An additional Building containing 24 residential Units may be constructed hereafter. Nonetheless, this Declaration shall apply to and be binding upon all Buildings and all forty-eight Units subject to the special provisions in this Article.

As each Building is constructed, the Declarant shall construct the required land improvements for the units contained within the respective building including, but not limited to, sidewalks, driveways, parking areas, signage, mail boxes, and landscaping as may be required by the City of Iowa City, Iowa, for obtaining a certificate of occupancy for each Building as it is constructed and completed.

Until such time as the certificate of occupancy is issued, the Declarant shall retain sole responsibility for all expenses associated with incomplete Units and the Limited Common Elements adjacent thereto. After the certificate of occupancy is issued for a Building, the Board of Directors for the Association shall assess and collect fees from the Owners of the Units in said Building with all such Owners in completed Buildings sharing the common expenses on a prorata basis. Therefore, Declarant reserves the right to file an amended Exhibit "A" at such time as the certificate of occupancy is issued for the second building without the consent of any other Unit owner. However, Declarant reserves the right to file amended Building plans for said Building in the event that the actual construction deviates from the Declarant's intentions. Declarant also reserves the right to file an amended Exhibit "B" to show the correct location of said Building and such amended exhibits need not be approved by the Owners of any Condominium Units within the regime.

(c) Further, because none of the Buildings have been completed and occupancy certificates issued at the time of the filing of this Declaration, the Declarant reserves the right to complete all Buildings in the Condominium regime according to the plans marked Exhibit "C" and may deviate from the plans as long as each Condominium Unit is substantially the quality as the Units shown on Exhibit "C" herein. Declarant reserves the right to construct up to a total of forty-eight (48) residential Units within the Hickory Grove Condominiums in two twenty-four (24) residential Unit Buildings and may file amended plans (Exhibit "C") after construction of each respective Building has been completed, all without obtaining the approval of any Owners of Units in this Condominium regime. In the same regard, Declarant reserves the right to file an amended Exhibit "B" to show correct locations of any new Buildings as they are constructed.

(d) Further, because at the time of the filing of this Declaration, the additional Buildings and/or improvements have not yet been fully planned or constructed, the Declarant reserves the right to construct said Building and/or improvements in a location and manner consistent with the overall appearance and integrity of the Project. (b) No activity shall be allowed which unduly interferes with the peaceful possession and use of the property by the Unit Owners nor shall any fire hazard or unsightly accumulation of refuse be allowed.

(c) Nothing shall be done or kept in any Unit or in the common area which will increase the rate of insurance on the common area, without the prior written consent of the Association. No Owner shall permit anything to be done or kept in his Unit, parking space or in the common area which will result in the cancellation of insurance on any Unit or any part of the common area, or which would be in violation of any law.

(d) No Unit Owner shall be permitted to erect a TV antenna, satellite dish, or any other fixture, item or appurtenance on any Building roof, balcony, exterior wall or the like.

(e) The Association shall have the authority to adopt rules and regulations governing the use of the property and such rules shall be observed and obeyed by the Owners, their guests and licensees. Initial rules and regulations are marked Exhibit "F" and attached to this Declaration.

(f) No parking of any vehicles shall be allowed except on designated driveways, parking areas and parking spaces.

(g) Agents of or contractors hired by the Association may enter any Unit when necessary in connection with any maintenance, landscaping, or construction for which the Association is responsible, providing such entry shall be made with as little inconvenience to the Owners as practicable.

(h) A Unit Owner shall give notice to the Association of every lien against his/her Unit other than permitted mortgages, taxes and Association assessments, and of any suit or other proceeding which may affect the title to his/her Unit within ten (10) days after the lien attaches or the Owner receives notice of such suit.

(i) A Unit Owner shall be liable to the Association for the expense of any maintenance, repair or replacement rendered necessary by his/her act, neglect, or carelessness, or by that of his/her family, guests, employees, agents or lessees which liability shall include any increase in insurance rates resulting therefrom.

(j) No animals shall be allowed or kept within any Unit or on any of the general or Limited Common Elements of the Project unless approved by the Board of Directors for the Association under the following terms and conditions:

(i) Dogs shall only be allowed in Owner-occupied Units within the Condominium regime and not within any Units which are being rented.

(ii) No dog shall be allowed within Owner-occupied Units until written approval has been provided by the Board of Directors for the Association. The Board of Directors may delegate the authority to grant approval to a manager hired by the Board.

(iii) No dog shall be allowed that weighs more than thirty-five (35) pounds when mature or that displays any traits or behavior that would, within the sole discretion of the Board of Directors, cause any disruption to the harmonious, peaceful environment within the Condominium regime.

(iv) No more than one (1) dog per Owner-occupied Unit shall be allowed.

(v) If any dog, after being approved, is found to be a nuisance or to violate any of the terms and conditions provided herein, within the sole discretion of the Board of Directors, the Board of Directors shall have authority to immediately remove said dog from the Condominium regime.

(vi) Approved dogs may be walked on a leash within the General Common Elements of the Condominium premises but may not be tethered or kept untended on the

general or Limited Common Elements of the Project. Except when being walked on the General Common Elements, approved dogs shall be kept within the Owner's Condominium Unit.

(vii) Owner-occupied Units may have two (2) cats, but not both a dog and one or more cats, as long as the cat is confined to the Unit and is not a nuisance or does not detract from the peaceful enjoyment of the Condominium premises by all other occupants. The Board of Directors shall have the sole discretion to determine whether a cat should be allowed to remain within the Condominium premises.

