Each Owner shall be entitled to the undivided percentage interest in the Common Elements set forth on Exhibit "F". Said percentage of the undivided interest of each Owner in the Common Elements shall have a permanent character and shall not be altered without the consent of all Owners expressed in an amended Declaration duly recorded. The percentage of the undivided interest in the Common Elements shall not be separated from the Unit to which it appertains and shall be deemed to be conveyed or encumbered or released from liens with the Unit even though such interest is not expressly mentioned or described in the conveyance or other instrument. Each Owner may use the Common Elements in accordance with the purpose for which they are intended, without hindering or encroaching upon the lawful rights of the other Owners.

An Owner shall not be deemed to own the undecorated and/or unfinished surfaces of the perimeter walls, ceiling, windows and doors bounding his or her Unit, nor shall the Owner be deemed to own the utilities running through his or her Unit which are utilized for, or serve, more than one Unit, except as a percentage of an undivided interest in the Common Elements. An Owner, however, shall have the exclusive right to paint, repaint, tile, wax, paper or otherwise refinish and decorate the interior surfaces of the walls, floors, ceilings, windows and doors bounding his or her Unit.

2. Appurtenances. There shall pass with the ownership of each Unit as a part thereof, whether or not separately described, all appurtenances to such Unit, including the parking stalls and storage units which are assigned to each unit in Exhibit "F" and no part of the appurtenant interest of any Unit may be sold, transferred or otherwise disposed of except in connection with the sale, transfer or other disposition of such Unit itself or of all Units in the Regime.

3. Undivided Fractional Interest. An undivided interest in the land and other Common Elements of the Regime, regardless of whether such elements are General or Limited Common Elements, shall be appurtenant to each Unit. The amount of such undivided

interest appurtenant to each Unit is set forth on Exhibit "F".

4. **General Common Elements.** Appurtenant to each Unit shall be a right to use and enjoy the General Common Elements.

5. **Limited Common Elements.** The exclusive use by Owners of the Limited Common Elements shall be deemed an appurtenance of the Unit for which said elements are reserved, provided such use and enjoyment shall be limited to the uses permitted by this Declaration and other Condominium Documents.

6. **Association Membership and Voting Rights.** Appurtenant to each Unit shall be membership in Peninsula Neighborhood Lot 118 Condominiums Owners Association and one (1) vote in the affairs of the Association and of the Regime; provided, however, that the exercise of such voting and membership rights shall be subject to the applicable provisions of the Articles and Bylaws of the Association and of the other Condominium Documents. The action of such Association shall be deemed the action of the Owners; and such action, when taken in accordance with the Bylaws of the Association and this Declaration shall be final and conclusive upon all Unit Owners.

7. **Cross-Easements.** Appurtenant to each Unit shall be easements from each Unit Owner to each other Unit Owner and to the Association, and from the Association to the respective Unit Owners as follows:

ARTICLE IV.

GENERAL COMMON ELEMENTS

1. **Definition.** General Common Elements shall include all portions of the Project (land and improvements thereon) not included within any Unit except such portions of the Project which are defined as Limited Common Elements in the following Article. The General Common Elements also include, but are not limited to, the following:

- (a) The land on which the Building is erected.
- (b) The foundations, floors, exterior walls of each Unit and of the Building, ceilings and roofs, and entrances and exits or communication ways, and in general all devices or installations existing for common use, except as limited in the next Article.
- (c) Installations for public utilities, including electric, cable TV, gas and cold water for common use.
- (d) Front, side, and rear yards; plantings, driveways, walks, and exterior open parking stalls.
- (e) Stairways and elevator with all mechanicals associated with said elevator on each applicable floor.
- (f) Storage/Future Common Laundry areas located on first, second and third floors.
- (g) Janitorial Room (Jan Rm) and Meter Room on basement level.

ARTICLE V.

LIMITED COMMON ELEMENTS

1. **Definition.** The term "Limited Common Elements" shall mean, and such elements shall consist of, those Common Elements which are reserved for the use of one Unit by this Article and amendments hereto and such reservation shall be to the exclusion of any other Unit.

2. **Reservation.** The following Common Elements are reserved and shall constitute the Limited Common Elements:

(a) All exterior walls of a Building, all walls and partitions separating Units from other Units, interior load bearing walls and all other elements which are structural to a Unit are reserved for that Unit (or Units where partitions separate two Units contained in a Building).

(b) Immediate hallways and entrances leading to each Unit are reserved for those Units.

(c) Individual enclosed basement level parking stalls servicing each Unit as assigned in Exhibit "F".

(d) Individual locked mailboxes located in entry/vestibule on first floor.

(e) Individual storage units as assigned in Exhibit "F". Developer does not represent that the space is humidity controlled and does not warrant or represent that a minimum or maximum humidity will be maintained at any time. Each Owner understands that there is a risk of the growth of mold and/or mildew on Unit Owner's personal property in any space rented. Developer does not warrant the space to be water-tight or dry. Developer shall not be liable and is hereby released from liability for mold on Unit Owner's personal property from whatever source and no matter how it occurs. Unit owner shall take whatever steps are necessary, including those listed in this provision, to protect against and prevent mold on their personal property. Mold is a naturally-occurring substance and it is possible to have mold appear to grow on an Owner's personal property. To help avoid mold, Developer recommends storing personal property off the concrete floor, such as on pallets or shelves, wrapping certain personal property in plastic and keeping goods susceptible to mold from touching the walls of the space. Unit Owner understands that any personal property brought into the space that is damp or wet will likely grow mold or mildew because of its wet or damp condition when brought into the space. Unit Owner shall periodically inspect the space and the personal property and take any and all actions necessary to protect an Owner's personal property from mold/mildew.

