. All members of the ACC shall serve at the pleasure of the Declarant. The Declarant shall surrender the selection of the members of the ACC upon the earlier of: (a) thirty (30) days from Declarant's conveyance of the final Lot, including any Lots which may be platted within the Expansion Area as provided in this Declaration, to an Owner who has been granted an occupancy permit and intends to reside on the Lot; (b) ten (10) years from the date of this Declaration; or (c) Declarant's election to waive its rights to control the ACC. Upon Declarant's surrender of the ACC as provided above, the members of the ACC shall be elected by the Board, provided, however, that if selected by the Board, a representative of Declarant may serve on the ACC. Notwithstanding the election of the new members of the ACC, the approval of Drawings for the initial construction of a home on a Lot shall not be effective without the express prior consent of the Declarant; approval of Drawings for other matters will not require Declarant's approval. For the avoidance of doubt, for purposes of this Section a "bulk" or multi-Lot conveyance to a party who is not intending to occupy the property conveyed shall not be considered a conveyance for purposes of (a) above.

2.1.2 No Development Without Prior Approval. Not less than ten (10) days prior to each time any of the following is proposed to occur:

(a) commencement of construction of any Building or other improvements or alteration on any Lot; or

(b) the reconstruction of any Building or other improvements on any portion or portions of such property following a casualty loss thereto; or

(c) the demolition of any Building or other improvements on any portion or portions of such property; or

(d) the initial painting, or subsequent decoration or alteration of the exterior of any Building or other improvement on such property; or

(e) the installation of items such as, but not limited to, solar panels, wind-driven energy devices, awnings, enclosure, hot tub, deck, swimming pool, mailboxes, fences, berms or other features on any such property;

the Owner(s) of such property shall submit to the ACC for consideration as described below three (3) copies of written information, which shall include a survey of such property prepared by a licensed surveyor or the equivalent, as approved by the ACC for the particular submission, ("***Drawings***") showing:

(1) the location, size, elevations and type of Building(s) and other improvements, including, but not limited to, homes, garages and fences or other matters proposed to be erected or reconstructed on such property,

(2) detailed plans and specifications for construction or reconstruction, including building material, type and color, and plans to screen the demolition, construction or reconstruction from view,

(3) the proposed landscaping, including any fences or walls, and

(4) the proposed location and specifications for utilities servicing such improvements.

The Drawings shall be submitted in 11x17 format and reflect the proposals in (1) through (4) above, which are appropriate to be shown on the survey. Any of the actions described in clauses (a) through (e) above may be taken (subject to Section 2.1.3 below) on or after the date on which the ACC approves or does not object or is deemed to have done so as provided in Section 2.1.3 below, unless such time periods are waived by the ACC in its sole discretion where the ACC believes that such earlier commencement is consistent with the purposes of this Declaration. No action described in paragraphs (a) through (e) above shall take place without the approval by the ACC of the Drawings for such action, except if the action is the repair or replacement of previously approved exterior features with features that are identical or if the action is the repainting of an exterior surface with paint of the same color.

The Municipality may also require permits prior to proceeding with the development activities for the items listed above.

2.1.3 Standards and Procedural Matters of Consideration. The ACC shall not unreasonably refuse to consider submitted Drawings provided that any fees imposed for review have been paid. In considering any Drawings, the ACC shall consider, among other factors, whether all of the improvements and the lighting, exterior finishes (such as materials, decorations, and paint color), landscaping, the placement and protection of trees and such other matters proposed in such Drawings comply with the terms of this Declaration and the Municipality's ordinances and otherwise are, in the ACC's sole opinion, in keeping with and do not detract from the harmony of the external design of, or depreciate any portion of the Property, whether then

undeveloped, developed or in the process of development, even if the Drawings otherwise do not breach any other standard set forth in this Declaration. The ACC may approve Drawings (absolutely or conditionally), may object to Drawings (absolutely or conditionally), or may state that it has no objection to Drawings (absolutely or conditionally). Approval must be express and in writing. The failure of the ACC to approve, object to, or acquiesce conditionally as provided above within thirty (30) business days after submittal of the complete Drawings and payment of any review fees shall be deemed to be the ACC's acceptance of the Drawings as submitted. If the ACC objects to Drawings in whole or in part for any reason, the submitting Owner shall thereafter resubmit Drawings to the ACC with such revisions as are required. Each time an Owner so submits the Drawings, the ACC shall have the right to approve, acquiesce conditionally or object to the Drawings as described above in the time periods as measured from the last submittal. Following the ACC's approval of the Drawings, the improvements described therein shall be developed strictly in accordance with the approved Drawings and requirements. If the approved improvements are not completed within one (1) year of their initial approval, then such approval shall be deemed withdrawn and the same or different Drawings required to be submitted or resubmitted, as the case may be; provided that the ACC may, in its discretion, extend such period by up to an additional six (6) months if it reasonably determines that delay has been primarily caused by factors outside of the control of the Owner; and provided further that the initial driveway need not be completed until the time period specified.

2.1.4 Prior Approval for Changes. If after the completion of the improvements to an affected Lot, the Owner thereof desires to construct any additional improvements or to substantially alter the then existing improvements or the grade of the affected Lot, the Owner shall comply with the provisions of Section 2.1.2 above. A proposed alteration will be deemed substantial if it affects the grade of the affected Lot or the location or exterior appearance of the approved improvements.

2.1.5 Procedures and Budget. The ACC may set its own operating procedures consistent with this Declaration and any limitations hereafter imposed by the Board. The costs of operating the ACC shall be assessed by the Association as common expenses, except as permitted below. The ACC may, but need not, require the payment of a review fee in connection with the submittal of any Drawings pursuant to a written policy. The ACC may engage consultants (e.g., architects, engineers or attorneys) either on a general or on a case-by-case basis, and the costs thereof may be charged to the applicant. The members of the ACC shall not draw any compensation for serving thereon, but may be reimbursed for expenses incurred in performing their duties. All funds relating to the ACC shall be handled by the treasurer of the Association.

2.1.6 Separate Municipal Approval. Matters which require approval of the ACC may also require the approval of the Municipality. Obtaining approval from the ACC and from the Municipality is the sole responsibility of the Owner desiring approval. Approval of Drawings by the ACC shall not be deemed approval by the Municipality, and approval by the Municipality shall not be deemed approval by the ACC. ACC interpretations of Municipal ordinances are not binding on the Municipality.

