3. Powers of Association. Each Owner agrees that the Association has and shall exercise all powers, rights and authority granted unto it, the Council of Co-owners, and the Owners as a group by Chapters 504A and 499B of the Code of Iowa as amended, and such as are more particularly set forth in the Condominium Documents, including but not limited to the making of assessments chargeable to Owners and the creation of a lien on Units thereof, and to acquire a Unit at foreclosure sale and to hold, lease, mortgage or convey the same. 4. Partition. All Unit Owners shall be deemed to have waived all rights of partition, if any, in connection with such acquisition.

5. Membership, Voting Rights. The members of the Association shall consist of all of the record Owners of Units. No diminution or abatement of common expense assessments shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements of the Common Elements or from any action taken to comply with any law, ordinance or orders of a governmental authority.

10. Indemnification of Directors and Officers. Every director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon him or her in connection with any proceeding to which he or she may be a party, or in which he or she may become involved, by reason of his or her being or having been a director or officer of the Association, or any settlement thereof, whether or not he or she is a director or officer at the time such expenses are incurred, except in such cases wherein the director or officer is adjudged guilty of willful misfeasance or malfeasance in the performance of his or her duties; provided that in the event of a settlement the indemnification herein shall apply only when the Board of Directors approves such settlement and reimbursement as being in the best interests of the Association. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer may be entitled.

(h) A Unit Owner shall give notice to the Association of every lien against his or her Unit other than permitted mortgages, taxes, and Association assessments, and of any suit or other proceeding which may affect the title to his or her Unit, within ten (10) days after the lien attaches or the Owner receives notice of such suit.

(i) A Unit Owner shall be liable to the Association for the expense of any maintenance, repair, or replacement rendered necessary by his or her act, neglect, or carelessness, or by that of his or her family, guests, employees, agents or lessees, which liability shall include any increase in insurance rates resulting therefrom.

3. **No Waiver.** Failure of the Association or any Owner to enforce any covenant, condition, restriction or other provision of Chapter 499B of the Code of Iowa, this Declaration, the Articles

of Incorporation or bylaws of the Association, or the rules and regulations adopted pursuant thereto, shall not constitute a waiver of the right to enforce the same thereafter.

ARTICLE X.

INSURANCE AND CASUALTY

1. General Liability and Property Damage. Comprehensive general liability and property damage insurance shall be purchased by the Board as promptly as possible following its election, and shall be maintained in force at all times, the premiums thereon to be paid by assessments. Prior to the organizational meeting, such insurance shall be procured by Declarant. The insurance shall be carried with reputable companies authorized to do business in the State of Iowa in such amounts as the Board may determine. The policy or policies shall name as insured all the Owners and the Association. Declarant shall be named as an additional insured on such policy or policies until such time as Declarant shall have conveyed all of the Condominium Units in the Project. The policy or policies shall insure against loss arising from perils in both the common areas and the Units and shall include contractual liability coverage to protect against such liabilities as may arise under the contractual exposures of the Association, and/or the Board.

2. Fire and Casualty. Fire and other hazard insurance shall be purchased by the Board as promptly as possible following its election and shall thereafter be maintained in force at all times, the premiums thereon to be paid out of Association assessments. Policies shall provide for the issuance of certificates or such endorsement evidencing the insurance as may be required by the respective mortgagees. The policy, and certificates so issued, will bear a mortgage clause naming the mortgagees interested in said property. The policy or policies shall insure against loss from perils therein covered to all of the improvements in the Project, except as may be separately insured. Such policy or policies shall contain extended coverage, vandalism, and malicious mischief endorsements. The improvements to be insured under this clause shall be continually insured to value, and the policy or policies shall contain replacement cost insurance. If reasonably available, the policy or policies shall contain a stipulated amount clause, or determinable cash adjustment clause, or similar clause to permit a cash settlement covering specified value in the event of destruction and a decision not to rebuild. The policy or policies shall name as insured all of the Owners, the Association and Declarant, so long as Declarant is the Owner of any of the Units in the Project. The

Declarant shall notify the insurance carrier of any change in ownership of a Unit until such time as the organizational meeting of the Unit Owners is held, at which time it shall be the responsibility of the Association to notify the insurance carrier of a change in the ownership of any Unit. The policy or policies shall also cover personal property owned in common, and shall further contain waiver of subrogation rights by the carrier as to negligent owners.

