Estimated budget payment is $122.00.

Notes:

- The monthly average(s) may vary from the estimated budget payment.
- Energy use for this property can vary depending on a number of factors: Usage habits, age and condition of appliances, weather, number of people living in the house and energy conservation habits.
- Normal billing periods are between 28-36 days.
- Costs include sales tax.
- If results show N/A (not available) or zero, there may have been an estimated or zero-use month in the last 12 months or less than 12 months of usage information available to calculate an average.