2.1.7 Uniformity Standards. Certain standards of architectural control are set forth below. The ACC may adopt additional written standards of uniformity, setback, grading, landscaping, basements, roofing, or exterior, whether generally or for certain types of

improvements. The ACC may enforce any standard even if it has, expressly or by acquiescence, permitted previous deviations from such standard.

2.1.8 Indemnification. Each member or former member of the ACC, together with the personal representatives and heirs of each such person, shall be indemnified, defended, and held harmless by the Association from and against any and all claims, actions, suits, proceedings (including criminal proceedings), losses, costs, damages and expenses, including, without limitation, reasonable attorneys' fees and costs, asserted against, incurred by, imposed in connection with, related to, or resulting from service as a member of the ACC, except as to matters resulting in a final determination of negligence or willful misconduct on the part of such member. In the event of settlement of such proceeding, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of negligence or willful misconduct in the performance of such person as a member in the matter involved. This right of indemnification shall be in addition to all other rights and defenses. All liability, loss, damage, cost and expense incurred or suffered by the Association in connection with this indemnification shall be a common expense. Nothing in this subsection shall be deemed an indemnification of such person with respect to such person's status as an Owner, Occupant or otherwise.

2.2 Antennas. No antenna, aerial, satellite dish or cable for television or radio reception which is greater than 36" in diameter shall be erected or installed on or in any roof or any other portion of a Building, on any Lot, or on the unimproved portions of such properties, except as erected or installed by Declarant, the Association, or any individual Owner with written approval of the ACC, and, in each case, in compliance with Municipal ordinances.

2.5.11 Dog Kennels. Dog kennels shall not be allowed on any Lot even where one would otherwise be permitted by Municipal ordinance or code.

2.5.12 Play Equipment. If an Owner chooses to install a play set of any size, whether temporary or permanent, said playground equipment must be approved in advance by the

ACC and conform to Municipal codes and ordinances. Play equipment shall be located a minimum of ten feet (10') away from any property lines.

2.5.13 Outbuildings. Storage sheds or outbuildings of any size, temporary or permanent, shall not be permitted under any circumstance.

2.6 Grading and Landscaping.

2.6.1 Master Grading Plan. Declarant has established a master surface drainage plan consistent with the master grading plan on file with the Municipality (the "***Master Grading Plan***") designating the manner in which each Lot shall drain in relation to all other Lots. Compliance of all grading and construction work to the Master Grading Plan is important to the effective drainage of all Lots and affects the value of all Lots. Within sixty (60) days after substantial completion of a dwelling on any Lot, the Owner shall grade the Lot to conform to the Master Grading Plan. Each Owner will take such action as is reasonably necessary to maintain the grading and landscaping of the Owner's Lot in accordance with the Master Grading Plan, and shall refrain from taking actions which would cause the grading or landscaping to not conform to the Master Grading Plan without Municipal and ACC approval. Declarant and the Association shall each have the right to enter upon any Lot at any time for the purpose of inspection, maintenance, correction of any drainage condition, and the Owner shall be responsible for the cost thereof. Despite Declarant's efforts to prepare a Master Grading Plan which will achieve the effective and efficient drainage of storm water from and within the Subdivision, Declarant does not warrant or represent that the Master Grading Plan will achieve any particular effect. Building envelopes are shown on the Plat. Any deviations to the Master Grading Plan shall require review and approval by the Municipal Engineer prior to the issuance of the building permit.

2.6.2 Landscaping.

(a) The Villas. Owners must plant and maintain a minimum of one (1) - 2" caliper single-stem ornamental tree located in the front yard, and a minimum of eight (8) foundation plantings and mulched/stone bed along the front foundation wall.

(b) The Residences. Owners must plant and maintain a minimum of one (1) - 2" caliper single-stem ornamental tree located in the front yard, a minimum of one (1) - 2 ½" caliper, single-stem deciduous tree also located in the front yard, and a minimum of ten (10) foundation plantings and mulched/stone bed along the front foundation wall.

(c) The Estates. Owners must plant and maintain a minimum of one (1) - 2" caliper single-stem ornamental tree located in the front yard, a minimum of two (2) - 2 ½" caliper, single-stem deciduous trees (both in the front yard and one must be planted on the opposite side of the driveway), and a minimum of twelve (12) foundation plantings and mulched/stone bed along the front foundation wall.

(d) Vegetative Cover. Each individual Lot Owner shall be responsible for installing and maintaining vegetative cover (a lawn or landscaping) on all exposed soil on their Lot to prevent erosion of the soil into unwanted locations. This vegetative cover must be installed within sixty (60) days of obtaining occupancy of the home or, in the case

of winter occupancy as outlined in item (e) below. Note that other materials are allowable around the foundation and paved surfaces including, but not limited to gravel, mulch, brick or any other material that will reduce erosion and permanently stabilize the disturbed areas of soil. If the Owner of any Lot, after reasonable written notice from the Association, fails or refuses to install vegetative cover as described herein, or maintain it as required above, the Association, through its duly authorized agents or employees, shall have the right to enter upon said Lot at reasonable hours to perform said landscaping and/or maintenance. The costs of the materials and labor to perform such landscaping and/or maintenance shall be assessed against said Lot in accordance with Municipal codes or ordinances, or the Wisconsin State Statutes. This restriction for vegetative cover does not apply during the winter months when growing conditions will not allow the establishment of vegetation cover. In such an event the Owner shall be required to establish vegetative cover within sixty (60) days of proper growing conditions. The growing season for this area is anticipated to be from mid-April to mid-October.

2.6.3 Street Tree Plantings. In addition to lot plantings performed by owners under Section 2.6.2 of this Declaration, street trees shall be installed by the Developer approximately every 50 feet of road frontage as directed by the Village of Sussex, in accordance with the approved landscape plan attached to this Declaration as Exhibit A.

2.6.4 Irrigation. Irrigation systems for lawns and planting beds, if installed, shall utilize irrigation controllers and components that conform to the Environmental Protection Agency's "WaterSense" criteria. If such criteria are no longer available, the ACC may substitute a different standard. Controllers shall be equipped with a precision soil sensor and rain sensor, as minimum components. Controllers and equipment shall be installed, programmed and maintained according to manufacturer's recommendations. If the model of controller specified above is, in the opinion of the ACC, no longer readily available or available at reasonable cost, the ACC may choose a different controller from time to time as the standard. The ACC may also permit use of other products from other manufacturers, with similar features, as "or equal" products.

2.6.5 Easements. Plantings in the public and private easements may not be permitted by terms of the easement and should be avoided. Plantings within easements will be at-risk for removal by the Municipality and may be subject to damage or removal for maintenance and/or repair operations.

