I. MEMBERS AND VOTING RIGHTS

1. The Owners of each Condominium Unit shall constitute the members of the corporation and membership shall automatically cease upon termination of all interests which constitute a person as an Owner. Original Declarant shall be and have the rights of members with respect to unsold Units. Whenever only one spouse is a record titleholder, the other spouse shall be

considered an Owner for the purpose of membership, and shall be bound by the provisions of all Condominium Documents including that provision in relation to the Homestead exemption contained in Article VII of the Declaration.

2. An Owner of record shall be recognized as a member without further action for so long as he or she holds an ownership interest. If ownership is acquired but not of record, or if acquired other than by way of conveyance or other formal instrument of transfer (such as by death, judicial act or dissolution), the person acquiring or succeeding to ownership shall present the Board of Directors of the Association evidence satisfactory to it of facts evidencing lawful ownership status prior to exercise of any rights of membership in the Association. (Failure to provide such evidence shall not, however, relieve an Owner of his or her ownership obligations). A fiduciary or other official acting in the representative capacity shall exercise all membership rights and privileges of the Owner which he or she represents.

3. If more than one person is the Owner of the same Unit, all such Owners shall be members and remain jointly and severally liable for all membership obligations. In such cases, or if more than one fiduciary or other official is acting in the premises, the votes entitled to be cast by the Owners of that Unit shall be cast by the person named for that purpose on a certificate signed by all such Owners or fiduciaries or other officials and filed with the Secretary and such person shall be deemed to hold an ownership interest to such Unit for purposes of voting and determining the representation of such ownership interest at any meeting or for purposes otherwise provided herein. If such certificate is not executed and filed with the Secretary, such membership shall not be in good standing and the votes for that Unit shall not be considered in considering a quorum or a vote or for any other purposes until this Bylaw is complied with.

4. The Owner of each Unit shall be entitled to one vote on all matters to be determined by the members of the Association either as Owners or as Units or as contemplated by Chapter 499B of the 2001 Code of Iowa, as amended, pursuant to the Declaration, including any supplements or amendments thereto, submitting the property to the Regime. Votes of a single Unit may not be divided.

II. MEMBERS' MEETINGS

1. The first organizational meeting of members shall be held upon the earlier of the following: pursuant to notice of said meeting to the members from the initial Board of Directors; or at such time as twelve (12) Units of the condominium regime have been completed and are certified for occupancy. Thereafter, the annual and any special meetings shall be held at a time and at a place within Coralville, Johnson County, Iowa, chosen by the Board of Directors,

and all such meetings, annual or special, shall be held at such particular time and place as is set forth in the notice thereof.

2. A special meeting shall be held whenever called by the President, or, in his or her absence or disability, the Vice President, or by a majority of the Board of Directors, and must be called by such officers upon receipt of a written request from members entitled to cast forty percent (40%) of the votes of the entire membership.

3. The Secretary or his or her designate shall give written notice to each member of the annual meeting or a special meeting called pursuant to Paragraph 2 hereof. Whoever requests the special meetings shall give like written notice of such special meeting. All notices shall set forth the time and place and purpose or purposes for which the meeting will be held. No action shall be taken at a special meeting which is not directly related to the purpose or purposes stated in the notice of such meeting.

4. Notice of members' meetings shall be given by mailing, emailing, or delivering same not less than ten (10), nor more than thirty (30) days prior to the date of the meeting. Notice shall be deemed to be given if mailed by First Class Mail to the member at the address of his or her Unit within the Regime, by emailing said notice to the member at the email address provided by the member to the Secretary and to be carried on the rolls of the Association, or by personal delivery to said member, unless at the time of giving such notice such member has given written direction delivered to the Secretary specifying a different mailing address or method of serving notice to be carried on the rolls of the Association. If more than one person is the Owner of the same Unit or if more than one fiduciary or one official is acting in the premises, notice to such person shall be deemed to have been given, when in accordance with this Paragraph to the person named in the certificate filed with the Secretary in accordance with Paragraph 3 of ARTICLE I. Notice of any meeting may be waived in writing by the person entitled thereto. Waivers received by email shall be deemed to be received in writing. Further, if a member provides an email address to the Secretary to be carried on the rolls of the Association as the member's address for notice purposes, then said member grants permission that any meeting notice may be provided by this method. The member further agrees that it is his or her sole responsibility to keep the Secretary informed of any change in said member's email address,

5. A quorum at a members' meeting shall consist of the presence of members in person or by proxy, representing a majority of the Units. The acts carried or approved by a vote of a majority of the Units represented at a meeting at which a quorum is present shall constitute the acts of the membership unless a different rule is provided herein or by the Articles of Incorporation, the Declaration or other agreement to which the Association is a party. The President, or, in his or her absence or disability the Vice President, shall preside

at each members' meeting; if neither the President nor the Vice President is able to preside, a chairman shall be elected by the members present at such meeting.

6. At a membership meeting, a person holding a member's proxy to vote shall be permitted to cast such member's vote on all questions properly coming before such meeting, provided such proxy must be in writing and signed by a member or other person entitled to cast votes, and shall set forth the Unit with respect to which such rights are pertinent, and the period in which the proxy is to be in force and effect. The decision of the Board of Directors as to the sufficiency of any proxy for recognition shall be final and not subject to appeal to the member.