(viii) The Owner of any approved dog shall be responsible for cleaning and removing any and all messes made by the dog immediately and failure to do so shall result in the removal of the dog from the Condominium premises.

(ix) The Board of Directors shall have authority to make additional rules and regulations governing animals within the Condominium regime except that any changes to the above provisions relative to dogs and cats can only be made with majority approval of all members in the Homeowner's Association.

3. Lease of Unit. A Condominium may be rented or leased by the Owner or his lessee provided the entire Unit is rented, the occupancy is only by the lessee and his family or sublessee and his family, and the period of rental is at least one month unless some other period is established in the regulations or Bylaws of the Association. No lease shall relieve the Owner of any responsibility or liability imposed by the Condominium documents as against the Association and other Owners. Further, each Unit Owner shall complete, upon the Association's request, the self-certification form requested by the City of Iowa City for the purposes of the issuance of rental permits for Units in the Regime or, in the alternative, allow access to City of Iowa City officials for inspection purposes. Any cost for such inspection for the issuance of said rental permits charged by the City of Iowa City shall be paid by the Association and then be allocated amongst those Units obtaining rental permits. The Association shall have the right to assess the cost of said fees against the Units obtaining rental permits and shall be entitled to a lien for the same.

ARTICLE X

Insurance

1. Insurance Policies. The Board shall purchase comprehensive general liability, property damage, fire, and other hazard insurance as promptly as possible following its election. The Board shall thereafter maintain such policies in force at all times and shall pay the premiums thereon from monthly Association fees. Prior to the organizational meeting of the Board, such insurance shall be procured and maintained by the Declarant.

The insurance shall be carried with reputable companies authorized to do business in Iowa in such amounts as the Board may determine. The policies shall name as insured the Association, individually, and as agent for the Unit Owners, without naming them, and as agent for their mortgagees. Declarant shall be named as an additional insured on such policies until such time as Declarant shall have conveyed all of the Condominiums in the Project. The policies shall also provide for the issuance of certificates or such endorsement evidencing the insurance as may be required by the respective mortgagees.

2. Coverage. The policy or policies shall insure against loss arising from perils in both the common areas and the Units and shall include contractual liability coverage to protect against such liabilities as may arise under the contractual exposures of the Association and/or the Board. The policy or policies shall also insure against loss from perils therein covered to all of the improvements in the Project. Such policy or policies shall contain extended coverage, vandalism, and malicious mischief endorsements. The improvements shall be continually insured to value, and the policy or policies shall contain replacement cost insurance. If reasonably available, the policy or policies shall contain a stipulated amount clause, or determinable cash adjustment clause, or similar clause to permit a cash settlement covering specified value in the event of destruction and a decision not to rebuild. The policy or policies shall also cover personal property owned in common and shall further contain waiver of subrogation rights by the carrier as to negligent Owners.

3. Individual Owner Insurance Coverage. An Owner may obtain coverage at his or her own expense for his or her personal property and other risks, as he/she may desire. However, no Owner shall separately insure his or her Condominium or any part thereof against loss by fire or other casualty covered by the insurance carrier under clause 1. Should any Owner violate this provision, any diminution in insurance proceeds resulting from the existence of such other insurance shall be chargeable to the Owner who acquired such other insurance, who shall be liable to the Association to the extent of any such diminution and/or loss of proceeds.

4. Additional Coverage. The Board may purchase and maintain in force at the expense of the common maintenance fund, debris removal insurance, loss of rent coverage, fidelity bonds, and other insurance and/or bonds that it deems necessary. The Board shall purchase and maintain worker's compensation insurance to the extent that the same shall be required by law respecting employees of the Association. The Board shall also maintain "all risk" insurance coverage on the Project to insure against water damage and like kind of casualties, if such insurance would be reasonably available.

5. Loss Adjustment. The Board is hereby appointed as the attorney-in-fact for all Owners and mortgagees to adjust all claims arising under the insurance policies purchased by the Association and to execute and deliver all releases upon payment of claims.

6. Association as Trustee for Proceeds. In the event of damage or destruction by fire or other casualty affecting a Unit or Units, and/or if any portion of the common area is damaged

or destroyed by fire or other casualty, all insurance proceeds paid in satisfaction of claims for said loss or losses, including any proceeds payable under any loss of rents coverage, shall be segregated according to losses suffered by each Unit or Units and/or the common area, and shall be paid to the Association as trustee for the Owner or Owners and for the encumbrancer or encumbrancers, as their respective interest may appear. Said insurance proceeds, and the proceeds of any special assessment as hereinafter provided, whether or not subject to liens of mortgages or deeds of trust, shall be collected and disbursed by said trustee through a separate trust account on the following terms and conditions:

(a) **Partial Destruction of Common Elements.** If the damaged improvement is a common element, the Board of Directors of the Association may, without further authorization, contract to repair or re-build the damaged portion of the common elements substantially in accordance with the original plans and specifications thereof.

(b) **Partial Destruction of Units and Common Elements.** In the event of damage to, or destruction of, any Unit or Units with accompanying damage to the common elements but the total destruction or damage does not represent sixty percent (60%) or more of the Buildings in the regime and the costs of repairing or re-Buildings said damaged area does not exceed the amount of available insurance proceeds for said loss by more than \$20,000.00, the Board of Directors of the Association shall immediately contract to repair or re-build the damaged portion of the Unit or Units and the common elements substantially in accordance with the original plans and specifications. If the cost to repair or re-build exceeds available insurance by \$20,000.00, then Owners of the individual Units, by vote of not less than a majority of those present and entitled to vote, in person or by proxy, at a duly constituted Owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction.