2.7 Municipal Codes and Ordinances. All items in this Article 2 shall be subject to Municipal codes and ordinances, as may be modified from time to time.

ARTICLE 3. ASSOCIATION OF OWNERS

3.1 Administration. Declarant shall establish the Association, which shall be incorporated as a Wisconsin nonstock corporation, and shall adopt Bylaws for its governance and administration of the Common Areas and Common Improvements. The Board may, but need not, from time to time adopt and amend Rules that are binding on all Owners and Occupants. The Board shall administer and enforce the Common Areas, the provisions of this Declaration and the Bylaws, the Rules, and all other uses of and restrictions on the Property such as easements. Until the establishment of the Association, all powers of the Association shall be exercised by Declarant.

3.2 Membership and Voting. Effective as of the date of purchase or creation of a Lot, each Owner shall be a member of the Association. In the Association, the Owner(s) of each Lot shall be entitled to one vote for each Lot owned. If one or more Lots change their status to some other form of ownership, the votes appurtenant to each original Lot shall not be changed. No member shall be permitted to vote if such member is more than thirty (30) days delinquent in the payment of any amount due to the Association under Article 4 of this Declaration.

3.3 Control of Association. Declarant shall have the right to appoint and remove Directors of the Association and to exercise any and all powers and responsibilities assigned to the Association, the Board, or its officers, by the Articles of Incorporation, Bylaws, this Declaration or the Wisconsin Nonstock Corporation Law (as amended from time to time), which rights shall expire upon the earlier of: (a) thirty (30) days from Declarant's conveyance of the final Lot, including any Lots which may be platted within the Expansion Area as provided in this Declaration, to an Owner who has been granted an occupancy permit and intends to reside on the Lot; (b) fifteen (15) years from the date of this Declaration; or (c) Declarant's election to waive its rights to control the Association. Upon Declarant's surrender of its rights to control the Association as provided above, the Directors shall be elected by the majority vote of the Owners within the Subdivision. For the avoidance of doubt, for purposes of this Section a "bulk" or multi-Lot conveyance to a party who is not intending to occupy the property conveyed shall not be considered a conveyance for purposes of (a) above.

3.4 Management. The Association may employ a professional management agent or company to assist in carrying out its duties regarding the Common Areas, the Common Improvements, and this Declaration, with such experience and qualifications and on such terms and conditions as are acceptable to the Board. Any such agreement must be terminable by the Board, without cause, upon 90-day notice without payment of any penalty.

ARTICLE 4. ASSESSMENTS

4.1 Budget and Assessments.

4.1.1 Deposit. In addition to the Lot purchase price, each Owner will deposit an initial fee with the Association as an initial assessment; amount as stated in the purchase documents. The deposit must be made at the time of closing of the initial purchase of the Lot by an Owner intending to occupy a home on such Lot. Two Hundred and Fifty Dollars ($250) of this initial fee shall be forwarded to the Master Association upon receipt.

4.1.2 Assessments. The Association shall have the power to levy an annual assessment against each Lot for the purpose of defraying, in whole or in part, the costs incurred by the Association, including costs to operate the Amenity Area improvements that are unique to the single-family development, the cost of any assessments levied from the Master Association, and to fund capital accounts. Such annual assessment shall be levied by the Association as of March 1st of each year, and a statement for such amount shall be mailed to the owner of each Lot as of such date and shall be payable on or before March 31st of each year. The Association may from time to time permit the payment of the annual assessment on a monthly or other basis, but the entire assessment remains due.

4.1.3 Budget. The Association shall annually adopt a budget of common expenses and levy assessments on the Lots based on such budget as provided above, allocating such assessments equally to each Lot, subject to the limitations herein. The budget shall include amounts representing assessments that are bad debts, and a reserve for contingencies and replacements for the Amenity Area as provided in Section 7.5 and may include a replacement reserve for any other purpose determined by the Board in its reasonable discretion, which in each case shall constitute part of the general assessments. Until a new budget is adopted, the prior year's budget shall remain in effect.

4.1.4 Collection. The Association may delegate to a third-party manager or collection agent the authority to collect any assessments.

4.1.5 Special Assessments; Fines. The Association may also levy: (a) special assessments on all Lots for any purpose for which a general assessment or special assessment may be levied; or (b) fines on particular Owners for the purpose of collecting any amounts due the Association or enforcing compliance by such Owners with any provision of this Declaration, the Bylaws or any Rules. The Board may adopt a Rule to impose uniform charges for services which the Association provides related to transfer of Lots, review of proposals under Article 2, and the like. The Board may adopt an initial budget showing the anticipated amounts necessary to cover common expenses.

4.2 Installments; Late Payments. General assessments shall be levied on an annual basis, but shall be due and payable on March 31st, or as determined by the Board from time to time and as set forth herein. Special assessments shall be due and payable at such time and in such manner as the Board may determine. If an assessment is not paid when due then such assessment shall become delinquent and shall accrue interest at the rate of twelve percent (12%) per annum until the assessment is paid in full. Any assessment or installment of an assessment not paid within ten (10) days of its due date may also be subject to a late charge and/or interest as set forth in the Bylaws and/or in the Rules.

4.3 Enforcement; Liens. All general and special assessments which are not paid when due shall constitute a lien on the Lot; and shall be collectible and enforceable by the Association by suit against the Lot Owner, by foreclosure of the lien, and/or in any other manner or method provided under this Declaration or laws of the State of Wisconsin. The lien granted hereunder shall also cover and include all interest accruing on delinquent assessments, plus costs, expenses and attorneys' fees for collection. The Association shall have the exclusive right and power to collect or enforce collection of all general and special assessments and shall further have the exclusive right to bring any and all actions and proceedings for the collection thereof and/or the enforcement of liens arising therefrom. The Association may bring an action at law against any Lot Owner personally to collect such assessments and/or to foreclose the lien for such assessments against the Lot (in the same manner and method as an action to foreclose a real estate mortgage). The Association may purchase a property upon foreclosure of its lien. Under Section 3.2 an Owner delinquent in payments may in some cases not be permitted to vote on matters before the membership of the Association.

4.4 Association Statements. Within five (5) business days of written request from an Owner or a Mortgagee, the Association shall provide a letter stating the existence and amount of outstanding general or special assessments against the Owner's property, if any. Notwithstanding

anything to the contrary in the preceding sentence, all property conveyed by Declarant shall be deemed conveyed free from outstanding general, special or working capital assessments and no such letter shall be required or given as to such property.

4.5 Common Expenses and Surpluses. Common expenses and surpluses shall be allocated in the same manner as general assessments are allocated. All common surpluses for each fiscal year shall be retained for common expenses for the next succeeding fiscal year.