(f) Porches attached to Units.

(g) Balconies attached to Units.

3. Exception. Notwithstanding the reservations made by this Article, the integrity and appearance of the Regime as a whole are the common interests of all Owners and, as such, shall

remain a part of the General Common Elements.

4. **Right of Association.** The reservation of the Limited Common Elements herein shall not limit any right the Association and its agents may otherwise have to alter such Limited Common Elements or enter upon such Limited Common Elements.

ARTICLE VI.

DECLARANT'S RESERVED RIGHTS AND POWERS

1. **Declarant's Activities.** Declarant is irrevocably and perpetually empowered, notwithstanding any use, restriction or other provision hereof to the contrary, to sell, lease or rent Units to any person and shall have the right to transact on the Condominium property any business relating to construction, repair, remodeling, sale, lease or rental of Units, including but not limited to, the right to maintain signs, employees, independent contractors and equipment and materials on the premises, and to use Common Elements (General and Limited) to show Units. All signs and all items and equipment pertaining to sales or rentals or construction and any Unit furnished by the Declarant for sales purposes shall not be considered Common Elements and shall remain its separate property. Declarant retains the right to be and remain the owner of completed but unsold Units under the same terms and conditions as other Owners, including membership in the Association save for its right to sell, rent or lease.

2. **Easements.** Declarant expressly reserves perpetual easements for ingress, egress and utility purposes as may be required across and under the land submitted hereby.

3. **Designation of Association Directors.** Declarant shall have the right to name all members of the Board of Directors of Peninsula Neighborhood Lot 118 Condominiums Owners Association until the first annual members' meeting of said Association which shall be held as provided for in the Bylaws. Thereafter the Board of Directors shall be selected in the manner specified in the Bylaws of the Association.

ARTICLE VII.

MANAGEMENT OF THE REGIME

1. **Association; Council of Co-owners.** The operation of the Condominium shall be by a nonprofit membership corporation organized and existing under Chapter 504, Code of Iowa, as amended. The name of the Association shall be "Peninsula Neighborhood Lot 118 Condominiums Owners Association". Copies of its Articles of Incorporation and of its Bylaws are attached hereto as Exhibit "A" and Exhibit "B", respectively. Whenever a vote or other action of Unit owners as a group is required, the mechanics of conducting such a vote or taking such action shall be under the control and supervision of the Association. The action of the Association shall constitute the action of the Owners or the Council of Co-owners whenever such action is permitted or required herein or by Chapter 499B of the Code of Iowa.

2. **Compliance.** All owners, tenants, families, guests and other persons using or occupying the Regime shall be bound by and strictly comply with the provisions of the Peninsula Neighborhood Book of Community Principles (the "Book"), the Bylaws of the Association and applicable provisions of other Condominium Documents, and all agreements, regulations and determinations lawfully made by the Association and its directors, officers or agents shall be binding on all such Owners and other persons. A failure to comply with the Bylaws or the provisions of the other Condominium Documents or any agreement or determination thus lawfully made shall be grounds for an action to recover sums due for damages on the part of the Association or any Owner, as applicable, including reasonable attorney fees or injunctive relief without waiving either remedy.

3. **Powers of Association.** Each Owner agrees that the Association has and shall exercise all powers, rights and authority granted unto it, the Council of Co-owners, and the Owners as a group by Chapters 504 and 499B of the Code of Iowa as amended, and such as are more particularly set forth in the Condominium Documents, including but not limited to the making of assessments chargeable to Owners and the creation of a lien on Units thereof, and to acquire a Unit at foreclosure sale and to hold, lease, mortgage or convey the same. Each Owner hereby waives any rights to delay or prevent such foreclosure by the Association which he or she may have by reason of a homestead exemption. The Association shall not have nor exercise any powers which are inconsistent with those powers reserved by the Peninsula Neighborhood Association as identified in the Book.

4. **Partition.** All Unit Owners shall be deemed to have waived all rights of partition, if any, in connection with such acquisition.

5. **Membership, Voting Rights.** The members of the Association shall consist of all of the record Owners of Units. After receiving the approval of the Association elsewhere required, change of membership in the Association shall be established by recording in the public records of Johnson County, Iowa, a deed or other instrument establishing a record title to a Unit in the Condominium and the membership of the prior Owner shall be thereby terminated. The members of the Association shall be entitled to cast one (1) vote for each Unit owned by such member.

6. **Restraint upon Assignment.** The share of a member in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his or her Unit.

7. **Board of Directors.** The affairs of the Association shall be conducted by an initial Board of two (2) Directors. At the initial meeting of members, if all units are owned by one Owner, one (1) Director shall be appointed who shall be designated in the manner provided in the Bylaws. In the event that there are two (2) Owners of Units, two (2) Directors shall be appointed who shall be designated in the manner provided in the Bylaws. In the event that there are three (3) or more Owners of Units, three (3) Directors shall be appointed who shall be designated in the manner provided in the Bylaws.

8. **Discharge of Liability.** All Owners shall promptly discharge any lien which may hereafter be filed against his or her Condominium Unit.