(c) **Total Destruction.** In the event of sixty percent (60%) or more damage to, or destruction of, the Buildings in the regime by fire or other casualty, the Owners of the individual Units, by vote of not less than a majority of those present and entitled to vote, in person or by proxy, at a duly constituted Owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction, or whether said Project shall be sold; provided, however, that such determination shall be subject to the express written approval of all record Owners of mortgages upon any part of the regime. In the event of a determination by re-build or repair, the Board shall have prepared the necessary plans, specifications and maps and shall execute the necessary documents to effect such reconstruction or repair as promptly as practicable and in a lawful and workmanlike manner.

In the event of a determination not to re-build, the Board shall offer the Project for sale forthwith, at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed. The net proceeds of such sale, and the proceeds, if any, of insurance carried by the Association, shall be distributed proportionately to the Unit Owners in

the same proportion that the Unit in which they have an interest shares in the common elements, except that where there is a mortgage of record or other valid encumbrance on any one Unit then, and in that event, with respect to said Unit, the Association will distribute said proceeds as follows: First to the record Owner of the mortgages upon Units and common elements in the regime in satisfaction of the balance currently due on said encumbrances and then the remaining proceeds, if any, to the Unit Owner of record.

(d) In the event that the common area is repaired or reconstructed pursuant to the provisions of paragraphs (a), (b) or (c) of this clause and there is any deficiency between the insurance proceeds paid for the damage to the common area and the contract price for repairing or re-Building the common area, the Board shall levy a special assessment against each Owner in proportion to his/her fractional interest of Ownership in the common area to make up such deficiency. If any Owner shall fail to pay said special assessment or assessments within thirty (30) days after the levy thereof, the Board shall make up the deficiency by payment from the maintenance fund, and the remaining Owners shall be entitled to the same remedies as those provided in Article VII of this Declaration, covering a default of any Owner in the payment of maintenance charges.

(e) In the event of a dispute among the Owners and/or mortgagees respecting the provisions of this clause, any such party may cause the same to be referred to arbitration in accordance with the then prevailing rules of the American Arbitration Association.

In the event of arbitration, the party requesting the arbitration will give immediate notice thereof to the Board, which shall notify all other Owners and mortgagees as promptly as possible after the reference to arbitration is made, giving all such parties an opportunity to appear at such arbitration proceedings. The decision of the arbitrator in this matter shall be final and conclusive upon all of the parties. The arbitrator may include in his/her determination an award for costs and/or attorney fees against any one or more parties to the arbitration.

7. Abatement of Common Expenses. The Board is authorized to provide coverage for payment of maintenance charges which are abated hereunder on behalf of an Owner whose Unit is rendered uninhabitable for a peril insured against.

8. Review of Insurance Needs. Insurance coverages will be analyzed by the Board, or its representative, at least every year from the date hereof and the insurance program revised accordingly.

ARTICLE XI

Termination

1. Procedure. The Condominium may be terminated in the following manner in addition to the manner provided by the Horizontal Property Act:

(a) **Destruction.** In the event it is determined in the manner elsewhere provided that the Buildings shall not be reconstructed because of major damage, the Condominium plan of Ownership will be thereby terminated in compliance to the provisions of Section 499B.8 of the Code of Iowa (2005).

(b) **Agreement.** The Condominium may be terminated at any time by the approval in writing of all of the Owners of the Condominium and by holders of all liens affecting any of the Units by filing an instrument to that effect, duly recorded, as provided in Section 499B.8 of the Code of Iowa (2005). It shall be the duty of every Unit Owner and his respective lien holder to execute and deliver such instrument and to perform all acts as in manner and form may be necessary to effect the sale of the Project when at a meeting duly convened of the Association, the Owners of 100% of the voting power, and all record Owners of mortgages upon Units in the Regime, elect to terminate and/or sell the Project.

(c) **Certificate.** The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by all members of the Association and their respective holders of all liens affecting their interest in the Condominium, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Johnson County Recorder in Iowa City, Iowa.

2. Form of Ownership after Termination. After termination of the Condominium, the Project will be held as follows;

(a) The property (land and improvements) shall be deemed to be owned in common by the Owners;

(b) The undivided interest in the property owned in common which shall appertain to each Unit Owner shall be the fractional interest previously owned by such Owner in the common area and facilities;

(c) Any liens affecting any of the Condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owner in the property.

(d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the fractional interest owned by each Owner in the common elements after first paying out of the respective shares of the Owners, to the extent sufficient, all liens on the undivided interest in the property owned by each Owner.

ARTICLE XII
Amendments and Miscellaneous Provisions

1. Procedure. Except as otherwise provided in this Declaration, this Declaration may be amended and such amendment shall be made in the following manner:

(a) **Notice.** Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered. Holders of a first mortgage of record shall receive notice of such proposed amendment as provided in the Bylaws of the Association.

(b) **Resolution.** A resolution adopting a proposed amendment may be proposed by either the Board of Directors or by any member of the Association. Except as provided elsewhere, the resolution must be adopted by a vote of not less than 66 2/3% of all Owners present and entitled to vote, in person or by proxy; provided, however, no amendment effecting a substantial change in this Declaration or the Bylaws of the Association shall affect the rights of the holder of any such mortgage recorded prior to the recording of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

(c) **Bylaws.** If an amendment to this Declaration is made by amending the Bylaws of the Association, then the amendment shall be made in the manner specified in such Bylaws.