4.6 No Fees or Assessments in Event of Tax Forfeiture. Neither Waukesha County nor the Municipality shall be liable for any fees or special assessments in the event that Waukesha County or the Municipality become the owner of one or more Lots by reason of tax delinquency.

ARTICLE 5. MAINTENANCE AND ALTERATIONS

5.1 Owner Responsibility. Each Owner or Occupant shall reimburse the Association for the cost of the Association's repair or replacement of any portion of the Common Areas or Common Improvements (including the Amenity Area, if any) damaged through the fault or negligence of such Owner/Occupant or such Owner's/Occupant's family, guests, invitees or tenants. Each Owner shall, at the Owner's cost, even if no home has been constructed by such Owner, maintain the yard, including the cutting of grass and snow removal from driveways and, if any, sidewalks, in an orderly and neat manner and shall maintain all structures on the Lot in good repair and condition.

5.2 Association Responsibility. The Association shall maintain in good condition and repair, including snow removal, replace and operate all of the Common Areas and Common Improvements, including easements, landscaping, trees and plantings in the Common Areas and trimming of such landscaping. The Association may, in its discretion, install additional Common Improvements in the Common Areas. Each Owner shall be responsible for its share of the cost for such activities. The Association shall release and indemnify the Municipality for any maintenance responsibilities with respect to same.

5.3 Municipal Responsibility. The Municipality shall have no responsibility for maintenance or alteration under this Article 5. In the event the Association does not properly landscape or maintain any Common Area, or properly maintain any signage, the Municipality may send written notice to the Association indicating that the Municipality has determined that the Common Areas and/or signage are not being properly landscaped and/or maintained, and further indicating that the Municipality will perform such landscaping and/or maintenance if not properly done by the Association. The above-referenced notice shall give the Association a minimum of seven (7) days to correct the problem. If the Common Area and/or sign is not properly landscaped and/or maintained within the time granted by the above-referenced notice, the Municipality shall have the authority to landscape and/or maintain any such Common Area and/or sign referred to in said notice and shall have the right to charge the Owners on a pro rata basis for any costs incurred by the Municipality as a result of said landscaping and/or maintenance. Said costs shall be assessed as special charges pursuant to Section 66.0627, Wis. Stats. If such charges are not paid by any Owner within the period fixed by the Municipality, charges shall become a lien upon the Owner's Lot as provided in Section 66.0627, Wis. Stats., and shall be extended upon the tax rolls as a delinquent tax against the Owner's Lot as provided in Section 66.0627, Wis. Stats.

5.4 Alterations and Maintenance. Landscaping, berms, grading, drainage pathways, Common Improvements or other improvements in the Amenity Area or Common Areas may not be removed or substantially altered without written approval by the Association, Municipal engineer, and the Municipal plan commission, as may be required. Maintenance and minor alterations of these improvements are allowed, such as the removal/repair of damage structures, pruning of trees, replacement of ground cover, and repair or replacement of the fencing and other structures. Owners are encouraged to remove trash and debris and should report any unauthorized use within the Common Areas or Common Improvements to the Association. Declarant and or the Municipality are able to provide a copy of the plans for the Common Area upon request by the Association.

ARTICLE 6. RESTRICTIONS ON USE AND OCCUPANCY

6.1 Permitted Uses.

6.1.1 Single-Family Residential. Each Lot shall be occupied and used only for single family residential purposes, except as provided in Section 6.1.2. The term "***residential purposes***" includes only those activities necessary for or normally associated with the use and enjoyment of a home site as a place of residence and limited recreation. No garage or other mobile or accessory structure shall be used for temporary or permanent living or sleeping for family or guests without prior approval of the ACC.

6.1.2 Home Business. A home may be used for a home-business if it obtains the prior written approval of the ACC. A home-business shall only be approved if the home-business has no (zero) employees other than immediate family members, and the home-business has no outside client, vendor or customer sales occurring at the home. No trade or business shall be carried on anywhere in the Subdivision, except for (1) the incidental use of a Lot for personal business conducted by mail and telecommunications which does not burden the use of the Subdivision by frequent visits by business service providers or customers, subject to any Rules relating to such burdens, or (2) the sale of Lots, subject to the other provisions hereof and any Rules related thereto, or (3) the establishment of offices by Declarant or its agents for sales of Lots or by the Association for conducting its affairs. These uses may require specific approval by the Municipality and must be in compliance with all Municipal ordinances and regulations or receive a temporary use permit as authorized by the Municipality. Approval of a use by the ACC does not constitute approval by the Municipality or certification that the use complies with Municipal ordinances and regulations.

6.1.3 Amenity Area. The Amenity Area shall be used for the purpose of miscellaneous recreational amenities (which may include, without limitation, a swimming pool, playground, sport court, ice skating rink, community gardens, and parking for same) as decided by the Association, in its sole discretion.

6.2 Pets. Subject to Municipal Ordinances, and applicable federal or state statutes, rules, regulations, or orders to the extent they supersede the restrictions of this Declaration, no animals, livestock or poultry shall be raised, bred or kept on any Lot, except that Pets shall be permitted providing they are not raised, bred and/or kept for commercial purposes and service animals and emotional support animals shall be permitted to the extent permitted by applicable municipal ordinances and applicable federal or state statutes, rules, regulations, or orders to the

extent they supersede the restrictions of this Declaration. An Owner or Occupant may keep no more than three (3) Pets per Lot on the conditions that:

(a) the Pet is not permitted on any of the Common Areas while unattended or unleashed; and

(b) the Pet is licensed by the Municipality or appropriate licensing authority, if required under applicable ordinances; and

(c) no reptiles or un-caged birds shall be permitted; and

(d) the Pet must immediately and permanently be removed from the Property if, in the sole judgment of the Board or Municipality, the Pet is or becomes offensive, a nuisance or harmful in any way to the Property or any Owner or Occupant, or otherwise violates the terms of this Section or any Rules adopted relating to Pets; and

(e) the Pet is subject to such Rules as the Association may adopt from time to time on the subject; and

(f) possession of Pets is a privilege which may be revoked and shall not be considered a property right.

(g) At the drafting of this document, the Village of Sussex has an ordinance that limits the number of dogs at any residence to no more than 2 dogs per household. Homeowners must comply with this ordinance, or any other ordinance invoked at any time by the Village.