7. At all meetings, the order of business shall consist of the following:

- (a) Election of Chairman, if required.
- (b) Calling of roll and certification of proxies.
- (c) Proof of notice of meeting or waiver of notice.
- (d) Reading and disposal of any unapproved minutes.

III. BOARD OF DIRECTORS

1. The affairs of the Association shall be managed by an initial Board of two (2) Directors. The initial Board shall consist of such person as the Original Declarant may appoint pursuant to the Declaration and need not be members of the Association. An officer or designated agent of a partnership or corporate member shall qualify to serve as a Director. The initial Board shall serve until the first organizational members' meeting. From and after the first organizational meeting of members, the Board members shall be selected from the members of the Association, except as provided in paragraph 2 below. An officer or designated agent of a partnership or corporate member shall qualify to serve as a Director.

2. At the first organizational members' meeting and at each meeting thereafter directors shall be elected and the term of office of each director shall extend until the next annual meeting of the members and thereafter until their successors are duly elected and qualified or until removal in the manner as elsewhere provided. However, at the first organizational members meeting and for so long as Original Declarant owns thirty percent (30%) of the Units at the time such Directors are to be elected, Original Declarant shall have the right to elect or appoint a majority of the members of the Board, who need not be Unit

Owners, and thereafter shall be entitled to elect or appoint at least one (1) member of the Board until all Units have been sold by Original Declarant. Directors appointed by Original Declarant shall have the same voting rights as Directors elected by the members.

3. Each director shall be elected by ballot (unless such requirement is waived by unanimous consent) and by a plurality of the votes cast at the annual meeting of the members of the Association. Each person entitled to vote shall be entitled to vote for as many nominees as there are vacancies to be filled by election and each director shall be elected by a separate ballot unless provided otherwise by unanimous consent of the members.

4. Except as provided in Paragraph 5 of this ARTICLE III, vacancies on the Board of Directors may be filled until the date of the next annual meeting by a vote of the remaining Directors regardless of whether those remaining constitute a quorum.

5. The initial Directors shall be subject to removal only by the Original Declarant. Thereafter, a Director may be removed by concurrence of two thirds (66 2/3%) of the Association at a special meeting called for that purpose. The vacancy on the Board of Directors so created shall be filled by the persons entitled to vote at any annual or special meeting.

6. The initial Directors as well as any other Directors appointed by the Original Declarant shall serve without compensation. Directors elected by the members shall receive such compensation and expenses as may be approved by the persons entitled to vote at any annual or special meeting.

7. An organizational meeting of a newly-elected Board of Directors shall be held within ten (10) days of their election at such place and time as shall be fixed by the Directors at the meeting at which they were elected. No further notice of the organization meeting shall be necessary.

8. A majority of the Board may, by resolution, set the time and place for regular meetings of the Board and no notice thereof shall be required until such resolution is modified or rescinded. Special meetings of the Directors may be called by the President, Vice President, or any two (2) Directors, provided not less than two (2) days' notice shall be given, personally or by mail, telephone, or telegraph, which notice shall state the time, place and purpose of the meeting.

9. A quorum at a Directors' meeting shall consist of two-thirds of the entire Board of Directors. The acts approved by a majority of those present at a meeting duly called at which a quorum is present shall constitute the acts of the entire Board of Directors, except where approval by a greater number of Directors is required by the Declaration or these Bylaws.

10. The presiding officer of a Director's meeting shall be the President, or in his or her absence, the Vice President.

11. The Board of Directors, by resolution approved by all members thereof, may designate from among its members such committees as it deems advisable and by resolution provide the extent and manner to which the same may have and exercise the authority of the Board.

IV. POWERS AND DUTIES OF THE BOARD OF DIRECTORS

All of the power and duties of the Association shall be exercised by the board of Directors, including those existing under the common law and statutes, the Articles of Incorporation, and the documents establishing the Condominium Regime. Such powers and duties of the Directors shall be exercised in accordance with the provisions of the Declaration of Condominium which governs the use of the land, and in addition to those elsewhere provided, shall include but not be limited to the following:

2. Use of the proceeds of assessments in the exercise of its powers and duties.

4. The reconstruction, repair, restoration, or re-building of the Regime property and of any Units as applicable after casualty; construction of new improvements or alterations if approved; to make and amend regulations respecting the use and occupancy of the property in the Condominium Regime and to permit or forbid an action or conduct within the discretion committed to them in the Declaration, Bylaws, and Resolutions of the members.

5. The enforcement by legal means of the provisions of the Horizontal Property Act, the Articles of Incorporation, Bylaws of the Association, Declaration, and the regulations for the use of the property in the Regime; and to take legal action in the name of the Association and on behalf of its members.

6. To contract for management of the Regime and to delegate to such manager any or all powers and duties of the Association except such as are specifically required by the Declaration, Bylaws or Resolutions of the members to have approval of the Board of Directors or the membership of the Association.

7. To employ, designate, and discharge personnel to perform services required for proper operation of the Regime.

8. To carry insurance on the property committed to the Regime and insurance for the protection of Unit Owners, and occupants, and the Association.

