(b) "Improvement" shall mean the addition of a new structure, element or facility, other than a structure, element or facility otherwise provided for by this Declaration or any amendment thereto.

8.2 Maintenance by Association.

(c) The Association shall repair incidental damage caused to a Unit through maintenance by the Association and shall assess the cost thereof as a Common Expense.

(d) If a Unit Owner defaults on his or her responsibilities of maintenance, the Association shall assume such responsibilities and shall assess the cost thereof against the Unit of such Owner, and such assessment shall be collectible as if it were an assessment for Common Expenses.

(e) The Association may, in its discretion, assume responsibility for any maintenance project which requires reconstruction, repair, rebuilding, conservation, restoration or similar work to more than one Unit, and the cost thereof may be in the discretion of the Association either assessed against each Unit on which such costs were incurred or assessed against all Units as a Common Expense according to the circumstances.

8.3 Maintenance by Owner.

(a) Each Unit Owner at his or her own expense shall maintain the interior, including the boundary surfaces, of such Unit and its equipment, shall keep such interior in a clean and sanitary condition, shall do all redecorating, painting and other finishing which may at any time be necessary to maintain his or her Unit, and shall be responsible for the maintenance of all personalty, including carpets, furnishings and appliances within such Unit.

(b) The Owner of each Unit shall be responsible for maintaining the plumbing fixtures within the Unit, water heater, and heating and air conditioning unit serving such Unit and all other utilities or portions thereof located within the boundaries of his or her Unit. The Owner shall also, at his or her own expense, keep his or her Unit in a clean and sanitary condition.

(c) The Unit Owner shall maintain, at his or her expense, any improvement or other alteration made by him or her.

(d) The Owner of each Unit shall promptly report to the Association any defects or other maintenance needs which are the responsibility of the Association.

8.4 Alterations or Improvements by Owner. No Unit Owner shall make or permit to be made any structural alteration to a Unit or to a Building without first obtaining written consent of the Board of Directors of the Association (which consent may be given by a general rule or regulation) which shall determine the proper insurance of such improvement or other alteration, and the effect of such improvement or alteration on insurance of other property of the Regime. The Board of Directors of the Association shall arrange with such Unit Owner for the payment of the cost of any additional insurance thereby required. Alterations to the exterior of any Building or Common Element shall not be made if, in the opinion of the Board of Directors of the Association, such alteration would be detrimental to the integrity or appearance of the Regime as a whole. Such Owner shall do no act or work which will impair the structural soundness or integrity of the Building or safety of the property or impair any easement. The improvement or alteration of a Unit shall cause no increase or decrease in the number of ownership interests appurtenant to such Unit.

8.5 Alterations or Improvements by the Association. Whenever in the judgment of the Board of Directors the Common Elements shall require additions, alterations or improvements, the Board of Directors shall proceed with such additions, alterations or improvements and shall assess all Unit Owners for the cost thereof as a common charge.

ARTICLE IX CONDITIONS OF AND RESTRICTIONS ON OWNERSHIP, USE AND ENJOYMENT

9.1 Property Subject to Certain Provisions. The ownership, use, occupation and enjoyment of each Unit and of the Common Elements of the Regime shall be subject to the provisions of the Bylaws and the Articles of Incorporation of the Association, this Declaration and the Condominium Documents, all of which provisions, irrespective of where set forth or classified, shall have equal status and shall be enforceable and binding as a covenant, condition, restriction or requirement running with the land and shall be binding on and enforceable against each and all Units and the Owners thereof and their respective assigns, lessees, tenants, occupants and successors in interest.

9.2 Use of Property. The use of the property shall be in accordance with and subject to the following provisions:

(a) A Unit shall be used or occupied for living or dwelling purposes only, except that the Declarant may use any Condominium or Condominiums in the Regime for a model home site or sites and display and sales office during construction and until the last Condominium is sold by Declarant.

(b) A Condominium may be rented or leased by the Owner or his or other lessees, provided the entire Unit is rented and the lease is in writing. No lease shall relieve the owner against the Association and other Owners from any responsibility or liability imposed by the Condominium Documents. All Owners who lease their Condominiums shall promptly notify the Secretary of the Association in writing of the names of all tenants and members of tenants' family occupying such Condominium and shall provide the Secretary of the Association of the address and telephone number where such Owner can be reached.

(c) Nothing shall be altered in, constructed in or removed from the Common Elements, Limited or General, except upon written consent of the Board of Directors of the Association, which may be given through regulations of the Association, and further provided that any holder of a first mortgage which acquires possession of a Unit by foreclosure or by deed in lieu of foreclosure shall have the right to post signs for the sale or rental of such Unit until such Unit is sold or a lease is entered into.

(d) No activity shall be allowed which unduly interferes with the peaceful possession and use of the property by the Unit Owners nor shall any fire hazard or unsightly accumulation of refuse be allowed.

(e) No Unit Owner, guest or invitee thereof shall block vehicular access to each Unit's garage by parking vehicles or placing objects within that portion of a driveway which abuts the Unit's garage door and which provides direct access to the garage. No Unit Owner shall be allowed to install additional parking slabs on any part of the property. Each Unit Owner's guests or invitees will park their own vehicles only within the Unit garage or the driveway leading and adjacent to said garage, doing the same in such a manner as to not violate the provisions of this subparagraph. No vehicles may be parked on Crimson Lane. Parking of vehicles shall only be allowed in garages and on driveways. There are no unreserved parking spaces in the Project. Unit Owners, their guests and invitees shall be allowed to park vehicles on the driveway directly behind the garage appurtenant to their Unit.

(f) Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance on the Common Elements without the prior written consent of the Association. No Owner shall permit anything to be done or kept in his or her Unit or in the Common Elements which will result in the cancellation of insurance on any Unit or any part of the Common Elements or which would be in violation of any law.

(g) The Association shall have the authority to adopt Rules and Regulations governing the use of the property, and such rules shall be observed and obeyed by the Owners, their guests and invitees. The Association shall have the authority to impose fines against Unit Owners or their tenants for failure to comply with such Rules and Regulations, and such fines, if not timely paid, shall become a lien against the Units, as provided in the Bylaws.

(h) Agents of or contractors hired by the Association may enter any Unit when necessary in connection with any maintenance, landscaping or construction for which the Association is responsible, provided such entry shall be made with reasonable advance notice to the Owners and with as little inconvenience to the Owners as practicable.

(i) A Unit Owner shall give notice to the Association of every lien against his or her Unit other than permitted mortgages, taxes and Association assessments, and of any suit or other proceeding which may affect the title to his or her Unit, within ten (10) days after the lien attaches or the Owner receives notice of such suit.

(j) A Unit Owner shall be liable to the Association for the expense of any maintenance, repair or replacement rendered necessary by his or her act, neglect or carelessness, or by that of his or her family, guests, employees, agents or lessees, which liability shall include any increase in insurance rates resulting therefrom.

(k) No Unit Owner shall be permitted to erect a radio or TV antenna or any other fixture, item, wiring or appurtenance. A Unit Owner may attach a TV satellite dish no larger than 18 inches in diameter to the Unit, but the location on the Unit where the dish is to be attached must be approved in writing by the Board of Directors of the Association prior to installation.