9. **Limitation on Association's Liability.** The Association shall not be liable for any injury or damage to property caused by or on the Common Elements or by another Owner or person in the Project or by any other means unless caused by the gross negligence of the Association. No diminution or abatement of common expense assessments shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements of the Common Elements or from any action taken to comply with any law, ordinance or orders of a governmental authority.

10. Indemnification of Directors and Officers. Every director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon him or her in connection with any proceeding to which he or she may be a party, or in which he or she may become involved, by reason of his or her being or having been a director or officer of the Association, or any settlement thereof, whether or not he or she is a director or officer at the time such expenses are incurred, except in such cases wherein the director or officer is adjudged guilty of willful misfeasance or malfeasance in the performance of his or her duties; provided that in the event of a settlement the indemnification herein shall apply only when the Board of Directors approves such settlement and reimbursement as being in the best interests of the Association. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer may be entitled.

11. Agent to Receive Service of Process. The following person, who is a resident of the State of Iowa, is designated as agent to receive service of process upon the Association:

NAME	ADDRESS

The Board of Directors of the Association shall arrange with such Unit Owner for the payment of the cost of any additional insurance thereby required. Alterations to the exterior of any Building or Common Element shall not be made if, in the opinion of the Board of Directors of the Association, such alteration would be detrimental to the integrity or appearance of the Regime as a whole. Such Owner shall do no act or work which will impair the structural soundness or integrity of the Building or safety of the property or impair any easement. The improvement or alteration of a Unit shall cause no increase or decrease in the number of ownership interests appurtenant to such Unit.

5. Alterations or Improvements by the Association. Whenever in the judgment of the Board of Directors the Common Elements shall require additions, alterations or improvements, the Board of Directors shall proceed with such additions, alterations or improvements and shall assess all Unit Owners for the cost thereof as a common charge.

Association, and this Declaration, all of which provisions irrespective of where set forth or classified shall have equal status and shall be enforceable and binding as a covenant, condition, restriction, or requirement running with the land and shall be binding on and enforceable against each and all Units and the Owners thereof and their respective assigns, lessees, tenants, occupants and successors in interest.

2. **Use of Property.** The use of the property shall be in accordance with and subject to the following provisions:

(a) A Unit shall be used or occupied for living or dwelling purposes only.

(b) A Condominium may be rented or leased by the Owner or his or her lessee, provided the entire Unit is rented. No lease shall relieve the Owner as against the Association and other Owners from any responsibility or liability imposed by the Condominium Documents.

(c) Nothing shall be altered in, constructed in, or removed from, the Common Elements, Limited or General, except upon written consent of the Board of Directors of the Association, which may be given through regulations of the Association, and further provided that any holder of a first mortgage which acquires possession of a Unit by foreclosure or by deed in lieu of foreclosure shall have the right to post signs for the sale or rental of such Unit until such Unit is sold or a lease is entered into.

In addition, no Unit Owner, guest or invitee thereof shall block vehicular access to each Unit's assigned parking stalls by parking vehicles or placing objects within that portion of the common area which abuts the assigned parking stalls. Each Unit Owner's guests or invitees will park their own vehicles only on the exterior designated parking stalls.

3. **No Waiver.** Failure of the Association or any Owner to enforce any covenant, condition, restriction or other provision of Chapter 499B of the Code of Iowa, this Declaration, the Articles of Incorporation or Bylaws of the Association, or the rules and regulations adopted pursuant thereto, shall not constitute a waiver of the right to enforce the same thereafter.

ARTICLE X.

INSURANCE AND CASUALTY

1. **General Liability and Property Damage.** Comprehensive general liability and property damage insurance shall be purchased by the Board as promptly as possible following its election, and shall be maintained in force at all times, the premiums thereon to be paid by assessments. Prior to the organizational meeting, such insurance shall be procured by Declarant. The insurance shall be carried with reputable companies authorized to do business in the State of Iowa in such

amounts as the Board may determine. The policy or policies shall name as insured all the Owners and the Association. Declarant shall be named as an additional insured on such policy or policies until such time as Declarant shall have conveyed all of the Condominium Units in the Project. The policy or policies shall insure against loss arising from perils in both the common areas and the Units and shall include contractual liability coverage to protect against such liabilities as may arise under the contractual exposures of the Association, and/or the Board.

2. Fire and Casualty. Fire and other hazard insurance shall be purchased by the Board as promptly as possible following its election and shall thereafter be maintained in force at all times, the premiums thereon to be paid out of Association assessments. Policies shall provide for the issuance of certificates or such endorsement evidencing the insurance as may be required by the respective mortgagees. The policy, and certificates so issued, will bear a mortgage clause naming the mortgagees interested in said property. The policy or policies shall insure against loss from perils therein covered to all of the improvements in the Project, except as may be separately insured, and shall include coverage for fixtures and mechanical equipment located within each Unit such as plumbing fixtures, electrical lighting fixtures, kitchen and bathroom cabinets and countertops, air conditioning, heating, built-in kitchen appliances which are fixtures, and water heater together with additions thereto and replacements thereof, under the "Single Entity" concept of coverage. Such policy or policies shall contain extended coverage, vandalism, and malicious mischief endorsements. The improvements to be insured under this clause shall be continually insured to value, and the policy or policies shall contain replacement cost insurance. If reasonably available, the policy or policies shall contain a stipulated amount clause, or determinable cash adjustment clause, or similar clause to permit a cash settlement covering specified value in the event of destruction and a decision not to rebuild. The policy or policies shall name as insured all of the Owners, the Association and Declarant, so long as Declarant is the Owner of any of the Units in the Project. The Declarant shall notify the insurance carrier of any change in ownership of a Unit until such time as the organizational meeting of the Unit Owners is held, at which time it shall be the responsibility of the Association to notify the insurance carrier of a change in the ownership of any Unit. The policy or policies shall also cover personal property owned in common, and shall further contain waiver of subrogation rights by the carrier as to negligent owners.