3. Fire and Casualty on Individual Units. Except as expressly provided in this clause and in clause 4, no Owner shall separately insure his or her Condominium or any part thereof against loss by fire or other casualty covered by the insurance carrier under clause 2. Should any Owner violate this provision, any diminution in insurance proceeds resulting from the existence of such other insurance, shall be chargeable to the Owner who acquired such other insurance, who shall be liable to the Association to the extent of any such diminution and/or loss of proceeds.

4. Personal Liability on Individual Units. An Owner may carry such personal liability insurance, in addition to that herein required, as he or she may desire. In addition, such fixtures and mechanical equipment located within a Unit such as plumbing fixtures, electrical lighting fixtures, kitchen and bathroom cabinets and counter tops, air-conditioning and water heater together with additions thereto and replacements thereof, as well as the personal property of the Unit Owner, may be separately insured by such Owner, such insurance to be limited to the type and nature of coverage often referred to as "Condominium Unit-Owners Insurance". All such insurance separately carried shall contain waiver of subrogation rights by the carrier as to negligent Owners.

5. Additional Coverage. The Board may purchase and maintain in force, at the expense of the maintenance fund, debris removal insurance, fidelity bonds, and other insurance and/or bonds that it deems necessary. The Board shall purchase and maintain workmen's compensation insurance to the extent that the same shall be required by law respecting employees of the Association. The Board shall also maintain "all risk" insurance coverage on the Project to insure against water damage and like kind of casualties.

6. Loss Adjustment. The Board is hereby appointed the attorney-in-fact for all Owners to negotiate loss adjustment on the policy or policies carried under clauses 1, 2, 3, and 5 above.

7. Association as Trustee for Proceeds. In the event of damage or destruction by fire or other casualty affecting a Unit or Units, and/or if any portion of the common area is damaged or destroyed by fire or other casualty, all insurance proceeds paid in satisfaction of claims for said loss or losses shall be segregated according to losses suffered by each Unit or Units and/or the common area, and shall be paid to the Association as trustee for the Owner or Owners and for the encumbrancer or encumbrancers, as their interest may appear. Said insurance proceeds, and the proceeds of any special assessment as hereinafter provided, whether or not subject to liens of mortgages or deeds of trust, shall be collected and disbursed by said trustee through a separate trust account on the following terms and conditions:

(a) Partial Destruction of Common Elements. If the damaged improvement is a Common Element, the Board of Directors of the Association may without further authorization contract to repair or rebuild the damaged portion of the Common Element substantially in accordance with the original plans and specifications thereof.

(b) Partial or Total Destruction of Units and Common Elements. In the event of damage to, or destruction of, any Unit or Units with accompanying damage to the Common Elements, whether the same represents a partial or total destruction, the Board of Directors of the Association shall immediately contract to repair or rebuild the damaged portion of the Unit or Units, excluding fixtures, personal property and other similar items covered by the owner's insurance, and the Common Elements substantially in accordance with the original plans and specifications.

In the event of a determination to rebuild the Board shall prepare the necessary plans, specifications, drawings and other documents as are necessary to affect such reconstruction, replace or repair as promptly as practicable and in a lawful and workmanlike manner.

In the event that the common area and/or individual units are to be repaired or reconstructed pursuant to this clause and there is any deficiency between the insurance proceeds paid for the damages to the common areas and units and the contract price for repairing or rebuilding the same, the Board shall levy a special assessment against each Unit Owner in the entire condominium regime based upon the fractional share of said unit's expenses as defined in ARTICLE III, 3 of the Declaration. If an Owner shall fail to pay said special assessments within sixty (60) days after the levy thereof, the Board shall make up the deficiency by payment from the maintenance fund, and the remaining of said Owners shall be entitled to the same remedies as those

provided in ARTICLE VII of this Declaration, covering a default of any Owner in the payment of maintenance charges.

(c) In the event of a dispute among the Owners and/or mortgagees respecting the provisions of this clause, any such party may cause the same to be referred to arbitration in accordance with the then prevailing rules of the American Arbitration Association.

In the event of arbitration, the party requesting the arbitration will give immediate notice thereof to the Board, which shall notify all other Owners and mortgagees as promptly as possible after the reference to arbitration is made, giving all such parties an opportunity to appear at such arbitration proceedings. The decision of the arbitrator in this matter shall be final and conclusive upon all of the parties. The arbitrator may include in his or her determination an award for costs and/or attorney fees against any one or more parties to the arbitration.