(d) **Execution and Recording.** An amendment adopted pursuant to (b) or (c) above shall be executed by an officer specifically delegated to do so with the formalities required by Chapter 499B of the Code of Iowa. Upon the recording of such instrument in the office of the Johnson County Recorder, the same shall be effective against any persons owning an interest in a Unit or the regime.

2. Amendment of Ownership Interest. Except as specified in Article I, Section B(2)(a), no amendment shall change the fractional interest of Ownership in the common elements appurtenant to a Unit, nor increase the Owner's share of the common expenses unless the record Owner of the Unit concerned and all record Owners of mortgages thereon shall affirmatively join in the adoption of such amendment.

IN WITNESS WHEREOF, Declarant has executed this Declaration the day and year first above written.

EXHIBIT "E"
BYLAWS
OF
HICKORY GROVE CONDOMINIUMS ASSOCIATION

These are the Bylaws of **HICKORY GROVE CONDOMINIUMS ASSOCIATION** (hereinafter referred to as "Association"), a corporation organized pursuant to Chapter 504 of the Code of Iowa, for the purpose of administering Hickory Grove Condominiums, a horizontal property regime (Condominium) established pursuant to Chapter 499B of the Code of Iowa, located on the following-described real estate in Johnson County, Iowa:

Lot 4, First and Rochester, Part One, an Addition to the City of Iowa City, Iowa, according to the plat thereof recorded in Book 23, Page 78, Plat Records of Johnson County, Iowa, excepting Auditor's parcel 2002-072 as per Plat of Survey recorded in Book 44, Page 334, Plat Records of Johnson County, Iowa.

I. MEMBERS AND VOTING RIGHTS

1. The Owners of each Condominium Unit shall constitute the members of the corporation and membership shall automatically cease upon termination of all Ownership interests. Declarant shall be and have the rights of a member with respect to unsold Units. Whenever only one spouse is a record titleholder, the other spouse shall be considered an Owner for purposes of membership, and shall be bound by the provisions of all Condominium documents including that provision in relation to the Homestead Exemption contained in Article VII of the Declaration.
2. An Owner of record shall be recognized as a member without further action for so long as he holds an Ownership interest. If Ownership is acquired but not of record, or if acquired other than by way of conveyance or other formal instrument of transfer (such as by death, judicial act or dissolution), the person acquiring or succeeding to Ownership shall present the Board of Directors of the Association evidence satisfactory to it of facts evidencing lawful Ownership status prior to exercise of any rights of membership in the Association. Failure to provide such evidence shall not, however, relieve an Owner of his Ownership obligations. A fiduciary or other official acting in the representative capacity shall exercise all membership rights and privileges of the Owner which he represents.
3. If more than one person is the Owner of the same Unit, all such Owners shall be members and remain jointly and severally liable for all membership obligations. In such cases, or if more than one fiduciary or other official is acting in the premises, the votes entitled to be cast by the Owners of that Unit shall be cast by the person named for that purpose on a certificate signed by all such Owners or fiduciaries or other officials and filed with the Board of Directors and such

person shall be deemed to hold an Ownership interest to such Unit for purposes of voting and determining the representation of such Ownership interest at any meeting or for purposes otherwise provided herein. If such certificate is not executed and filed with the Board of Directors, such membership shall not be in good standing and the vote for that Unit shall not be considered in considering a quorum or a vote or for any other purposes.

4. The Owners of each Unit shall be entitled to one vote on all matters to be determined by the members of the Association either as Owners or as Units or as contemplated by Chapter 499B of the Code of Iowa, pursuant to the Declaration, including any supplements or amendments thereto, submitting the property to the regime. Votes of a single Unit may not be divided.

II. MEMBERS' MEETINGS

1. The annual and any special meetings shall be held at a time and at a place within Iowa City, Johnson County, Iowa, chosen by the Board of Directors and all such meetings, annual or special, shall be held at such particular time and place as is set forth in the notice thereof.

2. A special meeting shall be held whenever called by the President or, in his absence or disability, the Vice President, or by a majority of the Board of Directors. Such a meeting must be called by such officers or directors upon receipt of a written request from members representing one-fourth of the voting membership.

3. The Secretary or his designate shall give written notice of the annual meeting to each member. The person or persons calling a special meeting pursuant to Paragraph 2 hereof shall be given like written notice of such special meeting. Notice shall set forth the time and place and purpose or purposes for which the meeting will be held. No action shall be taken at a special meeting which is not directly related to the purpose or purposes stated in the notice of such meeting.

4. Notice of members' meetings shall be given by mailing or delivering same not less than ten (10) days, nor more than thirty (30) days prior to the date of the meeting. Notice shall be deemed to be given if mailed by First Class Mail to the member at the address of his Unit within the regime, unless at the time of giving such notice such member has given written direction, delivered to an officer or member of the Board of Directors specifying a different mailing address to be carried on the rolls of the Association. If more than one person is the Owner of the same Unit or if more than one fiduciary or one official is acting in the premises, notice to such person shall be deemed to have been given, when given in accordance with this Paragraph to the person named in the certificate filed with the Board of Directors in accordance with Paragraph 3 of Article I. Notice of any meeting may be waived in writing by the person entitled thereto.

5. A quorum at a members' meeting shall consist of the presence of members in person or by proxy, representing a majority of the Units. The acts approved by a vote of a majority of

the Units represented at a meeting at which a quorum is present shall constitute the acts of the membership unless a different rule is provided herein or by the Articles of Incorporation, the Declaration or other agreement to which the Association is a party. The President, or, in his absence or disability, the Vice President shall preside at each members' meeting. If neither the President nor the Vice President is able to preside, a chairman shall be elected by the members present at such meeting.