9. To pay the cost of all power, water, sewer, and other utility or other services rendered to the Regime and not billed directly to the Owners of the individual Units.

10. To conduct all votes or determinations of the member other than at a membership meeting.

11. To borrow money from the bank, lending institution or agency for the use and benefit of the Association and to secure the loan or loans by pledge of the assets of the Association, and from time to time renew such loan and give additional security.

12. To do such other acts as are necessary and proper to effect the purpose of the Regime as stated in the Declaration and these Bylaws, provided such acts are not otherwise prohibited.

V. OFFICERS

1. The officers of the Association shall be the President who shall be a Director, a Vice President who shall be a Director, and a Treasurer and Secretary, which offices may be filled by a person neither a Director or Member of the Association. The offices of the Treasurer and Secretary, however, may be filled by one person if so elected by the Board of Directors. All such officers shall be elected annually by the Board of Directors and may be peremptorily removed and replaced by the vote of two-thirds (2/3rds) of the Directors at any meeting. The initial officers and their successors until the first annual meeting shall be chosen by the initial Board of Directors and shall serve until the organizational meeting of the members.

The Board of Directors may from time to time create and fill other offices and designate the powers and duties thereof. Each officer shall have the powers and duties usually vested in such office, and such authority as is committed to the office by the Bylaws or by specific grant from the board, but subject at all times to the provisions of the Bylaws and to the control of the Board of Directors.

2. The President shall be the chief executive officer of the Association. He or she shall preside at all membership meetings and meetings of the Board of Directors and shall have power to appoint committees from among the members to assist in the conduct of the affairs of the Association and the Regime.

3. The Vice President shall preside over the membership meetings in the absence or disability of the President, and shall otherwise exercise the powers and duties of the President in the event of the absence or disability of the President and shall generally assist the President and exercise such other powers and duties as are prescribed by the Directors.

4. The Secretary shall keep the minutes of all proceedings of membership meetings and Directors' meetings and shall have custody and control of the minute book of the Association and shall keep or be in charge and control of the records of the Association.

5. The Treasurer shall have control of the funds and other financial statements and property of the Association and shall keep the financial books and records thereof. Upon request, the Treasurer shall provide reports to the Board of Directors or any committee as designated by the President.

6. The compensation of all officers and employees shall be fixed by the Directors. This provision shall not preclude the Board of Directors from employing a Director as an employee, nor the contracting with a Director for management of the Regime.

7. Any instrument affecting an interest in real property may be executed by the President or Vice President and one other officer upon authorization of the Directors or in such manner as the Directors may otherwise direct.

IV. FISCAL MANAGEMENT

1. The Board of Directors shall adopt a budget for each fiscal year (which shall be the same as the Association's fiscal year for Income Tax purposes) which shall include the estimated funds required to defray the common expenses and to provide and maintain funds for the following accounting categories according to good accounting practices:

(a) Current expenses which shall include all funds and expenditures to be made for the year for which the funds are budgeted, including a reasonable allowance for contingencies and working funds, except expenditures chargeable to reserves or to additional improvements. The balance of this fund at the end of each year shall be applied to reduce the assessments for current expense for the succeeding year.

(b) Reserve for deferred maintenance, which shall include funds for maintenance items which occur less frequently than annually.

- (c) Reserve for replacement, which shall include funds for repair or replacement required because of damage, destruction, depreciation or obsolescence.

2. The Board of Directors shall assess against such Unit and the Owners thereof shall be liable for, a share of the items in the budget adopted pursuant to paragraph 1 equal to such Unit's pro rata share of common expenses as set forth in the Declaration. Such share shall be assessed annually in advance for the fiscal year for which the budget was prepared, and notice of such assessments shall be mailed or delivered not less than thirty (30) days prior to the first day of such fiscal year. Such assessment shall be due and payable from the respective Unit Owner or Owners in quarterly installments, with each installment being due and payable January 1, April 1, July 1, and October 1 of each year. In the event notice of such assessment is not timely given, the amount of such assessment will not change, but the due date for an installment which would otherwise be due and payable less than thirty (30) days from the giving of such notice, shall be due and payable on the due date of the first installment which is due after thirty (30) days from the date such notice was mailed or delivered. If a Unit owner fails to timely pay an assessment by the 15th day of the month in which said installment is due, the Board of Directors shall attach thereto a late fee of ten percent (10%) of the assessment due for each month of non-payment, which subsequent late fees shall attach on the 15th day of each month of non-payment thereafter. In the event the annual assessment proves to be insufficient, the budget and assessments, therefore, may be amended at any time by the Board of Directors. Such amended budget may be adopted at a special directors' meeting upon an affirmative unanimous vote of the directors. The additional amount so budgeted shall be assessed to each Unit in the same manner as assessments for the annual budget and shall be prorated among the remaining installments due and payable in such year.

3. Assessments for common expenses for emergencies and extraordinary expenditures, which cannot be paid from the annual assessments for common expenses and maintenance funds shall be made only after notice of the need thereof to the Unit Owners.