8. Abatement of Common Expenses. The Board is authorized to provide coverage for payment of maintenance charges which are abated hereunder on behalf of an Owner whose Unit is rendered uninhabitable for a peril insured against.

9. Review of Insurance Needs. Insurance coverages will be analyzed by the Board, or its representative, at least every year from the date hereof and the insurance program revised accordingly.

ARTICLE XI.

TERMINATION

1. Procedure. The Condominium may be terminated in the following manner, in addition to the manner provided by the Horizontal Property Act:

(a) Destruction. In the event it is determined in the manner elsewhere provided that the Building shall not be reconstructed because of major damage, the Condominium plan of ownership will be thereby terminated in compliance to the provisions of Section 499B.8 of the Code of Iowa.

(b) Agreement. The Condominium may be terminated at any time by the approval in writing of all of the Owners of the Condominium and by holders of all liens affecting any of the Units by filing an instrument to that effect, duly

recorded, as provided in Section 499B.8 of the Code of Iowa. It shall be the duty of every Unit Owner and his or her respective lien holder to execute and deliver such instrument and to perform all acts as in manner and form may be necessary to effect the sale of the Project when at a meeting duly convened of the Association, the Owners of 100% of the voting power, and all record owners of mortgages upon Units in the Regime, elect to terminate and/or sell the Project.

(c) Certificate. The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by all members of the Association and their respective holders of all liens affecting their interest in the Condominium, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Johnson County Recorder in Iowa City, Iowa.

2. Form of Ownership after Termination. After termination of the Condominium, the Project will be held as follows:

(a) The property (land and improvements) shall be deemed to be owned in common by the Owners.

(b) The undivided interest in the property owned in common which shall appertain to each Unit Owner shall be the percentage of undivided interest previously owned by such Owner in the common area and facilities.

(c) Any liens affecting any of the Condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owner in that property.

(d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Common Elements; after first paying out of the respective shares of the Owners, to the extent sufficient for that purpose, all liens on the undivided interest in the property owned by each Owner.

ARTICLE XII.

AMENDMENTS AND MISCELLANEOUS

1. Procedure. Except as otherwise provided in this Declaration, this Declaration may be amended and such amendment shall be made in the following manner:

(a) Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered. Holders of a first mortgage of record shall receive notice of such proposed amendment as provided in the bylaws of the Association.

(b) Resolution. A resolution adopting a proposed amendment may be proposed by either the Board of Directors or by any member of the Association. Except as provided elsewhere, the resolution must be adopted by a unanimous vote of all Owners entitled to vote, in person or by proxy; provided, however, no amendment effecting a substantial change in this Declaration or the bylaws of the Association shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

(c) Bylaws. In the case of an amendment to this Declaration by reason of an amendment to the bylaws of the Association, then in the manner specified in such bylaws.

(d) Execution and Recording. An amendment adopted pursuant to (b) or (c) above shall be executed by an officer specifically delegated to do so with the formalities required by Chapter 499B of the Code of Iowa. Upon the recordation of such instrument in the office of the Johnson County Recorder, the same shall be effective against any persons owning an interest in a Unit or the Regime.

2. Amendment of Ownership Interest. No amendment shall change the percentage of ownership in the Common Elements appurtenant to a Unit, nor increase the Owner's share of the common expenses unless the record Owner of the Unit concerned and all record owners of mortgages thereon shall affirmatively join in the adoption of such amendment.

IN WITNESS WHEREOF, Declarant has executed this Declaration the day and year first above written.

**BYLAWS
OF**

**GRANT VIEW ESTATES TOWNHOMES
OWNERS ASSOCIATION**

These are the bylaws of Grant View Estates Townhomes Owners Association (hereinafter referred to as "ASSOCIATION"), a corporation organized pursuant to Chapter 504A of the Code of Iowa, as amended, for the purpose of administering Grant View Estates Townhomes, a Horizontal Property Regime (Condominium) established pursuant to Chapter 499B of the Code of Iowa, as amended, located on certain portions of the following land in the City of Iowa City, Johnson County, Iowa:

Lot 48, Dovetail Estates, Part 3 to
Coralville, Johnson County, Iowa,
according the recorded plat
thereof.

