

BUILD SOMETHING BETTER.

your best choice is a better home

Your home, it should be one of the best investments you'll ever make. After almost 40 years of building great places to live and work, we have learned what makes projects successful and have continuously implemented those successful practices, which include:

Concierge Approach

We know how important it is to have an experienced building partner to guide you through the building and buying process. During our almost 40 years of home building experience, AVB has created a design and construction process that is tailored to be an enjoyable homeowner experience while maximizing the value of your investment. Our talented staff will guide you through every step of our Proven Process, including design, selections, construction, and warranty service. We always make the extra effort to ensure your questions and concerns are addressed with personal attention.

Premiere Developments

We have always understood the need to minimize the impact our communities have on the natural setting and to maximize the value of the environment in our developments. All of our professionally designed communities balance neighborhood living with the surrounding natural landscape. Selecting a home within one of our communities will allow homeowners to experience the benefits of a master planned community including amenities such as a community clubhouse, a pool, walking trails, parks, and preserved greenspace throughout the community, thoughtfully designed community appearance, and a welcoming neighborhood atmosphere.

Dedicated Service

AVB will ensure your new home will have the enduring qualities to provide a lifetime of enjoyment. Once you have settled into your new home and have a chance to "test drive" everything, we will be there to do the fine-tuning. We accomplish 60-day and 11-month walk-throughs to make sure you are completely satisfied. Further, we encourage you to call us anytime you have a question on your new home. Our dedicated customer service team will be there to answer your call, schedule your service quickly, correct conveniently, and follow-up humbly.