After such notice and upon approval in writing by persons entitled to cast more than one-half (1/2) of the votes in the Condominium, the assessments shall become effective, and shall be due in such manner as the Board of Directors may require after thirty (30) days' notice thereof. In the event any expenditure for repair or replacement of any Unit or Common Elements cannot be paid from annual assessments but can be at least Ninety percent (90%) paid from insurance proceeds therefore, such expenditures may be made upon approval of the Board of Directors without approval of the members and an amended budget and assessment may be made therefore if necessary.

4. If an Owner shall be in default of a payment of an installment upon an assessment, the Board of Directors may accelerate the remaining installments of the assessment upon notice thereof to such Owner, and thereupon the unpaid balance of the assessment shall become due upon the date stated in the notice, but not less than ten (10) days after delivery thereof to such Owner either personally or by registered or certified mail. Interest shall be computed and due on balances due under this paragraph but unpaid on such due date at the maximum rate of interest allowable by law from the date such balance becomes due and payable in accordance with the preceding sentence; such interest shall be in addition to any other payments for which said owner is liable.

5. The holder of a mortgage on any Unit, upon its filing written request with the Association, shall be given written notice by the Association of the non-performance of a mortgagor's obligations under these Bylaws, the Declaration or other Condominium Documents, which is not cured within thirty (30) days.

6. All sums assessed but unpaid, including but not limited to, interest with respect to a Unit or against a Unit Owner shall constitute a lien on such Unit prior to all other liens except:

- (a) Tax liens on the Unit in favor of any assessing Unit and special district; and
- (b) All sums unpaid on the first mortgage of record.

Said lien may be foreclosed by the Association in the manner and with the consequences provided in Section 499B.17 of the Code of Iowa, as amended, in which event the Owner shall be required to pay a reasonable rental for the Unit. In the event the Association forecloses on any lien, the Owner or Owners of such Unit, by their membership in this Association, specifically waive any rights to delay or prevent foreclosure which he, she or they may have against the Association by reason of the Homestead Exemption. The Association may sue for money judgment for unpaid assessments and interest or sums due without foreclosing or waiving any lien which it holds.

7. If a mortgagee or purchaser of a Unit obtains title as a result of foreclosure of a first mortgage, neither such mortgage nor purchaser nor their successors or assigns, shall be liable for the assessments chargeable to such Unit due prior to the acquisition of title, and such unpaid assessments shall thereafter be deemed to be common expenses collectible from all Unit Owners including the mortgagee or purchaser, and their successors and assigns. The Owner of a Unit pursuant to a voluntary conveyance or by inheritance or devise shall be jointly and severally liable with the grantor or prior Owner for all unpaid assessments against the grantor or prior Owner, but without prejudice to the right of such grantee or devisee to recover from the grantor the amounts paid

therefore. The grantee or other successor in interest of an individual subject to a levy of an assessment on account of default shall be liable for any such special assessment.

8. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from the accounts shall only be by checks signed by such person as are authorized by the Directors.

2. No amendment may be adopted at either a special or regular membership meeting not included in the notice thereof, except if notice of the proposed amendment has been given, an amendment relative to the same subject may be adopted by those present, in person or by proxy and possession of the requisite percentage of membership and voting interests; provided further, no vote by proxy may be counted unless the proxy expressly provides for such contingency. More than one proposed amendment may be included in the notice of a meeting.

(d) The owner of each Unit shall promptly report to the Association any defects or other maintenance needs which are the responsibility of the Association.

4. Alterations or improvements by Owner. No Unit Owner shall make or permit to be made any structural alteration to a Unit or to a Building without first obtaining written consent of the Board of Directors of the Association (which consent may be given by a general rule or regulation) which shall determine the proper insurance of such improvement or other alteration, and the effect of such improvement or alteration on insurance of other property of the Regime. The Board of Directors of the Association shall arrange with such Unit Owner for the payment of the cost of any additional insurance thereby required. Alterations to the exterior of any Building or Common Elements shall not be made if, in the opinion of the Board of Directors of the Association, such alteration would be detrimental to the integrity or appearance of the Regime as a

whole. Such Owner shall do no act or work which will impair the structural soundness or integrity of the Building or safety of the property or impair any easement. The improvement or alteration of a Unit shall cause no increase or decrease in the number of ownership interests appurtenant to such Unit.

5. **Alterations or Improvements by the Association.** Whenever in the judgment of the Board of Directors the Common Elements shall require additions, alterations or improvements, the Board of Directors shall proceed with such additions, alterations or improvements and shall assess all Unit Owners for the cost thereof as a common charge.

ARTICLE IX

CONDITIONS OF AND RESTRICTIONS ON OWNERSHIP, USE AND ENJOYMENT

1. **Subjection of the Property to Certain Provision.** The ownership, use, occupation and enjoyment of each Unit and of the Common Elements of the Regime shall be subject to the provisions of the Bylaws and the Articles of Incorporation of the Association, and this Declaration, all of which provisions irrespective of where set forth or classified shall have equal status and shall be enforceable and binding as a covenant, condition, restriction, or requirement running with the land and shall be binding on and enforceable against each and all Units and the Owners thereof and their respective occupants, assigns and successors in interest.

