The improvements to be insured under this clause shall be continually insured to value, and the policy or policies shall contain replacement cost insurance. If reasonably available, the policy or policies shall contain a stipulated amount clause, or determinable cash adjustment clause, or similar clause to permit a cash settlement covering specified value in the event of destruction and a decision not to rebuild. The policy or policies shall name as insured all of the Owners, the Association and Declarant, so long as Declarant is the Owner of any of the Units in the Project. The Declarant shall notify the insurance carrier of any change in ownership of a Unit until such time as the organizational meeting of the Unit Owners is held, at which time it shall be the responsibility of the Association to notify the insurance carrier of a change in the ownership of any Unit. The policy or policies shall also cover personal property owned in common, and shall further contain waiver of subrogation rights by the carrier as to negligent owners.

3. Fire and Casualty on Individual Units. Except as expressly provided in this clause and in clause 4, no Owner shall separately insure his or her Condominium or any part thereof against loss by fire or other casualty covered by the insurance carrier under clause 2. Should any Owner violate this provision, any diminution in insurance proceeds resulting from the existence of such other insurance, shall be chargeable to the Owner who acquired such other insurance, who shall be liable to the Association to the extent of any such diminution and/or loss of proceeds.

4. Personal Liability on Individual Units. An Owner may carry such personal liability insurance, in addition to that herein required, as he or she may desire. In addition, such fixtures and mechanical equipment located within a Unit such as plumbing fixtures, electrical lighting fixtures, kitchen and bathroom cabinets and counter tops, air-conditioning and water heater together with additions thereto and replacements thereof, as well as the personal property of the Unit Owner, may be separately insured by such Owner, such insurance to be limited to the type and nature of coverage often referred to as "Condominium Unit-Owners Insurance". All such insurance separately carried shall contain waiver of subrogation rights by the carrier as to negligent Owners.

5. Additional Coverage. The Board may purchase and maintain in force, at the expense of the maintenance fund, debris removal insurance, fidelity bonds, and other insurance and/or bonds that it deems necessary. The Board shall purchase and maintain workmen's compensation insurance to the extent that the same shall be required by law respecting employees of the Association. The Board shall also maintain "all risk" insurance coverage on the Project to insure against water damage and like kind of casualties.

6. Loss Adjustment. The Board is hereby appointed the attorney-in-fact for all Owners to negotiate loss adjustment on the policy or policies carried under clauses 1, 2, 3, and 5 above.

7. Association as Trustee for Proceeds. In the event of damage or destruction by fire or other casualty affecting a Unit or Units, and/or if any portion of the common area is damaged or destroyed by fire or other casualty, all insurance proceeds paid in satisfaction of claims for said loss or losses shall be segregated according to losses suffered by each Unit or Units and/or the common area, and shall be paid to the Association as trustee for the Owner or Owners and for the encumbrancer or encumbrancers, as their interest may appear. Said insurance proceeds, and the proceeds of any special assessment as hereinafter provided, whether or not subject to liens of mortgages or deeds of trust, shall be collected and disbursed by said trustee through a separate trust account on the following terms and conditions:

(a) Partial Destruction of Common Elements. If the damaged improvement is a Common Element, the Board of Directors of the Association may without further authorization contract to repair or rebuild the damaged portion of the Common Element substantially in accordance with the original plans and specifications thereof.

(b) Partial Destruction of Units and Common Elements. In the event of damage to, or destruction of, any Unit or Units with accompanying damage to the Common Elements but the total destruction or damage does not represent sixty percent (60%) or more of a Building within the condominium regime and the cost of repairing or rebuilding said damaged area does not exceed the amount of available insurance proceeds for said loss by more than \$10,000.00, the Board of Directors of the Association shall immediately contract to repair or rebuild the damaged portion of the Unit or Units and the Common Elements substantially in accordance with the original plans and specifications. If the cost to repair or rebuild exceeds available insurance by \$10,000.00, then Owners of the individual Units, in the building which sustained damages, by a 75% vote of those present and

entitled to vote, in person or by proxy, at a duly constituted Owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction.