6.3 Vehicles. No outdoor parking of vehicles shall be permitted on the Lots for more than twenty-four (24) consecutive hours, without the express prior consent of the Board. No person shall occupy, park, or otherwise use a vehicle so as to block access to a Lot. Storage or parking of trailers, campers, camping trucks, boats or other marine craft, horse or boat trailers, motorcycles, mopeds, motorized bicycles, vehicles licensed as recreational vehicles or commercial vehicles, snowmobiles, all-terrain vehicles, inoperative or unlicensed vehicles or the like shall not be permitted on a Lot, except (i) in a garage, (ii) in the case of recreational vehicles, commercial vehicles, campers, trailers, and boats, outside of a garage for no longer than one twenty-four (24) hours in a one week period; or (iii) outside parking on a case-by-case basis as approved by the ACC.

6.4 Waste. Accumulations of waste, litter, excess or unused building materials or trash other than in appropriate receptacles is prohibited. Garbage containers stored outside during initial construction or remodeling shall be situated only in locations designated by the Association. Lots shall be kept free of debris during construction of improvements thereon by maintenance of a dumpster on-site. The refuse and garbage receptacles for each occupied home shall be stored in the home or garage, except for a period of twelve (12) hours prior to and following the scheduled garbage pickup. All incinerators and other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

6.5 Temporary Structures. No structure, trailer, shack, or barn, temporary or otherwise, shall be placed or maintained on any portion of a Lot or Common Area without written approval of the ACC, except for construction trailers maintained by Declarant and its successors and assigns, or the Association.

6.6 Quiet Enjoyment. Each Owner shall have the right to use its property in accordance with this Declaration and applicable law, free from unreasonable interference from any other Owner, Occupant, and other invitee. No person shall cause or permit the Common Areas to be used so as to deny any Owner or Occupant the full use of the Common Areas except as permitted by the Association under Article 3 or in accordance with rules established by the Association with respect to the Amenity Area.

6.7 Noxious Activity. No use or practice shall be allowed in the Subdivision or the Common Areas which is immoral, improper, or offensive in the opinion of the Board or which is in violation of the Documents. By way of example and not limitation, offensive activity shall include excessive amplification of musical instruments and/or audio- or audio-visual equipment.

6.8 Patios and Balconies. Patios, decks and balconies of Buildings on Lots shall be kept in good condition and maintained in a quality similar to that of any Building on the Lot.

6.9 Signs. No Owner or Occupant may erect, post or display posters, Signs or advertising material on the Common Areas or at locations within a Building which are visible from the public streets or Common Areas without the prior written consent of the Board, except (a) Declarant may do so without such approval, and (b) an Owner may erect or post a temporary sign of customary and reasonable dimension relating to the sale of a Lot. The Board may at its discretion, in particular circumstances or in general, delegate its right to consent under this Section to the ACC described in Article 2. Where Board consent is sought and obtained, the permitted Signs will be erected and maintained in accordance with all ordinances, rules, regulations, and conditions applicable thereto. "***Signs***" as used herein shall be construed and interpreted in the broadest possible sense, and shall include any placard, posters or other such devices as may be affixed to the interior of any exterior windows so as to be visible from the exterior of the Building. All Signs placed within easements, or the public right-of-ways shall also require Municipal approval and/or permits.

6.10 Compliance with Laws; Environmental Matters. Each Owner and Occupant shall comply with all applicable governmental or Association statutes, ordinances, regulations, or rules, including but not limited to, Municipal ordinances. Such applicable laws include, but are not limited to, those relating to the storage, transport and release to, from, on or in such Lot of any substance or compound governed by any one or more State of Wisconsin Statutes; Comprehensive Environmental Response, Compensation and Liability Act ("***CERCLA***"); Toxic Substances Control Act ("***TOCSA***"); Resource Conservation and Recovery Act ("***RCRA***"); Municipal ordinances; and similar laws relating to the storage, transport or release of substances, compounds or recyclable materials, all as in effect from time to time.

6.11 Obstructions. Unless installed by the Declarant or the Association, no playground equipment, bicycle racks or other equipment or material may be placed on the Common Areas.

6.12 No Further Divisions. No Lot may be further subdivided without the approval of the Municipality, the Association and/or the ACC.

ARTICLE 7. SPECIAL FEATURES

7.1 Storm Water Facilities. The Storm Water Facilities shall be owned by the Association until dedication to the Village of Sussex ("**The Village**") pursuant to the Storm Water Management Agreement. Following dedication to The Village, The Village shall own the facilities and shall have the ability to impose assessments for the inspection, maintenance, and repair of the Storm Water Facilities. The Common Areas include storm sewer and surface water drainage systems. The Storm Water Facilities are located in commonly owned outlots as shown on the Final Plat and are Common Areas maintained by the Association in accordance with the Storm Water Agreement and shall be used solely for drainage and storm water purposes and not for recreational purposes. The Association has no duty to ensure the safety of persons using the drainage areas, or to warn of dangers concerning them. Neither the Declarant nor the Association is responsible for the safety of any drainage area for use by humans or Pets, and neither represents nor warrants that any drainage area is safe for any such use.

7.2 Easements. As provided on the Plat, there are easements located on various Lots for storm water utilities, overland storm water flow, underground utilities, and other items. These easements allow access by the Municipality, Association, ACC or other entity to maintain, repair and access the Lots as may be required from time to time.

7.3 Parade of Homes. Declarant discloses that Declarant may arrange for the Subdivision to be included in the Metropolitan Builders Association (the "***MBA***") Parade of Homes or similarly titled event in which members of the public are invited to inspect a number of Lots improved with homes constructed by one or more contractors. Such events may result in temporary periods of significant construction activity, traffic slowdowns and large crowds, and shall continue for a period of several weeks. A Lot Owner is deemed to acknowledge the possibility of said event and is deemed to have waived any objection to the issuance of any Municipal permits required for such event. Declarant is not, however, required to include the Subdivision in any such event, and may base its decision on the Declarant's individual needs, if any. While the Parade of Homes is in progress, all construction activities must stop by 2:00 p.m. on weekdays and 10:00 a.m. on weekends and Labor Day. All debris must be properly disposed of and the streets in front of the Lots must be swept clean of mud and stones. Homes which are not included for inspection as a part of the Parade of Homes must be vacated by the Owners during the hours that the Parade of Homes is open to the public. Unbuilt Lots may be used for Parade of Homes parking as determined by Declarant. No home or Lot shall display any Signs indicating the builders, subcontractors, or any property for sale during the duration of the Parade of Homes, except those Signs allowed in accordance with the MBA's rules and regulations. If a Lot Owner fails to participate in the Parade of Homes after agreeing to do so, the Lot Owner shall reimburse the Declarant for any discounts, including but not limited to, Lot price reductions, mailboxes, lanterns, and other fees paid by the Declarant for the Parade of Homes Lot Owner or builder, that the Lot Owner received by being a participant to the Parade of Homes.