2. **Use of Property.** The use of the property shall be in accordance with and subject to the following provisions:

- (a) A unit shall be used or occupied for living or dwelling purposes only.
- (b) Renting or leasing of an owner's Unit in the regime is strictly prohibited.
- (c) Nothing shall be added to, altered in, constructed on, or removed from, the Common Elements, Limited or General, except upon written consent of the Board of Directors of the Association, which may be given through regulations of the Association. This provision requires Unit owners' to seek prior approval from the Board of Directors for any Unit owners' personal landscaping plans. Further provided, any holder of a first mortgage which acquires possession of a Unit by foreclosure or by deed in lieu of foreclosure shall have the right to post signs for sale of such Unit until such Unit is sold.

(d) No activity shall be allowed which unduly interferes with the peaceful possession and use of the property by the Unit Owners nor shall any fire hazard or unsightly accumulation of refuse be allowed. In addition, in the event this condominium design utilizes a common driveway, no Unit Owner, guest or invitee thereof shall block vehicular access to each Unit's garage by parking vehicles or placing objects within that portion of the common driveway which abuts the Unit's garage door and which provides direct access to the garage from the public street right-of-way. Each Unit Owner's guests or invitees will park their own vehicles only on the portion of the driveway in front of the Unit's garage door, doing the same in such a manner as to not violate the provisions of this subparagraph.

(e) Nothing shall be done or kept in any Unit or in the common area which will increase the rate of insurance on the common area, without the prior written consent of the Association. No Owner shall permit anything to be done or kept in his or her Unit or in the common area which will result in the cancellation of insurance on any Unit or any part of the common area, or which would be in violation of any law.

(f) The Association shall have the authority to adopt rules and regulations governing the use of the property and such rules shall be observed and obeyed by the Owners, their guests and invitees.

(g) Agents of or contractors hired by the Association may enter any Unit when necessary in connection with any maintenance, landscaping, or construction for which the Association is responsible, provided such entry shall be made with as little inconvenience to the Owners as practicable, and only upon providing prior written notice to the affected owners at least forty-eight (48) hours in advance of said scheduled entry.

(h) A Unit Owner shall give notice to the Association of every lien against his or her Unit other than permitted mortgages, taxes, and Association assessments, and of any suit or other proceeding which may affect the title to his or her Unit, within ten (10) days after the lien attaches or the Owner receives notice of such Unit.

(i) A Unit Owner shall be liable to the Association for the expense of any maintenance, repair, or replacement rendered necessary by his or her act, neglect, or carelessness, or by that of his or her family, guests, employees, or agents, which liability shall include any increase in insurance rates resulting therefrom.

3. **No Waiver.** Failure of the Association or any Owner to enforce any covenant, condition, restriction or other provision of Chapter 499B of the Code of Iowa (2001), this Declaration, the Articles of Incorporation or Bylaws of the Association, or the rules and regulations adopted pursuant thereto, shall not constitute a waiver of the right to enforce the same thereafter.

ARTICLE X

INSURANCE AND CASUALTY

1. **General Liability and Property Damage.** Comprehensive general liability and property damage insurance shall be purchased by the Board as promptly as possible following its election, and shall be maintained in force at all times, the premiums thereon to be paid by assessments. Prior to the organizational meeting, such insurance shall be procured by Original Declarant. The insurance shall be carried with reputable companies authorized to do business in the State of Iowa in such amounts as the Board may determine. The policy or policies shall name as insured all the Owners and the Association. Original Declarant shall be named as additional insured on such policy or policies until such time as Original Declarant shall have conveyed all of the Condominium Units in the Project. The policy or policies shall insure against loss arising from perils in both the common areas and the Units and shall include contractual liability coverage to protect against such liabilities as may arise under the contractual exposures of the Association, and/or the Board.

2. **Fire and Casualty.** Fire and other hazard insurance shall be purchased by the Board as promptly as possible following its election and shall thereafter be maintained in force at all times, the premiums thereon to be paid out of Association assessments. Policies shall provide for the issuance of certificates or such enforcement evidencing the insurance as may be required by the respective mortgagees. The policy, and certificates so issued, will bear a mortgage clause naming the mortgagees interested in said property. The policy or policies shall insure against loss from perils therein covered to all of the improvements in the Project, except as may be separately insured as set forth in sections 3 and 4 herein. Improvements to be covered by the Association with respect to this provision (section 2) shall include the drywall of the interior wall of each unit, including the single units, outward to the shell of each building within the condominium regime, including wiring and pipes existing within the perimeter walls, the exterior walls, studs, roofs, siding, downspouts, outdoor fixtures (e.g. light poles and flag poles), outdoor common elements (e.g. landscaping and signs) building glass, permanently installed equipment, personal property of the association used for maintenance or service of the buildings, and all common elements of the regime. Such fire and casualty policy or policies shall contain extended coverage, vandalism, and malicious mischief endorsements. The improvements to be insured under this clause shall be continually insured to value, and the policy or policies shall contain replacement cost insurance. If

reasonably available, the policy or policies shall contain a stipulated amount clause to permit a cash settlement covering specified value in the event of destruction and a decision not to rebuild. The policy or policies shall name as insured all of the Owners, the Association and Original Declarant, so long as Original Declarant is the Owner of any of the Units in the Project. The Original Declarant shall notify the insurance carrier of any change in ownership of a Unit until such time as the organizational meeting of the Unit Owners is held, at which time, it shall be the responsibility of the Association to notify the insurance carrier of a change in the ownership of any Unit. The policy or policies shall also cover personal property owned in common, and shall further contain waiver of subrogation rights by the carrier as to neglect owners.