(c) Total Destruction. In the event of sixty percent (60%) or more damage to, or destruction of, a Building in the condominium regime by fire or other casualty, the Owners of the individual Units within said damaged building, by a 75% vote of those present and entitled to vote, in person or by proxy, at a duly constituted Owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction, or whether said Project shall be sold; provided, however, that such determination shall be subject to the express written approval of all record owners of mortgages upon any part of the Regime.

In the event of a determination to rebuild or repair, the Board shall have prepared the necessary plans, specifications and maps and shall execute the necessary documents to effect such reconstruction or repair as promptly as practicable and in a lawful and workmanlike manner.

In the event of a determination not to rebuild, the Board shall offer the Project for sale forthwith, at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed, the net proceeds of such sale, and the proceeds, if any, of insurance carried by the Association, and/or by the Owners as a whole on the Project, including coverage on the Units and the common area, except for Unit coverages under Clause 4 of this ARTICLE XI, shall be distributed proportionately to the Unit Owners in the same proportion that the Unit in which they have an interest shares in the Common Elements, except that where there is a mortgage of record or other valid encumbrance on any one Unit then, and in that event, with respect to said Unit the Association will distribute said proceeds which would otherwise have been distributable to such Unit Owner as follows: first to the record owner of mortgages upon Units and Common Elements in the Regime in satisfaction of the balance currently due on said encumbrances and then the remaining proceeds, if any, to the Unit Owner of record.

(d) In the event that the common area is repaired or reconstructed pursuant to the provisions of (a), (b), or (c) of this clause and there is any deficiency between the insurance proceeds paid for the damage to the common area

and the contract price for repairing or rebuilding the common area, the Board shall levy a special assessment against each Owner in proportion to his or her percentage of ownership in the common area to make up such deficiency. If any Owner shall fail to pay said special assessment or assessments within thirty (30) days after the levy thereof, the Board shall make up the deficiency by payment from the maintenance fund, and the remaining Owners shall be entitled to the same remedies as those provided in ARTICLE VII. of this Declaration, covering a default of any Owner in the payment of maintenance charges.

(e) In the event of a dispute among the Owners and/or mortgagees respecting the provisions of this clause, any such party may cause the same to be referred to arbitration in accordance with the then prevailing rules of the American Arbitration Association.

In the event of arbitration, the party requesting the arbitration will give immediate notice thereof to the Board, which shall notify all other Owners and mortgagees as promptly as possible after the reference to arbitration is made, giving all such parties an opportunity to appear at such arbitration proceedings. The decision of the arbitrator in this matter shall be final and conclusive upon all of the parties. The arbitrator may include in his or her determination an award for costs and/or attorney fees against any one or more parties to the arbitration.

8. Abatement of Common Expenses. The Board is authorized to provide coverage for payment of maintenance charges which are abated hereunder on behalf of an Owner whose Unit is rendered uninhabitable for a peril insured against.

9. Review of Insurance Needs. Insurance coverages will be analyzed by the Board, or its representative, at least every year from the date hereof and the insurance program revised accordingly.

ARTICLE XI.

TERMINATION

1. Procedure. The Condominium may be terminated in the following manner, in addition to the manner provided by the Horizontal Property Act:

(a) Destruction. In the event it is determined in the manner elsewhere provided that the Building shall not be reconstructed because of major damage, the Condominium plan of ownership will be thereby terminated in compliance to the provisions of Section 499B.8 of the Code of Iowa.

(b) Agreement. The Condominium may be terminated at any time by the approval in writing of all of the Owners of the Condominium and by holders of all liens affecting any of the Units by filing an instrument to that effect, duly recorded, as provided in Section 499B.8 of the Code of Iowa. It shall be the duty of every Unit Owner and his or her respective lien holder to execute and deliver such instrument and to perform all acts as in manner and form may be necessary to effect the sale of the Project when at a meeting duly convened of the Association, the Owners of 100% of the voting power, and all record owners of mortgages upon Units in the Regime, elect to terminate and/or sell the Project.

(c) Certificate. The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by all members of the Association and their respective holders of all liens affecting their interest in the Condominium, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Johnson County Recorder in Iowa City, Iowa.

2. Form of Ownership after Termination. After termination of the Condominium, the Project will be held as follows:

(a) The property (land and improvements) shall be deemed to be owned in common by the Owners.

(b) The undivided interest in the property owned in common which shall appertain to each Unit Owner shall be the percentage of undivided interest previously owned by such Owner in the common area and facilities.