7.4 Amenity Area. The Declarant or, after the period of Declarant control has ended, the Association, may, in its sole discretion, construct various recreational amenities (which may include, without limitation, a swimming pool, playground, sport court, ice skating rink, fire pit

area, community gardens, and parking for same) in certain Common Areas determined by Declarant or the Association, as applicable. Each Owner shall have the right to use the Amenity Area as with any other Common Area, subject to the Rules. Nothing herein is a representation or warranty that any particular amenity will ever be installed or constructed, or as to the quality of any amenity which is installed or constructed. In addition to the Amenity Area, the Declarant or Association (under the conditions above) may install amenities and Common Improvements in any other Common Area.

7.4.1 Rules and Regulations. The Association shall, through its Board of Directors, establish all rules and regulations regarding the use of the Amenity Area, including without limitation rules related to hours of use and permitted and prohibited activities and conduct.

7.4.2 Maintenance, Repair, and Replacement. Subject to other applicable provisions of this Declaration, the Association shall maintain, repair, and replace the Amenity Area to the extent determined necessary or advisable by the Association and as required by law.

7.4.3 Insurance. The Association shall insure the Amenity Area against direct loss or damage occasioned by fire, extended coverage perils and other hazards in amounts and with insurers reasonably chosen by the Association. Such insurance shall be issued in an amount without co-insurance at least equal to the full value any Building(s) and other improvements erected thereon. The Association shall also maintain general public liability insurance and such other insurance with coverages, in amounts and with insurers that the Association reasonably requires from time to time.

7.4.4 Annual Budget. The Association shall include in its annual budget an estimate of the total amount necessary to pay the costs for the following calendar year of operating, maintaining, repairing, and replacing the Amenity Area. Expenses shall include without limitation all costs of employees, payroll taxes, materials, parking costs, insurance, services, management fees, supplies, maintenance, repair, landscaping, fuel, and power, together with a reasonable amount considered by the Board to be necessary for a reserve for contingencies and replacements.

ARTICLE 8. INSURANCE

8.1 Association Insurance. The Association shall obtain and maintain comprehensive general public liability insurance for occurrences on the Common Areas and with respect to Common Improvements not in the Common Areas, all-risk casualty insurance coverage on all Common Improvements, and such other policies and/or coverage as the Board deems necessary or advisable, such as fidelity insurance for Association officers handling fund of the Association.

8.2 Coverage of Association Insurance. The casualty insurance coverage shall be in an amount equal to the maximum insurable replacement value, with an "agreed amount" and a "replacement cost" endorsement, without deduction or allowance for depreciation. This coverage amount shall be annually reviewed and shall insure against loss or damage by fire and other hazards as commonly covered by a standard extended coverage endorsement and such other hazards as customarily covered with respect to buildings similar in construction, location and use. Commercial general liability coverage shall be in such amounts as the Board determines annually, but not less than $1,000,000 per occurrence.

8.3 Proceeds. Association Insurance proceeds for casualty loss shall be for the benefit of the Association in order to finance construction of damaged Common Areas or Common Improvements. Liability coverage and other insurance proceeds shall be applied as the Association directs.

8.4 Cost. All premiums for Association Insurance and other insurance obtained by the Association shall be a general assessment.

8.5 Waiver. The Association and, by acceptance of a conveyance to a Lot or the use thereof, or any portion thereof or interest therein, each Owner or Occupant acting both for themselves and for their respective insurers, waive any claim it or they may have against the other for any loss insured under any policy obtained by either to the extent of insurance proceeds actually received, however the loss is caused, including such losses as may be due to the negligence of the other party, its agents or employees. All policies of insurance shall contain a provision that they are not invalidated by the foregoing waiver, but such waiver shall cease to be effective if the existence thereof precludes the Association from obtaining any policy of insurance at a reasonable and customary rate.

8.6 Acts Affecting Insurance. No Owner or Occupant shall commit or permit any violation of covenants or agreements contained in any of the Association Insurance, or do or permit anything to be done, or keep or permit anything to be kept, or permit any condition to exist, which might (a) result in termination of any such policies, (b) adversely affect the right of recovery thereunder, (c) result in reputable insurance companies refusing to provide such insurance, or (d) result in an increase in the insurance rate or premium over the premium which would have been charged in the absence of such violation or condition, unless, in the case of such increase, the Owner or Occupant responsible for such increase shall pay the same. If the rate of premium payable with respect to the Association Insurance shall be increased by reason of (1) the size, design or composition of a Building, or (2) anything done or kept in a property subject to this Declaration, or (3) the failure of an Owner or Occupant to comply with Association Insurance requirements, or (4) the failure of any such Owner or Occupant to comply with this Declaration or the Bylaws, then the particular Owner or Occupant shall reimburse the Association for the resulting additional premiums. The Association reimbursement right is without prejudice to any other Association remedy, and may be enforced by special assessment against the particular property involved.

8.7 Exclusions from Coverage. Association Insurance coverage shall exclude (a) coverage on any home or personal property located within or pertaining to the exclusive use of an Owner except to the extent included as a standard coverage in the policy of Association Insurance; and (b) liability coverage on an Owner or Occupant, its guests, invitee, employees, or tenants, arising out of any occurrences within a Lot and/or relating in any way to an Owner's or Occupant's personal property. It is the sole responsibility of each Owner or Occupant to obtain such insurance coverage as are excluded from Association Insurance.

ARTICLE 9. AMENDMENT OF DECLARATION

9.1 General. Except as otherwise provided herein, this Declaration may be amended only by the written consent of at least sixty-seven percent (67%) of the total votes of the Association then entitled to vote. Regardless of the manner of adoption, no amendment shall

adversely affect a special right or easement reserved to Declarant under this Declaration, the Village of Sussex, or the rights of Mortgagees under Article 10, without the express written consent of Declarant, Village or Mortgagee, as applicable. Notwithstanding the foregoing, Declarant reserves the right to unilaterally amend the Declaration until one (1) year after one hundred percent (100%) of the then existing Lots (inclusive of any Lots added to the Expansion Area by Declarant in its discretion or vacant land in the Expansion Area that is not developed) have been sold to an Owner intending to reside thereon and occupancy permits have been granted for each Lot. During such period, Declarant may also enter into other agreements on behalf of the Association or Owners for purposes of easements and/or other items necessary for the orderly operation and maintenance of the Subdivision and/or Association.