3. **Fire and Casualty on Individual Units.** Except as expressly provided in this Paragraph 3 and in Paragraph 4, no Owner shall separately insure his or her Condominium or any part thereof against loss by fire or other casualty covered by the insurance carrier under Paragraph 2. Should any Owner violate this provision, any diminution in insurance proceeds resulting from the existence of such other insurance, shall be chargeable to the Owner who acquired such other insurance, who shall be liable to the Association to the extent of any such diminution and/or loss of proceeds.

4. **Personal Liability on Individual Units.** An Owner may carry such personal liability insurance, in addition to that herein required, as he or she may desire. In addition, the personal property of the Unit Owner may be separately insured by such Owner, such insurance to be limited to the type and nature of coverage often referred to as "Condominium Unit-Owners Insurance". All such insurance separately carried shall contain waiver of subrogation rights by the carrier as to negligent Owners.

5. **Additional Coverage.** The Board may purchase and maintain in force, at the expense of the maintenance fund, debris removal insurance, fidelity bonds, and other insurance and/or bonds that it deems necessary. The Board shall purchase and maintain workmen's compensation insurance to the extent that the same shall be required by law respecting employees of the Association. The Board shall also maintain "all risk" insurance coverage on the Project to insure against water damage and like kind of casualties.

6. **Loss Adjustment.** The Board is hereby appointed the attorney-in-fact for all Owners to negotiate loss adjustment on the policy or policies carried under Paragraphs 1, 2, 3, and 5 of this Article X.

7. **Association as Trustee for Proceeds.** In the event of damage or destruction by fire or other casualty affecting a Unit or Units, and/or if any portion of the common area is damaged or destroyed by fire or other casualty, all insurance proceeds paid in satisfaction of claims for said loss or losses shall be segregated according to losses suffered by each Unit or Units and/or the common area, and shall be paid to the Association as trustee for the Owner or Owners and for the encumbrancer or

encumbrancers, as their interest may appear. Said insurance proceeds, and the proceeds of any special assessment as hereinafter provided, whether or not subject to liens of mortgages or deeds of trust, shall be collected and disbursed by said trustee through a separate trust account on the following terms and conditions:

(a) Partial Destruction of Common Elements. If the damaged improvement is a Common Element, the Board of Directors of the Association may without further authorization contract to repair or rebuild the damaged portion of the Common Element substantially in accordance with the original plans and specifications thereof.

(b) Partial Destruction of Units and Common Elements. In the event of damage to, or destruction of, any Unit or Units with accompanying damage to the Common Elements but the total destruction or damage does not represent sixty percent (60%) or more of the Building and the cost of repairing or rebuilding said damaged area does not exceed the amount of available insurance proceeds for said loss by more than \$5,000.00, the Board of Directors of the Association shall immediately contract to repair or rebuild the damaged portion of the Unit or Units and the Common Elements substantially in accordance with the original plans and specifications. If the cost to repair or rebuild exceeds available insurance by \$5,000.00, then Owners of the individual Units, by a unanimous vote of those present and entitled to vote, in person or by proxy, at a duly constituted Owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction.

(c) Total Destruction. In the event of sixty percent (60%) or more damage to, or destruction of, the Building by fire or other casualty, the Owners of the individual Units, by a unanimous vote of those present and entitled to vote, in person or by proxy, at a duly constituted Owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction, or whether said Project shall be sold; provided, however, that such determination shall be subject to the express written approval of all record owners of mortgages upon any part of the Regime.

In the event of a determination to rebuild or repair, the Board shall have prepared the necessary plans,

specifications and maps and shall execute the necessary documents to effect such reconstruction or repair as promptly as practicable and in a lawful and workmanlike manner.

In the event of a determination not to rebuild, the Board shall offer the Project for sale forthwith, at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed, the net proceeds of such sale, and the proceeds, if any, of insurance carried by the Association, and/or by the Owners as a whole on the Project, including coverage on the Units and the common area, except for Unit coverage under Paragraph 4 of this ARTICLE XI, shall be distributed proportionately to the Unit Owners in the same proportion that the Unit in which they have an interest shares in the Common Elements, except that where there is a mortgage of record or other valid encumbrance on any one Unit then, and in that event, with respect to said Unit the Association will distribute said proceeds which would otherwise have been distributable to such Unit Owner as follows: first to the record owner of mortgages upon Units and Common Elements in the Regime in satisfaction of the balance currently due on said encumbrances and then the remaining proceeds, if any, to the Unit Owner of record.