(l) No Unit shall house a pet except upon written approval of the Board of Directors of the Association set forth in Exhibit "E", paragraph 8, of this Declaration. Any person within the Regime keeping a pet shall immediately clean and remove any messes created or caused by said pet. Further, no unleashed pets whatsoever shall be allowed upon the Limited or General Common Elements. No pets shall be housed outside on Common Elements.

9.3 No Waiver. Failure of the Association or any Owner to enforce any covenant, condition, restriction or other provision of Chapter 499B of the Code of Iowa, this Declaration, the Articles of Incorporation or Bylaws of the Association, or the Rules and Regulations adopted pursuant thereto, shall not constitute a waiver of the right to enforce the same hereafter.

ARTICLE X INSURANCE AND CASUALTY

10.1 General Liability and Property Damage. Comprehensive general liability and property damage insurance shall be purchased by the Board as promptly as possible following its election and shall be maintained in force at all times, the premiums thereon to be paid by assessments. Prior to the organizational meeting, such insurance shall be procured by Declarant. The insurance shall be carried with reputable companies authorized to do business in the State of Iowa in such amounts as the Board may determine. The policy or policies shall name as insured all the Owners and the Association. Declarant shall be named an additional insured on such policy or policies until such time as Declarant shall have conveyed all of the Condominium Units in the Condominium Regime. The policy or policies shall insure against loss arising from perils in both the Common Elements and the Units and shall include contractual liability coverage to protect against such liabilities as may arise under the contractual exposures of the Association and/or the Board.

10.2 Fire and Casualty. Fire and other hazard insurance shall be purchased by the Board as promptly as possible following its election and shall thereafter be maintained in force at all times, the premiums thereon to be paid out of Association assessments. Policies shall provide for the issuance of certificates or such endorsement evidencing the insurance as may be required by the respective mortgagees. The policy, and certificates so issued, will bear a mortgage clause naming the mortgagees interested in said property. The policy or policies shall insure against loss from perils therein covered to all of the improvements in the Condominium Regime, except as may be separately insured. Such policy or policies shall contain extended coverage, vandalism and malicious mischief endorsements. The improvements to be insured under this clause shall be continually insured to value, and the policy or policies shall contain replacement cost insurance. If reasonably available, the policy or policies shall contain a stipulated amount clause, or determinable cash adjustment clause, or similar clause to permit a cash settlement covering specified value in the event of destruction and a decision not to rebuild. The policy or policies shall name as insured all of the Owners, the Association and Declarant, so long as Declarant is the Owner of any of the Units in the Condominium Regime. The Declarant shall notify the insurance carrier of any change in ownership of a Unit until such time as the organizational meeting of the Unit Owners is held, at which time it shall be the responsibility of the Association to notify the insurance carrier of a change in the ownership of any Unit. The policy or policies shall also cover personal property owned in common, and shall further contain waiver of subrogation rights by the carrier as to negligent owners.

10.3 Fire and Casualty on Individual Units. Except as expressly provided in this clause and in section 10.4 herein, no Owner shall separately insure his or her Condominium or any part thereof against loss by fire or other casualty covered by the insurance carrier under section 10.2 herein. Should any Owner violate this provision, any diminution in insurance proceeds resulting from the existence of such other insurance, shall be chargeable to the Owner who acquired such other insurance, who shall be liable to the Association to the extent of any such diminution and/or loss of proceeds.

10.4 Personal Liability on Individual Units. An Owner may carry such personal liability insurance, in addition to that herein required, as he or she may desire. In addition, such fixtures and mechanical equipment located within a Unit such as plumbing fixtures, electrical lighting fixtures, kitchen and bathroom cabinets and counter tops, air-conditioning and water heater, together with additions thereto and replacements thereof, as well as the personal property of the Unit Owner, shall be separately insured by such Owner to its full insurable value, such insurance to be limited to the type and nature of coverage often referred to as "Condominium Unit Owners Insurance". All such insurance separately carried shall contain waiver of subrogation rights by the carrier as to negligent Owners.

10.5 Additional Coverage. The Board may purchase and maintain in force, at the expense of the maintenance fund, debris removal insurance, fidelity bonds and other insurance and/or bonds that it deems necessary. The Board shall purchase and maintain workmen's compensation insurance to the extent that the same shall be required by law respecting employees of the Association. The Board may also maintain "all risk" insurance coverage on the Condominium Regime to insure against water damage and like kind of casualties.

10.6 Loss Adjustment. The Board is hereby appointed the attorney-in-fact for all Owners to negotiate loss adjustment on the policy or policies carried by the Association.

10.7 Association as Trustee for Proceeds. In the event of damage or destruction by fire or other casualty affecting a Unit or Units, and/or if any portion of the Common Elements is damaged or destroyed by fire or other casualty, all insurance proceeds paid in satisfaction of claims for said loss or losses shall be segregated according to losses suffered by each Unit or Units and/or the Common Elements, and shall be paid to the Association as trustee for the Owner or Owners and for the encumbrancer or encumbrancers, as their interest may appear. Said insurance proceeds and the proceeds of any special assessment as hereinafter provided, whether or not subject to liens of mortgages or deeds of trust, shall be collected and disbursed by said trustee through a separate trust account on the following terms and conditions:

(a) Partial Destruction of Common Elements. If the damaged improvement is a Common Element, the Board of Directors of the Association may, without further authorization, contract to repair or rebuild the damaged portion of the Common Element substantially in accordance with the original plans and specifications thereof.

(b) Partial Destruction of Units and Common Elements. In the event of damage to, or destruction of, any Unit or Units with accompanying damage to the Common Elements but the total destruction or damage does not represent sixty percent (60%) or more of the Building and the cost of repairing or rebuilding said damaged area does not exceed the amount of available insurance proceeds for said loss by more than \$15,000.00, the Board of Directors of the Association shall immediately contract to repair or rebuild the damaged portion of the Unit or Units and the Common Elements substantially in accordance with the original plans and specifications. If the cost to repair or rebuild exceeds available insurance by \$15,000.00, the Owners of the individual Units, by vote of not less than a majority of those present and entitled to vote, in person or by proxy, at a duly constituted Owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction.

(c) Total Destruction. In the event of sixty percent (60%) or more damage to, or destruction of, the Building by fire or other casualty, the Owners of the individual Units, by vote of not less than a majority of those present and entitled to vote, in person or by proxy, at a duly constituted Owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction, or whether said Project shall be sold, provided, however, that such determination shall be subject to the express written approval of all record owners of mortgages upon any part of the Regime.

In the event of a determination to rebuild or repair, the Board shall have prepared the necessary plans, specifications and maps and shall execute the necessary documents to effect such reconstruction or repair as promptly as practicable and in a lawful and workmanlike manner.

In the event of a determination not to rebuild, the Board shall offer the Project for sale forthwith at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed, the net proceeds of such sale, and the proceeds, if any, of insurance carried by the Association, and/or by the Owners as a whole on the Project, including coverage on the Units and the Common Elements, except for Unit coverages under section 10.4 herein, shall be distributed proportionately to the Unit Owners in the same proportion that the Unit in which they have an interest shares in the Common Elements, except that where there is a mortgage of record or other valid encumbrance on any one Unit, then, and in that event, with

respect to said Unit the Association will distribute said proceeds which would otherwise have been distributable to such Unit Owner as follows: first, to the record owner of mortgages upon Units and Common Elements in the Regime in satisfaction of the balance currently due on said encumbrances and then the remaining proceeds, if any, to the Unit Owner of record.