9.2 Procedures. Except with respect to an amendment by Declarant, amendments to this Declaration shall be prepared and executed by the president of the Association, and municipality as may be required, and shall become effective when recorded in the office of the Register of Deeds. No action to challenge the validity of an amendment shall be commenced more than one (1) year after the amendment is recorded, except for failure to obtain the approval of the Municipality as required by this Section.

ARTICLE 10. RIGHTS OF MORTGAGE HOLDERS

10.1 Notice. Any Mortgage holder, insurer or guarantor of a Mortgage encumbering a Lot that submits a written request to the Association, identifying the name and address of such holder, insurer or guarantor and the Lot involved, will be entitled to timely written notice of:

(a) Any thirty (30) day delinquency in the payment of assessments owed by the Owner of the Lot on which it holds a Mortgage or any breach of the provisions of any of the Documents which is not cured by such Owner within thirty (30) days of such Owner's receipt of notice of such breach;

(b) A lapse, cancellation, or material modification of any Association Insurance; and

(c) Any proposed action that requires the consent of a Mortgage holder.

10.2 Mortgagee Acquisition of Lot. A Mortgagee acquiring title to a Lot pursuant to remedies provided in its Mortgage, or by a deed in lieu of foreclosure following an Owner's default under the Mortgage, shall not be liable for such Lot's unpaid assessments under this Declaration accruing prior to the Mortgagee's acquisition of title to such Lot (except to the extent unpaid assessments are included in subsequent budgets generally), but shall ensure that any such prior delinquent assessments are paid upon transfer of the Lot to a third party.

ARTICLE 11. RIGHTS OF DECLARANT

11.1 Reserved Rights. Prior to the sale of all Lots by Declarant and occupancy permits granted for all Lots, Declarant:

(a) Subject to approval by the Municipality, may use the Common Areas or Amenity Area, and any unsold Lots in any manner as may facilitate the sale of

Lots including, but not limited to, maintaining a sales and/or rental offices, model homes and signs and/or showing the Lots. Declarant may from time to time also delegate such rights (on a non-exclusive basis and subject to such conditions as Declarant may impose) to persons desiring to construct Buildings on particular Lots as model homes. In delegating such rights to other persons, Declarant's delegates shall not have the right, without Declarant's express written consent, to locate a general sales office operation in any such model home, although use of a model home to facilitate sales of Lots or sales of Buildings on Lots may be permitted for a period not to exceed forty-eight (48) months from the date of issuance of the certificate of occupancy therefor; provided, however, that once a model home is used as a home for an Occupant, it may not thereafter be used as a "model home". Notwithstanding the foregoing, any such use must be in compliance with all Municipal ordinances and regulations and may require a use permit granted by the Municipality.

(b) shall have the right to (1) grant easements upon, over, through and across the Lots (limited to the ten (10) feet area adjacent to each Lot line), which rights shall expire one (1) year after conveyance of a Lot by Declarant, and the Common Areas as may be required in Declarant's opinion for furnishing any kind of utility services, and maintenance and replacement thereof, or for drainage, grading, or public purposes including, but not limited to, cable television or master antenna service, if any, which easements may be granted to itself or its nominee and as may be necessary for excavation and construction of any Buildings and (2) grant easements upon, over, through or across the Common Areas for ingress and egress and maintenance and replacement thereof, to and from, and within, the Property and other real property adjacent to it.

(c) shall have the right to veto any proposed amendment to this Declaration for any reason or no reason, in which case it shall not be deemed approved or effective.

For purposes of this Section, a "bulk" or multi-Lot conveyance to a party who is not intending to occupy the property conveyed shall not be considered a "sale" for purposes of this Section 11.1.

11.2 Addition to or Subtraction from the Subdivision. Declarant reserves the right, at any time during the term of this Declaration and in its sole discretion, from time to time to subject portions of the Expansion Area to this Declaration in accordance with this Section. Each time Declarant subjects a portion of the Expansion Area to this Declaration it is known as an "***Expansion***".

11.2.1 Procedure for Expansion. Declarant shall add portions of the Expansion Area by recording with the Register of Deeds one or more amendments to this Declaration setting forth the legal description of the Expansion Area so affected, subject to the amendment procedures of Section 9.1. An amendment creating an Expansion need be executed only by the Declarant and does not require consent from or notice to any other person.

11.2.2 Contents of Expansion Amendment. An Expansion amendment will (a) state the legal description of the land being subjected to this Declaration; (b) in the case of Lots, declare to which Community the Lots are designated; (c) in the case of Lots in The Villas, set forth the architectural controls which will apply to such Lots with respect to the subject matter of

Sections 2.3, 2.4, 2.5.1, and 2.6.2; (d) set forth such other limitations on such future Lots as Declarant may desire not inconsistent with this Declaration; and (e) set forth such other information as is reasonable to facilitate the Expansion and the integration of the Expansion Area into the Association. All other provisions of the Declaration shall apply to the Lots or Outlots included in any Expansion.

11.2.3 Procedure for Subtraction of Land. For so long as the Declarant is in control of the Association, the Declarant may also, in its sole discretion, by recorded document, remove the Expansion Land or any Lots not yet sold, from the effect of this Declaration and thereby reduce the extent of the Subdivision, without the consent of the Lot Owners within the Subdivision, subject to the amendment procedures of Section 9.1.

11.2.4 Modification of Budget and Assessments. Upon each such Expansion or subtraction, the Association will amend the annual Budget and annual assessments as appropriate to account for the effects of any Expansion or subtraction. Any assessments prior to the addition or subtraction of the area affected by the Expansion or subtraction will be pro-rated and adjusted by the Association accordingly. Each Owner in the Expansion Area shall have the same rights and obligations as if such Owner was an Owner under the initial Declaration. All Owners acknowledge that the proportionate share of expenses and the corresponding assessments will be revised to reflect the presence of additional Lots. Each Owner also acknowledges that assessments could increase or decrease based on the facts and circumstances in effect at the time of such addition or subtraction.

11.2.5 Other Lands. Declarant also reserves the right, at any time, and from time to time, during the term of this Declaration and in its sole discretion, to subject additional real estate outside the Subdivision to this Declaration by recording a document imposing on such real estate the provisions of this Declaration (as amended from time to time), subject to the amendment procedures of Section 9.1. The additional real estate shall be located in the Municipality and shall be adjacent to the Subdivision (ignoring streets, railroads and navigable waters which may separate the additional real estate from the Subdivision). The additional real estate will be subject to the provisions of this Article 11 as though it were a part of the original Expansion Area.