(d) In the event that the common area is repaired or reconstructed pursuant to the provisions of Paragraphs 7(a), (b), or (c) of this Article X and there is any deficiency between the insurance proceeds paid for the damage to the common area and the contract price for repairing or rebuilding the common area, the Board shall levy a special assessment against each Owner in proportion to his or her percentage of ownership in the common area to make up such deficiency. If any Owner shall fail to pay said special assessment or assessments within thirty (30) days after the levy thereof, the Board shall make up the deficiency by payment from the maintenance fund, and the remaining Owners shall be entitled to the same remedies as those provided in ARTICLE VII. of this Declaration, covering a default of any Owner in the payment of maintenance charges.

(e) In the event of a dispute among the Owners and/or mortgagees respecting the provisions of this Article X, any such party may cause the same to be referred to arbitration in accordance with the then prevailing rules of the American Arbitration Association.

In the event of arbitration, the party requesting the arbitration will give immediate notice thereof to the Board, which shall notify all other Owners and mortgagees as promptly as possible after the reference to arbitration is made, giving all such parties an opportunity to appear at such arbitration proceedings. The decision of the arbitrator in this matter shall be final and conclusive upon all of the parties. The arbitrator may include in his or her determination an award for costs and/or attorney fees against any one or more parties to the arbitration.

8. **Abatement of Common Expenses.** The Board is authorized to provide coverage for payment of maintenance charges which are abated hereunder on behalf of an Owner whose Unit is rendered uninhabitable for a peril insured against.

9. **Review of Insurance Needs.** Insurance coverage will be analyzed by the Board, or its representative, at least every year from the date hereof and the insurance program revised accordingly.

ARTICLE XI.

TERMINATION

1. **Procedure.** The Condominium may be terminated in the following manner, in addition to the manner provided by the Horizontal Property Act:

(a) **Destruction.** In the event it is determined in the manner elsewhere provided that the Building shall not be reconstructed because of major damage, the Condominium plan of ownership will be thereby terminated in compliance to the provisions of Section 499B.8 of the Code of Iowa.

(b) **Agreement.** The Condominium may be terminated at any time by the approval in writing of all of the Owners of the Condominium and by holders of all liens affecting any of the Units by filing an instrument to that effect, duly recorded, as provided in Section 499B.8 of the Code of Iowa. It shall be the duty of every Unit Owner and his or her respective lien holder to execute and deliver such instrument and to perform all acts as in manner and form may be necessary to effect the sale of the Project when at a meeting duly convened of the Association, the Owners of 100% of the voting power, and all record owners of mortgages upon

Units in the Regime, elect to terminate and/or sell the Project.

(c) Certificate. The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by all members of the Association and their respective holders of all liens affecting their interest in the Condominium, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Johnson County Recorder in Iowa City, Iowa.

2. Form of Ownership after Termination. After termination of the Condominium, the Project will be held as follows:

(a) The property (land and improvements) shall be deemed to be owned in common by the Owners.

(b) The undivided interest in the property owned in common which shall appertain to each Unit Owner shall be the percentage of undivided interest previously owned by such Owner in the common area and facilities.

(c) Any liens affecting any of the Condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owner in that property.

(d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Common Elements; after first paying out of the respective shares of the Owners, to the extent sufficient for that purpose, all liens on the undivided interest in the property owned by each Owner.

ARTICLE XII.

meeting at which a proposed amendment is considered. Holders of a first mortgage of record shall receive notice of such proposed amendment as provided in the Bylaws of the Association.

(b) Resolution. A resolution adopting a proposed amendment may be proposed by either the Board of Directors or by any member of the Association. Except as provided elsewhere, the resolution must be adopted by a sixty percent (60%) vote of all Owners entitled to vote, in person or by proxy; provided, however, no amendment effecting a substantial change in this Declaration or the Bylaws of the Association shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

(c) Bylaws. In the case of an amendment to this Declaration by reason of an amendment to the Bylaws of the Association, then in the manner specified in such Bylaws.

Upon the recordation of such instrument in the office of the Johnson County Recorder, the same shall be effective against any persons owning an interest in a Unit or the Regime.

2. Amendment of Ownership Interest. No amendment shall change the percentage of ownership in the Common Elements appurtenant to a Unit, nor increase the Owner's share of the common expenses unless the record Owner of the Unit concerned and all record owners of mortgages thereon shall affirmatively join in the adoption of such amendment.

IN WITNESS WHEREOF, Declarant has executed this Declaration
the day and year first above written.

BYLAWS OF

PENINSULA NEIGHBORHOOD LOT 118 CONDOMINIUMS OWNERS ASSOCIATION

These are the Bylaws of Peninsula Neighborhood Lot 118 Condominiums Owners Association (hereinafter referred to as "ASSOCIATION"), a corporation organized pursuant to the revised Nonprofit Act of Chapter 504, Code of Iowa, as amended, for the purpose of administering Peninsula Neighborhood Lot 118 Condominiums, a Horizontal Property Regime (Condominium) established pursuant to Chapter 499B of the Code of Iowa, as amended, located on certain portions of the following land in the City of Iowa City, Johnson County, Iowa:

Lot 118, Peninsula Neighborhood, Third Addition,
Iowa City, Iowa, according to the plat thereof
recorded in Book 56, Page 311, Plat records of
Johnson County, Iowa.

I. MEMBERS AND VOTING RIGHTS

1. The owners of each condominium unit shall constitute the members of the corporation and membership shall automatically cease upon termination of all interests which constitute a person an owner. Declarant shall be and have the rights of members with respect to unsold units. Whenever only one spouse is a record titleholder, the other spouse shall be considered an owner for the purpose of membership, and shall be bound by the provisions of all condominium documents including that provision in relation to the homestead exemption contained in Article VII of the declaration.