(d) Deficiency. In the event that the Common Elements are repaired or reconstructed pursuant to the provisions of (a), (b) or (c) of this clause and there is any deficiency between the insurance proceeds paid for the damage to the Common Elements and the contract price for repairing or rebuilding the Common Elements, the Board shall levy a special assessment against each Owner in proportion to his or her percentage of ownership in the Common Elements to make up such deficiency. If any Owner shall fail to pay said special assessment or assessments, within thirty (30) days after the levy thereof, the Board shall make up the deficiency by payment from the maintenance fund, and the remaining Owners shall be entitled to the same remedies as those provided in Article VIII of this Declaration, covering a default of any Owner with respect to the Owner's responsibility for maintenance.

(e) Arbitration. In the event of a dispute among the Owners and/or Mortgagees respecting the provisions of this clause, any such party may cause the same to be referred to arbitration in accordance with the then prevailing rules of the American Arbitration Association.

In the event of arbitration, the party requesting the arbitration will give immediate notice thereof to the Board, which shall notify all other Owners and Mortgagees as promptly as possible after the reference to arbitration is made, giving all such parties an opportunity to appear at such arbitration proceedings. The decision of the arbitrator in this matter shall be final and conclusive upon all of the parties. The arbitrator may include in his or her determination an award for costs and/or attorney fees against any one or more parties to the arbitration.

10.8 Abatement of Common Expenses. The Board is authorized to provide coverage for payment of maintenance charges which are abated hereunder on behalf of an Owner whose Unit is rendered uninhabitable for a peril insured against.

10.9 Review of Insurance Needs. Insurance coverages will be analyzed by the Board, or its representative, at least every year from the date hereof and the insurance program revised accordingly.

ARTICLE XI MORTGAGEE PROTECTIONS

11.1 Right to Mortgage. Each Unit Owner shall have the right, subject to these provisions, to grant separate mortgages for his or her Unit, together with the respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create or cause to be made or created from the date hereof any Mortgage or other lien on or affecting the project or any part thereof, except only to the extent of his or her own Unit and the respective ownership interest in the Common Elements appurtenant thereto.

11.2 Lien Subordination. The lien for common expenses payable by a Unit Owner or fines assessed against a Unit Owner shall be subordinate to the lien of a prior recorded first mortgage on the interest of such Unit Owner. This paragraph shall not be amended, changed, modified or rescinded without the prior written consent of all Mortgagees of record holding a lien against all or a part of the Project.

11.3 Mortgagee's Rights. Upon written request, any Mortgagee, or insurer or guarantor of any first Mortgage will be entitled to:

- (a) Inspect the books and records of the Association during normal business hours;
- (b) Receive a financial statement of the Association within ninety (90) days following the end of any fiscal year of the Project; and
- (c) Receive written notice of all meetings of the Association and designate a representative to attend all such meetings.

11.4 Insurance Proceeds Upon Damage. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the Mortgagee of a Unit will be entitled to timely written notice of such damage or destruction, and no provision of this Declaration or any other document establishing the Project will entitle the Unit Owner or other party to priority over such Mortgagee with respect to the distribution of any insurance proceeds. Any proceeds from settlement shall be payable to the Owners Association for the benefit of the Unit Owners and their Mortgage holders as more specifically set forth in Article X.

11.5 Condemnation. If any Unit or portion thereof or the Common Elements or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise thought to be acquired by a condemning authority, the Mortgagee of a Unit will be entitled to timely written notice of any such proceeding or proposed acquisition, and no provisions of this Declaration or any other document

establishing the Project shall entitle the Unit Owner or other party to priority over such Mortgagee with respect to the distribution of the proceeds of any award or settlement. Any proceeds from settlement shall be payable to the Owners Association for the benefit of the Unit Owners and their Mortgage holders.

11.6 No Right of First Refusal. The right of a Unit Owner to sell, transfer or otherwise convey the Owner's Unit will not be subject to any right of first refusal or any similar restriction in favor of the Association.

11.7 Rights of Mortgagees Under Foreclosure. Each Mortgagee who takes possession of a Unit by virtue of foreclosure of the Mortgage, or by deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, will take the Unit free of any claims for unpaid assessments and charges against the Unit which accrue prior to the time such holder takes possession of the Unit, except for claim for a pro rata reallocation of such assessments or charges to all Units, including the mortgaged Unit.

11.8 Notice to Mortgagee. Upon written request, the holder of a first Mortgage shall be entitled to prompt written notice from the Association of any default in the performance of any obligation under this Declaration, the Articles of Incorporation, the Bylaws or the Rules and Regulations of the Association, which default is not cured by the Unit Owner within thirty (30) days, notice of lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association, and any proposed action that requires the consent of a specified percentage of eligible Mortgage holders.

ARTICLE XII CONDEMNATION

12.1 Condemnation; General. If all or part of the Project is taken or threatened to be taken by condemnation, the Board shall act on behalf of the Association to represent the Unit Owners in any proceedings, negotiations, settlements or agreements. Each Unit Owner hereby appoints the Association as attorney-in-fact for this purpose. The expense of participation in such proceedings by the Board shall be a common expense. The Board may obtain and pay for such assistance from attorneys, appraisers, architects, engineers, expert witnesses and other persons as the Board deems necessary or advisable to aid or advise it in matters relating to such proceedings. All damages or awards for any such taking shall be deposited with the Board, acting as trustee, and such damages or awards shall be applied or paid as provided herein.

12.2 Condemnation of Common Elements. If any action is brought to condemn a portion of the Common Elements, the Board shall have the sole authority to determine whether to defend or resist such action, to make any settlement with respect thereto, or to convey such property to the condemning authority in lieu of condemnation. After the damages or awards for such taking are determined, such damages or awards shall be

paid to each Unit Owner in proportion to his or her ownership interest. The Board may call a meeting of the Association at which meeting the members by a majority vote may decide whether to replace or restore insofar as possible the Common Elements so taken or damaged.

12.3 Payment of Awards and Damages. Any damages or awards paid to or for the account of any Unit Owner by the Board, acting as trustee, shall be paid to the Association for the benefit of the Unit Owners and their Mortgage holders. Any awards shall be applied first to the payment of any taxes or assessments by governmental authority past due and unpaid with respect to that Unit; secondly, to amounts due under any Mortgages; thirdly, to the payment of any unpaid common expenses, fines or special assessments charged to or made against the Unit; and finally to the Unit Owner.

ARTICLE XIII TERMINATION

13.1 Procedure. The Condominium may be terminated in the following manner, in addition to the manner provided by the Horizontal Property Act:

(a) Destruction. In the event it is determined in the manner elsewhere provided that the Building shall not be reconstructed because of major damage, the Condominium plan of ownership will be thereby terminated in compliance with the provisions of Section 499B.8 of the Code of Iowa (2021), as amended.