11.2.6 Effective Date of Expansion. The Subdivision shall be deemed expanded when an amendment to this Declaration, executed by Declarant, is recorded with the Register's Office.

11.2.7 Effect of Expansion or Reduction on Outlots. To the extent that Owners have a tenancy in common interest in Outlots prior to an Expansion, the interests of such Owners will be deemed adjusted, upon the recording of an Expansion or reduction amendment and without more, to equally allocate ownership among all Owners, both pre-existing and new. The interest of any Mortgagee in Outlots by virtue of this tenancy in common interest, shall attach, by operation of law, to the new percentage interests in the Outlots appurtenant to the Lot on which it has its lien. Tenancy in common ownership rights in Outlots are extinguished for Lots removed from the Declaration pursuant to Section 11.2.3.

11.2.8 Reserved Easements. Declarant reserves easements over the Common Areas for the benefit of all portions of the Subdivision not yet included in this Declaration, for the purposes of vehicular and pedestrian access; installation, repair, maintenance and replacement of

utilities to serve the Expansion Areas; marshaling of construction materials and personnel for improvements made to the Expansion Area; and the use of Common Improvements and Common Areas for recreational purposes consistent with those uses granted to Owners.

ARTICLE 12. REMEDIES

12.1 General Remedies. If any Owner or Occupant fails to comply with this Declaration, the Bylaws, or the Rules, such Owner or Occupant shall be liable for damages, subject to injunctive relief (including an order requiring the removal at the Owner's expense of Buildings constructed without ACC approval), subject to any other remedy provided by the Bylaws or at law, or all of the above, as a result of such noncompliance. The Association or, in a proper case, an aggrieved Owner, may bring an action because of such noncompliance.

12.2 Owner or Occupant Violation; Association Right to Cure. In addition to any other remedies provided herein, if any Owner or Occupant fails to comply with this Declaration, the Bylaws, or the Rules, which failure continues for a period of fifteen (15) days following written notice from the Association, the Association shall have the right, but not the obligation, to perform or cause to be performed such maintenance, replacement, restoration or commence litigation, arbitration or other proceeding or other action as the Association deems necessary or appropriate, in its sole discretion. Expenses incurred therefor by the Association shall be assessed against the Owner or Occupant and shall be subject to all rights and remedies reserved under this Declaration with respect to collection, expense, late payment penalties or interest, filing of a lien and/or foreclosure as reserved at Article 4 of this Declaration. Once the Association has taken such an action, it shall not be obligated to take any other or further action with respect to the same, similar or subsequent failure by the same or a different Owner or Occupant.

ARTICLE 13. EASEMENTS

13.1 Right of Entry. A right of entry to each Lot or Common Area is reserved to the Association to service utility installations located on, in or under such Lot or Common Area provided request for entry is made in advance and such entry is limited in scope so as to extend only as is reasonably necessary to service such utility installations. In case of emergency, entry by the Association onto any such Lot or Common Area may be made immediately, whether the Owner or Occupant of such Lot or Common Area is or is not present and without liability of the Association or its agents if such entry is necessary for the safety or welfare of persons or property. Any damage or loss caused as a result of such emergency entry shall be the sole expense of the Owner or Occupant if, in the reasonable judgment of those authorizing the entry, such entry was for emergency purposes.

13.2 Common Area Easements. The Association may grant easements over and through the Common Areas for such purposes as the Board deems reasonable for the benefit of the Owners.

ARTICLE 14. TERMINATION

14.1 Termination. This Declaration shall be in effect for a period of twenty-five (25) years and automatically renewed for successive periods of ten (10) years each, unless terminated at the end of the original or any extended term by: (i) Declarant (if during the period of Declarant control of the Association), or (ii) the written consent of the owners of not less than ninety percent

(90%) of the aggregate then existing Lots provided that no vote shall effect an amendment to or termination of any provision hereof conferring on or reserving a special right or easement to Declarant without the express written consent of Declarant, as appropriate. Voluntary termination of this Declaration must be express and shall be effective upon recording a written instrument to such effect in the office of the Register of Deeds. If the Owners decide to terminate the Association, a maintenance and operation plan for the Common Areas and Storm Water Facilities, if any, shall be presented and approved by the Municipality prior to such termination. Nothing provided in this Section, by itself, terminates or shall be interpreted to authorize termination of any drainage easements, pond maintenance requirements, or other restriction herein that affects an interest in real estate while the record title to the real estate or an interest in the real estate remains in the State of Wisconsin or a political subdivision or municipal corporation of the State of Wisconsin, including the Municipality, and the duration of any such restriction shall be unlimited and perpetual, unless terminated by the benefitted political subdivision by record document.

ARTICLE 15. CONSTRUCTION AND EFFECT

15.1 Number and Gender. Whenever used herein, unless the context shall otherwise provide, the singular shall include the plural, the plural shall include the singular, and the use of any gender shall include all genders.

15.2 Including. Whenever used herein, the term "including" preceding a list of one or more items shall indicate that the list contains examples of a general principle and is not intended as an exhaustive listing.

15.3 Captions. The captions and article and section headings in this Declaration are intended for convenience and reference only and in no way define or limit the scope or intent of the various provisions hereof.

15.4 Severability. If any portion of this Declaration or its application to any person or circumstance is held to be invalid or unenforceable, the remainder of this Declaration, or the application of such provision, or any part thereof, to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby. The remainder of this Declaration shall be valid, and enforced, to the fullest extent permitted by law.

15.5 Remedies. All remedies herein are cumulative.

15.6 Waivers. Whenever a waiver, consent or approval is required or permitted herein, it must be express and in writing; no waiver, consent or approval shall be implied. A waiver, consent or approval to any one matter shall not be deemed a waiver, consent or approval to any subsequent matter whether similar or not.

15.7 Assignment of Declarant's Rights. Declarant may from time to time assign any or all of the rights and benefits conferred on or reserved herein for Declarant in its status as such (as opposed to those rights or benefits conferred on or reserved for all Owners or groups thereof), by an instrument in writing specifically identifying the rights and benefits so assigned which is recorded in the Register's Office.

15.8 Other Regulation. Nothing herein shall preclude or restrict Declarant recording other covenants, conditions or restrictions which further regulate portions of the Subdivision which Declarant owns at the time of recordation.

15.9 Conflict. In the event any covenant or provision of this Declaration is in conflict with any ordinance, code or law of the Municipality or other governmental authority having jurisdiction, the governing authority shall control and supersede that provision of the Declaration. All remaining covenants and provisions of this Declaration shall remain in full force and effect