2. An owner of record shall be recognized as a member without further action for so long as he or she holds an ownership interest. If ownership is acquired but not of record, or if acquired other than by way of conveyance or other formal instrument of transfer (such as by death, judicial act or dissolution), the person acquiring or succeeding to ownership shall present the board of directors of the Association evidence satisfactory to it of facts evidencing lawful ownership status prior to exercise of any rights of membership in the Association.

(Failure to provide such evidence shall not, however, relieve an Owner of his or her ownership obligations). A fiduciary or other official acting in the representative capacity shall exercise all membership rights and privileges of the owner which he or she represents.

3. If more than one person is the owner of the same unit, all such owners shall be members and remain jointly and severally liable for all membership obligations. In such cases, or if more than one fiduciary or other official is acting in the premises, the votes entitled to be cast by the owners of that unit shall be cast by the person named for that purpose on a certificate signed by all such owners or fiduciaries or other officials and filed with the secretary and such person shall be deemed to hold an ownership interest to such unit for purposes of voting and determining the representation of such ownership interest at any meeting or for purposes otherwise provided herein. If such certificate is not executed and filed with the secretary, such membership shall not be in good standing and the votes for that unit shall not be considered in considering a quorum or a vote or for any other purposes until this bylaw is complied with.

4. The owner of each unit shall be entitled to one vote on all matters to be determined by the members of the Association either as owners or as units or as contemplated by Chapter 499B of the Code of Iowa, as amended, pursuant to the declaration, including any supplements or amendments thereto, submitting the property to the regime. Votes of a single unit may not be divided.

II. MEMBERS' MEETINGS

1. The organizational meeting of the members of the Association to elect successors of the initial board of directors shall be held within fifty (50) days of the date on which the declarant has sold and given possession of all of the units within the project or such earlier time if the Declarant elects. Thereafter the annual and any special meetings shall be held at a time and at a place within Iowa City, Johnson County, Iowa, chosen by the board of directors and all such meetings, annual or special, shall be held at such particular time and place as is set forth in the notice thereof.

2. A special meeting shall be held whenever called by the president or, in his or her absence or disability, by the vice-president, or by any one member of the board of directors.

3. The secretary or his or her designate shall give written notice to each member of the annual meeting or a special meeting called pursuant to paragraph 2 hereof. Whoever requests the special meeting shall give like written notice of such special meeting. All notices shall set forth the time and place and purpose or purposes for which the meeting will be held. No action shall be taken at a special meeting which is not directly related to the purpose or purposes stated in the notice of such meeting.

4. Notice of members' meetings shall be given by mailing or delivering same not less than ten (10), nor more than thirty (30) days prior to the date of the meeting. Notice shall be deemed to be given if mailed by first class mail to the member at the address of his or her unit within the regime, unless at the time of giving such notice such member has given written direction delivered to the secretary specifying a different mailing address to be carried on the rolls of the Association. If more than one person is the owner of the same Unit or if more than one fiduciary or one official is acting in the premises, notice to such person shall be deemed to have been given, when in accordance with this paragraph to the person named in the certificate filed with the secretary in accordance with Paragraph 3 of ARTICLE I. Notice of any meeting may be waived in writing by the person entitled thereto.

5. A quorum at a members' meeting shall consist of the presence of members in person or by proxy, representing 51% of the units. The acts carried or approved by a vote of 75% of the units represented at a meeting at which a quorum is present shall constitute the acts of the membership unless a different rule is provided herein or by the Articles of Incorporation, the declaration or other agreement to which the Association is a party. The president, or, in his or her absence or disability the vice-president, shall preside at each members' meeting; if neither the president nor the vice-president is able to preside, a chairman shall be elected by the members present at such meeting.

6. At a membership meeting, a person holding a member's proxy to vote shall be permitted to cast such member's vote on all questions properly coming before such meeting, provided such proxy must be in writing and signed by a member or other person entitled to cast votes, and shall set forth the unit with respect to which such rights are pertinent, and the period in which the proxy is to be in force and effect. Decision of the board of directors as to the sufficiency of any proxy for recognition shall be final and not subject to appeal to the members.

7. At all meetings, the order of business shall consist of the following:

- (a) Election of Chairman, if required.
- (b) Calling of roll and certification of proxies.
- (c) Proof of notice of meeting or waiver of notice.

The initial board shall serve until the first annual members' meeting. From and after the first annual meeting of members, the board of directors shall be selected from the members of the Association. An officer or designated agent of a partnership or corporate member shall qualify to serve as a director.

2. At the first annual members' meeting and at each meeting thereafter, if all units are owned by one owner, one (1) Director shall be elected and the term of office of each director shall extend until the next annual meeting of the members and thereafter until their successors are duly elected and qualified or until removal in the manner as elsewhere provided. In the event that there are two (2) owners of units, two (2) Directors shall be elected and the term of office of each director shall extend until the next annual meeting of the members and thereafter until their successors are duly elected and qualified or until removal in the manner as elsewhere provided. In the event that there are three (3) or more owners of units, three (3) Directors shall be elected and the term of office of each director shall extend until the next annual meeting of the members and thereafter until their successors are duly elected and qualified or until removal in the manner as elsewhere provided.