(b) Agreement. The Condominium may be terminated at any time by the approval in writing of all of the Owners of the Condominium and by holders of all liens affecting any of the Units by filing an instrument to that effect, duly recorded, as provided in Section 499B.8 of the Code of Iowa (2021), as amended. It shall be the duty of every Unit Owner and his or her respective lien holder to execute and deliver such instrument and to perform all acts as in a manner and form may be necessary to effect the sale of the Project when, at a meeting duly convened of the Association, the Owners of 100% of the voting power and all record owners of Mortgages upon Units in the Regime elect to terminate and/or sell the Project.

(c) Certificate. The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by all Members of the Association and their respective holders of all liens affecting their interest in the Condominium, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Johnson County Recorder in Iowa City, Iowa.

13.2 Form of Ownership After Termination. After termination of the Condominium, the Project will be held as follows:

(a) The property (land and improvements) shall be deemed to be owned in common by the Owners.

(b) The undivided interest in the property owned in common which shall appertain to each Unit Owner shall be the percentage of undivided interest previously owned by such Owner in the Common Elements and facilities.

(c) Any liens affecting any of the Condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owner in that property.

(d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Common Elements, after first paying out of the respective shares of the Owners, to the extent sufficient for that purpose, all liens on the undivided interest in the property owned by each Owner.

ARTICLE XIV AMENDMENTS AND MISCELLANEOUS

14.1 Procedure. Prior to the sale of the first Condominium, Declarant may amend this Declaration. After the sale of the first Condominium, and except as otherwise provided in this Declaration, including but not limited to sections 6.4 and 14.3 herein, this Declaration may be amended, and such amendment shall be made in the following manner:

(a) Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed Amendment is considered. Holders of a first Mortgage of record shall receive notice of such proposed amendment as provided in the Bylaws of the Association.

(b) Resolution. A resolution adopting a proposed amendment may be proposed by either the Board of Directors or by any Member of the Association. Except as provided elsewhere, the resolution must be adopted by a vote of a majority of all Owners entitled to vote, in person or by proxy; provided, however, no amendment effecting a substantial change in this Declaration or the Bylaws of the Association shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

(c) Bylaws. In the case of an amendment to this Declaration by reason of an amendment to the Bylaws of the Association, then in the manner specified in such Bylaws.

(d) Execution and Recording. An amendment adopted pursuant to (b) or (c) above shall be executed by an officer specifically delegated to do so with the formalities required by Chapter 499B of the Code of Iowa (2021), as amended. Upon the recordation of such instrument in the office of the Johnson County Recorder, the same shall be effective against any persons owning an interest in a Unit or the Regime.

14.2 Amendment of Ownership Interest. Except for the phased development amendments to this Declaration to incorporate/add the Units to be located in Buildings 2881, 2882, and 2886, no amendment shall change the percentage of ownership in the Common Elements appurtenant to a Unit, nor increase the Owner's share of the Common Expenses unless the record Owner of the Unit concerned and all record owners of Mortgages thereon shall affirmatively join in the adopting of such amendment.

14.3 Engineer's Certificate. Amendments to the Engineer's Certificate, in the form set forth in Exhibit "J", attached hereto, for the purpose of showing and incorporating those Units of the Regime whose construction is completed subsequent to the filing of this Declaration may unilaterally be made, executed and filed by the Declarant or the Declarant's engineer.

IN WITNESS WHEREOF, Declarant has executed this Declaration the day and year first above written.

EXHIBIT "D"

BYLAWS OF CRIMSON LANE CONDOMINIUMS OWNERS ASSOCIATION

ARTICLE I NAME AND LOCATION

1.1 Name and Location. The name of the corporation is CRIMSON LANE CONDOMINIUMS OWNERS ASSOCIATION, hereinafter referred to as "Association". The principal office of the Association shall be located at the Project, or at such other place as may be designated by the Board.

ARTICLE II DEFINITIONS

2.1 Incorporation. The definitions contained in the Declaration are incorporated by reference herein.

2.2 Declaration. "Declaration" shall mean and refer to the Declaration of Submission of Property to Horizontal Property Regime for Crimson Lane Condominiums and subsequent amendments thereto.

ARTICLE III MEMBERS AND VOTING RIGHTS

3.1 Members. The Owners of each Condominium Unit shall constitute the members of the Association, and membership shall automatically cease upon termination of all interests which constitute a person an Owner. Declarant shall be and have the rights of members with respect to unsold Units. Whenever only one spouse is a record titleholder, the other spouse shall be considered an Owner for the purpose of membership and shall be bound by the provisions of all Condominium Documents, including that provision in relation to the Homestead exemption contained in section 7.3 of the Declaration.

An Owner of record shall be recognized as a member without further action for so long as he or she holds an ownership interest. If ownership is acquired but not of record, or if acquired other than by way of conveyance or other formal instrument of transfer (such as by death, judicial act or dissolution), the person acquiring or succeeding to ownership shall present the Board of Directors of the Association evidence satisfactory to it of facts evidencing lawful ownership status prior to exercise of any rights of

membership in the Association. (Failure to provide such evidence shall not, however, relieve an Owner of his or her ownership obligations). A fiduciary or other official acting in the representative capacity shall exercise all membership rights and privileges of the Owner which he or she represents.

3.2 Voting. If more than one person is the Owner of the same Unit, all such owners shall be members and remain jointly and severally liable for all membership obligations. In such cases, or if more than one fiduciary or other official is acting in the premises, the votes entitled to be cast by the Owners of that Unit shall be cast by the person named for that purpose on a certificate signed by all such Owners or fiduciaries or other officials and filed with the Secretary, and such person shall be deemed to hold an ownership interest to such Unit for purposes of voting and determining the representation of such ownership interest at any meeting or for purposes otherwise provided herein. If such certificate is not executed and filed with the Secretary, such membership shall not be in good standing and the votes for that Unit shall not be considered in considering a quorum or a vote or for any other purposes until this bylaw is complied with.

The Owner of each Unit shall be entitled to one vote on all matters to be determined by the members of the Association, either as Owners or as Units or as contemplated by Chapter 499B of the Code of Iowa, as amended, pursuant to the Declaration, including any supplements or amendments thereto, submitting the property to the Regime. Votes of a single Unit may not be divided.

ARTICLE IV MEMBERS' MEETINGS

4.1 Organizational Meeting. The organizational meeting of the members of the Association to elect successors of the initial Board of Directors shall be held on the earlier of three years after the first Unit in the Condominium Regime has been conveyed to Unit purchasers or four months after 75% of the Units in the Condominium Regime have been conveyed to Unit purchasers.

4.2 Annual Meeting. The next annual meeting shall be set by the Board so as to occur no later than ninety (90) days after the close of the Association's fiscal year. Subsequent annual meetings of the Members shall be held within thirty (30) days of the same day of the same month of each year thereafter at such time as the Board directs.

4.3 Special Meeting. A special meeting shall be held whenever called by the President or, in his or her absence or disability, by the Vice-President, or by any one member of the Board of Directors.

