

Preliminary Offer Questionnaire Form

The goal of the Transform This Commercial Property Program is to successfully redevelop distressed commercial and mixed use sites. Upon completion, the property returns not only to the tax roll, but also to productive use and becomes an asset to its neighborhood, community and/or commercial district. The program is designed for those who want to purchase and restore the property for a business, commercial rental space or resale.

The goal of Develop This Lot Program is to successfully develop vacant property into viable residential, mixed-use, commercial or industrial sites. The program is designed to have the buyer go through pre-development steps to determine feasibility of their project prior to closing.