I. MEMBERS AND VOTING RIGHTS

1. The owners of each condominium unit shall constitute the members of the corporation and membership shall automatically cease upon termination of all interests which constitute a person an owner. Declarant shall be and have the rights of members with respect to unsold units. Whenever only one spouse is a record titleholder, the other spouse shall be considered an owner for the purpose of membership, and shall be bound by the provisions of all condominium documents including that provision in relation to the homestead exemption contained in Article VII of the declaration.

2. An owner of record shall be recognized as a member without further action for so long as he or she holds an ownership interest. If ownership is acquired but not of record, or if acquired other than by way of conveyance or other formal instrument of transfer (such as by death, judicial act or dissolution), the person acquiring or succeeding to ownership shall present the board of directors of the Association evidence satisfactory to it of facts evidencing lawful ownership status prior to exercise of any rights of membership in the Association. (Failure to provide such evidence shall not, however, relieve an Owner of his or her ownership obligations). A fiduciary or other official acting in the representative capacity shall exercise all membership rights and privileges of the owner which he or she represents.

BOOK 2408 PAGE 260

3. If more than one person is the owner of the same unit, all such owners shall be members and remain jointly and severally liable for all membership obligations. In such cases, or if more than one fiduciary or other official is acting in the premises, the votes entitled to be cast by the owners of that unit shall be cast by the person named for that purpose on a certificate signed by all such owners or fiduciaries or other officials and filed with the secretary and such person shall be deemed to hold an ownership interest to such unit for purposes of voting and determining the representation of such ownership interest at any meeting or for purposes otherwise provided herein. If such certificate is not executed and filed with the secretary, such membership shall not be in good standing and the votes for that unit shall not be considered in considering a quorum or a vote or for any other purposes until this bylaw is complied with.

4. The owner of each unit shall be entitled to one vote on all matters to be determined by the members of the Association either as owners or as units or as contemplated by Chapter 499B of the Code of Iowa, as amended, pursuant to the declaration, including any supplements or amendments thereto, submitting the property to the regime. Votes of a single unit may not be divided.

II. MEMBERS' MEETINGS

1. The organizational meeting of the members of the Association to elect successors of the initial board of directors shall be held within fifty (50) days of the date on which the declarant has sold and given possession of 26 of the units within the project; provided, however, that the declarant may declare an organizational meeting thereto at its discretion. Thereafter the annual and any special meetings shall be held at a time and at a place within Iowa City, Johnson County, Iowa, chosen by the board of directors and all such meetings, annual or special, shall be held at such particular time and place as is set forth in the notice thereof.

2. A special meeting shall be held whenever called by the president or, in his or her absence or disability, by the vice-president, or by any one member of the board of directors.

3. The secretary or his or her designate shall give written notice to each member of the annual meeting or a special meeting called pursuant to paragraph 2. hereof. Whoever requests the special meeting shall give like written notice of such special meeting. All notices shall set forth the time and place and purpose or purposes for which the meeting will be held. No action shall be taken at a special meeting which is not directly related to the purpose or purposes stated in the notice of such meeting.

4. Notice of members' meetings shall be given by mailing or delivering same not less than ten (10), nor more than thirty (30) days prior to the date of the meeting. Notice shall be deemed to be given if mailed by first class mail to the member at the address of his or her unit within the regime, unless at the time of giving such notice such member has given written direction delivered to the secretary specifying a different mailing address to be carried on the rolls of the Association. If more than one person is the owner of the same Unit or if more than one fiduciary or one official is acting in the premises, notice to such person shall be deemed to have been given, when in accordance with this paragraph to the person named in the certificate filed with the secretary in accordance with Paragraph 3 of ARTICLE I. Notice of any meeting may be waived in writing by the person entitled thereto.

5. A quorum at a members' meeting shall consist of the presence of members in person or by proxy, representing all of the units. The acts carried or approved by a vote of all of the units represented at a meeting at which a quorum is present shall constitute the acts of the membership unless a different rule is provided herein or by the articles of incorporation, the declaration or other agreement to which the Association is a party. The president, or, in his or her absence or disability the vice-president, shall preside at each members' meeting; if neither the president nor the vice-president is able to preside, a chairman shall be elected by the members present at such meeting.