4.4 Written Notice. Written notice of each meeting of the Members, annual or special, shall be given by mailing a copy of such notice, first class mail, postage prepaid, at least ten (10) but not more than ninety (90) days before such meeting to each First Lender requesting such notice and to all Members, addressed to the address of each Member's Unit within the Regime, unless the Member has supplied written direction to the Secretary specifying a different mailing address for the purpose of notice. The Secretary or his or her designate shall give written notice to each Member of the annual meeting called pursuant to section 4.2 hereof. Whoever requests a special meeting pursuant to section 4.3 hereof, shall give like written notice of such special meeting. All notices shall set forth the time and place and purpose or purposes for which the meeting will be held. No action shall be taken at a special meeting which is not directly related to the purpose or purposes stated in the notice of such meeting. If more than one person is the owner of the same Unit or if more than one fiduciary or one official is acting in the premises, notice to such person shall be deemed to have been given, when in accordance with this paragraph to the person named in the certificate filed with the Secretary in accordance with Section 3.2. Notice of any meeting may be waived in writing by the person entitled thereto.

4.5 Quorum. A quorum at a members' meeting shall consist of Members entitled to cast fifty-one percent (51%) of the total voting power of the Regime. The acts carried or approved by a majority vote of all of the Units represented at a meeting at which a quorum is present shall constitute the acts of the membership unless a different rule is provided herein or by the Articles of Incorporation, the Declaration or other agreement to which the Association is a party. The President, or, in his or her absence or disability, the Vice President, shall preside at each members' meeting; if neither the President nor the Vice-President is able to preside, a chairman shall be elected by the members present at such meeting. If, however, such quorum shall not be present or represented at any meeting, a majority of the Members entitled to vote thereat may, unless otherwise provided by law, adjourn the meeting to a date not less than five (5) days and not more than thirty (30) days from the meeting date, at which meeting the quorum requirements shall be one-third ($1/3$) of the total voting power (excluding the number of votes as to which voting rights are suspended at the time of the subject meeting). The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that twenty-five percent (25%) of the total voting power of the Association remains present in person and/or by proxy, and provided further that any action taken shall be approved by a majority of the Members required to constitute a quorum. If a time and place for the adjourned meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for the adjourned meeting after adjournment, notice of the time and place of the adjourned meeting shall be given to Members in the manner prescribed for annual meetings.

Notwithstanding anything herein to the contrary, for purposes of obtaining membership approval of special Assessments or increases in annual Assessments, a "quorum" means more than fifty percent (50%) of the Members of the Association.

4.6 Proxies. At a membership meeting, a person holding a Member's proxy to vote shall be permitted to cast such Member's vote on all questions properly coming before such meeting, provided such proxy must be in writing and signed by a Member or other person entitled to cast votes, and shall set forth the Unit with respect to which such rights are pertinent, and the period in which the proxy is to be in force and effect. Decision of the Board of Directors as to the sufficiency of any proxy for recognition shall be final and not subject to appeal to the Members.

4.7 Membership and Voting. Members shall be all Owners and shall be entitled to one (1) vote for each Unit owned. When more than one (1) person holds an interest in any Unit, all such persons shall be Members. The vote for such Unit shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Unit. Voting rights attributable to Condominiums shall not vest until Assessments have been levied against those Condominiums by the Association. Owners of Condominiums in all phases shall have the same voting rights. A "majority vote" means a majority of votes in the Condominium Regime as a whole, not a majority of votes of Owners in each phase.

4.8 Eligibility to Vote. Only Members in good standing shall be entitled to vote on any issue or matter presented to the Members for approval. In order to be in good standing, a Member must be current in the payment of all assessments levied against the Member's Units and not subject to any suspension of voting privileges as a result of any disciplinary proceeding conducted in accordance with the Declaration. A Member's good standing shall be determined as of the record date established in accordance with section 4.9.

4.9 Record Dates:

A. Record Dates Established by the Board: For the purpose of determining which Members are entitled to receive notice of any meeting, vote, act by written ballot without a meeting, or exercise any rights in respect to any other lawful action, the Board may fix, in advance, a "record date" and only Members of record on the date so fixed are entitled to notice, to vote or to take action by written ballot or otherwise, as the case may be, notwithstanding any transfer of any membership on the books of the Association after the record date. The record dates established by the Board pursuant to this section shall be as follows:

(1) Record Date for Notice of Meetings: In the case of determining those Members entitled to notice of a meeting, the record date shall be no more than ninety (90) nor less than ten (10) days before the date of the meeting;

(2) Record Date for Voting: In the case of determining those Members entitled to vote at a meeting, the record date shall be no more than sixty (60) days before the date of the meeting;

(3) Record Date for Other Lawful Action: In the case of determining Members entitled to exercise any rights in respect to other lawful action, the record date shall be no more than sixty (60) days prior to the date of such other action.

B. Failure of Board to Fix a Record Date: If the Board, for any reason, fails to establish a record date, the following rules shall apply:

(1) Record Date for Notice of Meetings: The record date for determining those Members entitled to receive notice of a meeting of Members shall be the business day preceding the day of which notice is given, or, if notice is waived, the business day preceding the day on which the meeting is held.

(2) Record Date for Voting: The record date for determining those Members entitled to vote at a meeting of Members shall be the day of the meeting, or in the case of an adjourned meeting, the day of the adjourned meeting.

(3) Record Date for Other Lawful Action: The record date for determining those Members entitled to exercise any rights in respect to any other lawful action shall be Members at the close of business on the day on which the Board adopts the resolution relating thereto, or the 60th day prior to the date of such other action, whichever is later.

(4) "Record Date" Means as of Close of Business: For purposes of this subparagraph B, a person holding a membership as of the close of business on the record date shall be deemed the Member of record.

4.10 Conduct at Meetings. At all meetings, the order of business shall consist of the following:

- (a) Election of Chairman, if required.
- (b) Calling of roll and certification of proxies.
- (c) Proof of notice of meeting or waiver of notice.
- (d) Reading and disposal of any unapproved minutes.
- (e) Reports of officers, if applicable.
- (f) Reports of committees, if applicable

- (g) Election of Directors, if applicable.
- (h) Unfinished business.
- (i) New business.
- (j) Adjournment.

ARTICLE V BOARD OF DIRECTORS

5.1 Initial Board. The affairs of the Association shall be managed by an initial Board of one (1) Director. The initial Board shall consist of such persons as the Declarant may appoint pursuant to the Declaration and need not be members of the Association. The initial Board shall serve until the first annual Members' meeting. From and after the first annual meeting of Members, the Board of Directors shall be selected from the Members of the Association. An officer or designated agent of a partnership or corporate member shall qualify to serve as a Director.

5.2 Board of Directors. At the first annual Members' meeting and at each meeting thereafter, three (3) Directors shall be elected and the term of office of each Director shall extend until the next annual meeting of the Members and thereafter until their successors are duly elected and qualified or until removal in the manner as elsewhere provided.

5.3 Election. Each Director shall be elected by ballot (unless such requirement is waived by unanimous consent) and by a plurality of the votes cast at the annual meeting of the Members of the Association. Each person entitled to vote shall be entitled to vote for as many nominees as there are vacancies to be filled by election, and each Director shall be elected by a separate ballot unless provided otherwise by unanimous consent of the Members. So long as a majority of the voting power of the Association resides in the Declarant, at least one (1) of the incumbents on the Board shall have been elected solely by the votes of the Owners other than the Declarant, in accordance with the following special procedure. The collected ballots shall be segregated between ballots cast by Declarant and ballots cast by other Members. The ballots received from the other Members shall be counted first, and the person receiving the greatest number of votes from such Members shall be elected to the Board. The votes of Declarant shall then be added to the totals, and the persons receiving the highest number of votes (other than the person already elected) shall be elected to the remaining positions on the Board.