6. At any membership meeting, a person holding a member's proxy to vote shall be permitted to participate in such meeting and shall be permitted to cast such member's vote on all questions properly coming before such meeting, provided such proxy is in writing and signed by a member or other person entitled to cast votes. Said proxy shall also set forth the Unit with respect to which such rights are pertinent, and the period which the proxy is to be in force and effect. The decision of the Board of Directors as to the sufficiency of any proxy for recognition shall be final and not subject to appeal to the members.

7. At all meetings, the order of business shall consist of the following:

- A. Election of Chairman, if required.
- B. Calling roll and certification of proxies.
- C. Proof of notice of meeting or waiver of notice.
- D. Reading and disposal of any unapproved minutes.
- E. Reports of officers, if applicable.
- F. Reports of committees, if applicable.
- G. Election of Directors, if applicable.
- H. Unfinished business.
- I. New Business.
- J. Adjournment.

III. BOARD OF DIRECTORS

1. The affairs of the Association shall be managed by an initial Board of one (1) Director. The initial Board shall consist of such person as the Declarant may appoint pursuant to the Declaration and need not be a member of the Association. The initial Board shall serve until the first annual members' meeting. From and after the first annual meeting of members, the Board members shall be selected from the members of the Association, except as provided in Paragraph 2 below. An officer of a corporation owning a Unit, a partner of a partnership owning a Unit, or a designated agent of such officer or partner shall qualify to serve as a Director.

2. At the first annual members' meeting and at each annual meeting thereafter, three (3) directors shall be elected and the term of office of each director shall extend until the next annual meeting of the members and thereafter until his successor is duly elected and qualified or until he is removed in the manner as elsewhere provided. For so long as Declarant owns twenty-five percent (25%) of the Units at the time such directors are to be elected, Declarant shall have the

right to elect or appoint a majority of the members of the Board, who need not be Unit Owners, and thereafter shall be entitled to elect or appoint at least one member of the Board until all Units have been sold by Declarant. Directors appointed by the Declarant shall have the same voting rights as Directors elected by the members.

3. Each director shall be elected by ballot (unless such requirement is waived by unanimous consent) and by a plurality of the votes cast at the annual meeting of the members of the Association. Each person entitled to vote shall be entitled to vote for as many nominees as there are vacancies to be filled by election and each director shall be elected by a separate ballot unless provided otherwise by unanimous consent of the members.

4. Except as provided in Paragraph 5 of these Articles, vacancies on the Board of Directors may be filled until the date of the next annual meeting by a vote of a majority of the Directors remaining in office regardless of whether those remaining constitute a quorum.

5. The initial Director shall be subject to removal only by the Declarant. Thereafter, a Director may be removed by concurrence of seventy-five percent (75%) of the members of the Association at a special meeting called for that purpose. The vacancy on the Board of Directors so created shall be filled by the persons entitled to vote at the same meeting.

6. The initial Director, as well as any other Directors appointed by the Declarant, shall serve without compensation. Directors elected by the members shall receive such compensation and expenses as is approved by the persons entitled to vote at any annual or special meeting.

7. An organizational meeting of a newly elected Board of Directors shall be held within ten (10) days of their election at such place and time as shall be fixed by the Directors at the meeting at which they were elected. No further notice of the organizational meeting shall be necessary. An organizational meeting of the Association to elect successors to the initial Board of Directors of the Association shall be held not later than thirty (30) days following the sale of fifty percent (50%) of all the Units in the regime.

8. A majority of the Board may, by resolution, set the time and place for regular meetings of the Board and no notice thereof shall be required until such resolution is modified and rescinded. Special meetings of the Directors may be called by the President, Vice President, or any two Directors provided not less than two days' notice is given, personally or by mail, telephone, or telegraph, which notice shall state the time, place and purpose of the meeting.

9. A quorum at the Directors' meeting shall consist of two-thirds of the entire Board of Directors. The acts approved by a majority of those present at a meeting duly called at which a quorum is present shall constitute the acts of the entire Board of Directors, except where approval by a greater number of Directors is required by the Declaration or these Bylaws.

10. The presiding officer of a Director's meeting shall be the President, or in his absence, the Vice President.

11. The Board of Directors, by resolution approved by all members thereof, may designate from among its members such committees as it deems advisable and by resolution provide the extent and manner to which the same may have and exercise the authority of the Board.

IV. POWERS AND DUTIES OF THE BOARD OF DIRECTORS

All of the powers and duties of the Association shall be exercised by the Board of Directors, including those existing under the common law and statutes, the Articles of Incorporation, and the documents establishing the Condominium Regime. Such powers and duties of the Directors shall be exercised in accordance with the provisions of the Declaration of Condominium which governs the use of the land. In addition to those powers elsewhere provided, the Director's powers shall include but not be limited to the following:

1. To collect assessments against members for all common expenses.
2. To use the proceeds of assessments in the exercise of its powers and duties.
3. To perform the maintenance, repair, replacement and operation of the regime property including all common elements, and facilities, and Units as applicable, and the making or providing for payment for all such work and approving or delegating to the officers authority to approve vouchers therefore.
4. To perform the reconstruction, repair, restoration, or rebuilding of the regime property and of any Units as applicable after casualty; construction of new improvements or alterations if approved; to make and amend regulations respecting the use and occupancy of the property in the Condominium Regime and to permit or forbid an action or conduct within the discretion committed to them in the Declaration, Bylaws, and Resolutions of the members.
5. To enforcement by legal means the provisions of the Horizontal Property Act, the Articles of Incorporation, Bylaws of the Association, Declaration, and the regulations for the use of the property in the Regime; and to take legal action in the name of the Association and on behalf of its members.
6. To contract for management of the Regime and to delegate to such manager any or all powers and duties of the Association except such as are specifically required by the Declaration, Bylaws or Resolutions of the members to have approval of the Board of Directors or the membership of the Association.