6. At a membership meeting, a person holding a member's proxy to vote shall be permitted to cast such member's vote on all questions properly coming before such meeting, provided such proxy must be in writing and signed by a member or other person entitled to cast votes, and shall set forth the unit with respect to which such rights are pertinent, and the period in which the proxy is to be in force and effect. Decision of the board of directors as to the sufficiency of any proxy for recognition shall be final and not subject to appeal to the members.

III. BOARD OF DIRECTORS

1. The affairs of the Association shall be managed by an initial board of two directors. The initial board shall consist of such persons as the declarant may appoint pursuant to the declaration and need not be members of the Association. The initial board shall serve until the first annual members' meeting. From and after the first annual meeting of members, the board of directors shall be selected from the members of the Association. An officer or designated agent of a partnership or corporate member shall qualify to serve as a director.

2. At the first annual members' meeting and at each meeting thereafter five directors shall be elected and the term of office of each director shall extend until the next annual meeting of the members and thereafter until their successors are duly elected and qualified or until removal in the manner as elsewhere provided.

3. Each director shall be elected by ballot (unless such requirement is waived by unanimous consent) and by a plurality of the votes cast at the annual meeting of the members of the Association. Each person entitled to vote shall be entitled to vote for as many nominees as there are vacancies to be filled by election and each director shall be elected by a separate ballot unless provided otherwise by unanimous consent of the members.

4. Except as provided in Paragraph 5 of this ARTICLE, vacancies on the board of directors may be filled until the date of the next annual meeting by a vote of the remaining director regardless of whether those remaining constitute a quorum.

5. The initial directors shall be subject to removal only by the declarant. Thereafter, a director may be removed by concurrence of all of the members of the Association at a special meeting called for that purpose. The vacancy on the board of directors so created shall be filled by the persons entitled to vote at the same meeting.

6. The initial directors as well as any other directors appointed by the declarant shall serve without compensation. Directors elected by the members shall receive such compensation and expenses as may be approved by the persons entitled to vote at any annual or special meeting.

7. An organization meeting of a newly-elected board of directors shall be held within ten (10) days of their election at such place and time as shall be fixed by the directors at the meeting at which they were elected. No further notice of the organization meeting shall be necessary.

9. A quorum at a directors' meeting shall consist of the entire board of directors. The acts approved by unanimous vote of those present at a meeting duly called at which a quorum is present shall constitute the acts of the entire board of directors, except where approval by a greater number of directors is required by the declaration or these bylaws.

10. The presiding officer of a director's meeting shall be the president, or in his or her absence, the vice-president.

11. The board of directors, by resolution approved by all members thereof, may designate from among its members such committees as it deems advisable and by resolution provide the extent and manner to which the same may have and exercise the authority of the board.

2. The board of directors shall assess against each unit and the owners thereof shall be liable for, a share of the items in the budget adopted pursuant to paragraph 1. equal to such unit's pro rata share of common expenses as set forth in the Declaration. Such share shall be assessed annually in advance for the fiscal year for which the budget was prepared, and notice of such assessments shall be mailed or delivered not less than thirty (30) days prior to the first day of such fiscal year. Such assessment shall be due and payable from the respective unit owner or owners in twelve (12) equal installments, each installment being due and payable the first day of each calendar month, within such fiscal year. In the event notice of such assessment is not timely given, the amount of such assessment will not change but the due date for each installment which would otherwise be due and payable less than thirty (30) days from the giving of such notice, shall be due and payable on the due date of the first installment which is due after thirty (30) days from the date such notice was mailed or delivered. In the event the annual assessment proves to be insufficient, the budget and assessments, therefore, may be amended at any time by the board of directors. Such amended budget may be adopted at a special directors' meeting upon an affirmative unanimous vote of the directors. The additional amount so budgeted shall be assessed to each unit in the same manner as assessments for the annual budget and shall be prorated among the remaining installments due and payable in such year.

3. Assessments for common expenses for emergencies and extraordinary expenditures, which cannot be paid from the annual assessments for common expenses and maintenance funds shall be made only after notice of the need thereof to the unit owners. After such notice and upon approval in writing by persons entitled to cast more than one-half (1/2) of the votes in the condominium, the assessments shall become effective, and shall be due in such manner as the board of directors may require after thirty (30) days' notice thereof. In the event any expenditure for repair or

replacement of any unit or common elements cannot be paid from annual assessments but can be at least ninety percent (90%) paid from insurance proceeds therefor, such expenditures may be made upon approval of the board of directors without approval of the members and an amended budget and assessment may be made therefor if necessary.