5.4 Vacancies. Except as provided in Section 5.5 herein, vacancies on the Board of Directors may be filled until the date of the next annual meeting by a vote of the remaining Directors regardless of whether those remaining constitute a quorum.

5.5 Removal. The initial Director shall be subject to removal only by the Declarant. Thereafter, a Director may be removed by concurrence of three-fourths (3/4) of the Members of the Association at a special meeting called for that purpose. The vacancy on the Board of Directors so created shall be filled by the persons entitled to vote at the same meeting.

5.6 Compensation. The initial Director, as well as any other Directors appointed by the Declarant, shall serve without compensation. Directors elected by the Members shall receive such compensation and expenses as may be approved by the persons entitled to vote at any annual or special meeting.

5.7 Organizational Meeting. An organizational meeting of a newly-elected Board of Directors shall be held within ten (10) days of their election at such place and time as shall be fixed by the Directors at the meeting at which they were elected. No further notice of the organizational meeting shall be necessary.

5.8 Regular Meetings. By a majority vote, the Directors may set the time and place for regular meetings of the Board and no notice thereof shall be required until such resolution is modified or rescinded.

5.9 Special Meetings. Special meetings of the Directors may be called by the President, Vice-President or any Director, provided not less than two (2) days' notice shall be given, personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting. The presiding officer of a Directors' meeting shall be the President or, in his or her absence, the Vice-President.

5.10 Quorum. A quorum at a Directors' meeting shall consist of two of the three Directors. The acts approved by a majority vote of those present at a meeting duly called at which a quorum is present shall constitute the acts of the entire Board of Directors, except where approval by a greater number of Directors is required by the Declaration or these Bylaws.

5.11 Open Meetings. All meetings of the Board shall be open to all Members, but Members other than Directors may not participate in any discussion or deliberation unless expressly so authorized by the majority of a quorum of the Board.

5.12 Executive Session. The Board may, with approval of a majority of its Members present at a meeting in which a quorum is present, by a majority vote of the Members, adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature.

5.13 Telephone/Remote Platform Meetings. Any meeting, regular or special, may be held by conference telephone, similar communication equipment, Zoom or other remote platforms so long as all Directors participating can hear one another, and all such Directors shall be deemed to be present in person at such a meeting.

5.14 Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present and (b) either before or after the meeting, each of the Directors not present signs a written waive of notice, a consent to holding the meeting or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

5.15 Action Without Meeting. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all Members of the Board, individually or collectively, consent in writing to that action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board of Directors. Such written consent or consents shall be filed with the minutes of the proceedings of the Board.

5.16 Committees. The Board of Directors, by resolution approved by all Members thereof, may designate from among its Members such committees as it deems advisable and by resolution provide the extent and manner to which the same may have and exercise the authority of the Board.

5.17 Indemnification. The Association shall indemnify any present or former director, officer, employee or other agent of the Association to the fullest extent authorized under Iowa law and may advance to any such person funds to pay expenses that may be incurred in defending any action or proceeding on receipt of an undertaking by or on behalf of such person to repay such amount unless it is ultimately determined that such person was entitled to indemnification under this provision.

ARTICLE VI POWERS AND DUTIES OF THE BOARD OF DIRECTORS

All of the powers and duties of the Association shall be exercised by the Board of Directors, including those existing under the common law and statutes, the Articles of Incorporation and the documents establishing the Condominium Regime. Such powers and duties of the Directors shall be exercised in accordance with the provisions of the Declaration of Condominium which governs the use of the land and, in addition to those elsewhere provided, shall include but not be limited to the following:

8. To carry insurance on the property committed to the Regime and insurance for the protection of Unit owners and occupants, and the Association.

10. To conduct all votes or determinations of the Members other than at a membership meeting.
11. To borrow money from the bank, lending institution or agency for the use and benefit of the Association and to secure the loan or loans by pledge of the assets of the Association, and from time to time renew such loan and give additional security.

12. To make modifications, additions or deletions to the Rules and Regulations of the Regime.

13. To assess fines against Unit Owners or tenants for violating the Rules and Regulations, provided that prior to said assessment the Board of Directors shall give the Owner and the tenant, if applicable, not less than three (3) but not more than thirty (30) days notice of a hearing at which the Board shall consider said assessment. The Owner and the tenant shall be provided an opportunity to address the Board regarding the proposed assessment. Any fines assessed pursuant to this provision shall constitute a lien on said Unit as provided in section 8.6 herein.

14. To establish an adequate reserve fund for the periodic maintenance, repair, and replacement of the common elements, which fund shall be maintained out of regular assessments for common expenses.

15. To perform all duties and responsibilities necessary, specifically including but not limited to the collection of assessments against members, as a member of the Coral Crossing – Eighth Addition Association as more specifically described in Paragraph 7.12 of the Declaration.

16. To do such other acts as are necessary and proper to effect the purpose of the Regime as stated in the Declaration and these Bylaws, provided such acts are not otherwise prohibited.

ARTICLE VII OFFICERS

7.1 Officers. The officers of the Association shall be the President who shall be a Director, a Vice-President who shall be a Director, and a Treasurer and Secretary, which offices shall be filled by one person who need not be either a Director or member. All such officers shall be elected annually by the Board of Directors and may be peremptorily removed and replaced by the vote of two-thirds (2/3) of the Directors at any meeting. The initial officers and their successors until the first annual meeting shall be chosen by the initial Board of Directors and shall serve until the organizational meeting of the Members. The Board of Directors may from time to time create and fill other offices and designate the powers and duties thereof. Each officer shall have the powers and duties usually vested in such office, and such authority as is committed to the office by the Bylaws or by specific grant from the Board, but subject at all times to the provisions of the Bylaws and to the control of the Board of Directors.

7.2 President. The President shall be the chief executive officer of the Association. He or she shall preside at all membership meetings and meetings of the Board of Directors and shall have power to appoint committees from among the Members to assist in the conduct of the affairs of the Association and the Regime.

7.3 Vice-President. The Vice-President shall preside over the membership meetings in the absence or disability of the President, and shall otherwise exercise the powers and duties of the President in the event of the absence or disability of the President and shall generally assist the President and exercise such other powers and duties as are prescribed by the Directors.

7.4 Secretary and Treasurer. The Secretary and Treasurer, which shall constitute one office, shall keep the minutes of all proceedings of membership meetings and Directors' meetings and shall have custody and control of the Minute Book of the Association and shall keep or be in charge and control of the records of the Association, and additionally as Treasurer have control of the funds and other property of the Association and shall keep the financial books and records thereof.

7.5 Compensation. The compensation of all officers and employees shall be fixed by the Directors. This provision shall not preclude the Board of Directors from employing a Director as an employee, nor the contracting with a Director for management of the Regime.

7.6 Instruments Affecting Real Estate. Any instrument affecting an interest in real property may be executed by the President or Vice-President and one other officer upon authorization of the Directors or in such manner as the Directors may otherwise direct.

ARTICLE VIII FISCAL MANAGEMENT

8.1 Budget. The Board of Directors shall adopt a budget for each fiscal year (which shall be the same as the Association's fiscal year for income tax purposes) which shall include the estimated funds required to defray the common expenses and to provide and maintain funds for the following accounting categories according to good accounting practices:

(a) Current expenses which shall include all funds and expenditures to be made for the year for which the funds are budgeted, including a reasonable allowance for contingencies and working funds, except expenditures chargeable to reserves or to additional improvements. The balance of this fund at the end of each year shall be applied to reduce the assessments for current expense for the succeeding year.