7. To employ, designate and discharge personnel to perform services required for proper operation of the Regime.

8. To carry insurance on the property committed to the Regime and insurance for the protection of Unit Owners, and occupants and the Association.

9. To pay the cost of all power, water, sewer, and other utility or other services rendered to the Regime and not billed directly to the Owners of the individual Units.

10. To conduct all votes or determinations of the members other than at a membership meeting.

11. To borrow money from any bank, lending institution or agency for the use and benefit of the Association and to secure the loan or loans by pledge of the assets of the Association, and from time to time to renew such loan and give additional security.

12. To do such other acts as are necessary and proper to affect the purpose of the Regime as stated in the Declaration and these Bylaws provided such acts are not otherwise prohibited.

V. OFFICERS

1. The officers of the Association shall be the President, who shall be a Director, a Vice President, who shall be a Director, and a Treasurer and Secretary which offices shall be filled by one person, who need not be either a director or member. All such officers shall be elected annually by the Board of Directors and may be peremptorily removed and replaced by the vote of two-thirds of the Directors at any meeting. The initial officers and their successors until the first annual meeting shall be chosen by the initial Board of Directors and shall serve until the first annual membership meeting. The Board of Directors may from time to time create and fill other offices and designate the powers and duties thereof. Each officer shall have the powers and duties usually vested in such office, and such authority as is committed to the office by the Bylaws or by specific grant from the Board, but the officers shall be subject at all times to the provisions of the Bylaws and to the control of the Board of Directors.

2. The President shall be the chief executive officer of the Association. He shall preside at all membership meetings and meetings of the Board of Directors and shall have power to appoint committees from among the members to assist in the conduct of the affairs of the Association and the Regime.

3. The Vice President shall preside over the membership meetings in the absence or disability of the President, and shall otherwise exercise the powers and duties of the President in the event of the absence or disability of the President. The Vice President shall also generally assist the President and exercise such other powers and duties as are prescribed by the Directors.

4. The Secretary and Treasurer, which shall constitute one office, shall keep the minutes of all proceedings of membership meetings and Directors' meetings, shall have custody and control of the Minute Book of the Association, and shall keep or be in charge and control of the records of the Association. Additionally, as Treasurer, said officer shall have control of the funds and other property of the Association and shall keep the financial books and records thereof.

5. The compensation of all officers and employees shall be fixed by the Directors. This provision shall not preclude the Board of Directors from employing a Director as an employee, nor from contracting with a Director for management of the Regime.

6. Any instrument affecting an interest in real property may be executed by the President or Vice President and one other officer upon authorization of the Directors or in such manner as the Directors may otherwise direct.

VI. FISCAL MANAGEMENT

1. The Board of Directors shall adopt a budget for each fiscal year (which shall be the same as the Association's fiscal year for Income Tax purposes) which shall include the estimated funds required to defray the common expenses and to provide and maintain funds for the following accounting categories according to good accounting practices:

(a) Current expenses which shall include all funds and expenditures to be made for the year for which the funds are budgeted, including a reasonable allowance for contingencies and working funds, except expenditures chargeable to reserves or to additional improvements. The balance of this fund at the end of each year shall be applied to reduce the assessments for current expenses for the succeeding year.

(b) Reserve for deferred maintenance, which shall include funds for maintenance items which occur less frequently than annually.

(c) Reserve for replacement which shall include funds for repair or replacement required because of damage, destruction, depreciation or obsolescence.

2. The Board of Directors shall assess against each Unit and the Owners thereof shall be liable for, a share of the items in the budget adopted pursuant to paragraph 1 equal to such Unit's pro rata share of common expenses as set forth in the Declaration. Such share shall be assessed annually in advance for the fiscal year for which the budget was prepared. Notice of such assessments shall be mailed or delivered not less than thirty (30) days prior to the first day of such fiscal year. Such assessment shall be due and payable from the respective Unit Owner or Owners in (12) equal installments, each installment being due and payable the first day of each calendar month in such fiscal year. In the event notice of such assessment is not timely given, the assessment will not change but the due date for each installment which would otherwise be due and payable, less than thirty (30) days from the giving of such notice, shall be due and

payable on the due date of the first installment which is due not less than thirty (30) days from the date of such notice was mailed or delivered. In the event the annual assessment proves to be insufficient, the budget and assessments, therefore, may be amended at any time by the Board of Directors. Such amended budget may be adopted at a special directors meeting upon an affirmative vote of a majority of the directors. The additional amount so budgeted shall be assessed to each Unit in the same manner as assessments for the annual budget and shall be prorated among the remaining installments due and payable in such year.

3. Assessments for common expenses for emergencies and extraordinary expenditures, which cannot be paid from the annual assessments for common expenses and maintenance funds shall be made only after notice of the need thereof to the Unit Owners. After such notice and upon approval in writing by persons entitled to cast more than one-half of the votes in the Condominium, the assessments shall become effective, and shall be due in such manner as the Board of Directors may require after thirty (30) days' notice thereof. In the event any expenditures for repair or replacement of any Unit or common elements cannot be paid from annual assessments but can be at least ninety percent (90%) paid from insurance proceeds therefore, such expenditures may be made upon approval of the Board of Directors without approval of the members and an amended budget and assessment may be made therefore if necessary.