3. Fire and Casualty on Individual Units. Except as expressly provided in this clause and in clause 4, no Owner shall separately insure his Condominium or any part thereof against loss by fire or other casualty covered by the insurance carrier under clause 2; provided, however, a Unit Owner shall secure fire and casualty coverage on the elements of said Owner's respective Unit not otherwise insured by the Association. Said individual Unit coverage shall be limited to the type of and nature of coverage often referred to as "Condominium Unit-Owners Insurance" and as otherwise set forth in section 4. Should any Owner violate this provision, any diminution in insurance proceeds resulting from the existence of such other insurance, shall be chargeable to the Owner who acquired such other insurance, who shall be liable to the Association to the extent of any such diminution and/or loss of proceeds.

4. Personal Liability and Additional Coverage on Individual Units. In addition to the fire and casualty coverage required in section 3, an owner may carry such personal liability insurance, in addition to that herein required, as he or she may desire. In addition, Unit Owners may separately insure fixtures and mechanical equipment located within a Unit such as, plumbing fixtures, electrical lighting fixtures, wiring and pipes within the Unit, interior walls, paint, carpet, cabinets, countertops, air-conditioning unit, water heater, furnace, and appliances, together with any additions or improvements to the Unit and replacements therein, as well as the personal property of the Unit Owner. Such insurance is to be limited to the type and nature of coverage often referred to as "Condominium Unit-Owners Insurance." All such insurance separately carried shall contain waiver of subrogation rights by the carrier as to negligent Owners.

5. Additional Coverage. The Board may purchase and maintain in force, at the expense of the maintenance fund, debris removal insurance, fidelity bonds, and other insurance and/or bonds that it deems necessary. The Board shall purchase and maintain workmen's compensation insurance to the extent that the same shall be required by law respecting employees of the Association. The Board shall also maintain "all risk" insurance coverage on the Project to insure against water damage and like kind of casualties.

6. **Loss Adjustment.** The Board is hereby appointed the attorney-in-fact for all Owners to negotiate loss adjustment on the Association policy or policies under clauses 1, 2, 3, and 5 above.

7. **Association as Trustee for Proceeds.** In the event of damage or destruction by fire or other casualty affecting a Unit or Units, and/or if any portion of the common area is damaged or destroyed by fire or other casualty, all insurance proceeds paid in satisfaction of claims for said loss or losses shall be segregated according to losses suffered by each Unit or Units and/or the common area, and shall be paid to the Association as trustee for the Owner or Owners and for the encumbrancer or encumbrancers, as their interest may appear. Said insurance proceeds, and the proceeds of any special assessment as hereinafter provided, whether or not subject to liens of mortgages or deeds of trust, shall be collected and disbursed by said trustee through a separate trust account on the following terms and conditions:

(a) Partial Destruction of Common Elements. If the damaged improvement is a Common Element, the Board of Directors of the Association may without further authorization contract to repair or rebuild the damaged portion of the Common Element substantially in accordance with the original plans and specifications thereof.

(b) Partial Destruction of Units and Common Elements. In the event of damage to, or destruction of, any Unit or Units with accompanying damage to the Common Elements but the total destruction or damage does not represent sixty percent (60%) or more of the Building and the cost of repairing or rebuilding said damage does not exceed the amount of available insurance proceeds for said loss by more than \$5,000.00, the Board of Directors of the Association shall immediately contract to repair or rebuild the damaged portion of the Unit or Units and the Common Elements substantially in accordance with the original plans and specifications. If the cost to repair or rebuild exceeds available insurance by \$5,000.00, then the Owners of the individual Units, by a unanimous vote of those present and entitled to vote, in person or by proxy, at a duly constituted Owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction.

(c) Total Destruction. In the event of sixty percent (60%) or more damage to, or destruction of, the Buildings by fire or other casualty, the Owners of the individual Units, by a unanimous vote of those present and entitled to vote, in person or by proxy, at a duly constituted Owner's meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether

the Board of Directors shall be authorized to proceed with repair or reconstruction, or whether said Project shall be sold; provided, however, that such determination shall be subject to the express written approval of all record owners of mortgages upon any part of the Regime.

In the event of a determination to rebuild or repair, the Board shall have prepared the necessary plans, specifications and maps and shall execute the necessary documents to effect such reconstruction or repair as promptly as practicable and in a lawful and workmanlike manner.