4. If an owner shall be in default of a payment of an installment upon an assessment, the board of directors may accelerate the remaining installments of the assessment upon notice thereof to such owner, and thereupon the unpaid balance of the assessment shall become due upon the date stated in the notice, but not less than ten (10) days after delivery thereof to such owner either personally or by registered or certified mail. Interest shall be computed and due on balances due under this paragraph but unpaid on such due date at the maximum rate of interest allowable by law from the date such balance becomes due and payable in accordance with the preceding sentence; such interest shall be in addition to any other payments for which said owner is liable.

5. The holder of a mortgage on any unit, upon its filing written request with the Association, shall be given written notice by the Association of the nonperformance of a mortgagor's obligations under these bylaws, the Declaration or other condominium documents, which is not cured within thirty (30) days.

6. All sums assessed but unpaid, including but not limited to, interest with respect to a Unit or against a unit owner shall constitute a lien on such unit prior to all other liens except:

(a) Tax liens on the unit in favor of any assessing unit and special district; and

(b) All sums unpaid on the first mortgage of record.

Said lien may be foreclosed by the Association in the manner and with the consequences provided in Section 499B.17 of the Code of Iowa, as amended, in which event the owner shall be required to pay a reasonable rental for the unit. In the event the Association forecloses on any lien, the Owner or owners of such unit, by their membership in this Association, specifically waive any rights to delay or prevent foreclosure which he, she or they may have against the Association by reason of the homestead exemption. The Association may sue for money judgment for unpaid assessments and interest or sums due without foreclosing or waiving any lien which it holds.

7. If a mortgagee or purchaser of a unit obtains title as a result of foreclosure of a first mortgage, neither such mortgagee

nor purchaser nor their successors or assigns, shall be liable for the assessments chargeable to such unit due prior to the acquisition of title, and such unpaid assessments shall thereafter be deemed to be common expenses collectible from all unit owners including the mortgagee or purchaser, and their successors and assigns. The owner of a unit pursuant to a voluntary conveyance or by inheritance or devise shall be jointly and severally liable with the grantor or prior owner for all unpaid assessments against the grantor or prior owner, but without prejudice to the right of such grantee or devisee to recover from the grantor the amounts paid therefor. The grantee or other successor in interest of an individual subject to a levy of an assessment on account of default shall be liable for any such special assessment.

8. The depository of the Association shall be such bank or banks as shall be designated from time to time by the directors and in which the moneys of the Association shall be deposited. Withdrawal of moneys from the accounts shall only be by checks signed by such persons as are authorized by the directors.

9. An audit of the accounts of the Association may be made annually by a certified public accountant and if such audit is made a copy of the report shall be furnished to each member not later than sixty (60) days after the close of the fiscal year for which the report is made.

VII. AMENDMENT

1. These bylaws may be amended, altered, repealed or new bylaws adopted by the declarant until such time as the first organization meeting of the members is held and thereafter by two-thirds affirmative vote of all votes entitled to be cast; provided, however, no amendment effecting a substantial change in these bylaws shall affect the rights of the holder of any mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

2. No amendment may be adopted at either a special or regular membership meeting not included in the notice thereof, except if notice of the proposed amendment has been given, an amendment relative to the same subject may be adopted by those present, in person or by proxy and possession of the requisite percentage of membership and voting interests; provided further, no vote by proxy may be counted unless the proxy expressly provides for such contingency. Notice referred to herein shall be given in the manner prescribed in ARTICLE II, Section 3 of these bylaws and shall be given to the persons described in ARTICLE II, Section 4, and the holder of any first mortgage of record which has notified the Association of its interests not more than fifty (50) days nor less than thirty (30) days before the date such

meeting will be held. More than one proposed amendment may be included in the notice of a meeting.

3. To the extent provided by Section 499B.14 of the Code of Iowa, as amended, no modification nor amendment to these bylaws shall be effective unless set forth in an amendment to the Declaration of Condominium, executed and recorded in the manner set forth in the Declaration and an amendment to these bylaws shall constitute an amendment to the Declaration as provided for by law. Upon such recording, said amendment shall be effective against all persons having an interest in a unit or the regime regardless of whether said person had such interest at the time said amendment was adopted.