4. If an Owner shall be in default of a payment of an installment upon an assessment, the Board of Directors may accelerate the remaining installments of the assessment upon notice thereof to such Owner, and thereupon the unpaid balance of the assessment shall become due upon the date stated in the notice, which shall be not less than ten (10) days after delivery thereof to such Owner either personally or by registered or certified mail. Interest shall be computed on balances due under this paragraph but unpaid at the maximum rate of interest allowable by law from the date such balance becomes due and payable in accordance with the preceding sentence; such interest shall be in addition to any other payments for which said Owner is liable.

5. The holder of a mortgage on any Unit, upon its filing written request with the Association, shall be given written notice by the Association of the nonperformance of a mortgagor's obligations under these Bylaws, the Declaration or other Condominium documents, which is not cured within thirty (30) days.

6. All sums assessed but unpaid, including but not limited to, interest with respect to a Unit or against a Unit Owner shall constitute a lien on such Unit prior to all other liens except:

- (a) Tax liens on the Unit in favor of any assessing Unit and special district, and
- (b) All sums unpaid on a first mortgage of record.

Said lien may be foreclosed by the Association in the manner and with the consequences provided in Section 499B.17 of the Code of Iowa, as amended, in which event the Owner shall be

required to pay a reasonable rental for the Unit. In the event the Association forecloses on any lien, the Owner or Owners of such Unit, by their membership in this Association, specifically waive any rights to delay or prevent foreclosure which he or they may have against the Association by reason of the Homestead Exemption. The Association may sue for money judgment for unpaid assessments and interest or sums due without foreclosing or waiving any lien which it holds.

7. If a mortgagee or purchaser of a Unit obtains title as a result of foreclosure of a first mortgage, neither such mortgagee or purchaser or their successors or assigns, shall be liable for the assessments chargeable to such Unit, due prior to the acquisition of title, and such unpaid assessments shall thereafter be deemed to be common expenses collectible from all Unit Owners including the mortgagee or purchaser and their successors and assigns. The Owner of a Unit pursuant to a voluntary conveyance or by inheritance or devise shall be jointly and severally liable with the grantor or prior Owner for all unpaid assessments against the grantor or prior Owner, but without prejudice to the right of such grantee or devisee to recover from the grantor the amounts paid therefore. The grantee or other successor in interest of an individual subject to a levy of an assessment on account of default shall be liable for any such special assessment.

8. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Directors and in which the moneys of the Association shall be deposited. Withdrawal of moneys from the accounts shall only be by checks signed by such persons as are authorized by the Directors.

VII. AMENDMENTS

1. These Bylaws may be amended, altered or repealed or new Bylaws adopted by the members at a regular or special meeting of the members upon the affirmative vote of 66 2/3% of all votes entitled to be cast. No amendment affecting a substantial change in these Bylaws, however, shall affect the rights of the holder of any mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

2. No amendment may be adopted at either a special or regular membership meeting if said amendment was not included in the notice thereof. If notice of the proposed amendment has been given, however, an amendment relative to the same subject may be adopted by those present, in person or by proxy and possession of the requisite percentage of membership and voting interests. Furthermore, no vote by proxy may be counted unless the proxy expressly provides for such contingency. Notice referred to herein shall be given in the manner prescribed in Article II Section 3 of these Bylaws and shall be given to the persons described in Article II Section 4 and the holder of any first mortgage of record which has notified the Association of its interests not more than fifty (50) days nor less than thirty (30) days before the date such meeting will be held. More than one proposed amendment may be included in the notice of a meeting.

3. To the extent provided in Section 499B.14 of the Code of Iowa, no modification or amendment to these Bylaws shall be effective unless set forth in an amendment to the Declaration of Condominium, executed and recorded in the manner set forth in the Declaration and an amendment to these Bylaws shall constitute an amendment to the Declaration as provided for by law. Upon such recording said amendment shall be effective against all persons having an interest in a Unit or the Regime regardless of whether said person had such interest at the time said amendment was adopted.

VIII. MISCELLANEOUS PROVISIONS

1. The invalidity of any portion or provision of these Bylaws shall not affect the validity of the remaining provisions or portions hereof.

2. The Association shall not have and employ a corporate seal.

3. The Board of Directors may require fidelity bonds from all directors, officers, or agents handling or responsible for Association funds and the expense of such bonds shall be a common expense of the Association.

4. The Association shall promulgate such Rules and Regulations as it deems to be in the best interest of all Owners within the Regime. The initial Board of Directors shall adopt the initial Rules and Regulations which may be added to, amended, modified or altered by the affirmative vote of the members representing a majority of the Units' votes in the Association. Such Rules and Regulations, as amended, shall be binding upon all members, guests, and agents of members. An amendment to the Rules and Regulations shall not constitute an amendment to the Declaration and shall be valid and enforceable upon adoption without recording the same as an amendment to the Declaration.

5. The Association shall at all times maintain separate and accurate written records of each Unit and Owner and the address of each, and setting forth the status of all assessments, accounts and funds pertinent to that Unit and Owner. Any person other than a Unit Owner may rely on a certificate made from such records by an officer or agent of the Association as to the status of all assessments and accounts.

6. Each member shall have the obligations as a member as are imposed on him by the regime documents as an Owner, and no member shall have any power or authority to incur a mechanic's lien or other lien effective against the regime property except as the same may attach only against his interest therein.