In the event of a determination not to rebuild, the Board shall offer the Project for sale forthwith, at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed, the net proceeds of such sale, and the proceeds, if any, of insurance carried by the Association, and/or by the Owners as a whole on the Project, including coverage on the Units and the common area, except for Unit coverages under Clause 4 of this ARTICLE XI, shall be distributed proportionately to the Unit Owners in the same proportion that the Unit in which they have an interest shares in the Common Elements, except that where there is a mortgage of record or other valid encumbrance on any one Unit then, and in that event, with respect to said Unit the Association will distribute said proceeds which would otherwise have been distributable to such Unit Owner as follows: first to the record owner of mortgages upon Units and Common Elements in the Regime in satisfaction of the balance currently due on said encumbrances and then the remaining proceeds, if any, to the Unit Owner of record.

(d) Repair or Reconstruction. In the event that the common area is repaired or reconstructed pursuant to the provisions of (a), (b), or (c) of this clause and there is any deficiency between the insurance proceeds paid for the damage to the common area and the contract price for repairing or rebuilding the common area, the Board shall levy a special assessment against each Owner in proportion to his or her percentage of ownership in the common area to make up such deficiency. If any Owner shall fail to pay said special assessment or assessments within thirty (30) days after the levy thereof, the Board shall make up the deficiency by payment from the maintenance fund, and the remaining Owners shall be entitled to the same remedies as those provided in ARTICLE VII of this Declaration, covering a default of any Owner in the payment of maintenance charges.

(e) In the event of a dispute among the Owners and/or mortgagees respecting the provisions of this clause, any such party may cause the same to be referred to arbitration in accordance with the then prevailing rules of the American Arbitration Association.

In the event of arbitration, the party requesting the arbitration will give immediate notice thereof to the Board, which shall notify all other Owners and mortgagees as promptly as possible after the reference to arbitration is made, giving all such parties an opportunity to appear at such arbitration proceedings. The decision of the arbitrator in this matter shall be final and conclusive upon all of the parties. The arbitrator may include in his or her determination an award for costs and/or attorney fees against any one or more parties to the arbitration.

8. **Abatement of Common Expenses.** The Board is authorized to provide coverage for payment of maintenance charges which are abated hereunder on behalf of an Owner whose Unit is rendered uninhabitable for a peril insured against.

9. **Review of Insurance Needs.** Insurance coverages will be analyzed by the Board, or its representative, at least every year from the date hereof and the insurance program revised accordingly.

ARTICLE XI

MORTGAGEE PROTECTIONS

1. **Right to Mortgage.** Each Unit Owner shall have the right, subject to these provisions, to grant separate Mortgages for his or her Unit together with the respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create or cause to be made or created from the date hereof any Mortgage or other lien on or affecting the Project or any part thereof, except only to the extent of his or her own Unit and the respective ownership interest in the Common Elements appurtenant thereto.

2. **Mortgagee Protections.** Notwithstanding any and all provisions hereof to the contrary, in order to induce the Federal Home Loan Mortgage Corporation to participate in the financing of the sale of the Units within and contained in the Condominium, the following provisions are added hereto (and to the extent that these added provisions conflict with any other provisions of the Declaration, these added provisions shall control):

(a) Notice to Mortgagee of Default. Each holder of a First Mortgage encumbering any Unit is entitled to written notification from the Association of any default by the Mortgagor of such Unit in

the performance of such Mortgagor's obligations under the Declaration, the Articles of Incorporation of the Association or the Bylaws of the Association, which is not cured within thirty (30) days.

(b) Rights of Mortgagees under Foreclosure. Each holder of a First Mortgage encumbering any Unit which comes into possession of such Unit pursuant to the remedies provided in such Mortgage, or by foreclosure of such Mortgage, or by Deed (or Assignment) in lieu of foreclosure of such Mortgage shall be exempt from any restriction on the sale of such Unit including, but not limited to, restrictions on the posting of signs pertaining to the sale of such Unit.

(c) Mortgages Free and Clear of Lien. Any First Mortgagee who obtains title to a Unit, pursuant to the remedies provided in the Mortgage or foreclosure of said Mortgage, will not be liable for such Unit's unpaid dues or charges which accrue prior to the acquisition of title to such Unit by the Mortgagee.

(d) Restrictions on Association. Unless at least seventy-five (75%) of the First Mortgagee's (based on one vote for each First Mortgage owned) or Owner's (other than Original Declarant) of the individual Units have given their prior written approval, the Association shall not be entitled to:

(1) By act or omission seek to abandon or terminate the Project;

(2) Change the pro rata interest or obligations of any individual Unit for the purpose of:

(i) Levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, or

(ii) Determining the pro rata share of ownership of each Unit in the Common Elements;

(iii) Partition or sub-divide any Unit;

(iv) By act or omission, seek to abandon, sub-divide, encumber, sell or transfer the Common Elements. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the

Condominium project shall not be deemed a transfer within the meaning of this clause.).

(v) Use hazard insurance proceeds for losses to any Condominium property (whether to Units or to common Elements) for other than the repair, replacement or reconstruction of such Condominium property, except as provided by statute in case of substantial loss to the Units and/or Common Elements of the Condominium Project.

(e) Mortgagee's Rights. All First Mortgagees shall have the right upon written request to examine the books, records, and financial statements of the Association or the Condominium Project at any time during normal business hours. This right of inspection shall include, but shall not be limited to, inspection of (and copies of if requested) all the Condominium Documents, audited financial statements, and other related materials. Similar inspection privileges shall be extended to prospective Mortgagees upon adequate showing of anticipated purchase of a unit and to such other persons as may be necessary to comply with the lending requirements of the Federal Home Loan Mortgage Corporation, FNMA or FHA.