(c) Any liens affecting any of the Condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owner in that property.

(d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Common Elements; after first paying out of the respective shares of the Owners, to the extent sufficient for that purpose, all liens on the undivided interest in the property owned by each Owner.

ARTICLE XII.

Upon the recordation of such instrument in the office of the Johnson County Recorder, the same shall be effective against any persons owning an interest in a Unit or the Regime.

(e) **Amendments.** Amendments based upon rights reserved by the Declarant to amend this Declaration do not require any supporting vote by unit owners.

2. **Amendment of Ownership Interest.** No amendment shall change the fractional ownership in the Common Elements appurtenant to a Unit, nor increase the Owner's share of the common expenses unless the record Owner of the Unit concerned and all record owners of mortgages thereon shall affirmatively join in the adoption of such amendment.

BYLAWS OF

CREEKSIDE COMMONS CONDOMINIUMS OWNERS ASSOCIATION

These are the bylaws of Creekside Commons Condominiums Owners Association (hereinafter referred to as "ASSOCIATION"), a corporation organized pursuant to Chapter 504A of the Code of Iowa, as amended, for the purpose of administering Creekside Commons Condominiums, a Horizontal Property Regime (Condominium) established pursuant to Chapter 499B of the Code of Iowa, as amended, located on certain portions of the following land in the City of North Liberty, Johnson County, Iowa:

Lot 1, Creekside Commons - Part One to North Liberty, Iowa, according to the plat thereof recorded in Book 48, Page 126, Plat Records of Johnson County, Iowa,

I. MEMBERS AND VOTING RIGHTS

1. The owners of each condominium unit shall constitute the members of the corporation and membership shall automatically cease upon termination of all interests which constitute a person an owner. Declarant shall be and have the rights of members with respect to unsold units. Whenever only one spouse is a record titleholder, the other spouse shall be considered an owner for the purpose of membership, and shall be bound by the provisions of all condominium documents including that provision in relation to the homestead exemption contained in Article VII of the declaration.

2. An owner of record shall be recognized as a member without further action for so long as he or she holds an ownership interest. If ownership is acquired but not of record, or if acquired other than by way of conveyance or other formal instrument of transfer (such as by death, judicial act or dissolution), the person acquiring or succeeding to ownership shall present the board of directors of the Association evidence satisfactory to it of facts evidencing lawful ownership status prior to exercise of any rights of membership in the Association. (Failure to provide such evidence shall not, however, relieve an Owner of his or her ownership obligations). A fiduciary or other official acting in the representative capacity shall exercise all membership rights and privileges of the owner which he or she represents.

3. If more than one person is the owner of the same unit, all such owners shall be members and remain jointly and severally liable for all membership obligations. In such cases, or if more than one fiduciary or other official is acting in the premises, the votes entitled to be cast by the owners of that unit shall be cast by the person named for that purpose on a certificate signed by all such owners or fiduciaries or other officials and filed with the secretary and such person shall be deemed to hold an ownership interest to such unit for purposes of voting and determining the representation of such ownership interest at any meeting or for purposes otherwise provided herein. If such certificate is not executed and filed with the secretary, such membership shall not be in good standing and the votes for that unit shall not be considered in considering a quorum or a vote or for any other purposes until this bylaw is complied with.

4. The owner of each unit shall be entitled to one vote on all matters to be determined by the members of the Association either as owners or as units or as contemplated by Chapter 499B of the Code of Iowa, as amended, pursuant to the declaration, including any supplements or amendments thereto, submitting the property to the regime. Votes of a single unit may not be divided.

II. MEMBERS' MEETINGS

1. The organizational meeting of the members of the Association to elect successors of the initial board of directors shall be held within fifty (50) days of the date on which the declarant has sold and given possession of all of the units within the project or such earlier time if the Declarant elects. Thereafter the annual and any special meetings shall be held at a time and at a place within Iowa City, Johnson County, Iowa, chosen by the board of directors and all such meetings, annual or special, shall be held at such particular time and place as is set forth in the notice thereof.

2. A special meeting shall be held whenever called by the president or, in his or her absence or disability, by the vice-president, or by any one member of the board of directors.