3. Each director shall be elected by ballot (unless such requirement is waived by a majority consent) and by a plurality of the votes cast at the annual meeting of the members of the Association. Each person entitled to vote shall be entitled to vote for as many nominees as there are vacancies to be filled by election and each director shall be elected by a separate ballot unless provided otherwise by a majority consent of the members.

4. Except as provided in Paragraph 5 of this ARTICLE, vacancies on the board of directors may be filled until the date of the next annual meeting by a vote of the remaining director regardless of whether those remaining constitute a quorum.

5. The initial directors shall be subject to removal only by the declarant. Thereafter, a director may be removed by concurrence of all of the members of the Association at a special meeting called for that purpose. The vacancy on the board of directors so created shall be filled by the persons entitled to vote at the same meeting.

8. By a majority vote, the directors may set the time and place for regular meetings of the board and no notice thereof shall be required until such resolution is modified or rescinded. Special meetings of the directors may be called by the president, vice-president, or any director, provided not less than two (2) days' notice shall be given, personally or by mail, telephone, or telegraph, which notice shall state the time, place and purpose of the meeting.

9. A quorum at a directors' meeting shall consist of one (1) board director if one (1) unit owner owns all units, two (2) board directors if two (2) owners own all units, and three (3) board directors if three (3) or more owners own all units. The acts approved by a vote of a majority of those present at a meeting duly called at which a quorum is present shall constitute the acts of the entire board of directors.

10. The presiding officer of a director's meeting shall be the president, or in his or her absence, the vice-president.

11. The board of directors, by resolution approved by all members thereof, may designate from among its members such committees as it deems advisable and by resolution provide the extent and manner to which the same may have and exercise the authority of the board.

VI. FISCAL MANAGEMENT

1. The board of directors shall adopt a budget for each fiscal year (which shall be the same as the Association's fiscal year for Income Tax purposes) which shall include the estimated funds required to defray the common expenses and to provide and maintain funds for the following accounting categories according to good accounting practices:

(a) Current expenses which shall include all funds and expenditures to be made for the year for which the funds are

budgeted, including a reasonable allowance for contingencies and working funds, except expenditures chargeable to reserves or to additional improvements. The balance of this fund at the end of each year shall be applied to reduce the assessments for current expense for the succeeding year.

(b) Reserve for deferred maintenance, which shall include funds for maintenance items which occur less frequently than annually.

(c) Reserve for replacement, which shall include funds for repair or replacement required because of damage, destruction, depreciation or obsolescence.

2. The board of directors shall assess against each unit and the owners thereof shall be liable for, a share of the items in the budget adopted pursuant to paragraph 1 equal to such unit's pro rata share of common expenses as set forth in the Declaration. Such share shall be assessed annually in advance for the fiscal year for which the budget was prepared, and notice of such assessments shall be mailed or delivered not less than thirty (30) days prior to the first day of such fiscal year. Such assessment shall be due and payable from the respective unit owner or owners in twelve (12) equal installments, each installment being due and payable the first day of each calendar month, within such fiscal year. In the event notice of such assessment is not timely given, the amount of such assessment will not change but the due date for each installment which would otherwise be due and payable less than thirty (30) days from the giving of such notice, shall be due and payable on the due date of the first installment which is due after thirty (30) days from the date such notice was mailed or delivered. In the event the annual assessment proves to be insufficient, the budget and assessments, therefore, may be amended at any time by the board of directors. Such amended budget may be adopted at a special directors' meeting upon an affirmative majority vote of the directors. The additional amount so budgeted shall be assessed to each unit in the same manner as assessments for the annual budget and shall be prorated among the remaining installments due and payable in such year.

3. Assessments for common expenses for emergencies and extraordinary expenditures, which cannot be paid from the annual assessments for common expenses and maintenance funds, shall be made only after notice of the need thereof to the unit owners. After such notice and upon approval in writing by persons entitled to cast more than one-half (1/2) of the votes in the condominium, the assessments shall become effective, and shall be due in such manner as the board of directors may require after

thirty (30) days' notice thereof. In the event any expenditure for repair or replacement of any unit or common elements cannot be paid from annual assessments but can be at least ninety percent (90%) paid from insurance proceeds therefor, such expenditures may be made upon approval of the board of directors without approval of the members and an amended budget and assessment may be made therefor if necessary.

4. If an owner shall be in default of a payment of an installment upon an assessment, the board of directors may accelerate the remaining installments of the assessment upon notice thereof to such owner, and thereupon the unpaid balance of the assessment shall become due upon the date stated in the notice, but not less than ten (10) days after delivery thereof to such owner either personally or by registered or certified mail. Interest shall be computed and due on balances due under this paragraph but unpaid on such due date at the maximum rate of interest allowable by law from the date such balance becomes due and payable in accordance with the preceding sentence; such interest shall be in addition to any other payments for which said owner is liable.

5. The holder of a mortgage on any unit, upon its filing written request with the Association, shall be given written notice by the Association of the nonperformance of a mortgagor's obligations under these Bylaws, the Declaration or other condominium documents, which is not cured within thirty (30) days.

6. All sums assessed but unpaid, including but not limited to, interest with respect to a Unit or against a unit owner shall constitute a lien on such unit prior to all other liens except:

- (a) Tax liens on the unit in favor of any assessing unit and special district; and
- (b) All sums unpaid on the first mortgage of record.