7. The Board of Directors may, in its discretion, issue written evidence of membership. Said document shall be evidence thereof only and shall not be transferable or negotiable. The share of the member in the assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as appurtenant to such assignment, hypothecation or transfer of the Unit.

8. No provision or restriction otherwise void by reason of application of the Rule Against Perpetuities or Section 558.68 of the Code of Iowa shall continue for a period longer than the life of the last to survive of the Owners or partners of the Declarant, and his children in being, at the time of the initial recording of the Declaration of Condominium and twenty-one (21) years thereafter.

9. Each Owner or lessee of his Unit, as applicable, shall have a right to use and enjoy the common elements provided that such use shall be limited to the uses permitted by the Declaration of Condominium and other governing documents of the Regime.

IX. DEFINITIONS

Unless the context otherwise requires, the terms used herein shall have the meanings stated in the Horizontal Property Act, and as follows:

1. Person. The term "person" shall include an individual, a corporation, or other legal entity or its representative.

2. Owner. The term "Owner" for purposes of these Bylaws shall mean any person who owns an interest in one or more Units in the regime. The holder of a leasehold interest in a Unit shall not be an Owner but the holder of an equitable interest shall be an Owner.

WHEREAS, an Amendment to the Condominium Declaration of Hickory Grove Condominiums was dated the 9th day of December, 2011, recorded December 13, 2011 in Book 4844 at Page 265, of the Records of the Johnson County Recorder's Office; and

WHEREAS, pursuant to the terms and provisions of the Declaration, the undersigned, pursuant to a duly called Annual Meeting of the Members of Hickory Grove Condominiums Owners Association and by resolution adopted by not less than 66 2/3% of the members of the Association present at the meeting in person or by proxy for which a quorum was present, amended said Declaration as follows:

1. Pursuant to the amendment provisions of Article XII of the Condominium Declaration, Article IX Subparagraphs 2(a) and 3 are hereby deleted and replaced with the following:

2(a). A residential Unit shall be used or occupied for single family dwelling purposes only except as otherwise permitted in Article IX Section 3 and except that the Board of Directors may allow and designate one or more Units as management offices or rental offices for the Condominium Regime.

3. Lease of Unit. No more than twenty percent (20%) of the Condominium Units in the Project may be rental units. All Condominium Unit Owners owning a Condominium in this Project who have valid rental permits as of the date of recording of this Amendment shall be grandfathered in and not subject to these lease restrictions for so long as that existing owner has title to the Unit. In the event that an existing

Condominium Unit Owner sells or transfers his/her/its Unit, the successor or transferee will be subject to all lease restrictions set forth in this Section 3. Present and future Condominium Unit Owners who do not have a valid rental permit as of the recording of this Amendment, must live in their unit for a minimum of one calendar year before they can seek a rental permit or rent their property subject to these lease provisions. Any Condominium that is eligible to be rented or leased by the Owner may be rented or leased provided the entire unit is rented, and the minimum period of rental is one year. No subletting of any lease is permitted. No lease shall relieve the Owner of any responsibility or liability imposed by the Condominium documents as against the Association and other Owners. Further, each Unit Owner shall complete, upon the Association's request, the self-certification form requested by the City of Iowa City for the purpose of the issuance of a rental permit for a Unit in the Regime or, in the alternative, allow access to the City of Iowa City officials for inspection purposes. Any cost of such inspection for the issuance of said rental permit charged by the City of Iowa City shall be paid by the Association and then be allocated amongst those Units obtaining rental permits. The Association shall have the right to assess the costs of said fees against the Units obtaining rental permits and shall be entitled to a lien for the same. The Association may adopt and impose reasonable rules and regulations on the use and occupancy of the Units by tenants. The Owners agree to abide by and enforce such rules and regulations and agree that the Association may enforce such rules and regulations on their behalf, without notice to such Owner. The term "Lease" as used herein shall include any form of occupancy, whether technically a Lease or tenancy and whether for consideration or not. If an Owner breaches or otherwise violates these rental restrictions, the Association may take whatever judicial action is required to enforce the provisions of this Section and will be entitled to reimbursement from the Owner for the attorney fee's and costs required to enforce the provisions of this Section.

In addition to any requirements provided in the Declaration and any Amendments applicable thereto or by law, a Unit Owner must meet the following conditions

before leasing his/her/its Unit pursuant to this Section 3:

(a). All sums due to the Association by way of assessment of any kind or other charge, whether evidenced by recorded liens or not, must be currently paid and not delinquent; and

(b). The purposed lease shall be in writing and a copy thereof shall be filed with the Association before possession by any tenant.

2. Pursuant to the Amendment provisions of Article VII (1) of the Bylaws of Hickory Grove Condominiums Association, the second sentence of Article VI Paragraph 4 of the Bylaws regarding late fees is amended to delete the reference to any additional twenty dollars (\$20.00) late fee to be assessed if dues have not been paid or received by the Association by the first of the following month such that the late fee provision shall now be for thirty dollars (\$30.00) if dues are paid after the tenth (10th) of the month. The late fee schedule shall continue to be subject to review at each annual meeting of the members and subject to Amendment by a majority vote of the members entitled to vote in person or proxy at said annual meeting.

NOW, THEREFORE, Pursuant to the amendment provisions of Article XII of the Condominium Declaration, the Condominium Declaration is hereby amended the lease provision of the Condominium Declaration.

NOW, THEREFORE, Pursuant to the amendment provisions and the provisions of Article VII of the Bylaws of Hickory Grove Condominiums Association to amend the late fees of assessed dues.