3. The secretary or his or her designate shall give written notice to each member of the annual meeting or a special meeting called pursuant to paragraph 2. hereof. Whoever requests the special meeting shall give like written notice of such special meeting. All notices shall set forth the time and place and purpose or purposes for which the meeting will be held. No action shall be taken at a special meeting which is not directly related to the purpose or purposes stated in the notice of such meeting.

4. Notice of members' meetings shall be given by mailing or delivering same not less than ten (10), nor more than thirty (30) days prior to the date of the meeting. Notice shall be deemed to be given if mailed by first class mail to the member at the address of his or her unit within the regime, unless at the time of giving such notice such member has given written direction delivered to the secretary specifying a different mailing address to be carried on the rolls of the Association. If more than one person is the owner of the same Unit or if more than one fiduciary or one official is acting in the premises, notice to such person shall be deemed to have been given, when in accordance with this paragraph to the person named in the certificate filed with the secretary in accordance with Paragraph 3 of ARTICLE I. Notice of any meeting may be waived in writing by the person entitled thereto.

5. A quorum at a members' meeting shall consist of the presence of members in person or by proxy, representing a majority of the units. The acts carried or approved by a vote of two-thirds (2/3) of the units represented at a meeting at which a quorum is present shall constitute the acts of the membership unless a different rule is provided herein or by the Articles of Incorporation, the Declaration or other agreement to which the Association is a party. The president, or, in his or her absence or disability the vice-president, shall preside at each members' meeting; if neither the president nor the vice-president is able to preside, a chairman shall be elected by the members present at such meeting.

6. At a membership meeting, a person holding a member's proxy to vote shall be permitted to cast such member's vote on all questions properly coming before such meeting, provided such proxy must be in writing and signed by a member or other person entitled to cast votes, and shall set forth the unit with respect to which such rights are pertinent, and the period in which the proxy is to be in force and effect. Decision of the board of directors as to the sufficiency of any proxy for recognition shall be final and not subject to appeal to the members.

7. At all meetings, the order of business shall consist of the following:

- (a) Election of Chairman, if required.
- (b) Calling of roll and certification of proxies.
- (c) Proof of notice of meeting or waiver of notice.

1. The affairs of the Association shall be managed by an initial board of three (3) directors. The initial board shall consist of such persons as the declarant may appoint pursuant to the declaration and need not be members of the Association. The initial board shall serve until the first annual members' meeting. From and after the first annual meeting of members, the board of directors shall be increased to five (5) and shall be selected from the members of the Association. An officer or designated agent of a partnership or corporate member shall qualify to serve as a director.

2. At the first annual members' meeting and at each meeting thereafter five (5) directors shall be elected and the term of office of each director shall extend until the next annual meeting of the members and thereafter until their successors are duly elected and qualified or until removal in the manner as elsewhere provided.

3. Each director shall be elected by ballot (unless such requirement is waived by a majority consent) and by a plurality of the votes cast at the annual meeting of the members of the Association. Each person entitled to vote shall be entitled to vote for as many nominees as there are vacancies to be filled by election and each director shall be elected by a separate ballot unless provided otherwise by a majority consent of the members.

4. Except as provided in Paragraph 5 of this ARTICLE, vacancies on the board of directors may be filled until the date of the next annual meeting by a vote of the remaining director regardless of whether those remaining constitute a quorum.

5. The initial directors shall be subject to removal only by the declarant. Thereafter, a director may be removed by concurrence of all of the members of the Association at a special meeting called for that purpose. The vacancy on the board of directors so created shall be filled by the persons entitled to vote at the same meeting.

6. The initial directors as well as any other directors appointed by the declarant shall serve without compensation. Directors elected by the members shall receive such compensation and expenses as may be approved by the persons entitled to vote at any annual or special meeting.

7. An organization meeting of a newly-elected board of directors shall be held within ten (10) days of their election at such place and time as shall be fixed by the directors at the meeting at which they were elected. No further notice of the organization meeting shall be necessary.

8. By a majority vote, the directors may set the time and place for regular meetings of the board and no notice thereof shall be required until such resolution is modified or rescinded. Special meetings of the directors may be called by the president, vice-president, or any director, provided not less than two (2) days' notice shall be given, personally or by mail, telephone, or telegraph, which notice shall state the time, place and purpose of the meeting.