Said lien may be foreclosed by the Association in the manner and with the consequences provided in Section 499B.17 of the Code of Iowa, as amended, in which event the owner shall be required to pay a reasonable rental for the unit. In the event the Association forecloses on any lien, the Owner or owners of such unit, by their membership in this Association, specifically waive any rights to delay or prevent foreclosure which he, she or they may have against the Association by reason of the homestead exemption. The Association may sue for money judgment for unpaid assessments and interest, including reasonable attorney fees, without foreclosing or waiving any lien which it holds.

7. If a mortgagee or purchaser of a unit obtains title as a result of foreclosure of a first mortgage, neither such mortgagee nor purchaser nor their successors or assigns, shall be liable for the assessments chargeable to such unit due prior to the acquisition of title, and such unpaid assessments shall thereafter be deemed to be common expenses collectible from all unit owners including the mortgagee or purchaser, and their successors and assigns. The owner of a unit pursuant to a voluntary conveyance or by inheritance or devise shall be jointly and severally liable with the grantor or prior owner for all unpaid assessments against the grantor or prior owner, but without prejudice to the right of such grantee or devisee to recover from the grantor the amounts paid therefor. The grantee or other successor in interest of an individual subject to a levy of an assessment on account of default shall be liable for any such special assessment.

8. The depository of the Association shall be such bank or banks as shall be designated from time to time by the directors and in which the moneys of the Association shall be deposited. Withdrawal of moneys from the accounts shall only be by checks signed by such persons as are authorized by the directors.

9. An audit of the accounts of the Association may be made annually by a certified public accountant and if such audit is made a copy of the report shall be furnished to each member not later than sixty (60) days after the close of the fiscal year for which the report is made.

VII. AMENDMENT

1. These Bylaws may be amended, altered, repealed or new Bylaws adopted by the members at a regular or special meeting of the members upon the affirmative vote of a majority of all votes entitled to be cast; provided, however, no amendment effecting a substantial change in these Bylaws shall affect the rights of the holder of any mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

2. No amendment may be adopted at either a special or regular membership meeting not included in the notice thereof, except if notice of the proposed amendment has been given, an amendment relative to the same subject may be adopted by those present, in person or by proxy and possession of the requisite percentage of membership and voting interests; provided further, no vote by proxy may be counted unless the proxy expressly

provides for such contingency. Notice referred to herein shall be given in the manner prescribed in ARTICLE II, Section 3 of these Bylaws and shall be given to the persons described in ARTICLE II, Section 4, and the holder of any first mortgage of record which has notified the Association of its interests not more than fifty (50) days nor less than thirty (30) days before the date such meeting will be held. More than one proposed amendment may be included in the notice of a meeting.

3. To the extent provided by Section 499B.14 of the Code of Iowa, as amended, no modification nor amendment to these Bylaws shall be effective unless set forth in an amendment to the Declaration of Condominium, executed and recorded in the manner set forth in the Declaration and an amendment to these Bylaws shall constitute an amendment to the Declaration as provided for by law. Upon such recording, said amendment shall be effective against all persons having an interest in a unit or the regime regardless of whether said person had such interest at the time said amendment was adopted.

VIII. MISCELLANEOUS PROVISIONS

1. The invalidity of any portion or provision of these Bylaws shall not affect the validity of the remaining provisions or portions hereof.

2. The Association shall not have or employ a corporate seal.

3. The board of directors may require fidelity bonds from all directors, officers, or agents handling or responsible for Association funds and the expense of such bonds shall be common expense of the Association.

4. The Association shall promulgate such rules and regulations as it deems to be in the best interest of all owners within the Regime. The initial board of directors shall adopt the initial rules and regulations which may be added to, amended, modified or altered by the affirmative vote of a majority of all of the members in the Association. Such Rules and Regulations, as amended, shall be binding upon all members, guests, and agents of members. An amendment to the rules and regulations shall not constitute an amendment to the Declaration and shall be valid and enforceable upon adoption without recording the same as an amendment to the Declaration.

5. The Association shall at all times maintain separate and accurate written records of each unit and owner and the address of each, and setting forth the status of all assessments,

accounts and funds pertinent to that unit and owner. Any person other than a unit owner may rely on a certificate made from such records by an officer or agent of the Association as to the status of all assessments and accounts.

6. Each member shall have the obligations as such member as are imposed on him or her by the Regime documents as an owner, and no member shall have any power or authority to incur a mechanic's lien or other lien effective against the Regime property except as the same may attach only against his or her interest therein.

7. The Board of Directors may, in its discretion, issue written evidence of membership, but the same shall be evidence thereof only and in no manner shall be transferable or negotiable, and the share of the member in the assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as appurtenant to such assignment, hypothecation or transfer of the unit.

8. Each owner or lessee of his or her unit, as applicable, shall have a right to use and enjoy the common elements provided that such use shall be limited to the uses permitted by the Declaration of Condominium and other governing documents of the Regime.

9. The owners association shall be required to make available to unit owners, lenders, and the holders and insurers of the first mortgage on any unit, current copies of the Declaration, Bylaws, and other rules governing the condominium, and other books, records and financial statements of the owners association. The owners association shall also be required to make available, to prospective purchasers, current copies of the Declaration, Bylaws, and other rules governing the condominium, and the most recent annual audited financial statement, if such is prepared. Upon written request from any of the agencies or corporations which have an interest or prospective interest in the condominium, the owners association shall be required to prepare and furnish within a reasonable time an audited financial statement of the owners association for the immediately preceding fiscal year.