(b) Reserve for deferred maintenance, which shall include funds for maintenance items which occur less frequently than annually.

(c) Reserve for replacement, which shall include funds for repair or replacement required because of damage, destruction, depreciation or obsolescence.

8.2 Assessments. The Board of Directors shall assess against each Unit, and the Owners thereof shall be liable for, a share of the items in the budget adopted pursuant to paragraph 1 equal to such Unit's pro rata share of common expenses as set forth in the Declaration. Such share shall be assessed annually in advance for the fiscal year for which the budget was prepared, and notice of such assessments shall be mailed or delivered not less than thirty (30) days prior to the first day of such fiscal year. Such assessment shall be due and payable from the respective Unit Owner or Owners in twelve (12) equal installments, each installment being due and payable the first day of each calendar month, within such fiscal year. In the event notice of such assessment is not timely given, the amount of such assessment will not change but the due date for each installment which would otherwise be due and payable less than thirty (30) days from the giving of such notice, shall be due and payable on the due date of the first installment which is due after thirty (30) days from the date such notice was mailed or delivered. In the event the annual assessment proves to be insufficient, the budget and assessments therefor may be amended at any time by the Board of Directors. Such amended budget may be adopted at a special Directors' meeting upon an affirmative majority vote of the Directors. The additional amount so budgeted shall be assessed to each Unit in the same manner as assessments for the annual budget and shall be prorated among the remaining installments due and payable in such year.

Any fines assessed against a Unit by the Board of Directors shall be due and payable in full from the Unit Owner within thirty (30) days from the date notice of said assessment was mailed or delivered to the Unit Owner.

8.3 Special Assessments. Assessments for common expenses for emergencies and extraordinary expenditures which cannot be paid from the annual assessments for common expenses and maintenance funds shall be made only after notice of the need thereof to the Unit Owners. After such notice and upon approval in writing by persons entitled to cast more than one-half (1/2) of the votes in the Condominium, the assessments shall become effective and shall be due in such manner as the Board of Directors may require after thirty (30) days' notice thereof. In the event any expenditure for repair or replacement of any Unit or common elements cannot be paid from annual assessments but can be at least ninety percent (90%) paid from insurance proceeds therefor, such expenditures may be made upon approval of the Board of Directors without approval of the Members and an amended budget and assessment may be made therefor if necessary.

8.4 Default. If an Owner shall be in default of a payment of an installment upon an assessment, the Board of Directors may accelerate the remaining installments of the assessment upon notice thereof to such Owner, and thereupon the unpaid balance of the assessment shall become due upon the date stated in the notice, but not less than ten (10) days after delivery thereof to such Owner, either personally or by registered or certified mail. Interest shall be computed and due on balances due under this paragraph but unpaid on such due date at the maximum rate of interest allowable by law from the date such balance becomes due and payable in accordance with the preceding sentence; such interest shall be in addition to any other payments for which said Owner is liable.

8.5 Mortgagee Notice. The holder of a mortgage on any Unit, upon its filing written request with the Association, shall be given written notice by the Association of the nonperformance of a mortgagor's obligations under these Bylaws, the Declaration or other Condominium Documents, which is not cured within thirty (30) days.

8.6 Liens. All sums assessed but unpaid, including but not limited to interest, with respect to a Unit or against a Unit Owner shall constitute a lien on such Unit prior to all other liens except:

- (a) Tax liens on the Unit in favor of any assessing Unit and special district; and
- (b) All sums unpaid on the first mortgage of record.

Said lien may be foreclosed by the Association in the manner and with the consequences provided in Section 499B.17 of the Code of Iowa, as amended, in which event the Owner shall be required to pay a reasonable rental for the Unit. In the event the Association forecloses on any lien, the Owner or Owners of such Unit, by their membership in this Association, specifically waive any rights to delay or prevent foreclosure which he, she or they may have against the Association by reason of the Homestead exemption. The Association may sue for money judgment for unpaid assessments and interest or sums due without foreclosing or waiving any lien which it holds.

8.7 Foreclosure. If a mortgagee or purchaser of a Unit obtains title as a result of foreclosure of a first mortgage, neither such mortgagee nor purchaser nor their successors or assigns shall be liable for the assessments chargeable to such Unit due prior to the acquisition of title, and such unpaid assessments shall thereafter be deemed to be common expenses collectible from all Unit Owners, including the mortgagee or purchaser, and their successors and assigns. The Owner of a Unit pursuant to a voluntary conveyance or by inheritance or devise shall be jointly and severally liable with the grantor or prior Owner for all unpaid assessments against the grantor or prior Owner but without prejudice to the rights of such grantee or devisee to recover from the grantor the

amounts paid therefor. The grantee or other successor in interest of an individual subject to a levy of an assessment on account of default shall be liable for any such special assessment.

8.8 Depository. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Directors and in which the moneys of the Association shall be deposited. Withdrawal of moneys from the accounts shall only be by checks signed by such persons as are authorized by the Directors.

8.9 Audit/Financial Statements. An audit of the accounts or a review of the compiled financial statements of the Association may be made upon Board of Director request by a certified public accountant, and if such audit or review is made, a copy of the report shall be furnished to each Member not later than sixty (60) days after the close of the fiscal year for which the report is made.

ARTICLE IX AMENDMENT

9.1 Amendment. These Bylaws may be amended, altered, repealed or new Bylaws adopted by the Members at a regular or special meeting of the Members upon the affirmative vote of sixty-seven percent (67%) of all votes entitled to be cast and fifty-one percent (51%) of the holders of a first mortgage on any Unit; provided, however, no amendment effecting a substantial change in these Bylaws shall affect the rights of the holder of any mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

9.2 Notice. No amendment may be adopted at either a special or regular membership meeting not included in the notice thereof, except if notice of the proposed amendment has been given, an amendment relative to the same subject may be adopted by those present, in person or by proxy, and possession of the requisite percentage of membership and voting interests; provided further, no vote by proxy may be counted unless the proxy expressly provides for such contingency. Notice referred to herein shall be given in the manner prescribed in section 2.3 of these Bylaws and shall be given to the persons described in section 2.4, and the holder of any first mortgage of record which has notified the Association of its interests not more than fifty (50) days nor less than thirty (30) days before the date such meeting will be held. More than one proposed amendment may be included in the notice of a meeting.

9.3 Recording. To the extent provided by Section 499B.14 of the Code of Iowa (2021), as amended, no modification nor amendment to these Bylaws shall be effective unless set forth in an amendment to the Declaration of Condominium, executed and recorded in the manner set forth in the Declaration, and an amendment to these Bylaws shall constitute an amendment to the Declaration as provided for by law. Upon such

recording, said amendment shall be effective against all persons having an interest in a Unit or the Regime regardless of whether said person had such interest at the time said amendment was adopted.

ARTICLE X MISCELLANEOUS PROVISIONS

10.1 Invalidity. The invalidity of any portion or provision of these Bylaws shall not affect the validity of the remaining provisions or portions hereof.