9. A quorum at a directors' meeting shall consist of a majority of the total number of the members of the board of directors. The acts approved by a majority vote of those present at a meeting duly called at which a quorum is present shall constitute the acts of the entire board of directors, except where approval by a greater number of directors is required by the declaration or these bylaws.

10. The presiding officer of a director's meeting shall be the president, or in his or her absence, the vice-president.

11. The board of directors, by resolution approved by all members thereof, may designate from among its members such committees as it deems advisable and by resolution provide the extent and manner to which the same may have and exercise the authority of the board.

IV. POWERS AND DUTIES OF THE BOARD OF DIRECTORS

All of the powers and duties of the Association shall be exercised by the board of directors, including those existing under the common law and statutes, the articles of incorporation, and the documents establishing the condominium regime. Such assessment shall be due and payable from the respective unit owner or owners in twelve (12) equal installments, each installment being due and payable the first day of each calendar month, within such fiscal year. The board of directors shall have the authority to require a respective unit owner or owners to establish an automatic withdrawal from said unit owner or owners' checking or savings account for the monthly installment of the annual assessment owing by said unit owner or owners. Each respective unit owner or owners hereby consents to an auto debit feature for the payment of monthly installments of assessments if requested to do so by the board of directors of the association. In the event notice of such assessment is not timely given, the amount of such assessment will not change but the due date for each installment which would otherwise be due and payable less than thirty (30) days from the giving of such notice, shall be due and payable on the due date of the first installment which is due after thirty (30) days from the date such notice was mailed or delivered. In the event the annual assessment proves to be insufficient, the budget and assessments, therefore, may be amended at any time by the board of directors. Such amended budget may be adopted at a special directors' meeting upon an affirmative majority vote of the directors. The additional amount so budgeted shall be assessed to each unit in the same manner as assessments for the annual budget and shall be

prorated among the remaining installments due and payable in such year.

3. Assessments for common expenses for emergencies and extraordinary expenditures, which cannot be paid from the annual assessments for common expenses and maintenance funds shall be made only after notice of the need thereof to the unit owners. After such notice and upon approval in writing by persons entitled to cast more than two-thirds ($2/3$) of the votes in the condominium, the assessments shall become effective, and shall be due in such manner as the board of directors may require after thirty (30) days' notice thereof. In the event any expenditure for repair or replacement of any unit or common elements cannot be paid from annual assessments but can be at least ninety percent (90%) paid from insurance proceeds therefore, such expenditures may be made upon approval of the board of directors without approval of the members and an amended budget and assessment may be made therefore if necessary.

4. If an owner shall be in default of a payment of an installment upon an assessment, the board of directors may accelerate the remaining installments of the assessment upon notice thereof to such owner, and thereupon the unpaid balance of the assessment shall become due upon the date stated in the notice, but not less than ten (10) days after delivery thereof to such owner either personally or by registered or certified mail. Interest shall be computed and due on balances due under this paragraph but unpaid on such due date at the maximum rate of interest allowable by law from the date such balance becomes due and payable in accordance with the preceding sentence; such interest shall be in addition to any other payments for which said owner is liable.

5. The holder of a mortgage on any unit, upon its filing written request with the Association, shall be given written notice by the Association of the nonperformance of a mortgagor's obligations under these bylaws, the Declaration or other condominium documents, which is not cured within thirty (30) days.

6. All sums assessed but unpaid, including but not limited to, interest with respect to a Unit or against a unit owner shall constitute a lien on such unit prior to all other liens except:

(a) Tax liens on the unit in favor of any assessing unit and special district; and

(b) All sums unpaid on the first mortgage of record.

Said lien may be foreclosed by the Association in the manner and with the consequences provided in Section 499B.17 of the Code of Iowa, as amended, in which event the owner shall be required

to pay a reasonable rental for the unit. In the event the Association forecloses on any lien, the Owner or owners of such unit, by their membership in this Association, specifically waive any rights to delay or prevent foreclosure which he, she or they may have against the Association by reason of the homestead exemption. The Association may sue for money judgment for unpaid assessments and interest or sums due without foreclosing or waiving any lien which it holds.