(f) Maintenance Reserve Fund. The Board shall establish and fund out of regular monthly assessments a reserve fund for the periodic maintenance of the Common Elements in such amounts as the Board deems reasonable to provide for such expenses.

(g) Working Capital Reserve Fund. The Board shall establish and fund out of regular monthly assessments a reserve fund for working capital needs equal to at least two (2) month's Common Area assessments for each Unit. This fund may be dissolved by resolution of the Board at any time after one year from the date of its establishment.

(h) Notice of Damage. The Association shall give the Federal Home Loan Mortgage Corporation notice (c/o Servicer, at Servicer's address) in writing of any loss to, or taking of, a Common Element of the Condominium Project if such loss or taking exceeds Ten Thousand Dollars (\$10,000.00), or damage to a Unit covered by a Mortgage purchased in whole or in part by Federal Home Loan Mortgage Corporation exceeds One Thousand Dollars (\$1,000.00).

(i) Insurance Proceeds Upon Damage. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the Mortgagee of a Unit will be entitled to timely written notice of such damage or destruction, and no provision of this Declaration or another document establishing the Project will entitle the Unit Owner or other party to priority over such Mortgagee with respect to distribution of any insurance proceeds.

(j) Condemnation. If any Unit or portion thereof or the Common Elements or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Mortgagee of a Unit will be entitled to timely written notice of any such proceeding or proposed acquisition, and no provision of this Declaration or any other document establishing the Project shall entitle the Unit Owner or other party to priority over such Mortgagee with respect to the distribution of the proceeds of any award or settlement.

(k) Association Meetings. Any Mortgagee making a written request to do so shall be entitled to notice of all Association meetings and may designate a non-voting representative to attend all such meetings.

ARTICLE XII

TERMINATION

1. **Procedure.** The Condominium may be terminated in the following manner, in addition to the manner provided by the Horizontal Property Act:

(a) Destruction. In the event it is determined in the manner elsewhere provided that the building shall not be reconstructed because of major damage, the Condominium plan of ownership will be thereby terminated in compliance to the provisions of Section 499B.8 of the Code of Iowa (2001).

(b) Agreement. The condominium may be terminated at any time by the approval in writing of all of the Owners of the Condominium and by holders of all liens affecting any of the Units by filing an instrument to that effect, duly recorded, as provided in Section 499B.8 of the Code of Iowa (2001). It shall be the duty of every Unit Owner and his or her respective lien holder to execute and deliver such instrument and to perform all acts as in manner and form may be necessary to effect the sale of the Project when at a meeting duly convened of the Association, the Owners of 100%

of the voting power, and all record owners of mortgages upon Units in the Regime, elect to terminate and/or sell the Project.

(c) Certificate. The termination of the Condominium in either of the foregoing manners shall be evidence by a certificate of the Association executed by all members of the Association and their respective holders of all liens affecting their interest in the Condominium, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Johnson County Recorder in Iowa City, Iowa.

2. **Form of Ownership after Termination.** After termination of the Condominium, the Project will be held as follows:

(a) The property (land and improvements) shall be deemed to be owner in common by the Owners.

(b) The undivided interest in the property owned in common which shall appertain to each Unit Owner shall be the percentage of undivided interest previously owned by such Owner in the common area and facilities.

(c) Any liens affecting any of the Condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owner in that property.

(d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Common Elements; after first paying out of the respective shares of the Owners, to the extent sufficient for that purpose, all liens on the undivided interest in the property owned by each Owner.

ARTICLE XIII

AMENDMENTS AND MISCELLANEOUS

1. **Procedure.** Except as otherwise provided in this Declaration, this Declaration may be amended and such amendment shall be made in the following manner:

(a) Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered. Holders of a first mortgage

of record shall receive notice of such proposed amendment as provided in the Bylaws of the Association.

(b) Resolution. A resolution adopting a proposed amendment may be proposed by either the Board of Directors or by any member of the Association. Except as provided elsewhere, the resolution must be adopted by a majority vote of all Owners entitled to vote, in person or by proxy; provided, however, no amendment effecting a substantial change in this Declaration or the Bylaws of the Association shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

(c) Bylaws. In the case of an amendment to this Declaration by reason of an amendment to the Bylaws of the Association, then in the manner specified in such Bylaws.

(d) Execution and Recording. An amendment adopted pursuant to (b) or (c) above shall be executed by an officer specifically delegated to do so with the formalities required by Chapter 499B of the Code of Iowa (2001). Upon the recordation of such instrument in the office of the Johnson County Recorder, the same shall be effective against any persons owning an interest in a Unit or the Regime.

2. **Amendment of Ownership Interest.** No amendment shall change the percentage of ownership in the Common Elements appurtenant to a Unit, nor increase the Owner's share of the common expenses unless the record Owner of the Unit concerned and all record owners of mortgages thereon shall affirmatively join in the adoption of such amendment.

IN WITNESS WHEREOF, Declarant has executed this Declaration on the day and year above written.