10.2 Corporate Seal. The association shall not have or employ a corporate seal.

10.3 Bonds. The Board of Directors may require fidelity bonds from all Directors, officers or agents handling or responsible for Association funds, and the expense of such bonds shall be common expense of the Association.

RULES AND REGULATIONS FOR CRIMSON LANE CONDOMINIUMS OWNERS ASSOCIATION

1. Motor vehicles may be parked only in the areas provided for that purpose and shall not be parked in such a manner as to impede or prevent ready access to any entrance to or exit from the Buildings by another vehicle. However, no boats, snowmobiles, trailers, recreational or off-road/all-terrain vehicles, motor homes or semi trailer trucks shall be parked or stored anywhere in or on the premises of the Condominium Regime known as Crimson Lane Condominiums.

2. No Unit Owner shall be permitted to erect a radio or TV antenna or any other fixture, item, wiring or appurtenance to the exterior or roof of any building. A Unit Owner may attach a TV satellite dish no larger than 18" in diameter to the Unit but the location on the Unit where the dish is to be attached must be approved in writing by the Board of Directors of the Association prior to installation. The Owner of a Unit, by installing a satellite dish on the property, hereby agrees to indemnify and hold harmless the Association against any and all debts, obligations, costs and damages, including attorneys fees, arising from any claims or causes in action whether in law or equity, which may be asserted against the Association or for which the Association may be liable, relating to the installation, use or removal of the satellite dish.

3. Exterior name places and mailboxes will be installed in a manner uniform and consistent with that of the other Units and approved by the Association.

4. Unit Owners are reminded that alteration and repair of the Buildings is the responsibility of the Association, except for the interior of the Units. No work of any kind is to be done upon the exterior building walls or upon the interior boundary walls without first obtaining the approval of the Association.

5. No Unit Owner shall make or permit any disturbing noises in the Buildings, or do or permit anything to be done therein which will interfere with the rights, comforts or conveniences of other Unit Owners. No Unit Owner shall engage in any conduct within the Condominium Regime considered to be a disturbance of the peace. No Unit Owner shall play upon or suffer to be played upon any musical instrument or operate or permit to be operated a phonograph, CD player or radio or television or other loudspeaker in such Owner's Unit between the hours of 10:00 p.m. and the following 6:00 a.m. if the same shall disturb or annoy other occupants of the Buildings or adjacent Units.

6. Each Unit Owner shall keep his or her Unit in a good state of presentation and cleanliness and shall not sweep or throw or permit to be swept or thrown therefrom, or from the doors or windows thereof, any dirt or other substance. Each Unit Owner will keep the areas immediately in front of and in back of his or her Unit free and clear of all trash, papers and debris.

7. Unit Owners shall not cause or permit any unusual or objectionable noises or odors to be produced upon or to emanate from their respective Units.

8. No animals or reptiles of any kind shall be raised, bred or kept in any Unit or in the Common Elements, except that a dog, cat or other household pet approved in writing by the Board of Directors of the Association may be kept in a Unit, provided that it is not kept, bred or maintained for any commercial purpose; and provided further that any such pet which in the opinion of the Board of Directors of the Association is causing or creating a nuisance shall be permanently removed from the property upon three (3) days written notice from the Board of Directors of the Association. No Unit shall house more than one (1) pet, except as approved by the Board of Directors. Any person within the project keeping a pet shall immediately clean and remove any messes created or caused by said pet. Further, no unleashed pets whatsoever shall be allowed upon the Limited or General Common Elements.

9. Any consent or approval given under these Rules and Regulations may be added to, amended or repealed at any time by resolution of the Board of Directors of the Association.

10. These Rules and Regulations may be amended, modified or altered only as provided in the Bylaws of Crimson Lane Condominiums Owners Association.

11. No one may use an outdoor fireplace or fire pit of any type.

12. No one may use an outside grill except under the following conditions:

(A) Gas grills are permissible on open decks. For those Units that do not have open decks, grills may be temporarily used on open air patios or driveways. However, grills shall not be permanently stored on any driveway surface.

(B) The Owner of a Unit where a grill is used must possess a valid liability insurance policy and must provide proof of such insurance to the Association prior to the first use of the grill and anytime after that upon the Association's request.

(C) The Owner of a Unit, by using a grill on the property, hereby agrees to indemnify and hold harmless the Association against any and all debts, obligations, costs and damages, including attorney fees, arising from any claims or causes in action, whether in law or equity, which may be asserted against the Association relating to the use of a grill.

13. The Association may levy a fine against any Unit Owner for violating the Condominium Declaration, Articles of Incorporation for the Association, Bylaws of the Association or any Rules and Regulations adopted by the Association, including any amendments to those documents (collectively "Condominiums Documents"). The procedure for levying fines shall be as follows:

(A) Demand. Upon the complaint of any two Unit Owners or upon the complaint of any two Directors of the Association outlining an alleged violation of the Condominium Documents, an officer of the Association shall give the alleged violator written demand to cease and desist any alleged violation. The written demand shall specify (1) the alleged violation; (2) the action required to abate the violation; and (3a) if the violation is a continuing one, a time period not less than seven days during which the violation may be abated without further sanction; or (3b) if the violation is not a continuing one, a statement that any further violation of the same nature may result in the imposition of a fine after notice and a hearing.

(B) Notice. Within 12 months of such demand, if the violation continues past the period stated in the demand for abatement without penalty, or if the same violation subsequently occurs, the Board shall serve the violator with written notice of a hearing to be held by the Board. The notice shall be served via U.S. Mail, regular delivery or by personal service. The notice shall contain the nature of the alleged violation, the time and place of the hearing, which shall be not less than seven days from the giving of the notice, an invitation to attend the hearing and produce any statement, evidence and witnesses on his or her behalf, and the proposed fine to be imposed.

(C) Hearing. The hearing shall be held in executive session pursuant to the notice affording the violator a reasonable opportunity to be heard. Prior to the effectiveness of any fine, proof of notice and the invitation to be heard shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer or Director who delivered such notice. The notice requirement shall be deemed satisfied if a violator appears at the meeting. The minutes of the meeting shall contain a statement of the results of the hearing and the sanction imposed, if any. The violator shall have the right to present evidence at the hearing (the formal rules of evidence shall not apply to the hearing) and to be represented by counsel at his or her own expense.

(D) Amount of Fine. The Board of Directors of the Association shall be authorized to levy fines between \$20 and \$100 the first time a fine is levied against a Unit Owner, unless the violation involves the police or a threat to the safety of another person, in which case the Association shall be authorized to levy a fine of up to and including \$500. The Association shall be authorized to levy fines of up to and including \$500 for subsequent violations of the Condominium Documents made by the same violator.

(E) Payment and Lien. The violator shall have 30 days from the date notice of the fine is mailed or delivered to the violator to pay the full amount of the fine. Any unpaid amount due from the Unit Owner constitutes a lien against the Owner's Condominium Unit pursuant to Section 8.6 of the Association's Bylaws. Upon levying the fine or at any time thereafter, the Association may record in the Johnson County Recorder's Office a Notice of Lien Claim, notifying the public of the amount of the fine due from the Unit Owner.

These Rules and Regulations have been approved by the Board of Directors of Crimson Lane Condominiums Owners Association on the 14th day of December, 2022.