7. If a mortgagee or purchaser of a unit obtains title as a result of foreclosure of a first mortgage, neither such mortgagee nor purchaser nor their successors or assigns, shall be liable for the assessments chargeable to such unit due prior to the acquisition of title, and such unpaid assessments shall thereafter be deemed to be common expenses collectible from all unit owners including the mortgagee or purchaser, and their successors and assigns. The owner of a unit pursuant to a voluntary conveyance or by inheritance or devise shall be jointly and severally liable with the grantor or prior owner for all unpaid assessments against the grantor or prior owner, but without prejudice to the right of such grantee or devisee to recover from the grantor the amounts paid therefore. The grantee or other successor in interest of an individual subject to a levy of an assessment on account of default shall be liable for any such special assessment.

8. The depository of the Association shall be such bank or banks as shall be designated from time to time by the directors and in which the moneys of the Association shall be deposited. Withdrawal of moneys from the accounts shall only be by checks signed by such persons as are authorized by the directors.

9. An audit of the accounts of the Association may be made annually by a certified public accountant and if such audit is made a copy of the report shall be furnished to each member not later than sixty (60) days after the close of the fiscal year for which the report is made.

VII. AMENDMENT

1. These Bylaws may be amended, altered, repealed or new Bylaws adopted by the members at a regular or special meeting of the members upon the affirmative vote of 75% of all votes entitled to be cast; provided, however, no amendment effecting a substantial change in these bylaws shall affect the rights of the holder of any mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

2. No amendment may be adopted at either a special or regular membership meeting not included in the notice thereof, except if notice of the proposed amendment has been given, an

amendment relative to the same subject may be adopted by those present, in person or by proxy and possession of the requisite percentage of membership and voting interests; provided further, no vote by proxy may be counted unless the proxy expressly provides for such contingency. Notice referred to herein shall be given in the manner prescribed in ARTICLE II, Section 3 of these Bylaws and shall be given to the persons described in ARTICLE II, Section 4, and the holder of any first mortgage of record which has notified the Association of its interests not more than fifty (50) days nor less than thirty (30) days before the date such meeting will be held. More than one proposed amendment may be included in the notice of a meeting.

3. To the extent provided by Section 499B.14 of the Code of Iowa, as amended, no modification nor amendment to these bylaws shall be effective unless set forth in an amendment to the Declaration of Condominium, executed and recorded in the manner set forth in the Declaration and an amendment to these bylaws shall constitute an amendment to the Declaration as provided for by law. Upon such recording, said amendment shall be effective against all persons having an interest in a unit or the regime regardless of whether said person had such interest at the time said amendment was adopted.

VIII. MISCELLANEOUS PROVISIONS

1. The invalidity of any portion or provision of these bylaws shall not affect the validity of the remaining provisions or portions hereof.

2. The Association shall not have or employ a corporate seal.

3. The board of directors may require fidelity bonds from all directors, officers, or agents handling or responsible for Association funds and the expense of such bonds shall be common expense of the Association.

4. The Association shall promulgate such rules and regulations as it deems to be in the best interest of all owners within the Regime. The initial board of directors shall adopt the initial rules and regulations which may be added to, amended, modified or altered by the affirmative vote of 75% of all of the members in the Association. Such Rules and Regulations, as amended, shall be binding upon all members, guests, and agents of members. An amendment to the rules and regulations shall not constitute an amendment to the Declaration and shall be valid and enforceable upon adoption without recording the same as an amendment to the Declaration.

5. The Association shall at all times maintain separate and accurate written records of each unit and owner and the

address of each, and setting forth the status of all assessments, accounts and funds pertinent to that unit and owner. Any person other than a unit owner may rely on a certificate made from such records by an officer or agent of the Association as to the status of all assessments and accounts.

6. Each member shall have the obligations as such member as are imposed on him or her by the Regime documents as an owner, and no member shall have any power or authority to incur a mechanic's lien or other lien effective against the Regime property except as the same may attach only against his or her interest therein.

7. The Board of Directors may, in its discretion, issue written evidence of membership, but the same shall be evidence thereof only and in no manner shall be transferable or negotiable, and the share of the member in the assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as appurtenant to such assignment, hypothecation or transfer of the unit.

8. Each owner or lessee of his or her unit, as applicable, shall have a right to use and enjoy the common elements provided that such use shall be limited to the uses permitted by the Declaration of Condominium and other governing documents of the Regime.