VIII. MISCELLANEOUS PROVISIONS

1. The invalidity of any portion or provision of these bylaws shall not affect the validity of the remaining provisions or portions hereof.

2. The Association shall not have or employ a corporate seal.

3. The board of directors may require fidelity bonds from all directors, officers, or agents handling or responsible for Association funds and the expense of such bonds shall be common expense of the Association.

4. The Association shall promulgate such rules and regulations as it deems to be in the best interest of all owners within the Regime. The initial board of directors shall adopt the initial rules and regulations which may be added to, amended, modified or altered by the unanimous affirmative vote of all of the members in the Association. Such Rules and Regulations, as amended, shall be binding upon all members, guests, and agents of members. An amendment to the rules and regulations shall not constitute an amendment to the Declaration and shall be valid and enforceable upon adoption without recording the same as an amendment to the Declaration.

5. The Association shall at all times maintain separate and accurate written records of each unit and owner and the address of each, and setting forth the status of all assessments, accounts and funds pertinent to that unit and owner. Any person other than a unit owner may rely on a certificate made from such records by an officer or agent of the Association as to the status of all assessments and accounts.

6. Each member shall have the obligations as such member as are imposed on him or her by the Regime documents as an owner, and no member shall have any power or authority to incur a mechanic's

BOOK 2408 PAGE 270

lien or other lien effective against the Regime property except as the same may attach only against his or her interest therein.

7. The Board of Directors may, in its discretion, issue written evidence of membership, but the same shall be evidence thereof only and in no manner shall be transferable or negotiable, and the share of the member in the assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as appurtenant to such assignment, hypothecation or transfer of the unit.

8. Each owner or lessee of his or her unit, as applicable, shall have a right to use and enjoy the common elements provided that such use shall be limited to the uses permitted by the Declaration of Condominium and other governing documents of the Regime.

9. Since the number of directors and unit owners is limited to two (2), and unanimous vote is required on all issues, and since a quorum is defined as "both of the directors or both of the unit owners, a majority of the directors or of the Association," it is apparent that deadlocks may occur in the voting on any of the matters requiring action by either the Association or its directors. Furthermore, since a quorum consists of all members who must be present, it is possible for one member to refuse to attend the meeting and bring the Association or the directors into a position where they are unable to act. In the event after two (2) notices by any unit owner to the other of the time and place for a meeting of the Association or of the directors, and the failure of said unit owner to attend said meeting, thereby preventing a quorum, any issue to be brought before that meeting may be submitted to arbitration as may any other matter on which there is actually a deadlock vote. The arbitration shall be performed consistent with the procedures set forth in ARTICLE X, 7, (e) of the Declaration of Condominium herein.

IX. DEFINITIONS

Unless the context otherwise requires, the terms used herein shall have the meanings stated in the Horizontal Property Act, and as follows:

2. **Owner.** The term "owner" for the purposes of these bylaws shall mean any person who owns or holds for himself or herself an interest in one or more units subject to the Regime; provided that the holder of a leasehold interest in a Unit shall not be an owner; and further provided that the holder of an equitable interest shall be an owner.

3. Unit. The term "unit" means each unit subjected to the Regime of one or more rooms intended for use as a residence.

4. Common Expenses. The term "common expenses" shall include:

(c) Any valid charge against the Regime as a whole.

5. Singular, plural and gender. Whenever the context so permits or requires, the use of the singular shall include the plural, the plural the singular, and the use of any gender shall include all genders.

ENGINEER'S CERTIFICATE

STATE OF IOWA)
) SS:
COUNTY OF JOHNSON)

I, _____, being first duly sworn, do upon oath depose and state that I am a Registered Professional Engineer authorized and licensed to practice my profession in the State of Iowa. My Iowa Registration Number is _____.

I have examined the building plans and site plan filed with the Declaration of Condominium known as the Grant View Estates Townhomes Condominiums Declaration and that the same diagrammatically represent, insofar as reasonably possible by use of non-destructive measurement techniques, the building and common elements and limited common elements that the declarant has, in fact, constructed on the real estate described in said Declaration. Said building plans are in sufficient engineering detail to the allow the dwelling structure to rebuilt in precisely the same location in event the same is completely destroyed by fire or other casualty.
